"No man can reveal to you aught but that which already lies half asleep in the dawning of your knowledge.

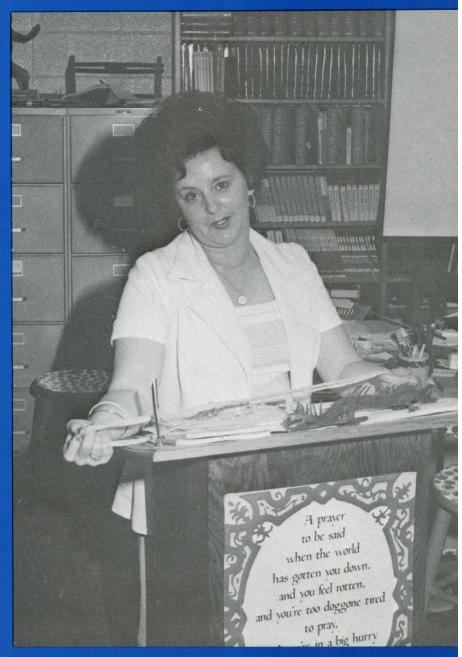

The teacher who walks in the shadow of the temple, among his followers, gives not of his wisdom but rather of his faith and his lovingness.

If he is indeed wise he does not bid you enter the house of his wisdom, but rather leads you to the threshold of your own mind." THE PROPHET by Gibran

This quote exemplifies the devotion of the person to whom the 1978 PROCLAMATION is dedicated. We the staff are pleased to recognize an outstanding educator and humanitarian,

The Pep Band helped at Pep Rallies.

The West Carteret High School Band had a very successful year. Their field shows were outstanding, as were their rating in competition. The band is a multi-faceted organization: a Pep Band, a Concert Band, a Marching Band, and a Dance Band. For the first time in many a year, the band gave a concert for the student body with the help of the choral groups. The concert lasted over two hours, and it was one of the most successful and well-received assemblies of the whole year. Well done, Band!

### Student Council-WCHS

The West Carteret Student Council was responsible for many activities and programs this year. The top priority of the year was, of course, the Queen of Hearts contest. This year the girls who were candidates and their helpers raised over thirteen thousand dollars for the Heart Fund. This year the Student Council also sponsored several dances for the enjoyment of the students. The dances the Student Council did not sponsor were encouraged by the group. The Homecoming activities were carried out by members of the Student Council from a Homecoming Queen assembly to a parade to a dance after the game. The Pep Rallies which were enjoyed by many students were a joint effort of the Student Council, the cheerleaders, and the Pep Band. The most heard of the Student Council activities were the announcements heard twice a

day. This was a way for the students to keep up with what's going on at West Carteret. Club Day, a once-amonth activity, was also co-ordinated by the Student Council. This group was under the capable leadership of the sponsor, Mrs. Helen O'Neal.

### Homecoming

Homecoming festivities began with the introduction of homecoming queen candidates during an assembly on October 6, 1977. Each Senior homeroom nominated two candidates, who were then voted on by the student body. Candidates were: Tina Benyunes, Parmilla Savage, Lorretta Davis, Leatrice Parmley, Cindy Jones, Michelle Bryant, Debby Peters, Patricia Henderson, Phyllis Maready, Janice Toon, Terri Price, Cheryl Tripp, Tillie Harrell, Renee Branch, Kay Thompson, Carolyn Dunn, Roni Cain, and Ann Williams. The annual homecoming parade was held after school on October 7, in downtown Morehead. Several floats represented various clubs and classes. The football game was held that night with a Patriot victory over the Washington Pam Packs. The evening climaxed at half time when Cindy Jones was crowned queen. A dance followed in the gym, with Rick Stix as a disc jockey.

### Queen of Hearts-West Wins Again

Valentine's Day came and went in style this year with new records set in the annual Queen of Hearts drive.

The candidates smashed the total goal of \$10,000.00 in setting a new record of \$13,650.87.

Miss Cathy Fuller was crowned Queen as she raised nearly \$2,500. The old record was believed to be \$1,700 set by Taffi McLawhorn in 1975. Cathy represented the French II Club and was escorted by Kyle Farrell

Miss Lisa Willis earned 1st runner-up honors representing the FHA Club. Lisa would have won any other year by raising \$1,800, but was outdone by the hard-working efforts of Cathy and her supporters. Lisa was escorted by Tim Lee.

Miss Karrlynn Farrell, sponsored by the J.V. cheerleaders, was the 2nd runner-up. Karrlynn was escorted by Gerald Abney.

Another record set this year was a total of 5 girls each raised over \$1,000. Along with the top three were Miss Anne-Marie Matthews escorted by Donnie Brock and Miss Jan Sherron escorted by Mike Howard.

The chairmen of the North Carolina and Carteret County Heart Associations at the annual heart fund assembly congratulated the candidates and their supporters and the student body as a whole for their concerted effort for such a worthwhile cause.

The 12-year-old Heart Fund drive is an annual West Carteret event which has realized great success since its humble beginning in the 60s to the five-figure years of the 1970s

Each year West Carteret High School is acclaimed the leading school contributor in the nation to the heart fund.

West's Queen of Hearts program is sponsored by the Student Council. The students through the voting process choose the nominees and then the two-week fund-raising drive begins.

Candidates receive some major contributions from businesses, but for the most part the \$13,000 represents a considerable amount of "nickels and dimes."

Cakes, brownies, cookies, candies, suckers, dances, raffles, car washs and many other endeavors lead to the final record-setting figure.

Student Council advisor Mrs. Helen O'Neal and SCA president Alan Anderson headed the 1978 drive.

### Town Crier '78'

The TOWN CRIER, the WCHS newspaper, does its best to keep the students of WCHS informed as to what has happened as well as what is to come. The staff is made up of juniors and seniors who learn the elements of journalism as they publish the paper approximately nine times a year. The staff works under the capable direction of Mr. Rodney Kemp. The staff makes every effort to keep abreast of the news of the school with a special effort to report the good things about WCHS.

Timelessness is not measured by the rings in a tree, or by the layers of dust, or the smell of old . . . but rather by the dignity of a person, place or thing.

Such is it with all: whether it be large or small, rich or plain, of the creation or of man.

# George

George, the drama club at WCHS, faced a number of problems this year and survived them all. The auditorium at the Morehead Elementary School burned during the summer, leaving no place in which to produce the plays except the gym, which is always in demand. The club did produce two performances this year: a "Novelties of the Nineties" evening in conjunction with the choral groups and an evening of one-acts, called "Triple Play Plus One" both being very successful. The passage of a Bond Issue in Carteret County insured the school of an auditorium in the near future so that these types of problems will not have to be faced by the performing arts groups in our school.

# Bus Rodeo '78'

The Second Annual Bus Rodeo of Carteret County was held at West Carteret High School this year. This contest is a very serious one for the participants who are the school bus drivers from all the schools in Carteret County. During the day the parking lot at West Carteret was filled with drivers trying to drive their buses better than everyone else. The Wheels Club at West helped things run smoothly. Some of the events included parking, backing, and stopping correctly. This is no easy matter when the vehicle is a long bus. The scoring is very tough.

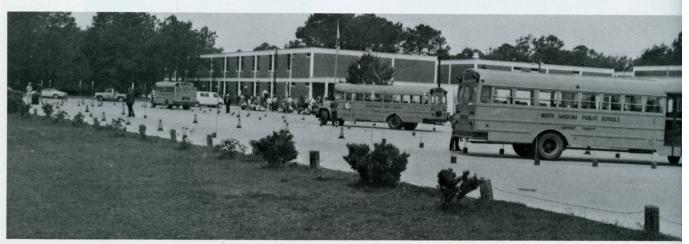

The drivers walk the course before they begin.

# final days

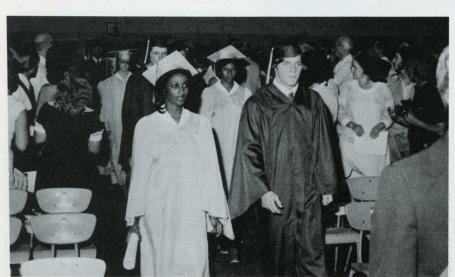

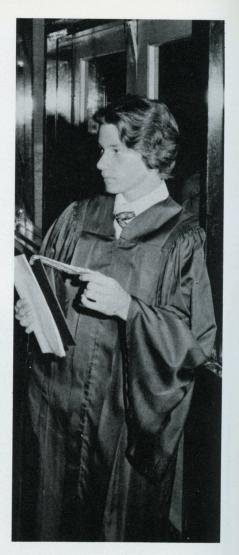

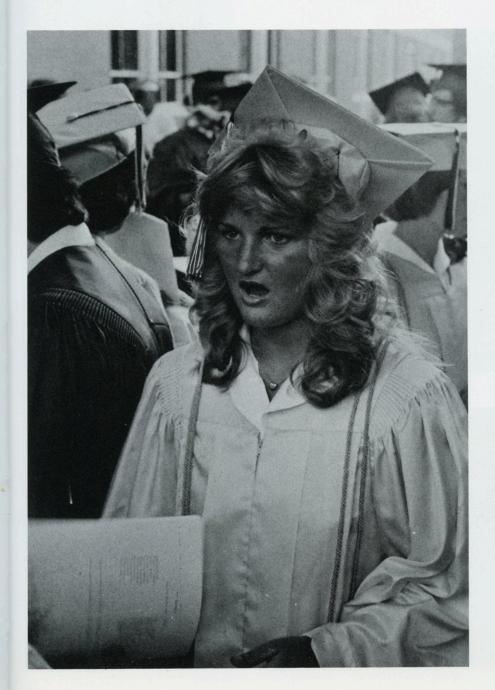

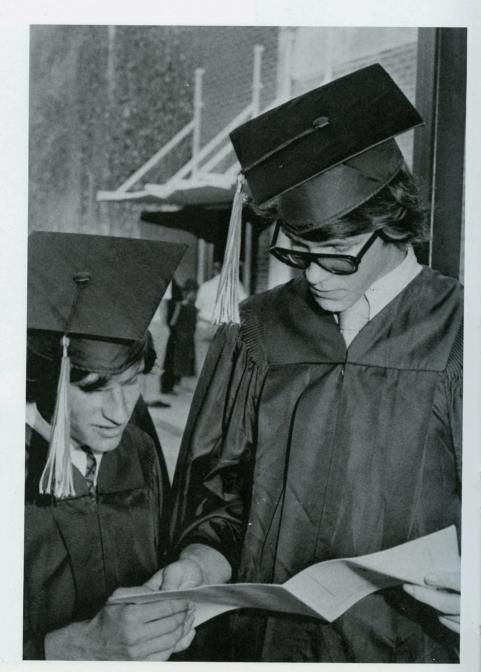

After a week of marching in and out of the gym was the first ceremony of the graduation week-Baccalaureate on Sunday, June 4. This year, as is traditional, the West Carteret Band and the West Carteret Singers performed, and the junior members of the National Honor Society marshalled. The guest ministers were Rev. James C. P. Brown and Rev. William Horton. The prayer was given by Mr. Charles Hill, a member of the Board of Education. The Baccalaureate Address was given by Rev. Albert W. Peters, a retired Presbyterian Minister and grandfather of one member of the graduating class.

Friday morning, June 9, drew to a close exams and classes and the final preparation day for graduation. The morning began with the Senior class breakfast at the Rex Restaurante at 8:30. This was followed by final rehearsal at school with numerous marching ins, then across the stage, then back out again. The breakfast was an enjoyable way to start the day.

# Valedictorian Alyson Ann Corcoran

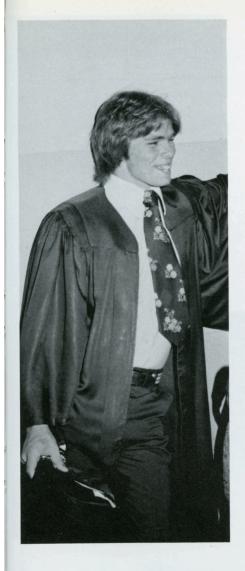

Good evening, Mr. Hill, Mr. Nelson, Faculty, Parents, Friends, and fellow classmates. Although I have only attended West Carteret High School for a year and a half, the friendliness and helpfulness of both the students and the teachers have made me a part of this graduating class. For tonight we are all together for the last time as members of West Carteret High School's Class of 1978. Each of us will have our own memories of personal experiences, but we will also share certain remembrances of our days together at West. Memories of the good times as well as the bad, of the exuberance of pep rallies and athletic events, of the excitement of drama and choral productions, of the pride in our contributions to the Heart Fund, as well as other activities, are all a part of our high school experience. Although extracurricular activities are a special part of high school, the most important aspect of our high school experience is education. One of Webster's definitions for education is moral and mental development and cultivation through formal instruction. Our education has developed us morally in helping us to choose between right and wrong. It has also developed us mentally in preparing us to make decisions and function in today's society. Some of us will continue this formal education while others are going to begin work immediately after high school, but we will all continue to learn. Our parents and teachers, in previous schools and at West, have provided the foundation on which we may build and grow throughout our lives. Through this continued learning we may strive for and hopefully achieve our goals in life.

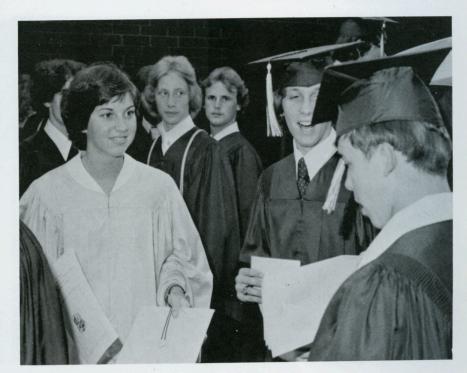

## Welcome administration, faculty, family, friends and the 1978 graduating class to the commencement exercises at West Carteret High School. I believe that this occasion calls for the recognition of the special people in each graduate's life. For many years, the lives of the seniors have revolved around their home and school. Every graduate's life has been influenced by the people dear enough to him to be called family. These people who have brought us up, instilled values in us, and put up with us through happy and difficult times, have notched the core of our lives. Aside from the home, school has played a large part in the growth of each individual senior. The administration, faculty, and students working together, have helped to create a valuable learning situation. The administration has done a commendable job in setting up and demanding high standards for West Carteret. Each member of the faculty, who has devoted his time and love to the class of 1978, is sincerely appreciated. Our fellow students, whom we have shared experiences with, have left lasting impressions of good times and true friendship on us. While we, as seniors, are priding ourselves for reaching a milestone in our lives, we must retain our humility and share the spotlight with those who have helped us along the way. So I say again, welcome family, administration, faculty, and friends to graduation of which you are truely a part.

Friday night, June 9, 8 pm-Commencement! It was finally that long awaited day. Many seniors wore carnations or roses as they lined up out by the new wing. Once again, the Band and Singers helped set the tone for the evening. With the gym packed beyond capacity and hot as usual, the processional began and in walked the seniors. Deborah Sue Peters, Honor Graduate, gave the invocation. Then, Ann Robin Williams greeted everyone with the Salutatory. The next part was the presentation of awards. Lois Webb Geer presented the Senior Gift to John Nelson, Alyson Ann Corcoran delivered the Valedictory. Darren Carpenter, Kyle Farrell and Greg Lewis played and sang the class song. The most-looked-forward-to-part, presentation of diplomas, followed. Rodney Blake Taylor, Honor Graduate, gave the benediction, and the recessional began. It was over. An era had passed, and there were many tears and much laughter as the graduates left. Many were confused about their feelings, but all were glad for the weekend to sort these feelings out.
