The Student Council, under the able leadership of Sonny McDonald, President, and Mrs. Helen Baily, Adviser, has done much toward the betterment of our school.

As a "money-making" project school supplies were sold, profits were used for a school directory which is posted outside the office. Class rooms were numbered accordingly.

The Council cooperated with Mr. Windell and the teachers at Career Day and with hall duty.

The addition of curtains and mirrors was a big improvement in the restrooms. Members of the student council have supervised the cleaning of the toilets throughout the year.

Highlights of the year included a semi-formal dance featuring the Marvella Quintet, Council elections which were scaled like government elections, and a supper which was held at the Blue Ribbon Club.

The Council has had a very successful year thanks to the cooperation of the entire student body.
