HONORS

**Dolly  
Smallwood**

Often, certain individuals who contribute a great deal of time and effort to Swansboro High go unnoticed simply because they make things run so smoothly. These individuals have a special quality; to make a difficulty task appear easy. The Pirate 1981 is dedicated to just such an individual, Mrs. Dolly Smallwood.

*Janet Ward Black*

October 25, 1980

Dear Miss Pathroff,

Congratulations! After much deliberation I have selected you "Miss Buccaneer." It is exceptionally difficult to select a 'winner' just from pictures and essays-all of the representatives are very attractive and each essay was most enjoyable and informative. Yet I feel you will be a fine representative of *The Pirate* and Swansboro High School.

Answering the question "What does the future promise for the modern woman" confronts all of us. We are fortunate to live in this time when opportunities are so varied and available for the American woman. I hope you will personally take to heart what you have said in your response. To me the future promises the modern woman *success* in any field she may choose.

I wish you all, the other "Miss Buccaneer" representatives, and your fellow classmates all the success you desire. With heartfelt congratulations and warmest regards I am

Sincerely yours

Janet Ward Black
