Dedication

Summoned by a supreme and confident power
That wakes our sleeping courage like a blow
We rise, half-shaken, to the challenging hour,
And answer it—and go.

—UNTERMeyer.

SENIOR CLASS HISTORY

IT WAS very exciting, that first day of school. Throughout the downstairs hall was scattered a squad of six-year-olds raving and shouting at the top of their voices, “I want my mama.” So began the career of some eighty frightened children who were destined to become the 1945 Seniors of the Morehead City High School.

During those first years we were not so smart, but we did learn how the teachers used their paddles and shoe-trees. It wasn’t long before we found ourselves in the seventh grade. That year we had Mr. Lewis, our first male teacher. The work was different from that we had had in previous years. We had projects; made plaques, recordings of our voices, colonial furniture, and cave men’s heads of clay. When commencement came we felt very sophisticated as we solemnly received our grammar grade certificates and made speeches before our parents. By this time a good many of our class had fallen by the wayside or moved away from town.

In the fall of ’41, we entered a new phase of life, high school. Even though we were fresh we were soon salted down by the upperclassmen. The teachers too reminded us constantly that we must act like high school students. We missed going out to play ball at recess and the days passed slowly but finally we became adjusted and worked hard to gain the distinction of being Sophomores.

The next year we returned with lighter hearts to renew our efforts in things intellectual. More of our class took part in athletics and different school organizations. No one will ever forget the long biology periods and the uninteresting, but much needed, English classes. That year, perhaps, witnessed more real work on the part of the class of ’45 than any other year. That year, too, saw the beginning of changes that were to continue all through high school. We had only to lift our eyes to realize that our country was at war. Morehead was literally running over with officers and enlisted men in all branches of the service. Some of these men brought their families to live in our little city, and from these families we gained new members. True, some of them only stayed a short time, but others stayed for months and each added a great deal to our class. Friendships were made that will linger long in our hearts and minds. New York, Pennsylvania, California, Virginia and many other states of our country will never seem so far away to us again.

In the fall of ’43 as we entered our Junior year we felt more grown up in lots of ways. Several of our boys, realizing how near they were to enlistment age, went away to military schools, and others joined the navy. Not all the service men in our midst were married so several of our girls were prevailed upon to change from school to matrimony. Everyone agreed the highlight of the year was the Junior-Senior banquet. Under the direction of Mrs. Dowdy and Miss Brinson this proved to be quite an affair at the Villa Hotel.

Now we were Seniors. This the year of which we had so often dreamed was upon us. On our shoulders was laid much of the responsibility of leading the organizations of the school. Physics, and many other things baffled us but our teachers were patient and day by day we were able to go ahead. So many things happened! Will we ever forget the visiting committee to evaluate the school, such scrubbing and painting and minding our p’s and q’s? The year book too, with its picture making, article writing, and ad selling required a great deal of our effort. And that wonderful event, the Senior play. What a thrill as “Adam’s Evening” was presented. To Mrs. Baily, our Senior teacher goes the credit for the success of the play.

As Commencement approached we realized for the first time how many things we were putting behind us. No more parties by our grade mothers, no more dances in the gym, no more class picnics at the beach, no more basketball practice, no more bull sessions in the student government room, no more of so many things that we had taken for granted. As we come to the end of our high school days we look back with longing, but we must go on to take our places somewhere else. To our teachers who have been so kind and patient in trying to fit us to fill those places we give our most sincere thanks. We may never all be together again as a class but we can come back in our memories and live again our days together.

SOPHOMORE CLASS

We, the Sophomore class of '45 consider ourselves the luckiest Sophomore class in the history of our school. We say this due to the fact that we will be the first class to complete twelve years of schooling instead of graduating from the eleventh grade.

We and our teachers will agree have rightfully earned the title of "Silly Sophs." We are now looking forward to the next two years when we will claim the repeated honor of being called the "Jolly Juniors" and "The Dignified Seniors."

RUTH GUTHRIE

After struggling through seven long hard years of grammar school and one of junior high, we at last became Freshmen. This being our first year in high school we all were quite green but soon we became familiar with high school and its many activities.

Our Freshmen participate in everything—scholarship, Hi-Y, Student Government, basketball, baseball, band, glee club, and majorettes.

It is the opinion of one of the high school teachers that we are not only jolly but also uncontrollable. This teacher is hoping that next year we will have become a little more settled and will make better Sophomores than we made Freshmen.
EIGHTH GRADE

This has been a most interesting and progressive year for the eighth grade. We have had three very capable teachers: Mrs. John Nelson for one section, Mrs. Mary Youle during the first semester, and Mrs. Taylor during the second semester, for the other section.

Aside from our regular school work, we have given a number of plays, with one of which we won the Stunt Night prize. Also, we have developed an excellent boys’ basketball team. This team has won several games, among which was one with the Cherry Point eighth grade.

Our class has been represented in all extra-curricular activities, such as baseball, basketball, glee club, and band.

GIRLS’ BASKETBALL TEAM

The Morehead City Girls’ Basketball Team started practice with hopes of a great season and really went to work to get into shape for their first game.

Practice was begun with two members of last year’s team returning, along with two reserves—the two regular players being Carolyn Taylor and Rachael Brock—the two reserves, Prudy Salter and Faye Piner. At first the prospect of a successful season seemed doubtful, but as practice went on much improvement was shown by all members of the squad.

When the first game was played in December, the girls defeated their old rival, Smyrna, with the score of 33 to 6, starting the greatest season in the history of girls basketball in Morehead City—winning 15 victories and losing no games. This marked the third time in five years that the Morehead girls have been county champions, and their first undefeated season.

The girls were led by their Captain, Carolyn Taylor, who is considered by her teammates and coach to be one of the outstanding guards ever to play in Morehead City or in Carteret County. Rachael Brock, forward, the leading scorer on the team, and one of the best forwards in Carteret County. Two other members of the senior class were on the team—Faye Piner, regular guard, and Dorothy Sampson, substitute guard. The remaining members of the regular team were as follows: Prudy Salter and Viola Styron, forwards; Matsu Leary, guard. The manager of the team was Betsy Waldenmaier.

Much credit is given to the coach, Mr. Talbert, who gave freely and willingly of his time.

The Sandfiddler (25)
BOYS’ BASKETBALL TEAM

The boys’ basketball team started practice with an experienced team and plenty of reserves.

The team ended the season with an amazing record of 24 victories and three defeats, all defeats being games lost to class A high schools: Broughton of Raleigh, Greenville High, and Burlington High. On the list of victims of the Morehead team are Goldsboro High, a class A school which was defeated by the score of 42-23, and Graham High, a strong class B school.

The Morehead team beat not only every team in the county, but also every team in the adjoining counties that they played.

Several highlights of the past season were the high scoring of the team, an average of 41 points a game, and the overwhelming scores against Jacksonville, 81-42, and New Bern, 65-21.

The team was composed of four Seniors: Ralph Styron, who has played four years and who averaged 17 points a game this year; Roma Styron, who has played four years and who has an average of 12 points, Elijah Nelson, who averaged 8 points a game in his second year of playing; and Arthur Lewis, who was playing for the first time. The other members of the first team were Seldon Sherwood, a sophomore who has been playing for two years, Harrell Baldree, who has been playing for two years and John Nelson, who has been playing for two years.

Other boys who were not on the regular team, but who played some were Jerry Norris, Clarence Bell, Gayle Guthrie, Buck Matthews, Tommie Cordova, Tommy Piner Kemp Guthrie, Nolan Snipes, Red Kirkpatrick, J D Helms, J G Bennett, Glenn Phillips. The two managers were Bill Caffrey and Charles Bell.

For the second time in succession the Morehead boys have won the County Championship. One of the Styron twins was given honorable mention on the All-State Basketball Team, and several of the Senior boys have been offered scholarships to different colleges in North Carolina, due to their ability to play basketball.

The Morehead team was considered by coaches and officials to be one of the best teams ever to play in Carteret County and ranked very high among Eastern North Carolina School teams.
First row, left to right: Ralph Styron, Dick Williams, Harrell Baldree, Don Kirkpatrick, Roma Styron. Second row: Buck Matthews, J. D. Helms, Raymond Asdenie, Mr. Talbert, J. G. Bennett, Nolan Snipes.

BASEBALL TEAM

Baseball in Morehead City High School will not reach the peak attained in basketball, due to the short season and lack of material for an outstanding team.

Most of the experienced baseball players have graduated, but there is on hand a large group of youngsters from which a good team may be developed.

The holdovers from last season are Roma Styron, infielder and pitcher; Ralph Styron, infielder and catcher; and Harrell Baldree, infielder. All three of these boys have had experience in baseball and are considered good high school players. The newcomers on the team this year, are as follows: Junior Peyton, Donald Kirkpatrick, Dick Williams, Bobby Bell, Buck Matthews, J. D. Helm, J. G. Bennett, Seldon Sherwood, Elijah Nelson, and several more from the freshman class, who have not been playing up until this year.

The team plays a schedule of ten games with schools of Carteret County and adjoining counties, with New Bern being the strongest opponent.

Morehead High School
Woo-Woo!!

The three cheerleaders of last year, Bobby Garner, Catherine Willis, and Martha Pittman, graduated and left Morehead without a cheerleader. As much enthusiasm had been aroused, about twenty-five girls turned out for the try outs. After several days of practice, the following were chosen by a group of teachers: Mary Ann Turnage, Louise Garner, Betsy Waldenmaier, Rachael Brock, and Dorothy Sampson, the chief. These five immediately went to work and many new original cheers were practiced in chapel. At last the first game came! A large crowd attended all the games and we were told the cheering was superb! All through the year, new cheers were taught and cheering became very popular.

Next year, may the old Horse and Wagon cheer bring forth two more championship teams.

**GIRLS’ HI-Y**

The Girls’ Hi-Y has worked hard this year to keep high its standards and uphold its constitution.

The officers for the first semester were:
President
Vice-President
Secretary
Treasurer
Adult Leader

Carolyn Taylor
Rachael Brock
Viola Styron
Cora Joslyn

The officers for the second semester were:
President
Vice-President
Secretary
Treasurer
Adult Leader

Rachael Brock
Edna Williams
Mary Ann Turnage
Barbara Grantham
Cora Joslyn

Among this year’s social activities were the Mother-Daughter Banquet, held at the Blue Ribbon Club; the Christmas Tea for the former members, held at the home of the president; the tea for the servicemen, held at the USO; and the entertaining of the Beaufort Hi-Y girls, at one of the meetings.

The upkeep of a Hospital room, which was undertaken previously, has been continued along with the regular attending of the church services.

The girls have assisted their community in many ways, especially in the War Bond and Stamp Drive, during which they sponsored a bond booth.

The Hi-Y’s hope for the future is that it may continue to grow and influence greatly the high school and community toward a Christian character.
The Morehead City Boys’ Hi-Y Club has taken in enough members during the year 1944-45 to bring the number up to about par.

One of the first objectives for the year was the raising of money to finance the social activities for the school term. The small fund left from last year has been contributed to by donations from individual members and by the sale of drinks during athletic games.

The club decided to meet once during the month for the regular prayer service at one of the local churches. These meetings rotate from one church to another and the girls’ club meet at the same church with the boys. Our other meetings have varied. We have had some very interesting speakers, out-door suppers, and athletic contests.

The annual banquet was presided over by Herbert Phillips. The girls’ club and members of the high school faculty were guests. The year was brought to a close with the annual boat trip and picnic.

BAND

This year the band was fortunate to obtain for its leader, Mr Fay Axtell, assistant director of the Carteret County USO. Although he was able to give only a short time each day to this work, his musical enthusiasm went far toward overcoming this handicap.

Since there was no one to teach new members to play the band could not substantially increase its membership, but the old members worked hard, and were able to carry on the usual band programs of playing for weekly chapel programs, pep meetings, senior class play, patriotic meetings, and many other occasions.

The work of the year culminated in a concert given at the May meeting of the P-T A. The program for this concert varied, including marches, overtures, solos—both classical and popular.

We are proud of our band for carrying on during these trying years of war. We know that a school without music has lost much of its spirit, and we predict greater things to come in the musical history of M. C. H. S.
Each year sees changes in the line-up of the Majorettes, as well as all of the other phases of school life. With the graduation of our Chief Majorette in '44, Rachael Brock took her place this year. Highstepping with her have been Louise Garner, Maxine Guthrie, DeEllia Wade, and Grace Piner.

On all occasions that their services were needed the Majorettes were right on the job. Not only did they serve the school by leading the band in several parades, and helping in "Stunt Night," but were constantly seen heading grand marches and adding sparkle to the programs sponsored by the USO.
First row, left to right: Theldine Gillespie, Sadie Davis, Margaret Mitchell, Mildred Hill, Lucille Wright, Dawn Wetherington.

THE GLEE CLUB

The Glee Club is made up of a group of girls from the 8th, 9th, and 10th grades of our school.

On Mondays, Wednesdays, and Fridays we meet for one hour of singing sacred and secular numbers. We have taken part in several programs this year, singing for the Carteret County Teachers Association, P.T.A., Spelling Bee, Christmas Program, Music Club, and Graduation.

STUDENT COUNCIL

The Student Government is an organization which includes in its membership every student in high school. It endeavors to create in the lives of these students a sense of honesty, respect for the rights of others, and the ability to govern one's self.

Throughout the year 1944-45, the Student Council has been busy trying to keep up the projects begun by the councils of previous years and adding to them a few of its own.

The hall monitors have done a very good job of trying to keep order between classes.

Selling paper and pencils to the students and selling chances on a cake were means of adding to the treasury, thus the council was able to present the Athletic Association with thirty dollars to buy paint for the dressing room of the gym.

During the year the council sponsored two chapel programs. The one in the fall developed around the query, "What kind of school do I want M. C. H. S. to be?", the one in the spring around "What kind of person do I want to be?" Each program was followed by pep songs and school cheers.

It is hoped that what has been done this year through the Student Government Association has brought the students to a better realization of what is expected of them as high school students and future citizens.

Officers of the Student Council are

President: Carolyn Taylor
Vice-President: Dorothy Sampson
Secretary-Treasurer: Viola Styron
Senior Representatives: Rachael Brock and Patsy Wade
Sophomore Representatives: Matsy Leary and Louise Garner
Freshman Representative: Bill Godwin
Faculty Adviser: Mrs. Helen A. Baily
