#### YOU'VE GOT A FRIEND

When you're down and troubled and need a helping hand

And nothing, nothing is going right

Close your eyes and think of me and soon I will be there

To brighten up even your darkest nights You just call out my name and you know wherever you are

I'll come running to see you again

Winter, spring, summer or fall, all you've got to do is call

And I'll be there you've got a friend

If the sky about you should grow dark and full of clouds

And that old North Wind stould begin to

Keep your head together and call my name out loud

Soon I'll be knocking upon your door Ain't it good to know that you've got a friend

When people can be so co

They'll hurt you and desert you

They'll take your soul if you let them

But don't you let them

You just call out my name and you know wherever you are

I'll come running to see you again

Winter, spring, summer or fall, all you've got to do is call

And I'll be there you've got a friend

# To You

# Mrs. Fairchild

It is with sincere gratitude for a devoted and hardworking person that we dedicate the 1973 PIRATE.

"When you're down and troubled, or nothing, nothing is going right," she lends a helping hand. Whether she's working for us at school or at home; whether she's making cheerleader uniforms or bus driver timesheets, we "got a friend" in Mrs. Mavis Fairchild.

Thank you, Mrs. Fairchild!

#### **CONGRATULATIONS GRADUATING CLASS OF 1973**

Compliments U.S. Coast Guard Recruiting Office, Morehead City.

The Coast Guard sees action in both peace and war, operating under the Department of Transportation during peacetime and under the Navy when our nation is at war or when the President directs.

Its normal duties today encompass such varied operations as maintaining navigation aids, iceberg patrol, port security, lighthouse operation, weather patrol, emergency rescue work, and many other important humanitarian services.

When you join the Coast Guard, you become a member of your country's oldest continuous seagoing military service.

With a noble tradition behind you, and a promising career ahead, you do yourself and your country a proud service when you join the United States Coast Guard.

Special memories are contained on every page of a high school yearbook and many of these memories are treasured only by the individual. To capture these live memories in pictures and place them in a yearbook is a difficult task. To express a mood or a thought in a picture is beyond words. The yearbook is for you to look back on and remember. All of your high school memories can not be placed in one yearbook, nor one thousand yearbooks. This one book is only a mirror with a small reflection of some of your high school days.

The members of the annual staff hope they accomplished the task of producing your yearbook so that in years to come when you look back over these few pages, you may relive those fond memories of your high school days.

In putting together the yearbook, many people were involved. I would like to thank the Beta Club advisors, Mrs. Tucker and Mr. Beasley; Mr. Clyde Davis for his time and effort in photography, but most of all I would like to thank the annual staff and Beta Club members.

The members of the annual staff and Beta Club and our advisors proudly give to you, the students of Swansboro High School, the PIRATE 1973, a book of treasures. In years to come when you look back, you will realize "you've got a friend."
