To You who are the Spirit . . .
Jostling in the hallways,
Attentive in the classrooms,
Running on the breezeway or
Pushing in the lunch line.

To You who are the life of Morehead High . . .
Cheering in the bleachers or
Playing on the field
Scoring on the basketball court or
Marching in the band.

To You — the students — who have
Created the vibrant Spirit
Of M.C.H.S.
We present this book.

The Sigma Tri-Hi-Y is made up of girls from the freshman and sophomore classes who are interested in developing the spiritual side of their characters. This year we have joined with the Hi-Y and Alpha Tri-Hi-Y in sponsoring the Hi-Y Follies to raise money to send a delegate to the International Youth Conference in Amsterdam, Holland. We have also had projects in community service and world service.

The sands of time are slowly seeping
To the bottom of the glass,
And soon the halls will all be empty
Of echoes of our senior class.

All things familiar soon will fade
As we go on our separate ways,
But a memory still will linger
Of our precious high-school days.

When life opens wide its portals
To a new and stranger land,
The joys of our youth and laughter
Will on a golden threshold stand.

As we look back upon life's way
We wonder where the time has flown,
We wonder if for life we're ready
And how we'll manage on our own.

You may be sure we'll never forget
The wonders we have shared together,
The battles we have lost and won,
The tumults we have had to weather.

So now we offer our good-byes
To the ones who stay behind,
And we know we'll meet again
If life is good and fate is kind.

GERI REID
