to us — school is a way of life,
deep rooted as the trees of
autumn.

we are flashbacks of those winter
days when the sun seemed never
to shine through.

we are our dreams of warm spring
afternoons with flowers blowing
in the breeze.

we are the summer moments of
freedom, sun, and fun.

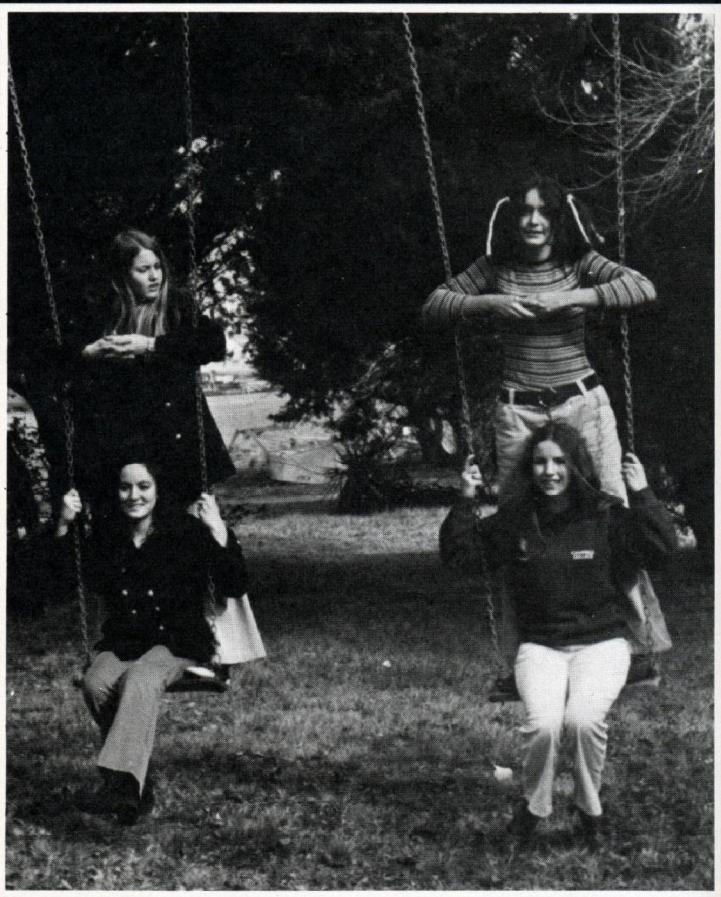

we are dictators of our own fate; our minds, products of our teachers knowledge.

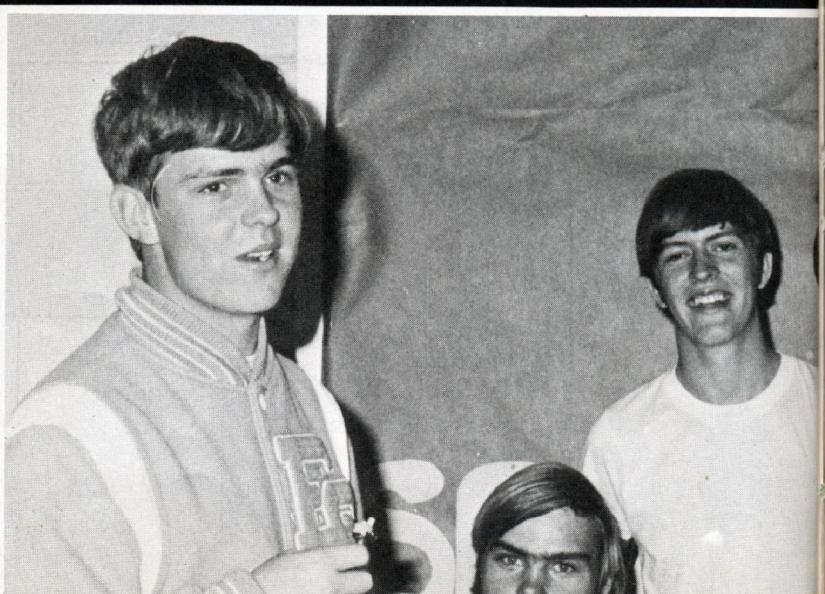

we are young — the generation of today.

we are new boundaries — leaders of tomorrow.

we are changing traditions — we are students.

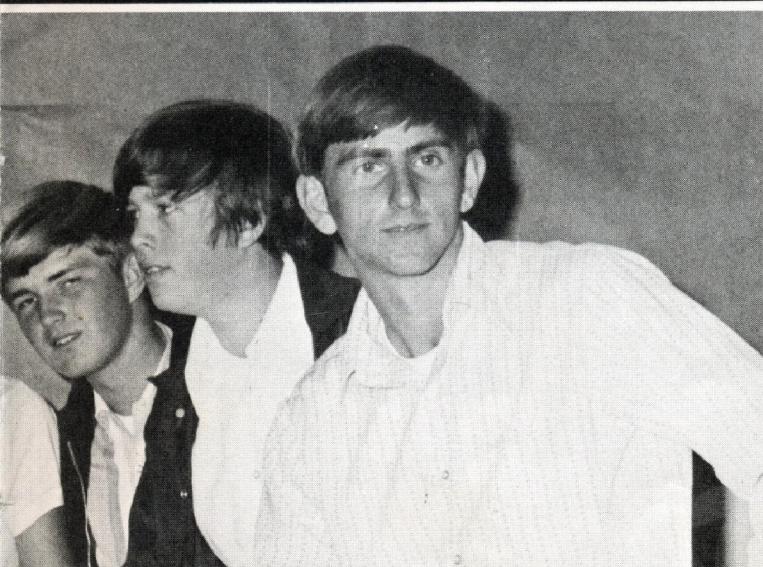

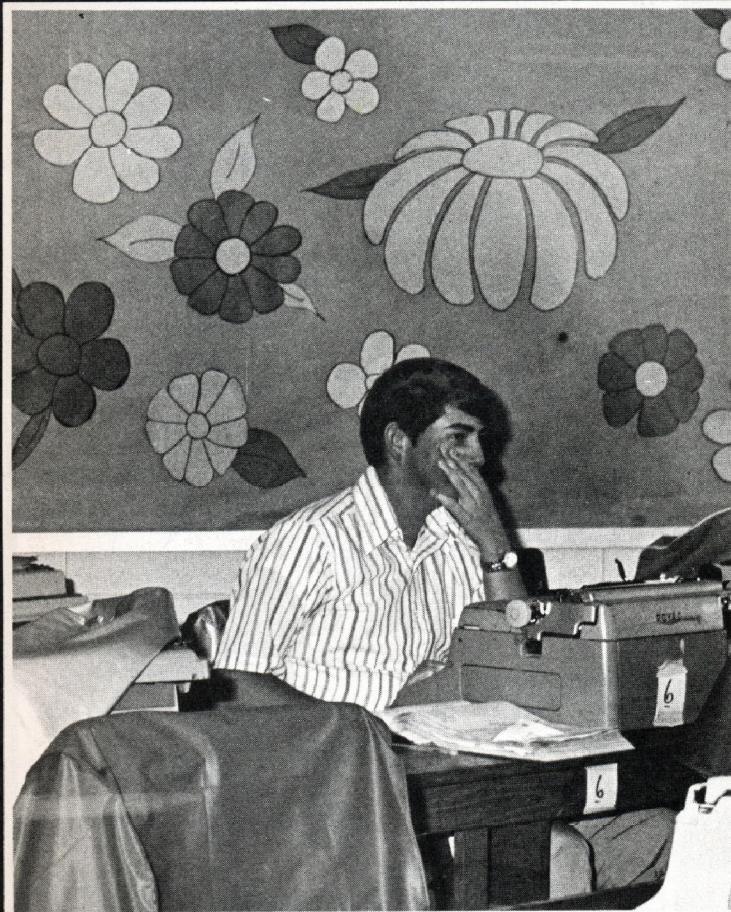

we are schools of today —
drastically changing.
we are our victories — and
our defeats.
we are individuals — we are a school
community.
we are educated people — the out-
reaching, levelheaded, thinkers
of tomorrow.

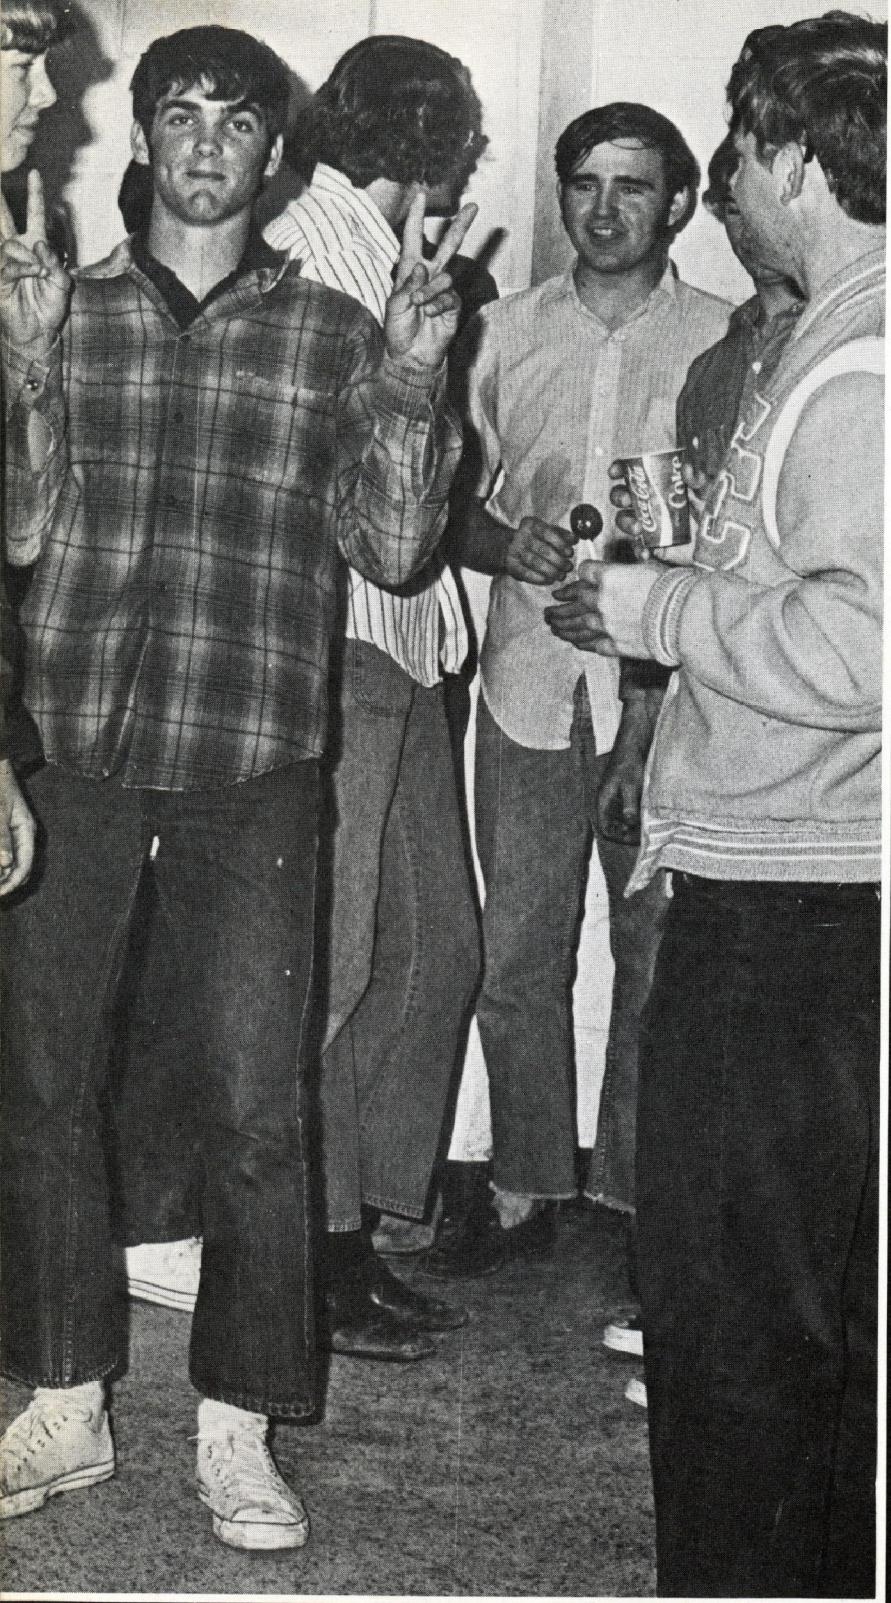

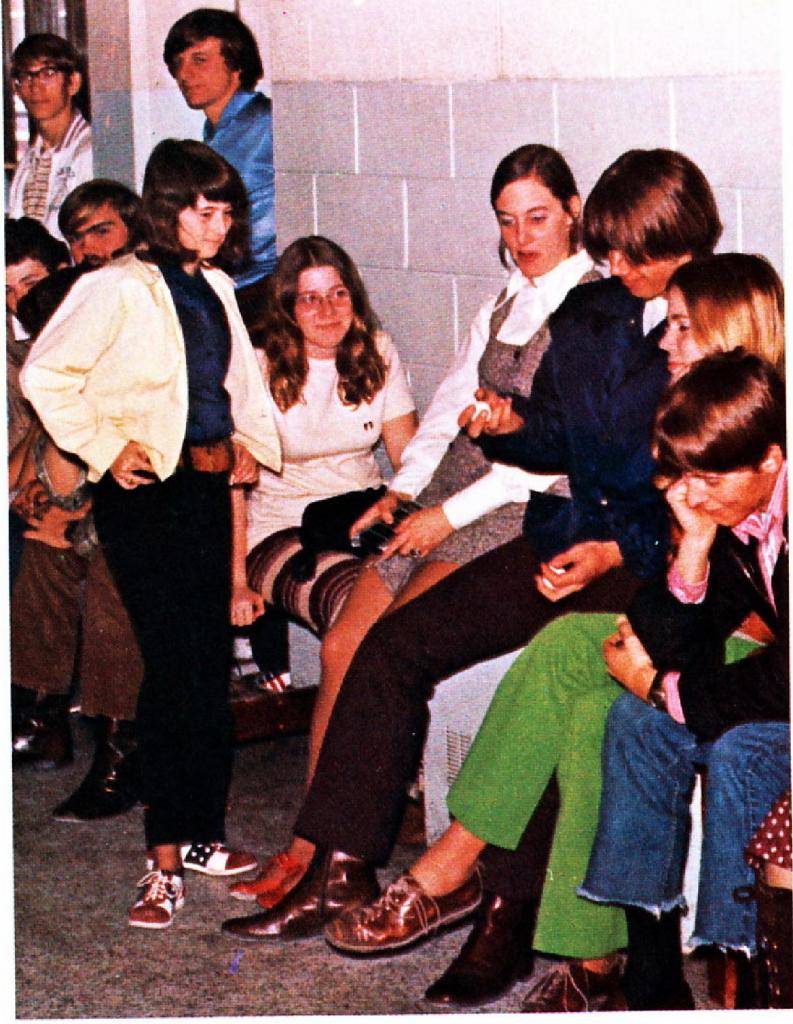

we seek, we find, and we conclude.
we are the memories of our high school
years — never forgotten and as
unchangeable as the seasons of
the year.

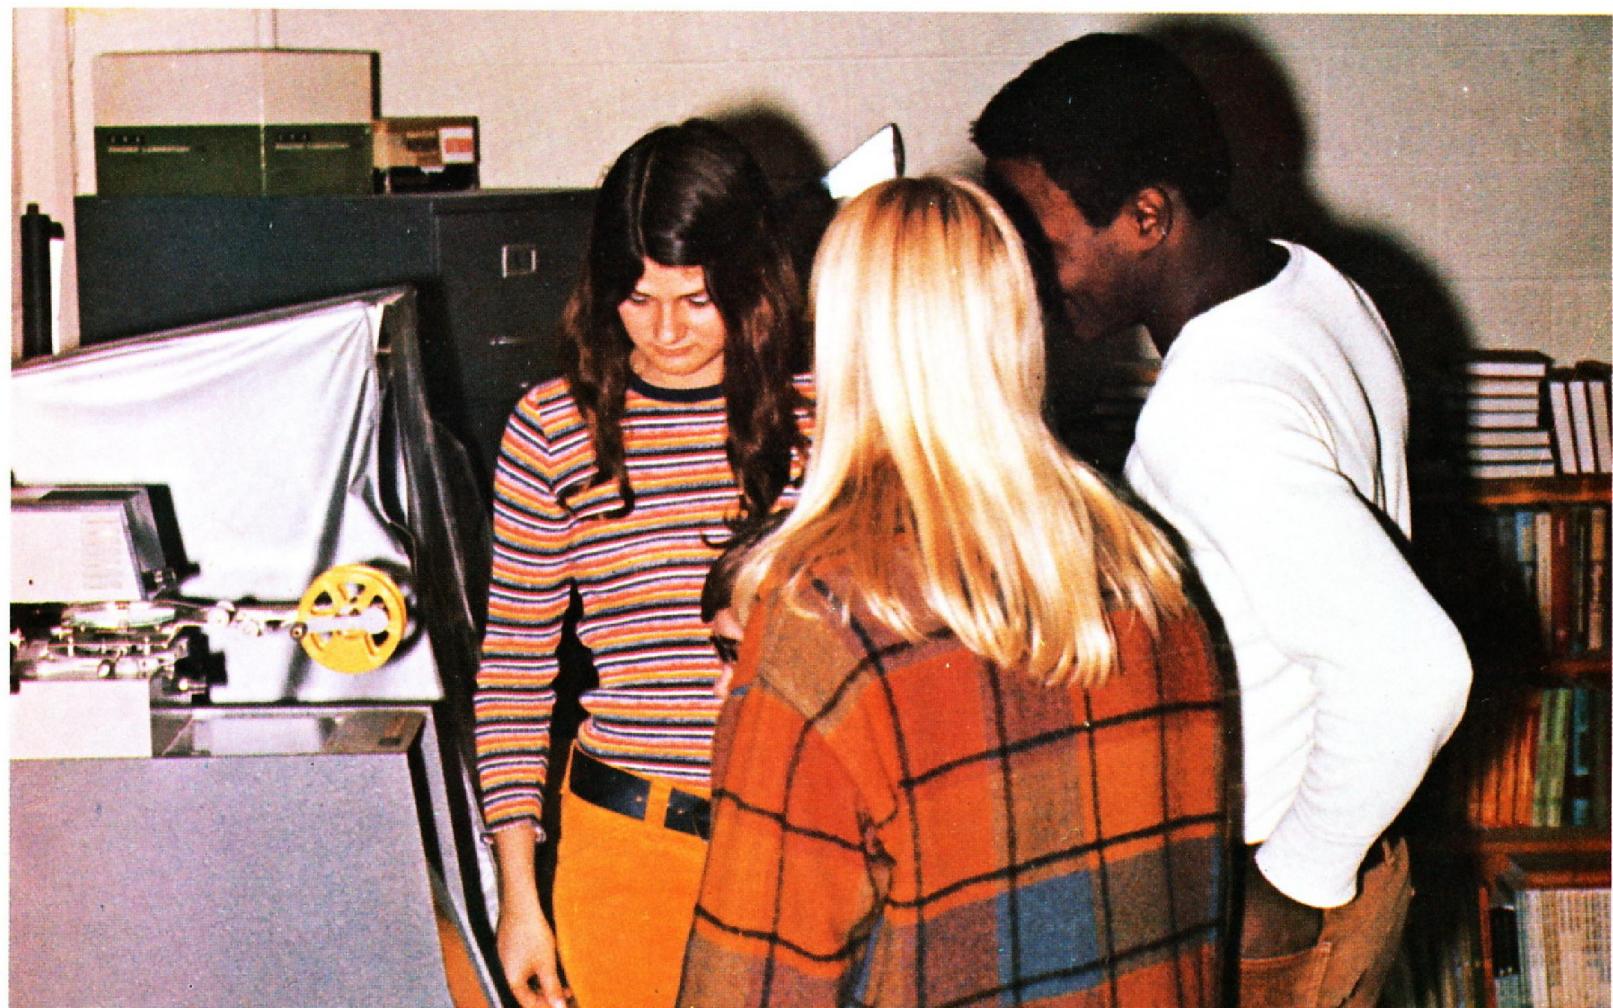

we are the book that uncovers
the life of an east carteret
student.
but overall — we are ourselves.

KAREN DEAR, you see how they saved this space for me. 1st of all I want you to type this up. 2nd you can write a letter to N.G. 3rd ed. Now get to work! KAREN, you have really meant a lot to me this past year. Not just Student Govt. Not just Church. But as a friend. Friends are so few these days. To me a friend is someone who is always there. I don't know how you do it. I'm sure Christ is on your side. You really are a great Christian. This year, we had some great times together. But that was nothing. The past is over - how I do hate that fact. We've got to go on and make history, KAREN, for Grace's sake. Seriously, you never know when the time is going to come - to go to a better world. I know you will be ready because you can tell that you're already living that sort of life. What is life anyway? Is that to general? Life is a magazine. REALLY Life is the testing ground for the future. Well, you've already won it gold medal. Some day I might reach that plateau.

Some people don't believe in the fact. Well, I believe it was there and was it great? SAY IT AGAIN. MAN, they were the brightest days of my life. We can at least look back on the past and know that we did have fun once in our life.

The Drama Club of East Carteret High School is one of the most active clubs the school has. Each member works long hours preparing sets, finishing costumes, and learning lines. The club works as a group for the entertainment of the entire student body. Their hard work and keen talent should not be left uncommended. Keep up the good work!

Knowing and teaching you have added so much happiness to my life. You are a very unique person. I will always treasure some of our experiences together. I do wish you much success in the years ahead! This year's freshman class entered the halls of East Carteret filled with wonder and excitement about what the coming year would bring. Each individual, working with the other, making the class a whole and forever striving to better themselves beyond the upperclassmen. The class of 1975 has accomplished many things, such as winning the prettiest open court award. This year's freshman class has shown talent, skill, and individuality. Many who have seen the freshmen in action would probably agree that this year's freshman class is the greatest yet!

Karen,

I really count it a privilege
to know you. I have grown very
fond of you over the years. If I had to pick some of the
nicest girls I know at East, you
would be one of them. I am glad
there are still good Christian girls
around like you. God bless ya
and keep ya smiling.

Love ya,
Mike R.

A COOL STREAM

Spring came and the young
tree bent,
The force of the evening breeze.
Games were more plentiful then —
But so was time.
One year disappears.

Summer, and everyday was a
summer swim.
With feelings of triumph
As the sea was conquered.
A wave crashes upon the beach.

Fall, the moon throws her light.
Forrest trees swing their limbs
To a frantic tune that was sung too soon.
You stumble on shadows along the road.

Winter . . .

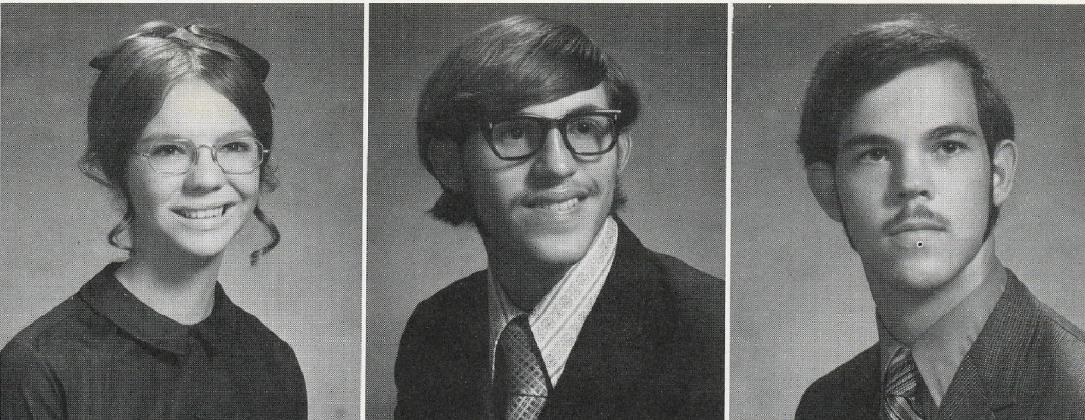

A cold wind snaps at your face,
As reality is born within you.
The four years that were once feared,
Are now gone . . .

The Annual Staff

On May 19, 1972, at the John Yancey Ballroom, the Class of 1973 presented one of the best junior-senior proms ever. Many hours of planning and hard work on behalf of the Junior Class and Junior Advisors created a fantasy-land of enjoyment. Those who helped to make this a great Junior-Senior are to be commended.

What a friend we have in time,
Gives us children, makes us wine,
Tells us what to take or leave behind.

And the gifts of growing old,
All the stories to be told
Of the feelings more precious than gold.

Friends, I will remember you,
Think of you, Pray for you
And when another day is through,
I'll still be friends with you.

Baby's days are never long,
Mother's laugh is Baby's song.

Our strength is as the sea,

As long as there's memory.

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out the sea,

But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless deep
Turns again home.

Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark;

For though from out of bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crossed the bar.
