The Leadership of the East Carteret Marching Mariners!

Arnold K. Adams was born November 3, 1943, in Rocky Mount. He attended North Carolina Wesleyan College where he received his Bachelor of Arts Degree in music in 1967.

That same year Mr. Adams arrived at East Carteret High School. The school band was comprised of seven students, a few instruments and eighteen majorettes. The band members could play one tune and the majorettes performed their routines to music that blared from a record player in the back of a pickup truck.

The Mariners' fortunes improved over the next few years. The band grew in size to 189 strong in 1988. This includes a color guard, three drum majors, seven majorettes, five rifles and an eighteen member flag team. With these impressive numbers and a brilliant sound as well, the band grew in stature.

It won invitations to Azalea Festivals in Wilmington and Norfolk, Virginia; Apple Blossom Festival, Winchester, Virginia; Citrus Festival, Winter Haven, Florida; Cary Band Day; Cherry Blossom Festival, Washington, D.C.; Disney World; Kings Dominion; Christmas parades in several cities in N.C.; Mullins Band Day, South Carolina and others.

First place trophies and superior ratings have been parts of the history of "The Pride of the East — the East Carteret Marching Mariners."

Miss Jackie O'Donnell is also an integral part of the East Carteret Marching Mariners. Miss O'Donnell teaches the future Mariners at Atlantic Elementary School, Smyrna Elementary School and Harkers Island Elementary School. These band students plus those at Beaufort Middle School make up the East Carteret Junior Band who eventually become mariners.

Miss Jackie first started band in the fourth grade. She graduated from Chatared High School in Indianapolis, Indiana where she was a member of the National Honor Society. She then attended and graduated from Ball State University in Muncie, with a degree in Music Education.

She is a member of Sigma Alpha Iota, a music honor sorority, the Music Educators' National Conference and the North Carolina Bandmasters' Association.

The Leadership of the Chorus

Like most children of ministers, Ellen Piner's earliest experiences in music were in church. Although she played both basketball and softball, her high school years were filled with rehearsals for piano, band, and chorus. During her years in Morganton High School she was greatly influenced by M.T. Cousins, her band and choral director, who is remembered throughout the state as a leading composer.

Ellen's first two years in college were spent at Mars Hill Junior College where she majored in performance on the organ. She was honored to be presented the Music Award at graduation.

During the summer after graduation from Mars Hill, she was rehearsal pianist, music copier, and organist for the outdoor drama, THUNDERLAND, that was performed in the Biltmore Forest near Asheville. This was an exciting experience because she worked with professional performers from New York, including Charles Nelson Reilly and others that are occasionally seen on TV today.

Her last two years were spent at East Carolina College in Greenville where she received a teaching degree; organ was still her performing major and she received a minor in voice. She was privileged to have two "firsts" at ECC — the first graduate to perform a full length organ recital and she performed the first "Let's Go to College" TV program over WNCT-TV in Greenville.

During the summer following graduation, she was rehearsal pianist for the MUSICAL THEATER IN THE SKY at the amphitheater in Asheville. That summer she accompanied Lanny Ross, a well-known singer during radio days.

For eleven years after graduation Ellen worked as church choir director/organist in four different churches. Then she returned to summer school and renewed her teaching certificate. While her husband was in the Air Force, she taught in elementary schools in North Carolina, North Dakota, and Florida. During that period she was also director of music/organist for the Protestant services of two Air Force Bases.

Ellen's family includes two daughters, a son and two granddaughters. Her husband, Bobby Piner, is part owner of Morehead Towing Company in Morehead City.

She has been at East Carteret High School since the 1975-'76 school year.

The chorus program at East Carteret High School under the direction of Mrs. Ellen Piner began in 1975 with forty-two students enrolled. Classes were not scheduled according to talent or experience but as to how the class fit the schedule.

In 1976, a class called Les Chanteurs was formed. This class was the forerunner of what is now Mariner Singers. In order to be a Mariner Singer, one must exhibit leadership ability, be able to perform solos and provide leadership for the entire program.

The curriculum was modified during the 1983-84 year to include choreography and to develop performance in all styles of music. Trips to New York during Thanksgiving holidays have been high spots in choral activities. Mr. John Jacobson, a professional choreographer, has helped in workshops both in New York and at East Carteret. This has greatly reinforced confidence on stage.

The State Honors Chorus and All State Chorus are always encouraged for those students who show exceptional ability.

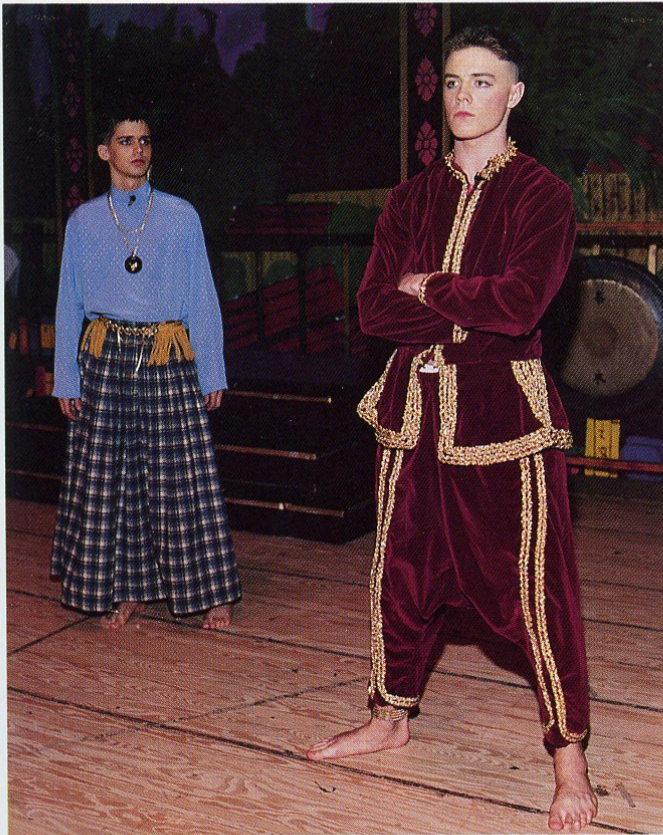

Because of the greater number of females than males, a special class for young ladies was begun in 1986. This group became known as the Seagulls.

The philosophy for the choral program is to provide students an opportunity to understand and appreciate many styles of music, to respect other persons' preferences and to better know and understand their own abilities in music.

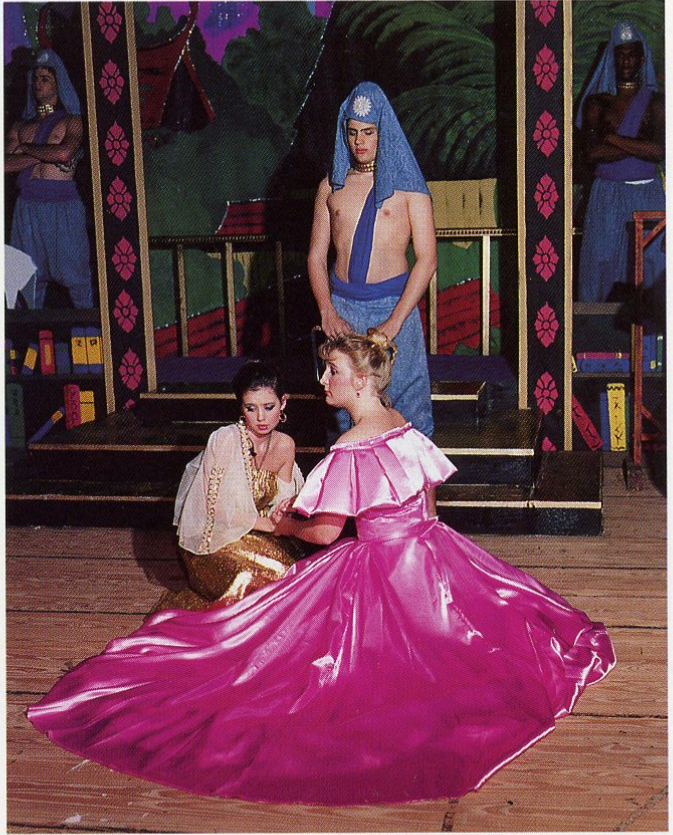

A few chorus members strutting their stuff.

The cast of The King and I.

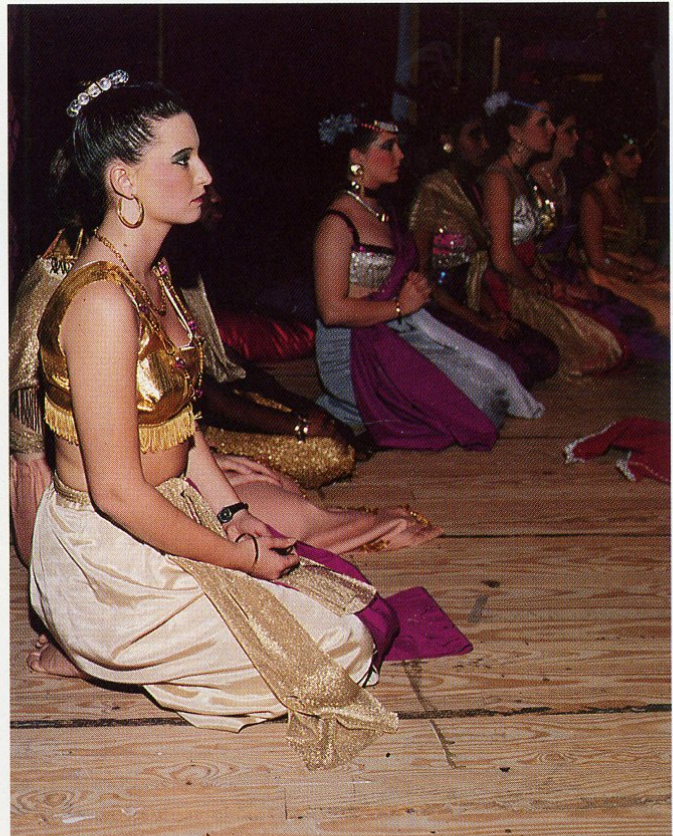

The King of Siam (Eddie Piner) stands stern to the issues that the Kralahome (Jason Tilghman) brings to him.

Tuptim (Rhonda Rose) begs Mrs. Anna (Karen Barnes) to keep her from being whipped.

The death scene is at the end of the play when the king dies and asks Mrs. Anna to stay and teach in Siam.

Lisa Vinston, and other royal wives, sit waiting for their king's next orders.

EAST WIND SALUTES

RONALD TERRY PARRISH

One measure of a leader is that which has been accomplished under his guidance. One measure of a friend is that quality which encourages high ideals in those befriended. Mr. Ronald Terry Parrish has been both a leader and a friend to East Carteret High School.

He was born in Durham County, North Carolina, on June 3, 1943, where he completed his elementary and high school education. He received his undergraduate degree at East Carolina University in Industrial Arts and taught at Githens Junior High School in Durham. After returning to East Carolina University and earning his graduate degree in School Administration, Mr. Parrish began his career as a leader in education at Southern High School in Durham with the position of assistant principal. His next step was the acceptance of the challenge of principal at D.N. Hix Junior High School in Granville County.

He is married to Frances Bass of Durham County and is the father of four sons: Ronald Terry, Franklin Lee, Douglas Howard, and Robert Edward. In 1978 he moved this family to Carteret County and began to lead East Carteret High School and to encourage his new friends to reach higher levels of excellence.

Under the guidance of Mr. Parrish significant advances were made in athletics, academics, vocational education, and the arts. East Carteret High School football, baseball, and basketball teams rose to the position of conference champions and advanced well in state competitions. Students have received awards on the county, regional, state, and even national levels in both academics and vocational education. The first Honors Banquets were held which enabled the school community to give scholarships to help their own. The band played in the Macy's Thanksgiving Day Parade and the drama club performed exciting and excellent productions. These are an impressive list of accomplishments.

For all this and more, Mr. Parrish, we dedicate this 1988 yearbook to you. We are indebted to you for your selfless commitment.

"Friends depart, and memory take them to her caverns, pure and deep." Thomas Haynes Bayly,
Teach Me to Forget

CLASS MOTTO

Great Visions often start with small dreams.

CLASS SONG

We Said Hello, Goodbye
We said goodbye to a dear old friend
And we packed our bags and left
Feeling sad, it's the only way.

We said hello as we turned the key
A new roof over our heads
Gave a smile
It's the only way . . . only way

Chorus

Turn your head
Don't look back
Set your sails for a new horizon
Don't turn around,
Don't look down.
OOH, there's light
Across the tracks
And you know it's really not surprising
It gets better, when you get there. Ah —

Well, it really don't matter much where you run
'Cause home is in your heart
It's a feeling, that you wake with one day

Some people keep runnin' all of their life
I still find I haven't gone too far
They don't see it's a feeling inside
The feeling inside. Oh —

Chorus

We said hello as we turned the key
A new roof over our head
Gave a smile
It's the only way.

— Phil Collins

Thanksgiving Assembly

At the Thanksgiving Assembly this year 12 families were helped. With overwhelming support from E.C.H.S., each family received a turkey, dressing and bags of groceries. Under the leadership of Robin Davis, the Student Council presented a skit that was enjoyed by all. There was also a pumpkin contest which involved a lot of creativity from each of the classes. All of the pumpkins presented were very original and showed the hard work that went into them, but the Junior's "Tammy Faye" pumpkin stole the show.

Let's go to the Big Apple!

Airport banner says it all!

Tired Mariners anxiously await their flight home.

Marching Mariners relax during the ferry ride.

Eddie Piner, Student Council President, makes an opening speech at assembly.

Some student entertainers get together and perform a little skit.

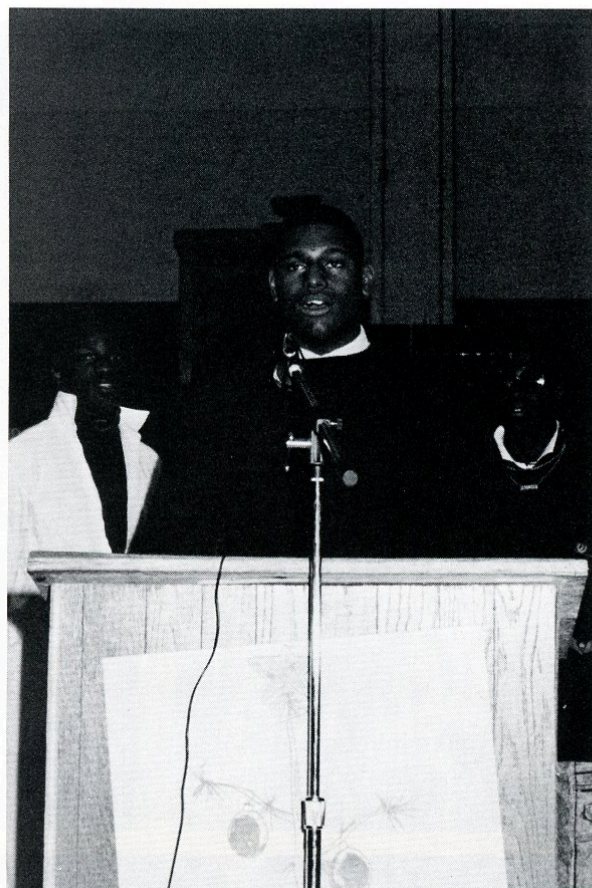

Each year the ECHS band and the chorus members get together and provide the students with entertainment. Mrs. Piner always tries to find something funny for the chorus to do so the students will enjoy the assembly. Mr. Adams always picks out just the right music for the occasion.

Camellia Johnson reads the invocation.

Miss Red Tide Beauty Pageant

Skip Waters, TV 12's chief meteorologist, hosted our womanless beauty pageant. Student Council came up with this idea and they raised over \$1700. E.C.H.S. was glad to help since we were also hit hard by the red tide. The judges were Mrs. Springle, Mrs. Hudnall, Mr. Baker, and Ms. Davis.

The Prom Is Fun For Everyone!

Bud Hill and Sheena Guthrie make a grand entrance into the prom.

Kim Gillikin and her date look pleasantly surprised as they entered the prom.

Milton, Paul, Jamie, and Scott take time out to sing "Fairy Tale Lover."

Scott, Jimmy, and Jerry were "Truly" a success.

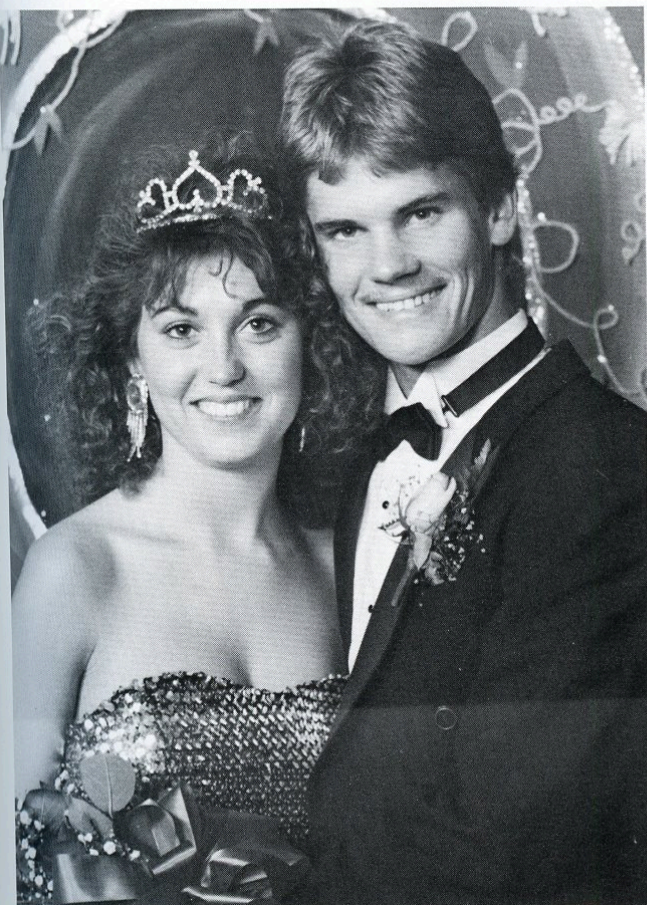

People from Downeast have a ball at the prom.

Carol and her date "party down."

Midnight Hour

The Junior Class was proud to present a "Magical Midnight Hour" for the Senior Class of 1988. The Juniors put a lot of hard work into making the prom preparations. It took many hours and a lot of dedication. All of the hard work paid off as Juniors' expectations became reality. The festivities included the crowning of the King and Queen which were Kyle Swain and Linda Patterson. Also the Juniors gave the Seniors the annual toast. Entertainment of the night was performed by the band Network. The Entertainment Committee provided a little something extra as selected students were chosen to sing.

The **East Wind** staff is composed of students from each grade level. They work as a team to create an interesting account of the activities of the year. It takes participation and a lot of hard work to make a yearbook. Creativity is a big part of this awesome project. This year the staff was lucky enough to have a talented artist, Shane Willis. Mrs. Wanda Gaskill took the challenge of being the 1987-88 **East Wind** sponsor. The staff learned a lot from Mrs. Gaskill and Mrs. Gaskill learned a lot from them. Our hope is that the 1988 **East Wind** has covered the many activities and various groups of people who have been valuable assets to East Carteret High School.
