Morehead City School Band Leaves At 6 Tomorrow for Blossom Festival

The Morehead City High School Band will leave at 6 a.m. tomorrow for the Shenandoah Apple Blossom Festival at Winchester, Va.

The band under the direction of Ralph Wade, has chartered two buses. Sixty members will leave on the trip accompanied by Mr. Wade and four chaperones.

The chaperones are Mr. and Mrs. Fred Lewis and Mr. and Mrs. Ethan Davis. Mr. Lewis is president of the Morehead City Band Association and Mr. Davis is vice president.

When the caravan arrives in Winchester, it will go directly to the Edgewood Motor Court, the motel rented by the band, and get settled in preparation for its two-

day stay. The motel is located three miles south of Winchester.

To Parade Thursday

The first event in which the band will participate will be the firemen's parade Thursday. The band will be among the 150 units in the parade. Prizes will be given to the best units in the parade.

The band will also participate in the Grand Parade, starting at 6 p.m. Friday. This parade will climax the two-day festival. It will also be judged.

During its stay, the band will visit various exhibitions and will be invited to attend festivities scheduled. They will return Saturday.

On its homeward journey the band will ride over the Skyline Drive and visit Luray Caverns and St. John's Church in Richmond where Patrick Henry gave his immortal "Give me liberty or give me death" speech.

Mr. Wade said the stops are to give band members a chance to see some of the landmarks of the country through which they are passing, making the trip educational as well as enjoyable.

He expressed appreciation for the public's generosity in making the trip possible.

J. R. Sanders, treasurer of the band association reported that the total accumulated for the trip is \$1,245.53.

The Band went to Winchester and had a very successful trip. They brought back a \$100.00 check as prize for being the Best Class "B" Band.

This was the most outstanding trip of the year.

The band also went to Raleigh and New Bern and was the Big Attraction on the Football Field during Intermission with their many different performances during football season.

This club was named the Gary T. Windell Club in honor of our principal.

There was a wonderful response to this club by the entire student body and students liked actually teaching in the classrooms, both at Morehead City and neighboring schools.

This club was highly successful and its members are anticipating the coming year.

I wish you
luck & wish you
joy I wish you
first a baby boy
and when its
hair begins to
curl I wish you
then a baby
boy or girl
and when its
hair begins
to twirl I wish
you then a
set of twins.
