THE MAINSAIL

Mainsail

1965

In the spring of 1961, a group of excited youngsters proudly walked across the stage to receive their eighth grade diplomas. Since then, we have gone forth to participate on the football field and basketball court. We have cheered from the sidelines as cheerleaders and spectators. We have participated in all extracurricular activities and have gone on pilgrimages to Winston-Salem. But now, four years later, it is time to present an account of all we have done. So now, with loving pride, the Class of 1965 presents to you the 1965 MAINSAIL.

*We Dedicate . . .
To Beaufort High School:*

As the last class to graduate from Beaufort High School we feel a special kinship to the many classes that have gone before us and to the traditions of Beaufort High School. No longer will Freshman flock in four-abreast or Seniors march out sedately in single file. The illustrious "Seadog" will be gone, but the memory of this famous name will never fade. With these thoughts in mind we dedicate the 1965 Mainsail to Beaufort High School.

To a Teacher:

Since we have been in high school, and even before, this teacher has been a special part of our class. Not only has she been a teacher, but a friend and advisor in many ways.

Her ideas and influence have been ever helpful in planning class activities.

It is especially fitting that we should dedicate this, the last edition of the MAINSAIL, to a person who has helped with it for so many years, and was herself the editor in her senior year at BEAUFORT HIGH . . .

Now as our days at Beaufort High School come to a close, we have a feeling of great pride as we look back on the past twelve years. Our class has made numerous contributions to the school and to the town in which we live. Our class boasts many outstanding students in scholastic activities and athletics. We feel sure that we have upheld and improved the record of Beaufort High School.

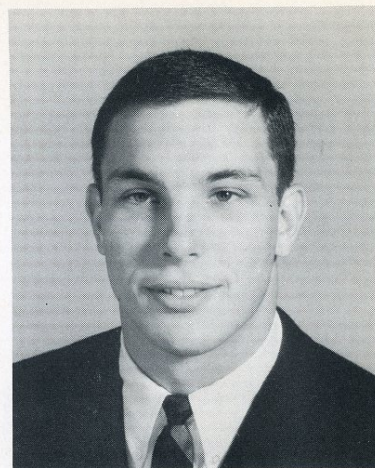

We realize, of course, this could not have been possible without the help of our faculty and principal. To them we extend our most humble thanks for helping us, the graduating class, to become one of the greatest in the annals of Beaufort High School.

Since we entered Beaufort High School in 1962, our class has taken an active part in every activity of our school. We have many outstanding students who can readily represent us as scholars and athletes. We have twenty-one participants in varsity competition and twenty-three members of the Beta Club.

Although we have achieved much since we entered high school, much remains to be accomplished. As Juniors, then as Seniors, we must strive to better ourselves and prepare to take our places in the world. What lies ahead of us we cannot foresee, we can only do our very best now in preparation for what will come.

President's Message

There are twelve rungs in our school ladder. We, the "Silly Freshmen", have left eight of them behind us. We are aware that these next four steps are much more difficult to achieve. It will take ability, hard work, and determination to succeed. We accept the challenge.

As this year comes to an end, we wish to thank our teachers for their guidance. We hope that we, the class of '68, may live up to their expectations as we move along on our high school ladder.

Athletics

Coach Tom Hewitt-Seadog line coach, Coach Curt Lancaster-Head coach.

To the football team these men are the greatest men in the world. Their coaching abilities have made us stronger physically and mentally as well as spiritually. With respect the SEADOGS pay tribute to these fine men.

Here the Seadog machine rolls against Swansboro. The Seadog offense rolled up large yardage against all their foes, but could master only three wins. One of their best showings was a 13-13 tie with Ayden.

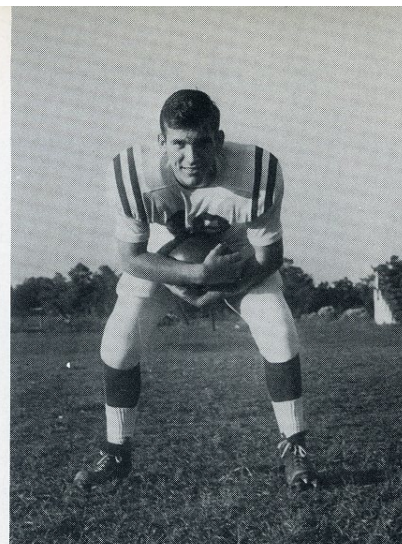

Despite all their efforts, Beaufort had only a fairly successful season. Their record for the 1964 season was 3-6-1.
