Proclamation 1985

PROCLAMATION 1985

West Carteret High School Route 2, Box 390 Morehead City, N.C. 28557

John Nelson — Principal Helen O'Neal — Advisor

The 1985 PROCLAMATION is Dedicated to ...

MISS MARIE MCCANN

This year's PROCLAMATION is dedicated to a very special lady who has given so much of her time to make West Carteret High School a better place. Dedicated is also a way to describe her; she is dedicated to her profession, community, and to students. She has taught at West for several years and has earned the respect of students and fellow teachers. In addition to being a classroom teacher, she is involved with students in many other ways. She is a friend and adviser to

many young people. She is a graduate of UNC, is a French teacher, FCA adviser, and French Club adviser. She is the school's sports medical trainer and is an EMT in her community. She enjoys getting involved with teenagers and school. If you ever need anything, she will be there to lend a helping hand. All of these things add up to make her the special person that she is, and we would like to say, "Thank you, Miss McCann, for being you."

2 — DEDICATION

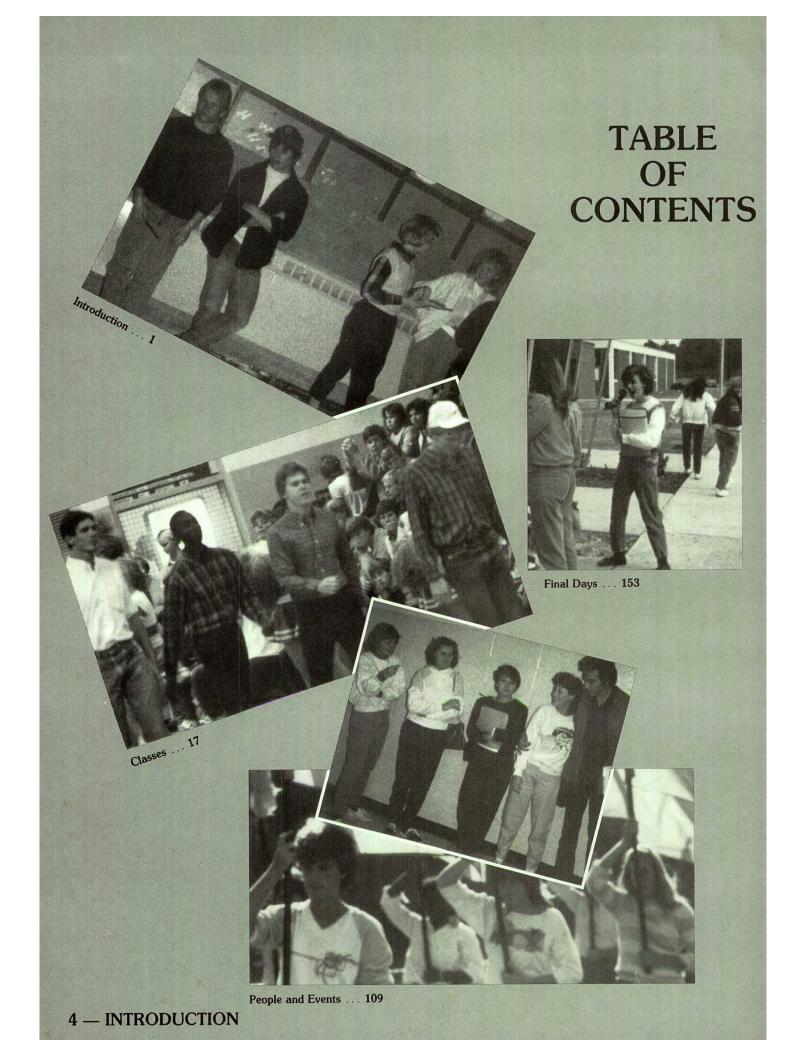

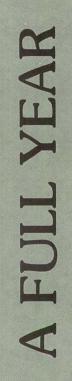

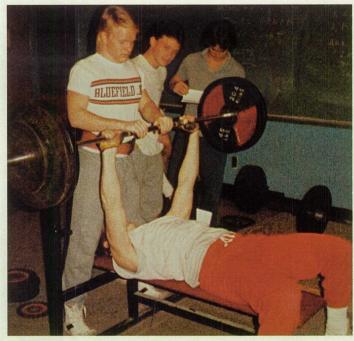

A FULL YEAR

It seemed school had just ended when summer was over and it was time to go back to school. Students were met with activities from football games, volleyball and soccer matches, to pep rallies and dances. The Student Council began planning Homecoming and election of Freshman class officers.

Just as students and teachers were ready to settle into the year Hurricane Diana threatened and school was closed for two and a half days. Getting back on track was not easy. Time flew by with a Halloween costume dance, Homecoming, Thanksgiving and Christmas activities by clubs. Christmas was a welcome break but students returned to be faced with semester exams, tryouts for "My Fair Lady", Queen of Hearts Campaign and Dance, and a basketball team

on its way to the State Championship. Opening night of "My Fair Lady" followed the Championship game and by the play's end students and faculty were looking forward to the Spring break at Easter.

The elections of Student Council and class officers for 1985-86 were under way and it was time for the Prom before anyone could believe it. The talk then was of Senior-Junior field day and Graduation. The year had come to an end. Memories, pictures, and clippings for our scrapbooks were the things left to show it had been a full year.

8 — INTRODUCTION

LIVE FOR THE WEEKENDS AND SUMMER? The beach, surfing, swimming, and late nights are fun; however, there is another side to life. "Nothing's happening." "There's nothing to do and everyone's gone." Such comments can be heard during a long weekend or during the summer. That time which had been looked forward to with so much anticipation had turned out to be a time away from friends, school, and activities for many students.

Even though the end of school is looked forward to in the spring, so is the beginning of school in the fall. Whether it was cheerleading practice, the band getting ready for competition, planning dances for students or teas for teachers, sports, club meetings and activities, drama and chorus performances, the school year offered many ways for students to fill empty hours.

Added to jobs, studying, and those special dates, school contributed to a full life for students.

SCHOOL OF

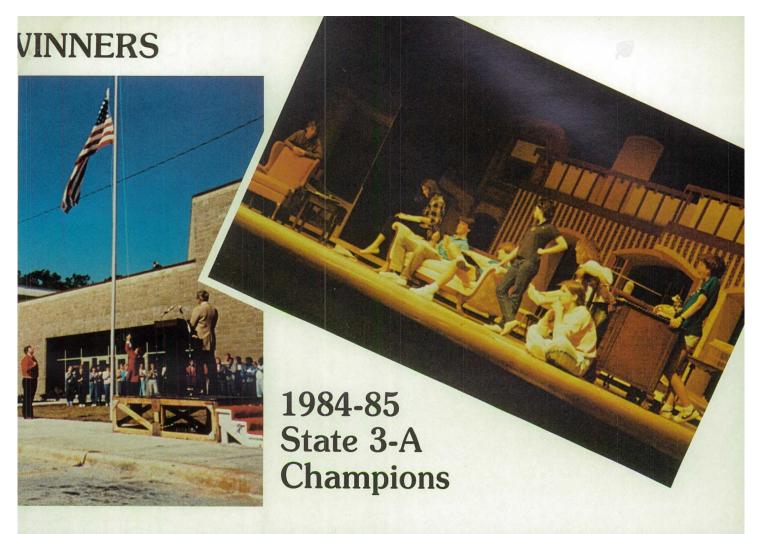

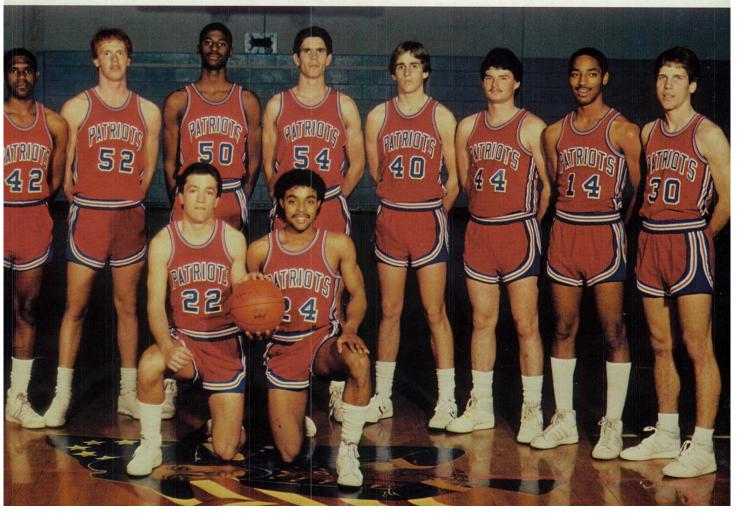

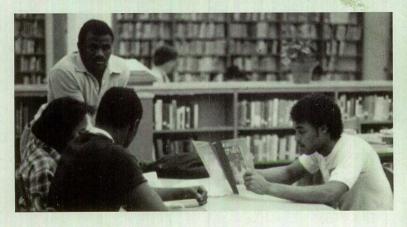

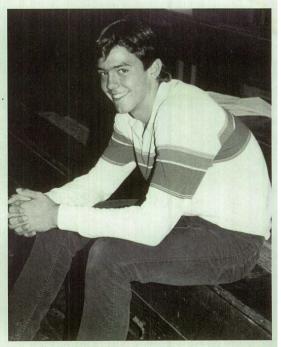

Don't let your parents down,
They brought you up.
Be humble enough to obey,
You may give orders someday.
Choose companions with care,
You become what they are.
Choose only a date
Who would make a good mate.
Be master of your habits,
Or they will master you.
Don't be a show-off when you drive,
Drive with safety and arrive.
Don't let the crowd pressure you,
Stand for something or you'll fall
for anything.

REFLECTIONS

INTRODUCTION — 13

Friendship From Across The Seas.

RAMON NAVARRO

Ramon is from Manilla, the capital of the Philippines. He is completing his high school studies as an exchange student and is staying with Marion Wustenhoffe of Newport. He enjoys soccer very much and was a member of the WC soccer team. He is a person with a big smile and a sense of humor. He says his hobbies are watching T.V. and sleeping. When asked why he came to America, he says, "My mother made me come; she didn't want me." We know better, Ramon. We are glad you came.

Ramon attended the State Convention of Student Councils with Dan McCormick, Sherley Ditto, and Beth Weeks.

BENTE KLEIDAL

Bente is from Osb, Norway. She is staying with the Chandlers of Newport this year. She is very interested in sports especially skiing, windsurfing, and hiking. She is a member of the WCHS Marching Patriots and plays the saxaphone. Bente said that school here is very different from the school system in Norway. We are happy Bente chose to come to West this year.

16 — INTRODUCTION

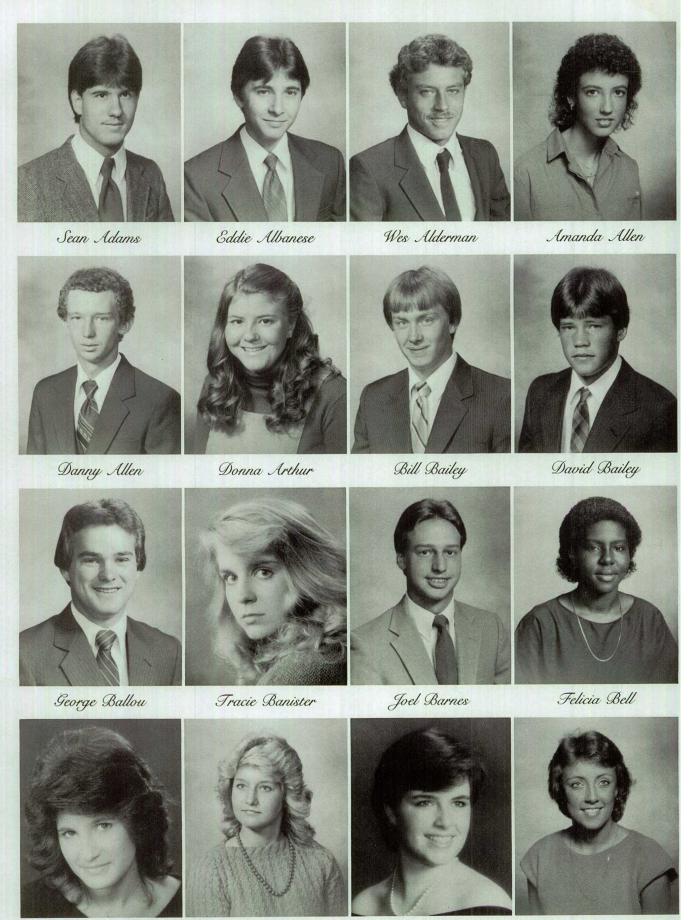

SENIORS

Not only did the Senior Class have the Responsibility of being the leaders of the school, they were also aced with many decisions and commitments pertaining to the future. College, echnical school, military, and work were some of the options offered. Caps and gowns, announcements and all other graduation materials were ordered

early in the school year. Acceptance letters began arriving from colleges in December. Many activities such as Senior Breakfasts and Gangster Day, were highlights for the upper classmen, as was the Prom and JR.-SR.- week. The most exciting and anticipated event for a senior, of course, was graduation and the summer following.

JUNIORS

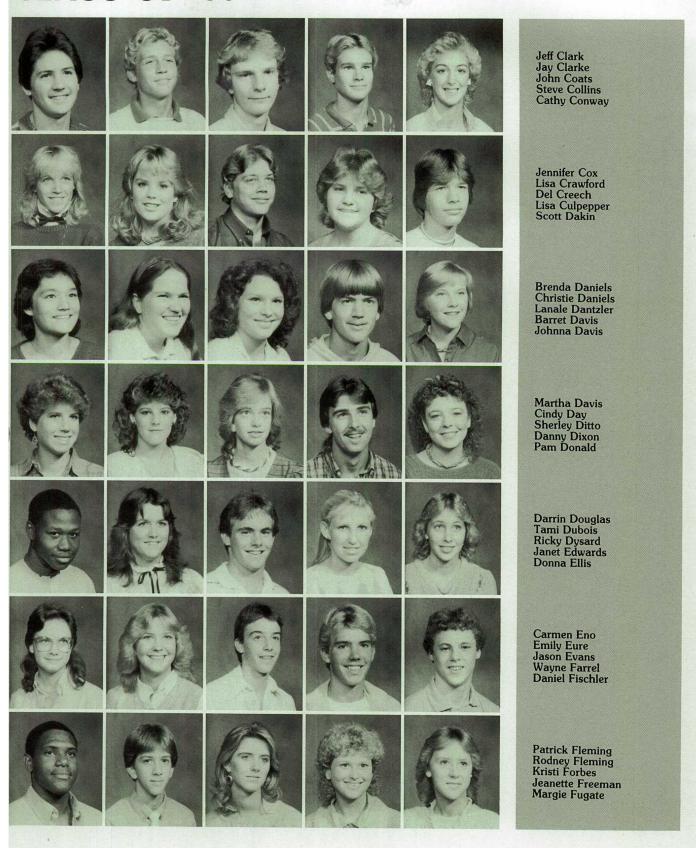

The Junior class has the responsibility of raising money and giving the JR.-SR. Prom to the Senior class. The Junior Year is also the time to start taking the SAT, thinking about colleges, and purchasing a class ring. The Junior year is a time when many of its members eally get involved in school as spots open on varsity teams and Juniors are eligible for NHS. Stulents selected for Governor's School and Boy's and Girl's State are members of the Junior Class. some students start to think of purchasing a car and saving for colege, so after-school jobs are ought. On the whole, the 11th rade is a year of decision-making.

SOPHOMORES

Tracy Organ, Vice-President; Jeff Cobbs, President; Debbie Murdoch, Secretary; Jennifer Price, Treasurer.

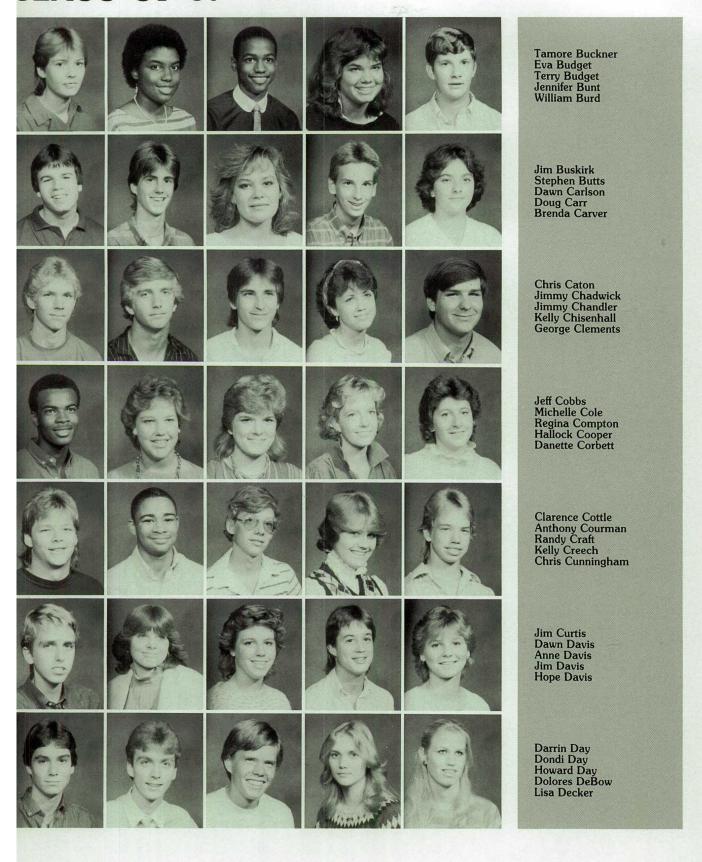

The time from freshmen year to Sophomore year is a time of growth. The individuals from the three different eighth grades have become a class, a group. Sophomores make themselves heard in pep rallies and seen in such events as "Spirit Week" and Homecoming.

The Sophomore year is a learning time made more difficult by the 16th birthday and getting the coveted driver's license. The year is all too short and by the time the last Sophomore English class has murdered Caesar (and wishes Shakespeare were still around to murder), it is time for summer and ooking forward to raising money or the Prom next year.

FRESHMEN

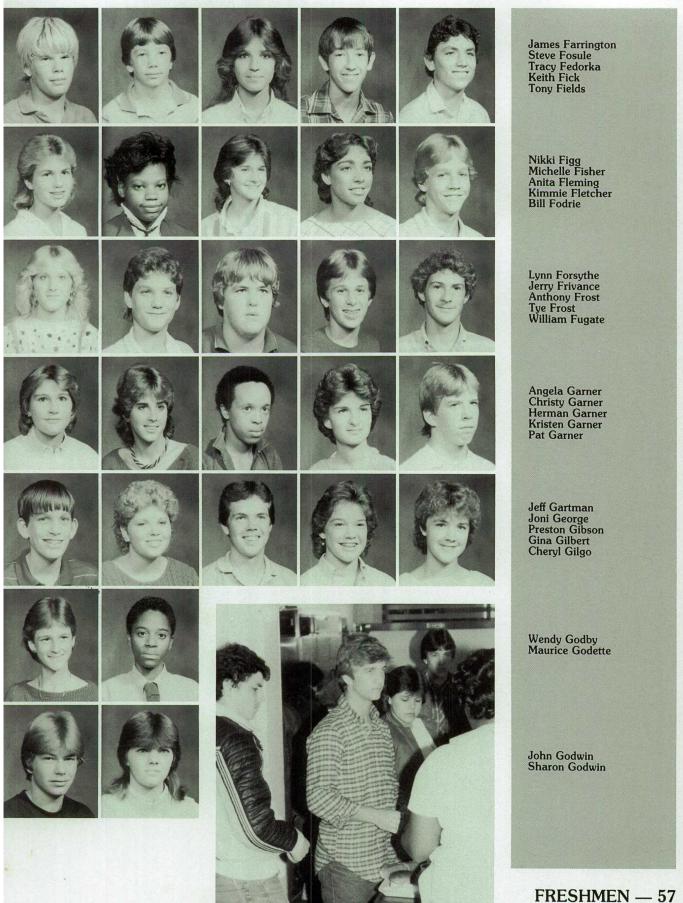

"Where's the elevator?" "Where is Mrs. Davis' Room?" These were some of the questions which were asked by freshman as they entered West for the first time. The beginning of the 9th grade is always traumatic because of the adjustment to high school, but as the year progressed the freshman learned there was no elevator and no hallway to connect the two upstairs wings. They located classrooms and lockers and settled into being a part of W.C.H.S. The first few days of school were hectic and confusing but just took some getting used to.

FACULTY AND STAFF

That Special "Extra" Touch

tudents often forget the amount of xtra time that faculty and staff nembers give. Aside from the reponsibilities of preparing class ssignments and figuring grades, nany teachers spend extra hours ith clubs, sports, and special prorams. Department heads also give dditional time after the school day planning with the administration. lub advisors planned activities nd were on hand to supervise. hey also attended day or overnight neetings which enabled students to o. Mr. Roger Newby and members f the FFA traveled to Kansas City s they do each year, after bringing ome the State awards during sum-

mer meetings.

Special programs involved many extra hours. Successes can be attributed to the dedication of performers and advisors.

Counselors gave advice, helped with registration, college and testing. Other staff members were available during planning time to work with students.

Without the extra time given by faculty and staff members as well as by Mr. Nelson, Mr. Patrick, and Mrs. Taylor there would not have been the "extra touch" that made school run smoothly and filled with special activities.

SPORTS

From football to track, from fall to spring, there is a full year of sports activities at W.C.H.S.

Football players begin practicing in summer's heat, followed by volleyball and soccer players. The basketball and wrestling teams keep spirits going during the winter. Even though winter's cold still lingers, track, tennis, golf,

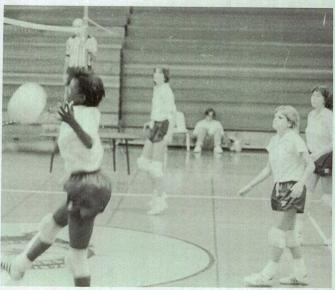

and basketball are heralds of spring.

There were losses and disappointments, but there was excitement and success as well. Every athlete feels it is worth the time and effort. Fans and friends show support during the disappointments as well as during the successes and help to keep the team going.

VOLLEYBALL

This year the Patriot Volleyball team closed out their season with an impressive record of 10-6. They were second in the conference with an 8-2 record. It was a rebuilding year for the Patriots who lost seven members from last year's team. Head Coach Temple said that next year's team looks very promising because fifteen players will be returning.

78 — SOCCER

Six-and-Six

W.C. Soccer

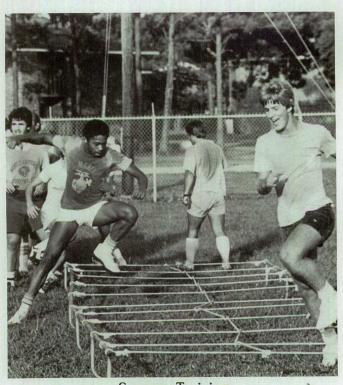

by DEAN McCORMICK "Six of one, half dozen of the other" tells it like it was for W.C.'s soccer team in '84. The seasonal split record acquired by a young team upgraded last year's stats. An abundance of talent

foreshadows an exciting year in '85.

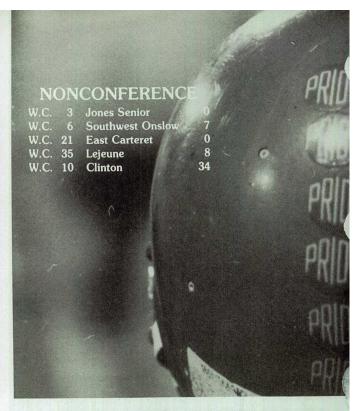

Jeff Varner led the team in scoring with nineteen goals. Varner also was the second lead scorer in the conference. John Kesel, along with Jeff Varner and Ramon Navaro, an exchange student from the Philippines, made the first team for All Conference. Kevin Jones and Edwardo Alen, the goalie, made the second team for All Conference.

W.C. FIGHTING PATRIOTS

The Varsity Boys ended their 1984-85 season with a disappointing 4-6 record, but they had the triumph of bringing the Mullet Bucket back to West. This was a year of changes due to the departure of Head Coach George Viereck who was replaced by former J.V. Coach Bruce McBride. Congratulations to Theo Courman and Jay Mulwee who made the All-Conference team.

JUNIOR VARSITY FOOTBALL

Coaches Boyle and Bernstein

The JV team had a 7-3 season. After opening the season with two losses at home the Junior Varsity Football team under the leadership of Coach Dave Boyle and Coach Mike Bernstein surprised everyone by finishing with a seven and three season. The team was a very young one but was a very close-knit team. They worked together and supported each other which enabled them to go further than was expected. It was a good season and one of which coaches and players can be proud.

Pats win title

This year, the Patriot basketball team won the State 3A Basketball Championship. The Pats won 25 of 30 games, culmining with a 66-59 victory

over Statesville.

Led by seniors David Yancey, Mark Mansfield, Kelly Willis, Tim Williams, Kevin Jones, Gary McKeel, Vernon Patrick, and Brian Roberts, as well as juniors Sammy Gibson (starting center), Win Neagle, Rodney Chambers and Patrick Fleming, the Patriots marched to an impressive 18-4 regular season record, losing only to ranked teams. The red and white lost to West Craven in the conference tournament, but rebounded to upend C.B. Aycock, Havelock and West Craven in the district tournament to earn a spot in the eastern regionals in Wilson.

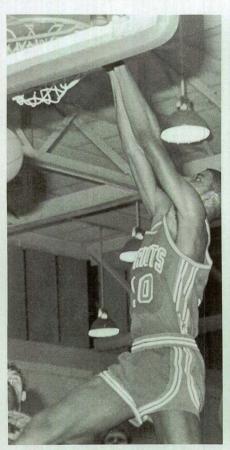

In Wilson, West overcame a gusty Burlington Cummings team to win 71-67 and then outmuscled a tall Warren County team. In the title game the Pats took Statesville by storm, playing three quarters of the best high school basketball many fans will ever witness. In the fourth quarter, the Greyhounds made a charge, but the Pats regained composure in time to get the win, giving Coach Widgeon and West Carteret their first team state championship, in any sport.

We, the Patriots ...

Are the Champions!

Brian Roberts, Vernon Patrick, David Yancey, Kelly Willis, Patrick Fleming, Mark Mansfield, Sammy Gibson, Tim Williams, Kevin Jones, Gary McKeel, Rodney Chambers, Win Neagle

Congratulations, Coach Billy Widgeon

"Your accomplishment was a very deserved one, and it has been earned through your many years of directing a 'class' program in a highly professional manner. Your success has not only brought honor to your team and to your school but to the Coastal 3A Conference as well. All of us are proud to be associated with you through that means."

That was an excerpt from a letter to the man who has given Carteret County basketball a good name for more than 30 years. It was one of many letters, mailgrams, postcards, certificates, phone calls and other memorabilia received by West Carteret High School

head basketball coach Billy Widgeon and his wife after the Patriots won the State 3A Basketball Championship in 1985.

That first letter was from O.K. Gainey, Havelock High School principal, and it showed the magnitude of what Coach Widgeon had done with one of his many basketball teams.

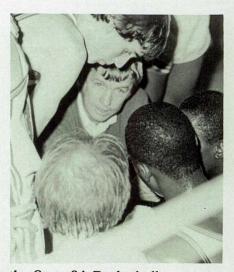

Havelock and West Carteret are bitter rivals throughout each school year in whatever they do, so when Mr. Gainey went out of his way to recognize Coach Widgeon for his accomplishments, it was something very special.

Many took time out of busy schedules to congratulate the coach, the teacher and the man for his fine efforts over the past quarter century. The underlying theme of each was that a more deserving individual could not have won the state title.

Of course, Coach Widgeon would be the first to say that his players won the title, not him. But, the players would say otherwise.

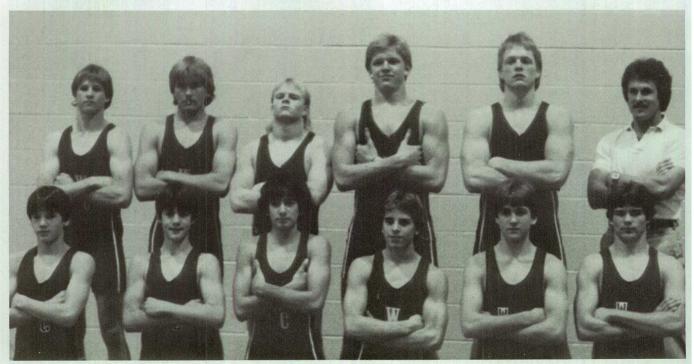

A letter that summed up the feelings of many West Carteret and Coach Widgeon fans came from Beaufort lawyer Jeff Newton: "Please accept my sincerest congratulations for your team's recent victory in the state 3A basketball championship game.

"Having watched your teams for many years, I feel certain that in the past you have suited up squads with more individual talent. Therefore, this team's success must be in no small amount attributable to your

Aw gee, Coach

Homer or single?

The '85 Season

The overall record for the year was thirteen and seven. The outstanding players were David Rose, Jason Willis, Davy Willis, and Ricky Dysard. Coach Huffman felt that the team played very well through the first twelve games but had to struggle a little over the last eight. He said there were several excellent players and that overall it was a good year.

Please let it be a strike.

The brain trust talks it over.

GIRLS' TRACK

The Lady Patriots had a sixteen and four record for the 1985 season. They won the conference championship and placed fourth in the Sectional meet. Four girls qualified for the Eastern Regional Meet: Christi Nelson in the 100m high hurdles and 300m hurdles; Jessie Hoeverman in shot put and discus; Jasa McCann and Joyce Lewis both in the two mile run. Christi placed sixth; Jessie placed sixth; Joyce placed seventh, and Jasa placed fifth. Jasa set a new conference record in the two mile run.

Joyce Lewis set a new school record and a new sectional record for the two mile run. $\,$

Christi was never beaten in either hurdle event during the regular season.

BOYS' TRACK

The boys track team was a very young team this year with many freshmen and sophomores. They were led by Coach Mann who also coached wrestling. Under his guidance three members advanced to sectional competition. The team gained a lot of experience this season and hopes to have an even better season next year with many players returning.

VARSITY CHEERLEADERS

Nissie Mitchell, Lisa Hettler, Nancy Hibbs, Kim Hassell, Stephany Boyd, Cathy Conway, Shannon Plough, Sharon Price, Margie Fugate, Jennifer Short, Angie McMahan, RaeLynn Wingard

This past summer the cheerleaders attended camp at Campbell University. The varsity was selected as the overall "Award of Excellence" winner for the entire camp of over 40 squads. This award carried an automatic invitation to compete in the National Cheerleading Championship held in Dallas, Texas. The junior varsity was also honored by being nominated for the prestigious "Award of Excellence". Both squads also received blue ribbons daily and the coveted "Spirit Stick Award."

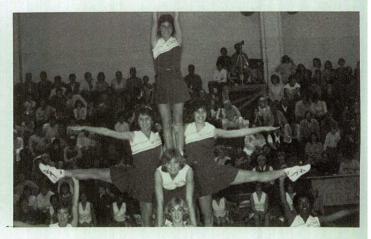

The cheerleaders continued their standards of excellence throughout the year. Besides leading cheers at games, planning pep rallies, and boosting spirit, the girls worked diligently to prepare for the conference competition. Both squads captured first place in their respective divisions.

PEOPLE AND EVENTS

Special activities such as Homeming, Queen of Hearts, the annudrama production, and the inior-Senior Prom are events oked forward to with much antication. From the first pep rally id Spirit Week to the final night of Y FAIR LADY, from the first hool dance to MARDI GRAS at e Civic Center there were things do during the year.

niors and Seniors especially raited events such as the NHS inction, Senior Teach Day, and the nior-Senior Field Day. The final sembly of the year, Awards Day, is a time to congratulate many of e seniors. It was also a time to cognize the achievements of any upperclassmen and to challege them to continue to work.

PEOPLE AND EVENTS — 109

Spirit Week:

Seniors raid the Handy Pantry

West Carteret students prepared for Homecoming by participating in Spirit Week. The main events included hat day, red, white, and blue day, theme day, dress up day, and tie day. Other events included decorating class halls, participating in pep rallies, and attending the Senior breakfast at McDonalds. Classes and clubs built floats and entered them in the Homecoming parade. The Juniors, class of '86, were the overall winners of Spirit Week.

The winning float!!!

Homecoming '84

The excitement began at the start of Spirit Week on November 5, 1984. Students participated in various activities which showed their school spirit. Thursday, an assembly was held to introduce the Homecoming candidates. Eighteen candidates had been nominated by their senior homerooms. On Friday, the annual Homecoming parade wheeled down Arendell St. with floats made by classes and clubs. That night, West Carteret hosted West Craven for the Homecoming game. During halftime, Carmetha Williams, last years' queen, presented Kim Tootle with the traditional Homecoming crown. The runners up were Christine Nelson and Lisa Legeros. After the game, everyone enjoyed a dance in the cafeteria.

Practice, Perfection, Production

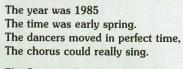

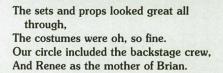

The flower girls with curled hair, and the maids all dressed in white. Mrs. Whitaker's unending care awaited opening night.

Brian and Lisa with the two main parts, stood up and looked their best.

That night they stole so many hearts, and tears did all the rest.

Randy and Cathy and of course Todd Hall, did a superb job as well.

The Queen and her escort stood so tall, as the curtain rose and fell.

The orchestra played their best that night, and Miss Gillis smiled with joy.
The townspeople cried in full delight,
As Mrs. Whitaker yelled, "Oh Boy!"

The Cameras were there and the headlines read, of the hope that was never shady. We did it together and that is what led to the production of

116 — MY FAIR LADY

Queen of Hearts' Dance

Amy Edwards, Regional Director of the NC Association of the American Heart Association speaks to students.

Candidates and their escorts were treated to lunch at the Charter Restaurant.

QUEEN OF HEARTS

Sixteen girls representing eight clubs and the four classes raised \$8, 274.85 in just one week this year. Raising money for the American Heart Association has been a tradition at West Carteret since it opened. This year Renee Reynolds led the group by raising \$1,616.48 to become the new queen. She was crowned by Student Council President Keith Garner at a dance held to honor all the candidates.

Mrs. Beth Taylor, Mrs. June Merrill, and Mrs. Laurie Kight were advisors for the fund raising.

The 1985 Queen of Hearts, Renee Reynolds.

TABLES TURNED FOR A DAY

Seniors experience a drastic change from the cafeteria routine

Discussing "lesson plans"

Taking things seriously

The final hour

The roles were not reversed completely, teachers did not become students, but on March 26, members of the Senior class became teachers for one day. They prepared lessons and quizzes, taking over classes from roll call to

final bell. For students who expected a "slack" day, it was a surprise to find the Seniors were knowledgeable and prepared.

For Seniors, there were moments of fun, panic, and

exhaustion. By morning break, some had decided they would never be a teacher. Would you like to bet that if they were given a second "Senior Teach Day", these same students would participate?

Two friendly smiles!

The typical teacher

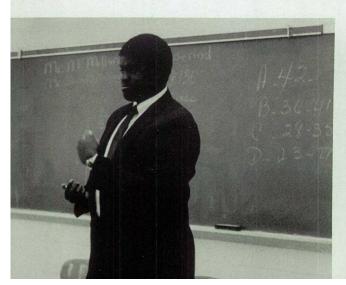

Just waiting for a guilty suspect

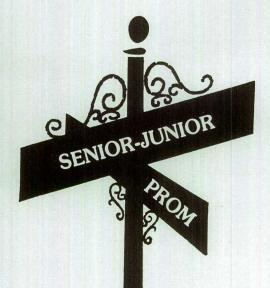

Great job, Seniors!!!

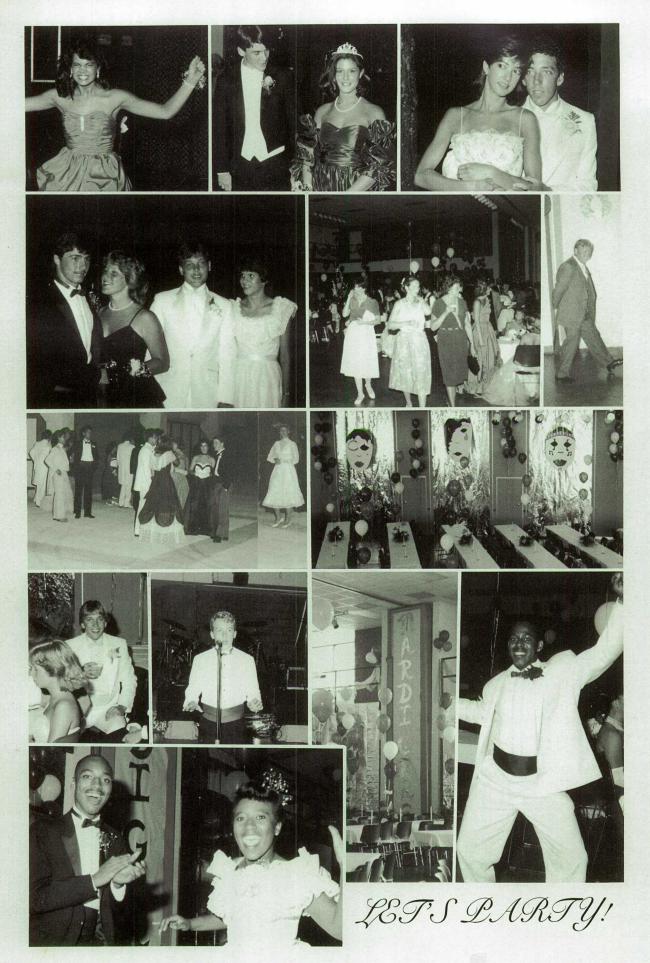

MARDT GRAS

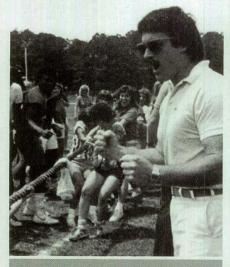

Juniors pull for their class

Mr. Paul starts the tug of war competition

What a kick!?!

Senior-Junior field day was held on the campus of West Carteret during school hours which caused increased participation in the events. It was different this year because in previous years it had been held at Fort Macon after school. The juniors and seniors were first entertained in the auditorium by the Ovations. They performed such songs as "Wake Me Up Before You Go-Go," "Summer Nights," and "We are the World."

SR.-JR. FIELD DAY

FUN AT

WEST

Juniors show their class spirit

After the performance, the students went out onto the football field. Under the direction of Mr. Mann, they participated in softball, dodgeball, volleyball, 3-legged races, and 4-legged races. The activities were concluded by a tug of war competition with senior girls against junior girls which was won by the juniors. The boys also participated in a tug of war, the seniors won. The students were then served lunch. After eating, the juniors returned to class. The seniors cleaned up and went home.

1985 Proclamation
Dedication
Ms. Marie McCann
AWARD'S DAY — 127

coaching abilities."

Coach Widgeon received all kinds of proclamations and congratulations from city and county officials, as

well as letters from rival coaches, former players and team managers.

Billy Widgeon's basketball career has been an illustrious one, and in state championship was just the icing on the cake. His career began in the 40s, when he took an interest in round ball that began a long love affair with the game.

Young Widgeon grew up in Newport, and by the late 40s, most Carteret County sports fans knew Widgeon was a rare breed of ball player. In 1953, Widgeon proved the fans right as he ended his high school career by leading the Newport Hawks to the Class A State Basketball Championship. He was voted the tournament's most-valuable player.

His high school marks at Newport earned him a position in the 1953 East-West All-Star game, where he played alongside Sonny Jurgenson (who went on to play football for the Washington Redskins) and Wake

Forest's Jackie Murdoch.

The boy from Newport did not go un-noticed by college scouts. He was eventually awarded a scholarship to Atlantic Christian College, where he played tennis and basketball. It was there that he met Sylvia Allsbrook, and present Mrs. Widgeon. She was one of Billy's biggest fans in college, and she remains so today. "I may be his wife," she said, "but I'm also his biggest fan."

At ACC, Widgeon led the 1954-55 team to the district championship. He was the MVP in the conference tournament that season. The team was eventually beaten by Arkansas in the second round of the collegiate

tournament, held in Kansas City.

Widgeon was selected the college's best athlete his junior and senior years, and he was named small-college All-American his senior year. In 1983, Widgeon was inducted into the ACC Hall-of-Fame for his "outstanding contribution to athletics," becoming the youngest member of the hall.

Widgeon studied math and physical education at ACC, and he went right into his present teaching-coaching career after graduation. His first job was at Bailey, a Class 1A High School.

He coached boys and girls basketball and baseball, and before he was done coaching there, his coaching abilities had been etched in the winning column many times over. His girls teams won 107 games in a row, but since there was no state tournament, the teams were not able to give Coach Widgeon a state title. All total, he directed his Bailey teams to more than 228 victories (some Bailey records were lost when the county consolidated high schools).

From 1958 to 1961, Widgeon attended East Carolina University, where he got his master's degree in administration. Since that time, Widgeon has taught thousands of students in Math. He has been teaching

the subject for 28 years now, so his effect on young people has been both academic and athletic.

In 1964, Carteret County decided it was time to bring one of its most-reverend athletes of all time back to

the area, and Widgeon was hired to teach and coach at West Carteret.

His first year, he coached the junior-varsity basketball team and golf for the Patriots. The following year, he stepped into head coaching position he has occupied with style and grace ever since. That first team had a 14-12 record. The next year, his club was only 11-10 going into the conference tournament, but the Pats downed Greenville, Kinston and Elizabeth City by 20 points each to make it to the state tournament, where they lost to Pisgah.

For the past 22 years, Coach Widgeon has been at the helm of 312 West Carteret victories. His 300th win came this past season on Jan. 29 against North Lenoir. He received a plaque for the accomplishment that appropriately read: "Given by the players who have been lucky enough to learn from a man with the

skill and caring to be a true coach.

Aside from the 1966-67 Patriot team, Coach Widgeon took the '69, '79, '81, '84 and '85 teams to the state playoffs. Along the way, his teams won numerous conference and district championships, and made it regional finals twice.

In 1984, what may have been the most-talented team Coach Widgeon ever coached lost a heartbreaker

in the regional finals. That team had the best West Carteret record ever, 25-4.

While most everyone thinks only of Widgeon coaching basketball, he has also been instrumental in coaching Patriot golfers to numerous conference titles and has served as West Carteret's athletic director

for 10 years.

In 1985 state championship team was 25-5, and it was a team effort that earned the Patriots the title. Coach Widgeon has always encouraged a contribution from everyone, on and off the court. He's not looking for any superstars, and this year's team proved that point. After a great season the year before, and the loss of two key starters, many thought the Patriots had little chance of winning the conference, much less the state championship.

However, it seemed that a different star emerged out of every game as West kept racking up the victories. Soon, they were ranked second in eastern North Carolina by the Raleigh News and Observer, and people began to wonder what it was that made this team go. Most people said it was the coach, Billy

Widgeon.

The players molded when it counted, and after winning 18 of 22 regular season games, they knocked off six of seven opponents to earn a berth to the title game against Statesville, which they won 69-59. For more on season, SEE PAGE 88.

The players said early in the season that they wanted to win the title for Coach Widgeon, and in the

locker room after their title win, they were as happy for him as they were for themselves.

Later, in a television interview, the players would chime out together what people all over North Carolina had felt for years: "We're No. 1, just like Coach Widgeon."

Billy Widgeon has given the people of Carteret County something to boast about for the second time in his life, and that is something of which everyone can be proud.

Congratulations coach!

ORGANIZATIONS AND PUBLICATIONS

Summer meetings, leadership vorkshops, night meetings, district allies, conventions, weekend trips, and fund raising for club projects alped to insure that students involved in clubs had a full year of co-curricular activities. Club day was held once a month during exended homeroom periods and this allowed many students to be members of a club. Also, many clubs conducted night or after school neetings and activities. Clubs serve

as a way to involve students in the school and community as well as a means of developing leadership skills which will aid them later.

Students who were members of the REVERE, TOWNE CRIER, AND PROCLAMATION staffs saw the production side of a publication. They learned about deadlines and responsibility and felt an intense sense of pride in seeing the final product.

MUSIC

The band year seems never to end. When the final concert is over and school is out for the year, band members plan for summer camps and summer practices. The year opens with performances at football games, parades, and participation in festivals and competitions. Sales of citrus fruits help to support the band in paying for these activities.

Members of the West Carteret Singers, Concert Choir, Small Ensemble and Chorus provided us with many enjoyable hours of song through formal and hallway concerts. Some of these groups also attended festivals and competitions.

Band members and chorus students helped with the production of MY FAIR LADY and with the Veterans Day celebration. From fall practices and organizations through spring concerts and awards ceremonies, music is an important and valuable part of our year.

Chorus

Concert Choir

WC Singers

Small Ensemble

Getting ready for the big concert

Timmy Raynor's version of "Let's go to the hop"

Honors Chorus Students — Christie Shetzer, Tim Legeros, Lisa Legeros, A.J. Jones, Polly Mitchell

Seniors Last Concert

Concert Choir celebrate "Music in our school month"

Traci and Steph ... "Girls just wanna have fun"

"We Are The World"

"We are all a part of God's great big family"

A.J. Jones ... Michael Jackson

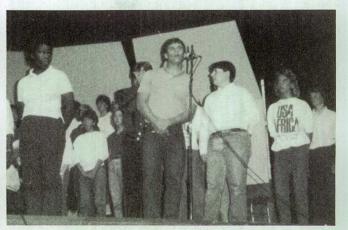

Traci Cole ... Dionne Warwick

Joni Lewis ... Tina Turner

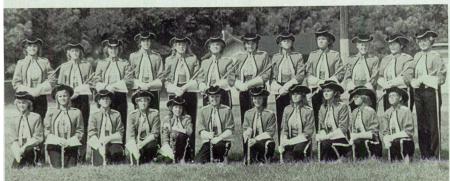

Keith Garner ... Willie Nelson

Frank Robbins ... Kenny Rogers

West Carteret Marching Pariots

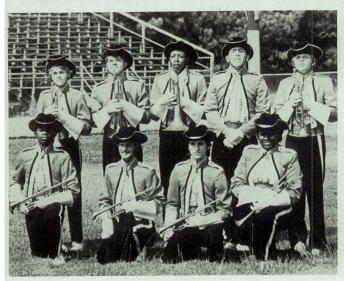

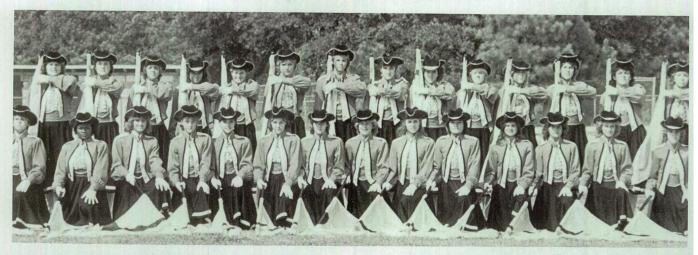

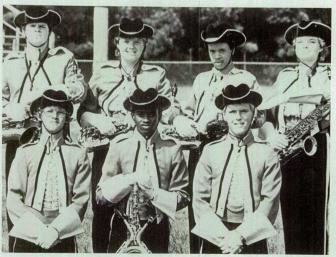

Music for All Occasions

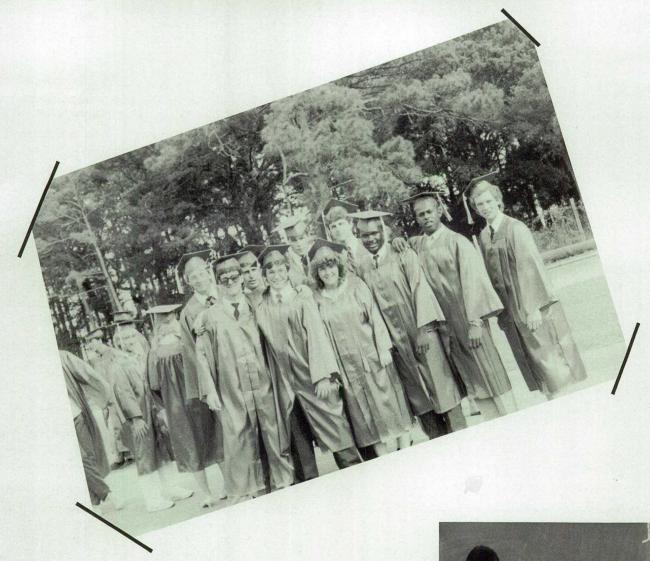

This year the band performed at the Edenton Peanut Festival, the Azalea Festival in Wilmington, Christmas parades in Morehead City, Beaufort, and Newport, attended competition in Roanoke Rapids, and members tried out for All-State Band. The band also performed for Veterans' Day Observances, Memorial Day parade, welcomed the Marines home

at the port in addition to providing spirit leadership for WCHS as a pep band and halftime show.

Members of the band played for MY FAIR LADY,
Baccalaureate, and Graduation. The band also gave formal concerts; truly the band provided music for all occasions.

FINAL DAYS

The four years were nearly over and it seemed we had just begun our nigh school days. The weather had gotten hot and we were beginning to hink of shorts and the beach and it was time to begin saying good-bye.

The teachers and administrators reminded students that grades needed to be kept up, that the dress code was still in effect and that playing hackysack was not an indoor activity.

Students and especially seniors ooked forward to Baccalaureate, ehearsals, and to Graduation. There was a lot of excitement, anicipation, and nostalgia in our feelings as we looked back on what had been a very full year.

FINAL DAYS — 153

SMILE

Senior Breakfast

Patrice enjoying the breakfast

The seniors met at the Rex Restaurant at 8:00 a.m. on the morning of graduation. Breaking into the lunch line in the cafeteria was now a thing of the past. The time from the first breakfast at McDonald's in the fall to this one was filled with memories, hopes, frustration and fun. Today, there was plenty of food and the seniors enjoyed each other's company. This was the final get-together before graduation night.

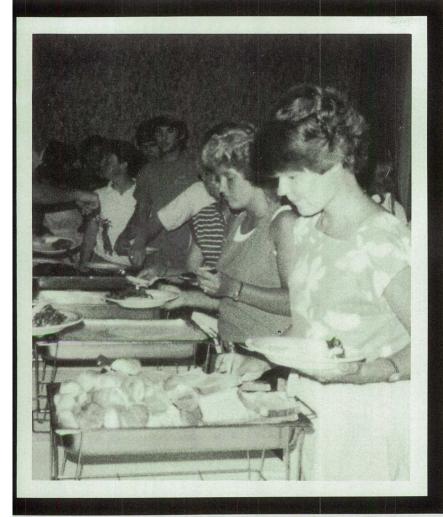

Do we have to pose for this picture?

Paul Lockhart receives the Scholarship from Principal, John

... Until We Meet Again

Dr. Curtis Fleshman presents the Rotary Best All-Around Award to Stephanie Moore.

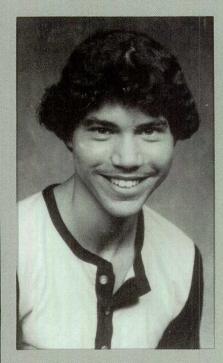

Thomas Holmes Carrow Nelson.

David Bailey, Donna Arthur, Sonya Garner, and Stephanie Moore receive the Kiwanis Citizenship Award.

A Time to Remember ...

Richard Dennis 1965-1981

Jeff McNamara 1966-1982

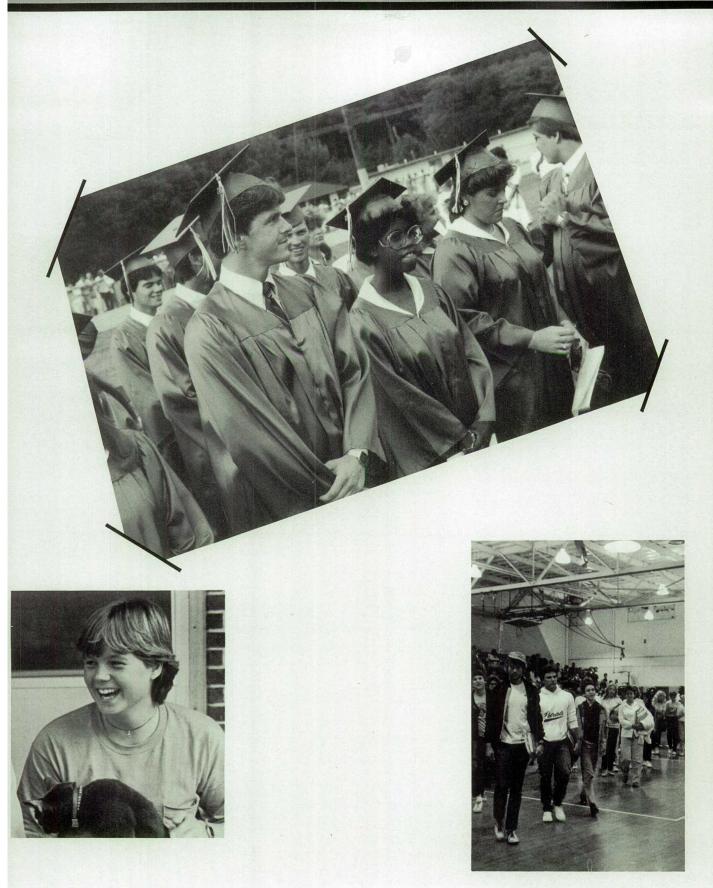

Tommy Evans 1966-1985

Graduation was a time of excitement, a time long anticipated by Seniors. We looked forward to new beginnings and new challenges.

Graduation was also a time to remember, a time to look back on all the years and experiences of the past. It was a time to remember all the friends who were no longer present and we especially remember Richard, Jeff, and Tommy.

IN APPRECIATION ...

There are many people we wish to thank because without their assistance this book could not have become a reality. They have helped with pictures, advice, writing, and encouragement. We cannot name everyone involved in the making of this book, but some of the special ones are the administration, faculty, staff and students of West Carteret. We especially want to acknowledge the help of John Hackney sports pictures and copy, Jeff Jones — pictures and copy assistance, Jim Darwin —

pictures and layouts, Gene and David Bell — pictures, The Towne Crier Staff, and the many students who submitted pictures. Thanks also to Tracy Day, Chrissy Wetherington, Donna Arthur, and Alisha Kapoor who worked hours after school was out to make sure the final deadline was met.

We have enjoyed putting the book together, and we hope you enjoy looking at and reading it. Thank you all very much,

The Staff

Stephanie Boyd Tracey Brewer Cindi Binnix Tracey Cole Cindy Day **Sherley Ditto** Cindy Kittrell Alisha Kapoor Millie Garner Joni Lewis **Chrissy Wetherington** Keita Salter Beth Warren Paula Willis Melissa Venable Beth Weeks Denise McIntyre Nita Patel **Carol Hughes Kimberly Dowling**

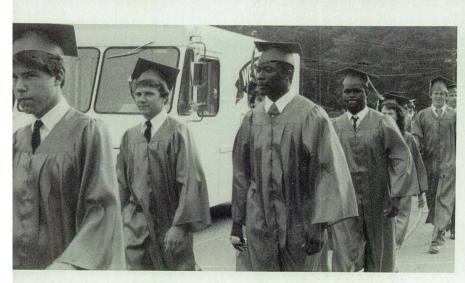

West Carteret Has Many Moods and Many Faces

The year was a full one and it has now come to an end. We say farewell with a smile.
