## — Administration —

PRINCIPAL JOHN F. NELSON

ECU; George Washington University; University of Maryland; B.S., M.A. Sponsors "many" Clubs and Activities.

MRS. FLORENCE PHILLIPS — Serious as usual!

MRS. GEORGIA DICKINSON — our budget keeper.

"I'll turn it in later, okay?"

Becky Whitaker — typical

"Art students, as far as at all practical, are encouraged to explore, in depth, their own particular interest areas. Design principles are applicable to every visual art form, while personalities vary greatly. It is felt that the freedom to investigate special interest areas through the manipulation of line, color, texture, space, and form affords students greater opportunity for self-expression without sacrificing sound design discipline."

Pat Harrell

Death Be Not Proud  
— John Donne

Death be not proud, though some have called thee  
Mighty and dreadful, for thou art not so;  
For those whom thou think'st thou dost overthrow  
Die not, poor Death; nor yet canst thou kill me.  
From Rest and Sleep, which but thy pictures be,  
Much pleasure; then from thee much more must flow;  
And soonest our best men with thee do go —  
Rest of their bones and souls' delivery.

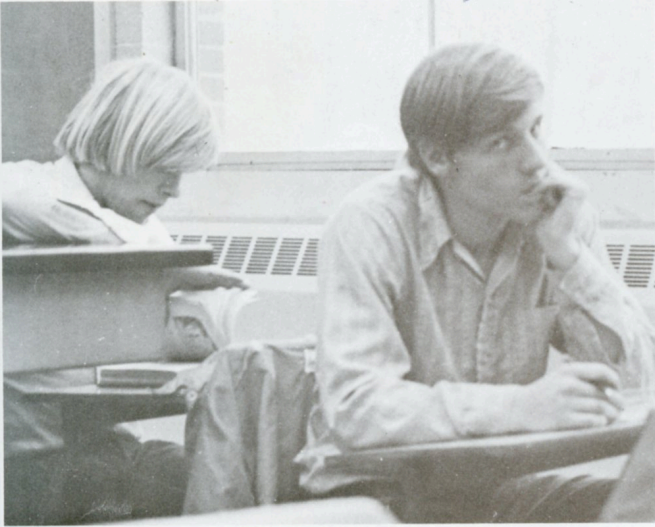

Thou'rt slave to Fate, chance, kings, and desperate men,  
And dost with poison, war, sickness dwell;  
And poppy or charms can make us sleep as well  
And better than thy stroke. Why swell'st thou then?  
One short sleep past, we wake eternally,  
And Death shall be no more; Death, thou shalt die!!!

## *STUDENT LIFE*

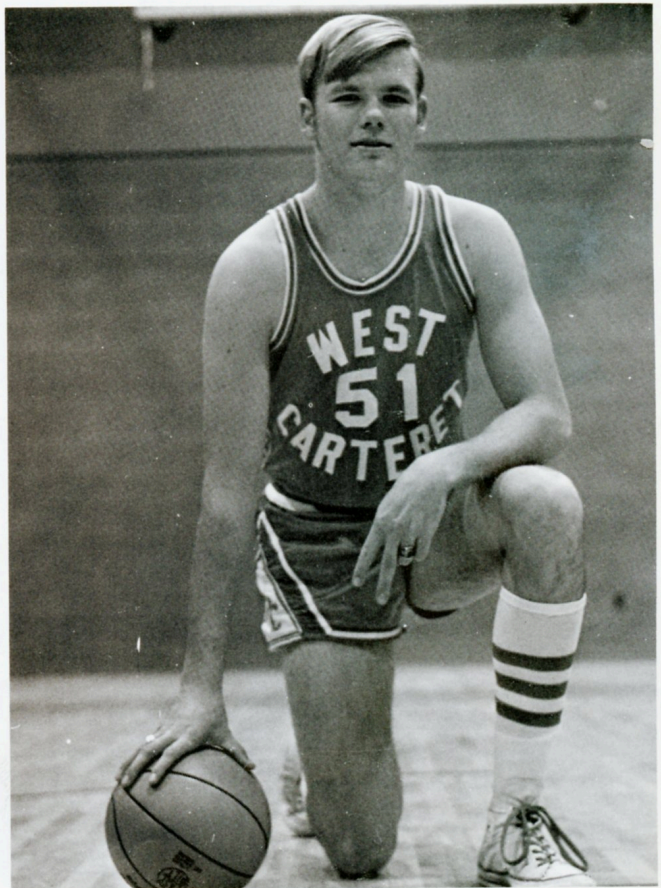

May 29, 1972

If when we graduate, are we cast aside as just another group pushed through? If we work hard to do the best we can, we become someone who is outstanding and not easily forgotten. A good example of being loved and remembered after graduating is a 1970 graduate of West Carteret High School. This graduate loves his church and community and takes an active part in them. He loves people and listens to what they have to say with genuine personal interest. When he was in high school he was active in monogram club, pep club, chorus, choir, the small ensemble of the choir, track for two years, basketball for four years, pep band, stage band, band president his senior year, drum major award his senior year, and drum major for all four years. He continued on to North Carolina State University in Raleigh for study to become a mechanical engineer, and became a member of both the marching band and the concert band at the university. His activities were halted for a time when an accident occurred while he was returning to college on July 5, 1971. He was critically injured and stayed in the hospital until September 9, 1971. After Thanksgiving he was learning to walk again with a new leg. Displaying much courage and determination he returned to college on January 9, 1972, and rejoined the concert band. His love for life and God, and the love and prayers of both family and innumerable friends helped return him to the active life which he has now resumed. Because of the love and high esteem which we have for him, the 1972 Proclamation Staff is dedicating the Student Life Section of the 71-72 proclamation to . . .

This year the Spanish Club participated in many activities. The members held a tea for the faculty. Entertainment was provided by a group of West Carteret students. The club also held a Spanish Fiesta with Spanish food and a "pinata," along with more games. Mrs. Sanderson, a native of Spain, was invited to sing and join the entertainment. She sang the "Flamenco."

Several other activities were a bake sale, supporting a Queen of Hearts candidate and participation in the Homecoming Parade.

The Spanish Fiesta, fund-raising projects, Homecoming participation, and other activities helped in making a very enjoyable year for the Spanish Club members.

# YWD Walk for Hunger

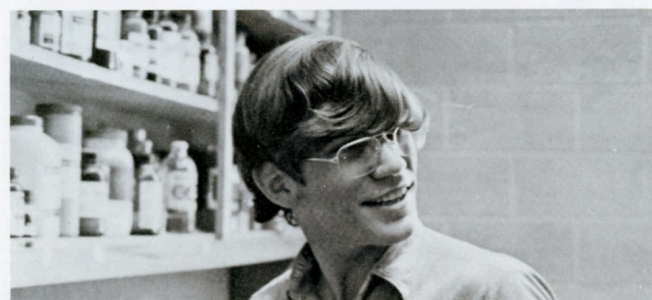

This spring, Carteret County held its first "Walk For Hunger." The purposes of the walk were twofold: To raise funds to be donated to the migrant workers in Carteret County and to the Albert Scheitzer Children's Hospital in Peru and to promote community awareness concerning human need. Young people earned money for these projects by walking a given distance for money pledged to them per mile walked. Carteret County's first walk was nothing but a success since \$3600 was raised by approximately 300 walkers who completed the seventeen mile trek. The people pictured here were some of the members of the steering committee who planned this walk with advice from Young World Development and the American Freedom from Hunger Foundation.

# Health Occupations

Health Occupations Course has completed its third year at West Carteret, under the instructor Mrs. Dorothy B. Hatcher, R.N. It is designed to stimulate the students' interest in the health field and to help them prepare for job opportunities as para-medical assistants for the medical team.

Health Occupations II Seniors have been actively involved with hospital patient care and community health services. They have assisted the Rubella Immunization program for elementary school children, the pre-school clinic, the dental hygiene program for children in need of health service in the local schools, and Rehabilitation Center for Retarded Children in the community.

Excedrin headache number 395748205838573947175.

## Debate Team '71-72

Well, er, uh, um, oh, gee, gosh, what a mess!!!

Debate and hangovers go together like milk and cookies.

Now, they really think I worked for this!!!

Concentration???

These are journalism students. Together they put out the school newspaper.

This is the editorial staff.

In a calm sedate manner these people make the important decisions about problems that affect the TOWN CRIER.

They come up with story ideas and ask for volunteers to write them.

They copy read the stories.

They are kept busy, busy, busy, always on the run.

In years past West's wrestling team has been producing a fine record and being virtually ignored. This past school year the enthusiasm for wrestling increased and had good reason to.

The 1971 Team (with Seniors Mike Radford, Ricky Garner, and Leo Dudley leading) ran the fighting Patriots' win streak to 29 as it went 13-0 for the season. Juniors on the team included returnees John Stanley, Pete Horton, Tommy Ratliff, William Branche, Dickie Spears, Mike Mayo, Brian Lewis, Jimmy Bowen, and Robbie Barrow. Sophomores that finished the season were Bill Weber, and Tim Abell. Freshmen included Frank Cassiano, David Horton, David Yingling, Bobby Knight, and Mitch Mayo.

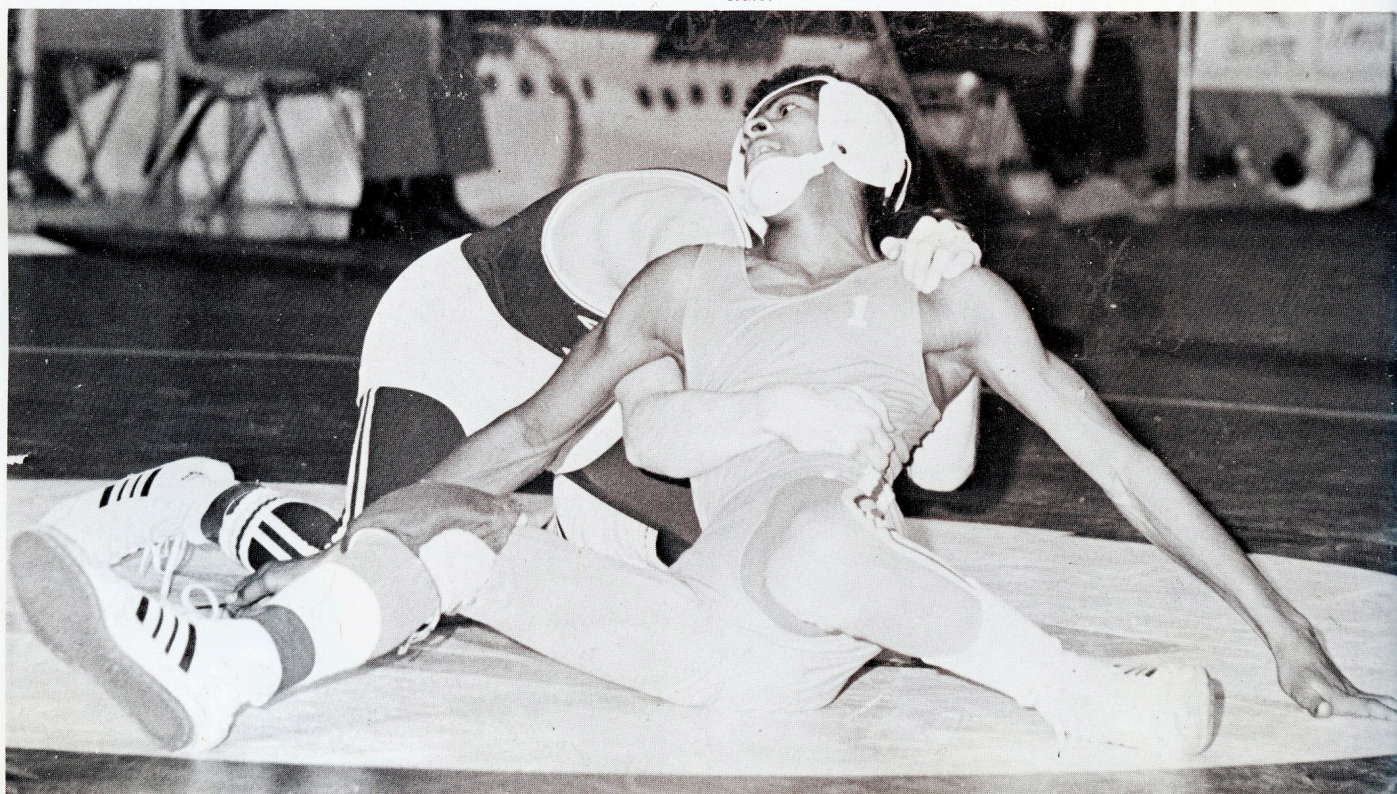

West placed 5th in the state tournament as Leo Dudley took 2nd, John Stanley 3rd, and Mike Radford 4th in their weight classes.

Radford set a new school pin record with 18 consecutive pins. The team had its 1st undefeated Freshman, Frank Cassiano, 11-0 at 101 lbs. It fought through its 2nd undefeated season, won its 3rd consecutive invitational and its 2nd straight sectional. Over a 7 year span the West wrestling teams have produced 19 conference champions, 26 invitational champions, 13 regional champions, 6 third places, 2 second places, and 2 state champions. The team is now 60-10-2 including the first year. Excluding the 1st year it is 59-5-2 for 6 years with a 29-0 win streak to date. They're PATRIOTS, They're GREAT!!!

LEFT TO RIGHT: Coach Bailey, Gary McLain, Kevin Rhodes, Curly Becton, Larry Mann, Lewis Brown, Danny Heath, and Barry Mann.

The tennis team under the direction of Coach Bailey had the overall record of four matches won and three lost. Each year the tennis team gets bigger and better. Since the tennis team this year was composed of mostly underclassmen, next year's team will prove to be a swatting success.

It has been discussed, if there was enough turnouts, that next year there may be a girls tennis team. So girls get your rackets ready!

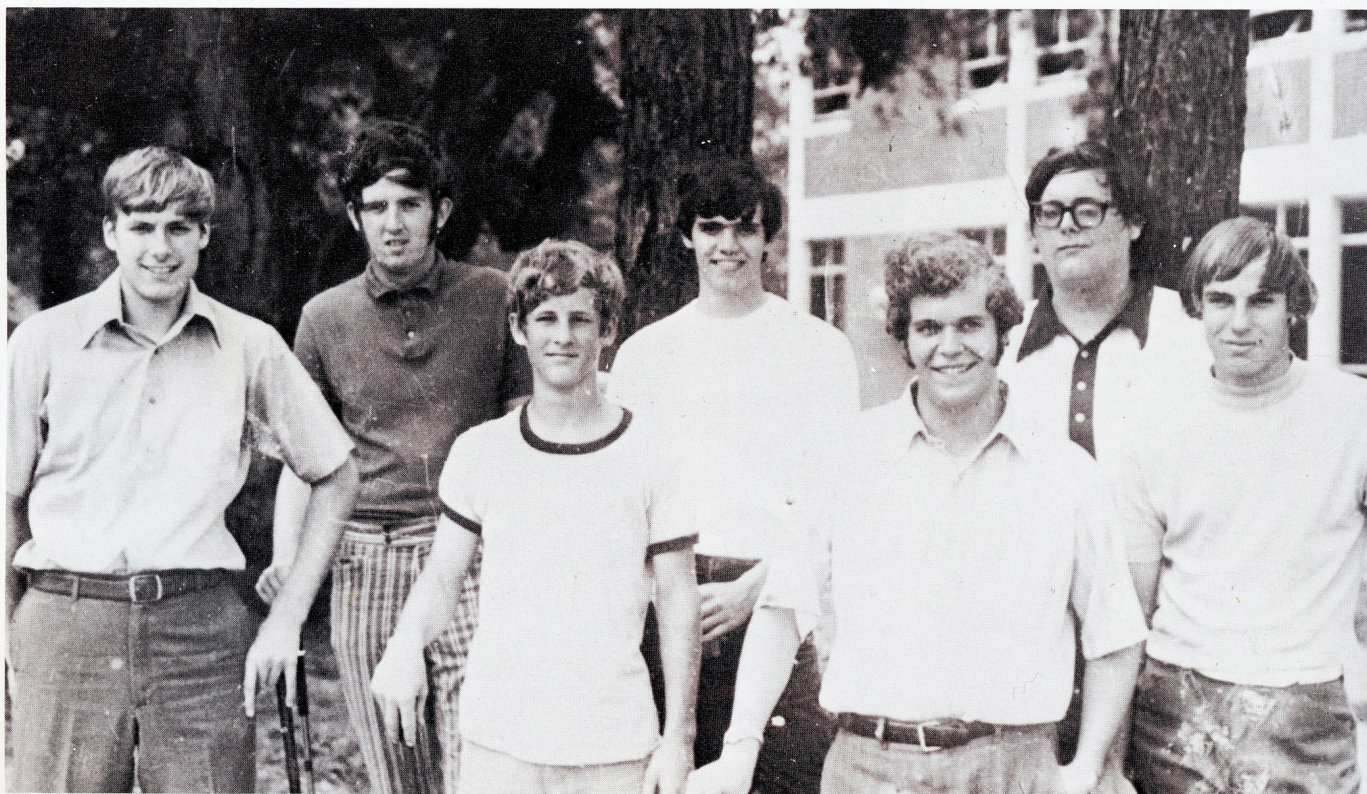

W.C.H.S. Golf team did an outstanding job this year. With a 17-7 record. They should prove to be better this year because of the returning members. The team could not have done it without Coach Billy "Ace" Widgeon.

## The Editor

The process of compiling a yearbook is by no means an easy or uncomplicated one. The 1972 *Proclamation* was by no means an exception, either. The staff was faced with quite a few technicalities which, due to the circumstances, we had to cope with and could not alter. I only hope that in looking at and reading your 1972 *Proclamation* you will bear in mind that many, many long and quite tiring hours were involved before your yearbook could be published. The job of an editor is a large responsibility, but just like most big projects, the job could not be fulfilled without others being there to lend a helping hand. I wish to extend my deepest gratitude to those few who devoted their time and patience in helping make our *Proclamation*. I especially want to recognize two people whom I could not have been without. First, my business manager, and co-editor, Donna Riggs and second and most important of all, Miss Elizabeth Linville, our advisor. Words alone cannot describe what a yearbook advisor means to her editor. All I can say at this point, is "Thank you Lib, for putting up with my whims and for helping me. I hope our efforts are successful." To the students of WCHS, I leave this message . . .

"This book can be like a well-chosen and well-tended fruit tree. Its fruits are not of one season only. With the due and natural intervals, you may refer to it year after year, and it will supply the same nourishment and the same gratification, if only you return it with the same *healthy* appetite."

Debby
