This is our school

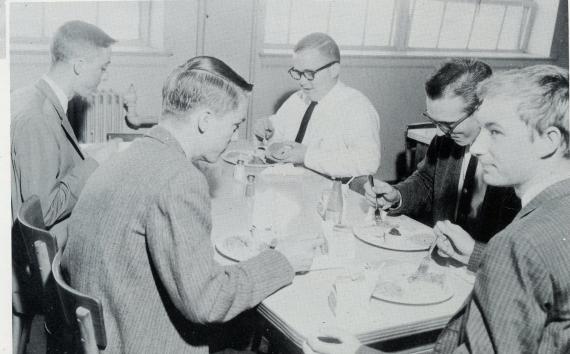

It's formal . . .

"They're playing our song. May I have this dance?"

It's informal . . .

"I didn't think that was a bit funny!"

It's work . . .

Book reports due...Term papers to finish... Examinations... Concentrated study...

It's play ...

"Now that we're up here, how are we going to get down?"

It's spirit "Give us an M---C---H---S!"

It's sacred

"Our Father, which art in heaven, -"

Sacred, too are the memories . . .

Miss Sandfiddler

MISS ROBBIE LOU MURRAY

Dedication

In 1956 Miss Hortense Boomer came to serve as librarian in our school. In the five years that have followed, she has proved her worthiness. Not only has the library of our school improved greatly and grown under her guidance, but there has been scarcely any area of her life in which she has not served willingly and capably.

All those with whom she has been associated have been touched and influenced by her warm and never-faltering Christian spirit. She has "created, maintained, and extended" throughout every field that touches her life, high standards of Christian living.

In an effort to express our appreciation for her patience, love, and wisdom, we wish to dedicate the 1961 SANDFIDDLER to MISS HORTENSE BOOMER.

The Beta Club is an honor society composed of those students of the junior and senior classes who have maintained an academic average of 90 or more in high school. The chief goal of the Beta Club for this year was the student aid program, a plan in which members of the club who excelled in specific courses would help other students in raising their averages in those subjects. The chairmen of the committees were as follows: John Crowe, the sciences; Robert Eure, foreign languages; Fred Willis and Jim Terrell, mathematics; Barbara Nichols and Susan Dill, social studies; Doris Phillips, English.

The Beta Club made contributions to CARE and to the Morehead High School scholarship fund.

After many hours of hard and intense work, the MCHS band terminated an eventful year. Looking back, one can recall the melodious presentations offered throughout the year. Such selections as "Thoughts of Love," "The Drunken Sailor," "Trojan Invocation," "Carnival of Venice," and "Death and Transfiguration" are echoing still in our ears.

This year the band journeyed to Washington, D. C., to participate in the Cherry Blossom Festival. The entire school worked hard to help these students to go by putting on the Hi-Y Follies, and raising money through the sale of chorus candy.

Prominent soloists this year were Jim Terrell, Josiah Bailey, Michael Lewis, Tommy Swanson, and, and added attraction, the Crowe family.

Mr. Ralph Wade is certainly to be commended on this magnificent work with both the band and the chorus. Never has anyone given more of himself for others than has Mr. Wade.

The Morehead City Glee Club proved the value of many hours of practice when it reached its climax at the annual Spring Concert shown above. But this is only one episode of a full year of public presentations. Among them were entertainment for the county teachers meeting, choir for the community Christmas service, and choir for the baccalaureate service. It charmed the audience with such memorable selections as "Happy Wanderer," "Let's Take an Old-Fashioned Walk," "The Stars Are with the Voyager," "Dream," and many more. The magic for much of this beauty must be accredited to our "Music Man," Mr. Ralph Wade.

The F.T.A., Future Teachers of America, is composed of those students in high school who desire to give part of their lives for the betterment of the citizens of tomorrow. Many of the F.T.A. members gained skill in this unawarding, yet ever rewarding, art by frequently substituting for members of the faculty. Money made during the year by the F.T.A. was used for scholarships presented to deserving students. We hope that these members shown here will continue to be interested in teaching and that some day these future teachers will guide and instruct our future leaders.

F.H.A.

The F.H.A., Future Homemakers of America, is an organization made up of high school girls who intend to dedicate their lives to the art of making homes out of houses. The goal of the F.H.A. is to aid in instilling that intangible quality in young girls which will enable them to develop united families for tomorrow.

F.B.L.A.

The F.B.L.A., Future Business Leaders of America, is composed of those students in high school who are interested in gaining a better understanding of the evergrowing business world. Among their accomplishments of the year are the Sadie Hawkins Dance, distribution of Easter seals in the community, a donation to CARE, and attendance to the State Convention in Durham. The F.B.L.A. has done an excellent job in keeping the entire student body informed of activities throughout the year by a monthly calendar in the hall. They should be thanked and congratulated for their achievements in the school.

Hi-Y

The Morehead City Hi-Y Club, an outgrowth of the Young Mens' Christian Association, is composed of those boys of the junior and senior classes who desire to learn and understand more about God and help in executing His work. In the year 1960-61, the Hi-Y aided less fortunate families of the community by supplying food baskets at Thanksgiving, Christmas, and Easter. In March, the Hi-Y and Tri-Hi-Y joined in presenting the Hi-Y Follies. The year was climaxed for the Hi-Y when they conducted the church service for the First Methodist Church. The Hi-Y should be congratulated on its splendid achievements during the year.

Alpha Tri-Hi-Y

This is one of the clubs which have led our school life along a Christian pathway. Through the activities of the Tri-Hi-Ys, the student body has benefited greatly. This year, some of the accomplishments of the Alpha Tri-Hi-Y have been the Holy Week Easter services; Twirp week, and the Twirp Dance; a contribution to CARE; furnishing Christmas, complete with tree and presents, to the children of two needy families; sending \$100 to Buildings for Brotherhood, and contributing to World Service; aiding with the sale of Easter Lilies; and the trisponsorship of the Hi-Y Follies. At the end of the school year, the graduating seniors of the Alpha Tri-Hi-Y were presented white Bibles.

This club consists of juniors and seniors who are eager to lead and promote a Christian life.

The Sigma Tri-Hi-Y strives to maintain the same high Christian standards as its sister club, the Alpha Tri-Hi-Y. It is composed of girls in the freshman and sophomore classes. The number of girls desirous of furthering their spiritual development became so great that it became necessary to from two separate clubs. These clubs strive for the same goal, however. This goal is "To create, maintain, and extend, throughout the home, school, and community, higher standards of Christian character." This club also sponsored the Hi-Y Follies, a talent show consisting of the top talent of MCHS.

Chosen to reign during this magical night were Miss Donna Bell and Mr. Ted Garner. They were selected by secret ballot taken in the junior and senior homerooms: The queen must be a junior; the king, a senior. Crowning the lucky twosome are Fred Willis, president of the senior class, and Jimmy Smithwick, president of the junior class.
