Dedication
Mrs.
Lou
Tucker

The 1971-72 annual is dedicated to Mrs. Tucker, because without her thoughtful help the Beta Club could not have functioned as it has, and the annual would not have been as well organized.

Mrs. Tucker fulfills a teenager's primary requirement for a good teacher: she cares. This caring is evident in everything she does.

To you, Mrs. Tucker, for caring—the Pirate '72.

Farewell to Mr. Tyndall

It is with special thanks that Swansboro High School and the Class of 1972 says goodbye to Mr. Paul Tyndall as Superintendent of Onslow County Schools. Not only has he served us well since 1961 as Assistant Superintendent and then as Superintendent, but his contributions to the students of Swansboro date back to the years 1950 to 1961 when he was principal of the Swansboro School. We, who have reaped many benefits from his forts, wish him a long and happy retirement.

### RECOGNITION

# Miss Buccaneer Miss Kathy Matthews

Dear Holly,

It is with a great deal of consideration and careful thought that I have selected Kathy Matthews as the new "Miss Buccaneer". I was greatly impressed with her simplicity of thought and manner. She must be a very lovely young lady, and I'm so sorry that I have never met her. Please give her my very best wishes and sincere congratulations.

## Miss North Carolina Patsy G. Wood

I enjoyed the papers written by each girl. I feel sure that they are excellent examples of the young people of today. Each girl seemed to be so alive and so sure of what she wants from life. I feel sure that their's will be successful and happy. I wish each of them happiness and contentment.

Let me close by saying that it was a pleasure to perform such a lovely task. I send my best wishes to everyone at Swansboro High, and I hope that 1972 brings a successful year to all.

Sincerely,

Patsy & Wood Mise North Carolina

# Editor's Letter

As many of us watch our senior year draw to a close, we think back over all of the events that rank in importance, growing a little wiser and richer as we reflect. Therefore, the purpose of this book is to bring closer the momories of special times and special people who shaped our school lives, a lighthearted, yet meaningful experience in itself.

To each student we give important thanks for being yourself so as to make each picture portray everyday life. A special thanks goes to the advisors, Mrs. Tucker and Mr. Beasley, whose patience and help put this annual through. But a huge thanks goes to the annual staff for making the year enjoyable and the annual a special gift from our hearts to you.

Holly Ferrell
