The graduating class of 1985 dedicates this, the 1984-85 East Wind, to Mr. Robert Killingsworth Jones in appreciation of his school spirit, support, and advice.

A native of Beaufort, North Carolina, he graduated from Beaufort High School in 1962. He attended Atlantic Christian College and received a Bachelor of Science Degree in physical education and math. He later was certified to teach driver’s education.

After graduating from Atlantic Christian College in 1966, he married Peggy Lewis, also a Beaufort native. They now have two children, Robert Lewis, age 14, and Mildred Nicole, age 11. The Jones family are members of St. Paul’s Episcopal Church where Mr. Jones is presently a member of the vestry.

Mr. Jones began teaching math at East Carteret in January of 1969, having previously taught two and one half years in Hampton, Virginia. In the fall of 1989, he was transferred to Beaufort Middle School where he taught physical education. In January of 1970 he returned to East Carteret to teach driver’s education where he has remained. He has been an assistant football coach for 15 years, three of which he spent in Virginia.

We salute Mr. Jones and wish to thank him for the difference he has made in life at East Carteret High School.

Javier Mateo, foreign exchange student from Madrid, Spain, arrived in Beaufort, North Carolina on September 6, 1984. He is living with Judi and Alvin Farlee and their three sons, David, Paul, and Jeffrey. Javier is involved in two extra-curricular activities at East: soccer and tennis. He has enjoyed his stay here because of the wide range of activities at East. Javier is the youngest of a family of four. His family includes his mother, Mary Carmen, his father, Jesus, and his two older sisters, Christina and Theresa. Javier has no future plans right now except to enter the twelfth grade upon his return home in June. We at East have enjoyed having Javier Mateo with us this past year and have learned a great deal from him. We hope he is a success in whatever path in life he decides to follow. GOOD LUCK, JAVIER!!!

Retiring Teachers

Q. What kind of advice would you give the teacher that takes your place next year?
A. I would assume that she had just come out of college, so I would tell her to be ready for changes in her expectations of teaching. It is a lot of hard work and takes dedication and a desire to teach.

Q. How have students changed through your years of teaching?
A. Students today do not have the desire to learn as much as they used to. They did not have television and radio and working after school. They would have more time to concentrate on school.

Q. What are your future plans?
A. I am going to catch up on all of my other interests and hobbies such as community work. I also plan to travel and take in new areas and see new things. I am going to have a chance now to do the things I want to do, and now I am going to jump on and hold tight and get off wherever the ride stops.

Q. Will you miss East Carteret High School?
A. Of course I will. After teaching being a part of me for so many years. I will miss it very much, because it has been my life. My time has come though, and I am ready for somebody to take my place. I would just like to say to everybody, good luck.

Mrs. Copes is 53 years of age. She is married and has been for 26 years. She has one child and has worked at Queen Street School for 14 years and has been with us at East Carteret for 18 years. Her hobbies are traveling and knitting. She will miss East Carteret but realizes along with age comes change. She is ready to get on with her life and has no regrets. For all the time and effort you have given us, we the students and faculty of East Carteret would like to say thank you, we love you and will miss you.

Mrs. Eunice Lewis

Q. How have students changed through the years?
A. The abuse of drugs has highly increased.
Q. What are your future plans after retiring?
A. I would like to just sit back and be lazy. Travel anywhere and do the things I could not before.
Q. If you could do it over again, would you do it different?
A. I have had a few bad times just like anybody else, but I am happy. I love working here at East Carteret High School. I probably would not change a thing.
Q. Are you going to cook after you retire?
A. I have cooked my share. It is somebody else’s turn.

Mrs. Lewis is 70 years of age. She has been a widow for 40 years and has 2 children. She has worked as a teacher in Smyrna and East Carteret. Her hobbies are reading and traveling, and having a good time. She will miss East Carteret very much.

For all the time and effort you have given us, we would like to say thank you, we love you and will miss you.

Mr. Joseph Williams

Q. What kind of advice would you give the teacher that takes your place?
A. That the course is for the student. The student must benefit from this course. That you should exercise the patience of Job.
Q. How have students changed through the years?
A. Students have become more independent, carefree, and less concerned about a career choice. There are a few things that makes teaching worth while.
Q. What are your future plans?
A. To go home and go fishing and try to be a friend to man.
Q. If you could do it over again, would you do it different?
A. No, I would not change a thing.
Q. What made you decide to become an auto-mechanic?
A. I enjoy fixing things that do not work.

Mr. Williams is 81 years of age. He is married and has been for 37 years. He has one child and has worked at East Carteret High School since 1965. His hobby is fishing. He will miss East Carteret but not as much as he will next year. For all the time and effort you have given us, we the students and faculty of East Carteret High School would like to say thank you, we love you and will miss you.

Give me a H.O.P.E and what do you have ... Helping OthersPLEASES EAST. The twenty Interclub Council members choseH.O.P.E over March of Dimes because they felt that the moneyraised should stay in the county. This year the money went toseveral different organizations such as Sea Level Hospital, Otway, South River-Merrimon, Sea Leavel and Beaufort RescueSquad.

The competition all started ona slow Monday morning, January28th. The kick off assembly wasstarted with Ms. Susan Marshall, the sponsor, introducing allB4 H.O.P.E candidates. Then towake everyone up she introduced the band Free Fare. Theband also had a concert one night and ten percent of themoney from advanced tickets sold, was donated. Blow-pops,brownies, cookies and many other food items were sold asone way to raise money. There also was a carnival in whichfood and other items were sold. Manydifferent activities went on such as pie-in-the-face, wet spongethrowing, a haunted house, andvarious other booths. There alsowas a fish fry before the Topsailbasketball game. The Saturdaybefore the final day there was aFlea Market in the schoolcafeteria, which helped raisenever more money. All this hardwork and effort raised approximately $5,000.

Within the two week timeperiod, each couple had a personal goal of becoming H.O.P.E.King and Queen. The winners were Leslie Smith and HarryTaylor. They raised $785.00.

"Smilin' Faces" Ms. Marshall had a goodreason to be smiling at the H.O.P.E.assembly with Mr. Kappel.

"I wear my sunglasses at nite." But the band Free Fair wore their sunglasses at the kick off assembly.

She did it!!! Gwen Wallace bobbed for apples and got one on the first try.

And the King and Queen are ... Harry Taylor and Leslie Smith as she received her crown and flowers.

Robert Steven Snyder
(1967-1984)

Steve

You had class; even a kind of brass.
You had looks; we could find in no book.
Eyes a dark brown that had a certain shine; when you clowned around.
You were sweet, not quite petite; but just right for your height.
You were a good friend, one on which we could depend.
You were nice; and added a kind of spice to our lives.
You were not fat, but quite slender; and at times could be quite tender.

Dear Steve: It's hard to believe you're gone, but you will never die in your friends' eyes. We love you!!!!

by Heather Harris
I, Cindy Russell, would like to extend my deepest appreciation to the 1984-85 East Wind staff. I know there have been a lot of hard times, but without your help, I would have never made it. I would like to thank Miss Ginny Turner most of all. Although this was a very hard year because of conflicts in my schedule, I never once heard her complain. Miss Turner, thanks for all the support and advice, it meant a lot. I’m gonna miss you.

Last, but not least, I would like to say thank you to the Class of ’85 for helping me enjoy the best years of my life. I Love ya’!!!!!!
