East Carteret High School 1980-1981

"The spirit shall live, and the dream shall never die"

Sen. Ted Kennedy

East Wind recognizes

Mrs. Patricia Hudnall

Mrs. Patricia Rice Hudnall was born in the town of New Bern in Craven County and grew up in the downeast town of Atlantic. She attended elementary school there and graduated from East Carteret in 1968. Mrs. Hudnall then attended East Carolina University from which she graduated with a major in English.

Mrs. Hudnall came to East Carteret back in 1972. Her job at East was her first teaching position. She married John Hudnall of Beaufort and they made their home in Atlantic. They have one child, Lilla.

Since 1972 Mrs. Hudnall has exerted much of her time and energy in not only teaching but also in getting students involved in the various school activities. She has worked with the Literary Magazine, the National Honor Society, and she has been a Senior Class advisor for several years. Because Mrs. Hudnall has shown herself to be an outstanding educator and a true friend to students and faculty alike, we are honored to dedicate the 1981 East Wind to her.

two outstanding teachers.

Mrs. Wanda Gaskill

Mrs. Wanda Morris Gaskill was born and raised in the community of Atlantic. She attended school there and graduated in 1965. From there she enrolled at East Carolina University and later transferred to Pembroke State University where she received a degree in English.

Mrs. Gaskill taught at Red Springs High School for several years with her husband, Elmo, until she moved back to Carteret County a few years ago. She has been teaching at East Carteret since then. The Gaskills have two children, Janie and James. They reside in Atlantic.

In her years at East, Mrs. Gaskill has asserted herself in many different school functions, some of which include working with P.T.O., the yearbook, the literary magazine, and the National Honor Society. Because of her outstanding contributions to the school as an outstanding educator and leader, we are pleased to dedicate the 1981 East Wind to Mrs. Wanda Gaskill.

Many activities keep East

Carteret students busy

Student involvement in political campaign.

On Friday, October 31, 1980, the students of E.C.H.S. participated in a straw ballot which involved the election of state, local, and national officials.

In the election here, President Carter won by a margin of 6% over Ronald Reagan and John Anderson. All Democratic nominees were elected.

The election helped students learn more about the political process of the country.

The campaign became the real thing.

We learn about real politics.

CLASS MOTTO

"We are on our way, leaving behind
unforgotten memories, searching for a bright
tomorrow."

CLASS SONG
Times of Your Life
Paul Anka

Good Morning Yesterday
You wake up and time has slipped
away
And suddenly it's hard to find, the
memories you left behind
Remember, do you remember.

The laughter and the tears
The shadows of misty yesteryears
The good times and the bad you've
seen.
And all the others in between
Remember, do you remember the times
of your life.

Reach back for the joy and the
sorrow
Put them away in your mind
The memories are times that you
borrow
To spend when you get to tomorrow.

The 1980 Football season marked the beginning of a new era in Mariner football as it marked the return of Head Coach Chuck Lewis, the most successful coach in the school's relatively brief history.

The season also was the last year of competition for East Carteret in the Coastal 3-A conference. Future years will find the Mariners competing as a member of the Coastal Plains 2-A conference.

Highlights of the year included the outstanding play of Senior Linemen David Vann and Todd Nelson. Both performed well enough to earn college scholarships at the year's conclusion. Though both will be missed, their performance has set a standard that future Mariners would do well to emulate.

2 The 1980-81 Volleyball season was one of many
7 disappointing moments. There were many close games,
14 most which E.C.H.S. lost. While E.C.H.S.'s record was a
9 disappointing 20-6, there were several Bright Spots. One
15 was the fact that E.C. had only one senior, Molly Tyndall.
15 This leaves behind 8 players who should return next year.
15 Also, the J.V. team showed promise for the future. Other
9 bright spots were Penny Boudreaux and JoDonna Lewis.
15 These two, along with Tyndall, were selected to the
15 All-Conference Team. Others to look for in the future were
5 Karen Salter and Linda Paylor, both who made Honorable
2 Mention. With the returning players, plus several from the
15 J.V. team, E.C.H.S. should have a terrific team during the
15 1981-82 school year.

The 1980-81 basketball season was a series of ups and downs for the Mariners. The team lost the first three games of the season, then began a winning streak that stretched through eleven games. Injuries and sickness then took their toll on the Mariners, and they had a hard time finding the winning combination. The team finished the regular season with an overall mark of 11 wins and 7 losses with a record of 4 wins and 4 losses in the Coastal 3-A Conference, good for a third place finish. In the Conference Tournament, the Mariners upset the West Craven Eagles to avenge 2 regular season losses and once again reach the finals of the tournament. In the tournament finals the Mariners were defeated by a fine team from archrival West Carteret.

The Mariners concluded the 1980-81 season with a record of 13 wins and 9 losses. The team was led by senior guard Robbie Godette, picked to the All Conference team for the second year in a row, selected *Carteret News Times* Player of the Year, and placing on the *Raleigh News* and *Observer's* second team All-East. Junior forward Curtis Struyk was also picked as a member of the All Conference Team, with senior Marion Fallin and junior Tracy Williams receiving Honorable Mention. With several returning players and some fine prospects up from the junior varsity, the Mariners look to continue their basketball success in the 1981-82 season.

" 'When we leave the court tonight, let's make sure we are proud of one another.' That was our pre-game slogan this year. I am proud of this team's accomplishments, as everyone should be. The 80-81 Lady Mariners had more victories than any other girls in nearly a decade. As their coach, the biggest source of pride comes from the girls themselves. Not only are they quality basketball players, but they are leaders in the classroom as well. Another big source of pride for me is that every player contributes. We have developed a strong bench and we don't have any 'last second players'. So far we have accomplished every goal we have set for ourselves except one—A Championship. I believe next year could be that year."

The East Carteret Net Team had a successful season. Beginning the season with only one returning starter, the team members came up with a winning combination. This included hard work, ability and a good attitude.

East Carteret finished the season tied for third place in the conference. In addition, three of the starting six players were selected as All-Conference. This selection has even more significance when one considers that this was the first year as a starter for all three.

Hopefully, most of this years team will be back next year. This being the case, East can look forward to a good season.

This year's edition of East Carteret baseball produced the finest season (16-7) in the school's history. The team won the Coastal 3-A Conference Championship and advanced to the second round of the state playoffs before being eliminated.

Seniors Albert Tosto, Ashton Springle, Todd Nelson, Eric Pake, Sonny Golden, Jimmy Mason, Robbie Godette, and Lee Sherwood provided a solid nucleus to this year's team. They provided the leadership, both on and off the field, that helped mold the team into a consistent winner.

MRS. WALENCE TEACHER OF THE YEAR

Mrs. Grace Walence brought recognition to herself and East Carteret by being the Carteret County's Teacher of the Year for 1980-81. She has given unselfishly of her time, her counsel, her knowledge, and her love for 34 years. She exemplifies the best characteristics to be found in an educator: She is dedicated, serious, and conscientious. This honor is a richly deserved one for a teacher who has devoted her entire career to the enrichment of the lives of others.

LARIC COPES Life is never so bad at its worst that it is impossible to live; it is never so good at its best that it is easy to live.

DELTA DIZE Character is made by what you stand for,
Reputation by what you fall for.

WAIN GASKILL The greatest glory in life is not in never falling,
but in rising every time we fall.

PAULA GODETTE What can I know? For what can I hope?
And in view of these two, what must I do?

ROBBIE GODETTE The joy of life is a fighting chance.

EDDIE HILL Strive to achieve peace of mind, for once it is attained the world is conquered.

MELISSA HUSTON I am defeated and know it, if I meet any human being from whom I find myself unable to learn anything.

SUSAN HUNNINGS The difficulty in life is the choice.

JACKIE JOYNER Don't hurry, don't worry, do your best, and leave the rest.

CHERYL KAMPLAIN The purpose of life is not to be happy, but to matter, to be productive, to be useful, to have it make a difference that you lived at all.

LYNN MODLIN I know not what the future holds, but to go through life day by day to find out and hope for the best.

TODD NELSON While we stop to think, we often miss our opportunity.

JASON NEUENSCHWANDER Life, and by the smallest measure never step back from oneself.

FRANCIS PITTMAN Loneliness is part of the penalty every artist pays for being different from the rest of his fellow men.

RICHARD RIEMER The strongest man in the world is he who stands alone.

ASHTON SPRINGLE The most precious thing in the world is good will. It is the measure of a man's success and determines his usefulness in life.

WADE SOKOLOSKY This is not the end, it is not the beginning of the end, it is perhaps the end of the beginning.

MOLLY TYNDALL Enthusiasm is truly the keystone upon which success is built and without it one cannot hope to be really successful in helping others.

ANN WALLACE Life is like music. It must be composed by ear, feeling and instinct, not by rule.

"WILL YOU REMEMBER

THE TIMES OF YOUR LIFE?"

SPRING FOLLIES-1981

"Here comes the setting sun,
The seasons are passing one by one.
So gather moments while you may;
Collect the dreams you dream today.
Remember. Will you remember the times
of your life?"

As this year draws to a close, I look back on the events of the past nine months. From the very first day of school, I decided that this yearbook would be special. As time passed, however, and as deadlines drew near, excellence was replaced with "get it done." My only hope is that in years to come this book will bring a smile to an aged face and a ray of joy to a tired heart. I truly hope that this book has "gathered moments" and has "collected dreams." If it has done that, then I have been successful.

Yours forever,

A handwritten signature in white ink that reads "Wain Gaskill". The script is fluid and cursive, with the first name "Wain" and last name "Gaskill" clearly distinguishable.

Wain Gaskill,
Editor
