PRESENTATION

During our journey through Beaufort High, we have undertaken and completed many worth-while projects which have brought joy and praise to us. Needless to say, our annual, the largest and most important of our projects, has entailed much thought and hard work. We have burned the midnight oil under great stress and strain, but we have burned it willingly and conscientiously.

This, the twelfth edition of the Mainsail, is the consumation of our efforts. It is our sincere hope that it will hold fond memories of your high school days.

It is with great joy and humble pride that we, the seniors of B.H.S. present to you the 1961 Mainsail.

WE DEDICATE...

WE DEDICATE

To our beloved counselor, advisor, teacher, and friend. She has been strength for our weakness, guidance for our shortcomings, and knowledge for our education. She has endeavored tirelessly to instill in us purpose, character, humility, and other rudiments necessary for success.

She has unselfishly given to us the benefits of her knowledge and experience, of subjects related to our social and economic growth as well as our basic education. These are the qualities of our model teacher, to whom we will be forever indebted.

In appreciation for all she has done, we dedicate the MAINSAIL 1961 to Miss Lena Nelson Duncan.

ADMINISTRATION and FACULTY

PRINCIPALS MESSAGE TO CLASS OF 1961

The world of tomorrow is the product of things planned years before. For twelve years you have worked to prepare yourself to be a valuable adult citizen in a democracy. As you encounter the many problems of adulthood, I hope that you can recall the teachings of those who have taught you during your school days, and from these teachings be able to cope with life's problems successfully.

Worthy ambition, adequate preparation, and sincere commitment to life are keynotes to success. "So teach us to number our days that we may apply our hearts unto wisdom."

PRESIDENT'S MESSAGE

As we are now completing our final year of High School, we, the Senior Class of 1961, proudly look back at our many accomplishments and contributions. We feel we have set some shining examples in all the activities of our school. We

do challenge all who may follow us to exceed our achievements and go on to do far greater things. We also urge our fellow students to always strive for the improvement of our school; it will never be any more than what we make it ourselves.

PRESIDENTS MESSAGE

As our High School days come to a close, we hold many fond memories in our minds. We remember the first day we entered Beaufort High in our Freshman year and the thrill of being chosen waiters and waitresses for the Jr.-Sr. Then came our Sophomore year and the State Championship games. Then came our Junior

year and our fabulous Junior-Senior Banquet. As we stand on the threshold of our final year, we hope to add many more outstanding accomplishments to our record. We hope that whatever the future holds, it will be good and plentiful.

PRESIDENTS MESSAGE

At last we are being sophomores. Many times when we were Freshmen we sometimes doubted whether we would ever be called this. Now as we stand waiting to take our places as Juniors, we look back at the past year. We see all the problems we had to face in order to reach this

point in our school life, but with the help of our advisors we have arrived here with a deep feeling of pride. As we prepare to enter our Junior year, we go with great confidence in our ability to face any problem that we may encounter by working together as a class.

PRESIDENT'S MESSAGE

Our first year in high school is drawing to a close. As we look back on this year, we feel we have progressed far from "Silly Freshmen". We have taken part in many of the school's activities and have done our best to improve ourselves and Beaufort High School. In these we feel we have succeeded. Much of our success we owe to our

advisors; Mr. McQuaid, Mrs. Beveridge, Mr. Lockard, and our principal Mr. Gainey. As we begin our next step into high school, we hope to become a vital part of Beaufort School. If this hope is achieved, we will continue to do our best for our school.

The 1960 Mainsail had already been sent to press when the Fabulous Seadogs captured their second consecutive Class A State Championship in basketball. The perfect season ran the victory string to an amazing 51 straight games over a two year span. There was never any doubt as to the outcome of the season as the Seadogs rolled over every foe with relative ease and a comfortable margin of at least 20 points.

The record of the team is in itself enough to exemplify the superior ability of Coach McQuaid. His teams have almost completely dominated the Class A ranks in the past five years, and many refer to him as the best basketball coach in the entire state. The school is also very proud of the fact that our boys received many favorable comments on their behavior in hotels and restaurants while on the tournament trips; all-round State Champs!

Tri-Captains: David Jones, Pud Hassell, Ernest House.

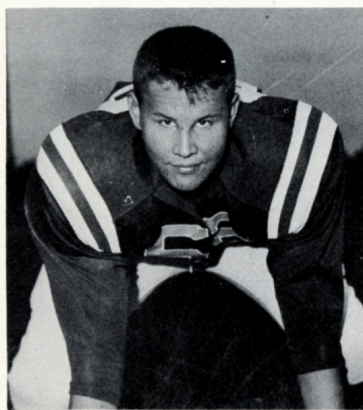

Although the 1960 Edition of the Fighting Seadogs did not successfully defend the coveted State Championship, the season could never be unsuccessful. Among the accomplishments of the team was the establishment of a new State record; that of not allowing a single point to be scored in 13 consecutive ball games. Our fine coaching staff is to be more than commended for the manner in which our young men conducted themselves, both on and off the field. They have proven once again that the building of character is all important in the makeup of a championship team. We feel sure that these young men will reflect credit on the school in all their endeavors. To Coach Lancaster, Coach Fodrie, and Coach Hewitt go a tremendous vote of appreciation.
