PRESENTATION

We, the Seniors of '59, have at last reached our ultimate goal in high school, graduation. As we prepare to leave our beloved B.H.S., we take with us these memories that are sealed forever in our "1959 MAINSAIL." We have all worked hard to produce this, the best annual that Beaufort has ever had.

We wish to thank our teachers and principal who have borne with us in this undertaking. We extend our thanks to the merchants who have given us a helping hand and to the students who have co-operated so well with us.

And now we present to you our "1959 MAINSAIL."

D E D I C A T I O N

WE DEDICATE...

During these past four years we have come to realize that there is one teacher whose name is synonymous with this high school. This teacher has instilled in us the most important fundamental of all, the difference between right and wrong. We are profoundly grateful to this man who fights for us, not only when we are winning; but—more important—he fights for us when we are losing. He teaches a young Freshman more than a subject; he teaches a way of life. He is a man who has never been known to give up. A hand on the shoulder and the words, "Keep fighting, son," will keep this man forever in our memories. We call him "Mr. School Spirit." And so it is with deepest admiration and respect that we dedicate this "1959 Mainsail" to you,

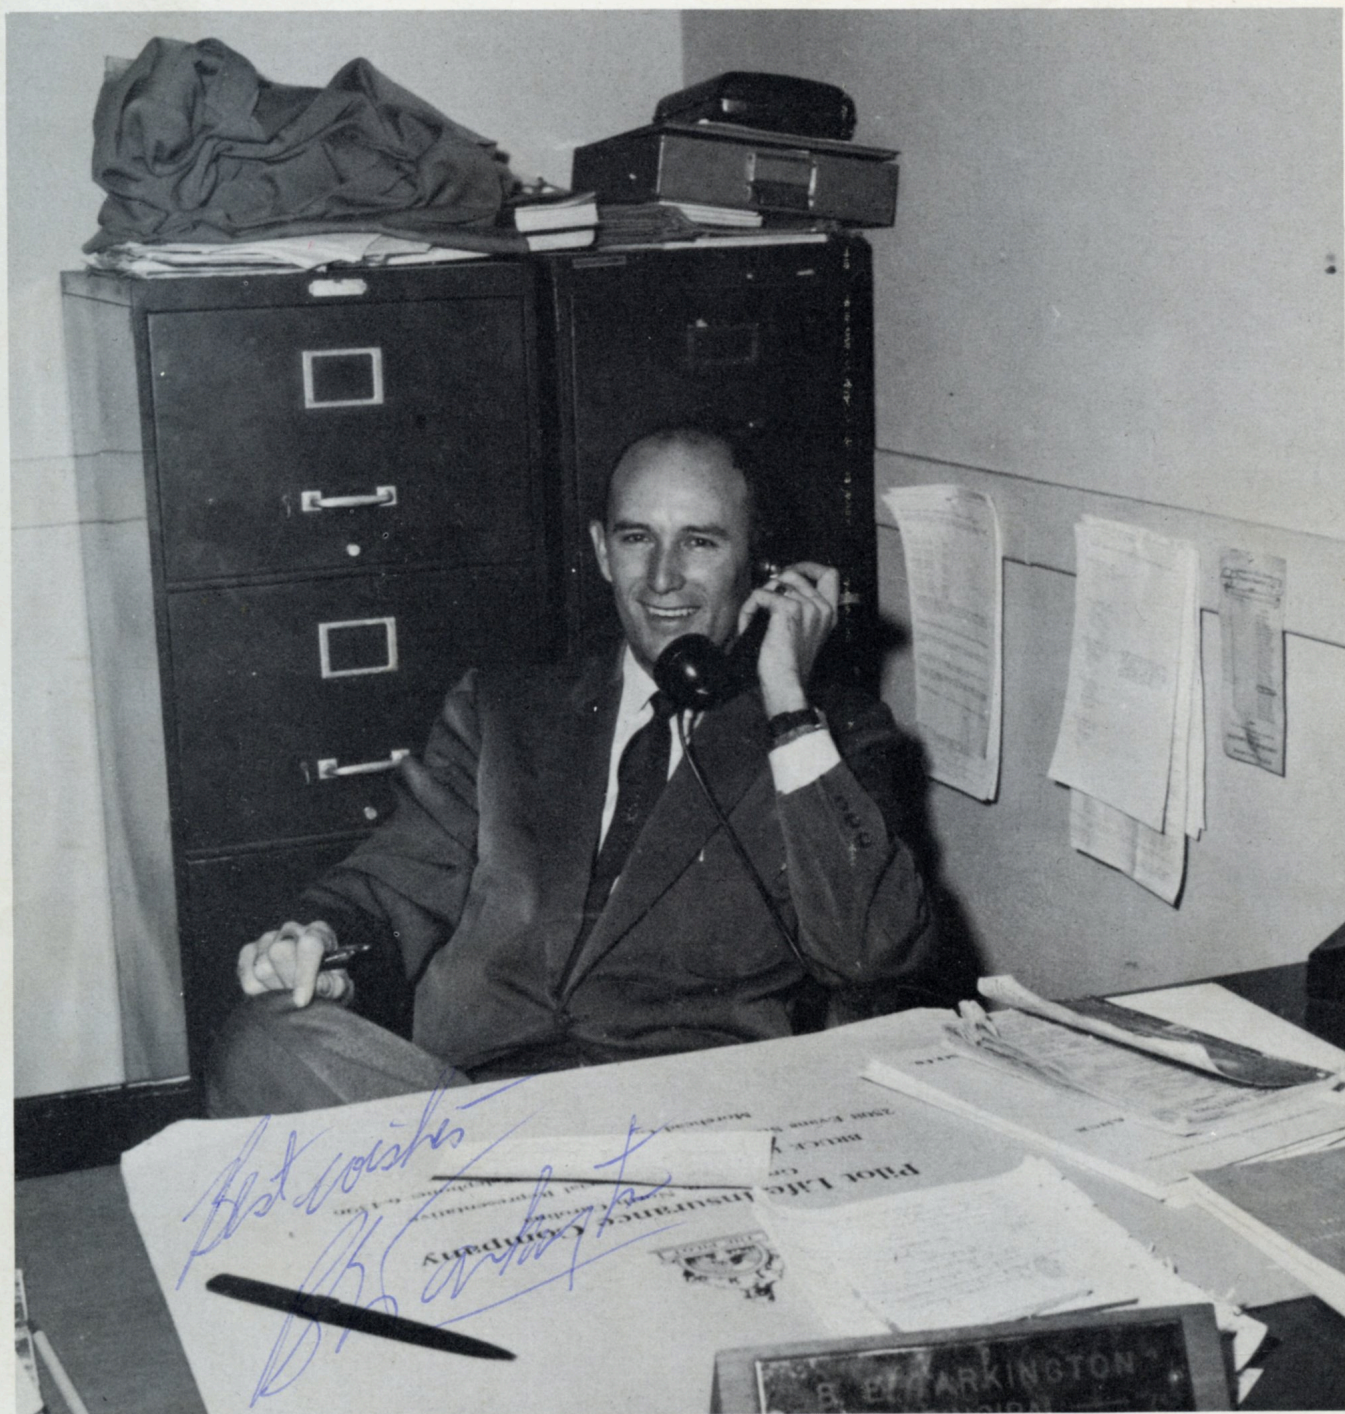

COACH TOM McQUAID.

Principal's Message

I feel the 1958-59 school year has been one of further growth and achievement. I'm sure that future years will be filled with even greater opportunities for our students. We are building a program we can justly be proud of now and in the future also.

My sincerest thanks to the Class of '59 for extending their leadership in worthwhile avenues of learning, and to the faculty and parents who have supplied the motivating forces so necessary for meaningful learning.

SENIOR PRESIDENT'S MESSAGE

We, the Seniors of '59, are proud that we have reached, at last, this high position in high school. Members of our class have left distinguished marks in every club and sport in high school. As we now prepare to leave B.H.S., our hearts are filled with joy in the knowledge that we have done our best for our school. Yet our hearts are also filled with sadness as we realize that we are about to leave the friends that we have known for years. But we must go.

We leave to the rising Seniors the challenge that faced us one year ago. We hope that they may know the joy that we have found.

Our heart-felt thanks go to our principal and teachers that have done so much to help us along. And we bid now a fond farewell to all.

OUR CLASS OF '59

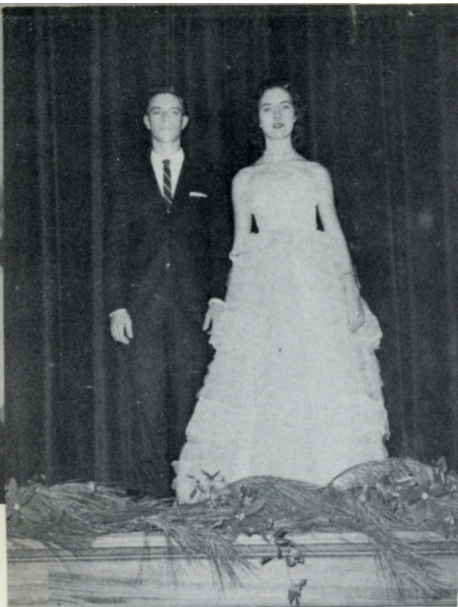

by
Ann Taylor

The wind blew north and then it shifted,
The mast arose, the anchor lifted.
The daylight fades,
The tides go out.
We must face the foes
That lie about.

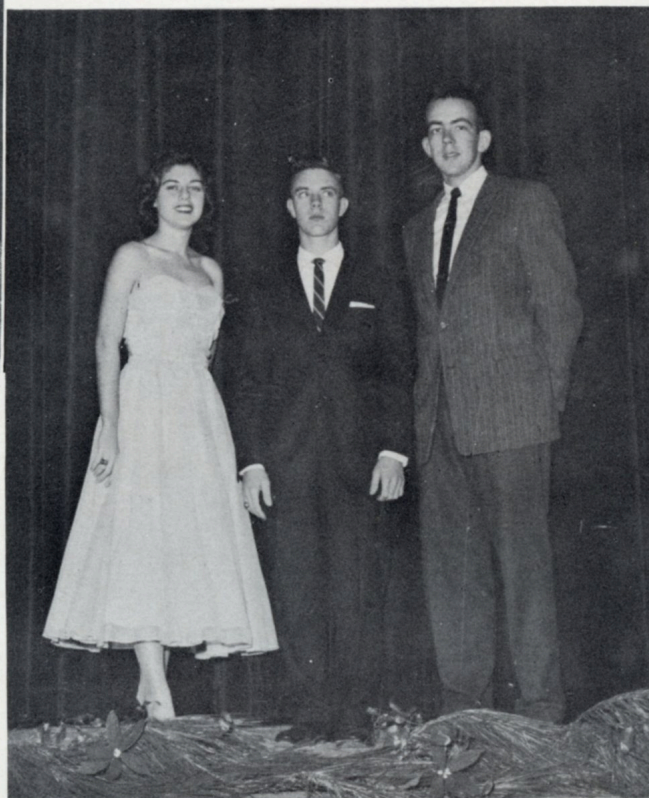

The wind breezed up and the storm gales blew,
The rough seas rocked, but we came through.
Time's brought to a close
These twelve long years,
And in our hearts
We find joy and tears.

We face toward the sun,
Our places to find.
And we sail with the tide,
Our class of '59.

JUNIOR PRESIDENT'S MESSAGE

Well, it took ten long years, but we are now Juniors. No more silly Freshmen or simple Sophomores but proud Juniors.

As Juniors, we, of course, take on the Junior-Senior Banquet with great pride. In the two banquets which many of the Juniors have taken part, we have stood out.

The Junior Class has seventeen students participating in competitive sports, two cheerleaders, three majorettes, and members in various clubs.

We now look to the Seniors as we know that is our next and final step. Our goal is set to be one of the most outstanding classes. I know we will succeed.

SOPHOMORE PRESIDENT'S MESSAGE

After a successful Freshman year, we have proudly become the Sophomore Class of Beaufort High School.

For us this has been a good year filled with many activities. Our classmates have proved to be good scholars; they have sung in our Glee Club, and our athletes have won their honors. Seven of our boys were regulars on the football team, and one received honorable mention on the All-Eastern team. Both girls and boys play in the band, and two of our girls grace the cheering squad.

In the coming years we hope that our class will be a credit to our school in its scholarship, in its activities, and in the character and integrity of its members.

FRESHMAN PRESIDENT'S MESSAGE

The Freshman Class of '62 is proud to say that, even though known as the traditional ignorant freshmen, we have successfully begun our four years of high school. We boast several very promising participants in many of the school's clubs and activities.

We wish to thank our teachers and advisors for their guidance throughout the year, and we hope to gain their respect and favor in the future.
