### Mrs. Cathy Neagle

To show our appreciation for all you have done, the 1988 Proclamation Staff is proud to dedicate this year's annual to you, Mrs. Cathy Neagle.

For all your support, tireless explanations when we did not understand, and the initiative to continue your own education so that your students can benefit even more, we thank you.

"Give her a call . . ."

# Special B-Days

On our journey another says  
"Welcome to our world"

A rather short lady with a friendly  
smile and her hair all full of curls.

She's always there to give advice  
and to lend a helping hand,  
and help sessions are provided every  
day for those who don't understand.

Before a test if you're in a bind  
and don't know what to do,

Just pick up the phone and give her  
a call "726-7932"!

She's very fond of all her students  
and likes to acknowledge this

So to each of them on their day of  
birth she rewards them with a "kiss."

There's never been a sweeter lady  
or one with so much zest,

And all her special qualities make her  
a cut above the rest.

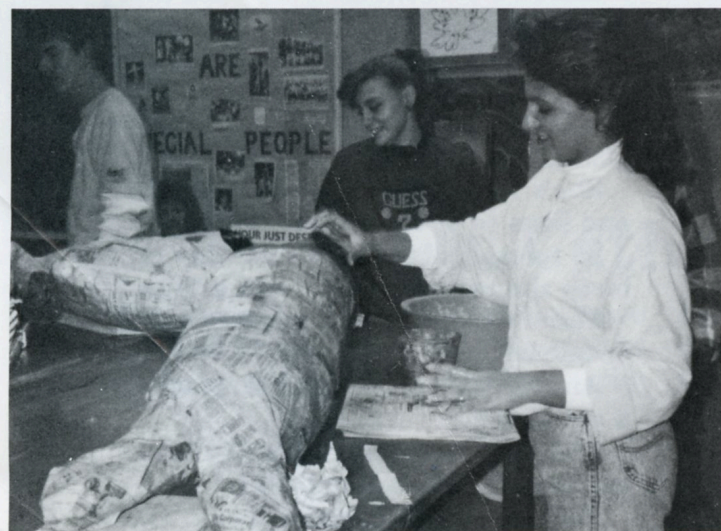

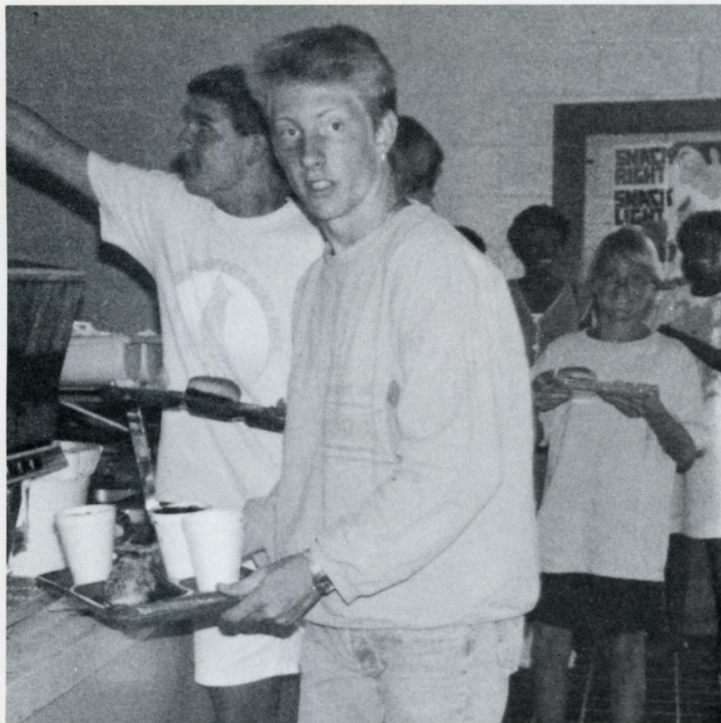

Although her clothes are "different",  
her heart is what stands out,

Because Mrs. Neagle is always there  
and to her students . . . devout.

"Let's try this once more."

# A Chain

## A CHAIN OF MEMORIES

There's a golden chain of memories  
that binds two hearts together,

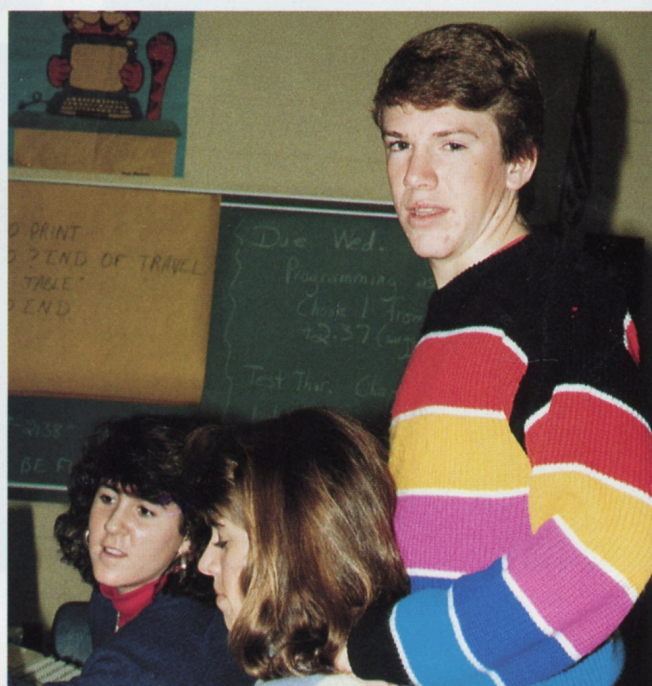

A chain so strong it holds you fast  
through fair and stormy weather.

It's links are forged of love and trust,  
of happy moments shared,

Of times it meant so much to know  
that someone special cared.

The years can never break that chain  
but only add new length,

As joys and sorrows, hopes and plans  
combine to give it strength.

# THINK LINK

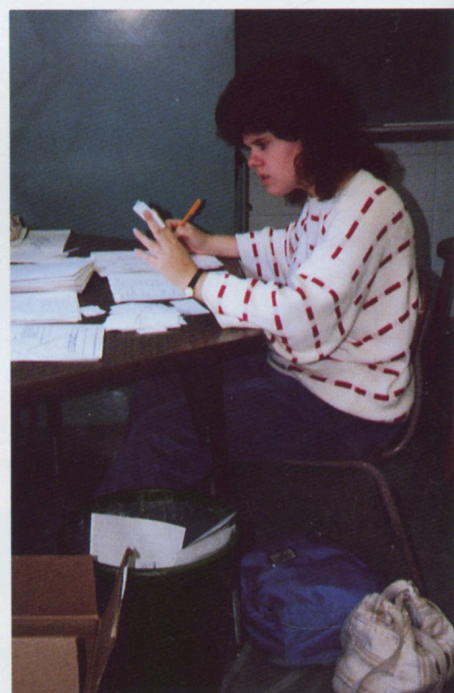

What are you thinking about, Grant?

Kelly — trying to meet those deadlines!

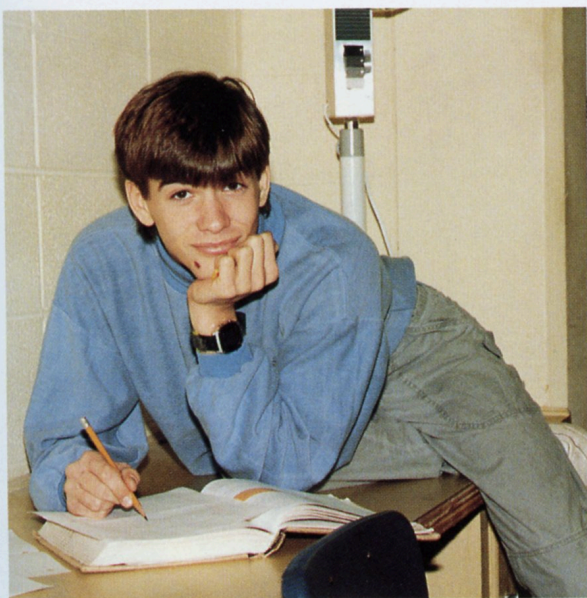

Todd — Natural computer whiz!

Anne-Marie — Hard at work

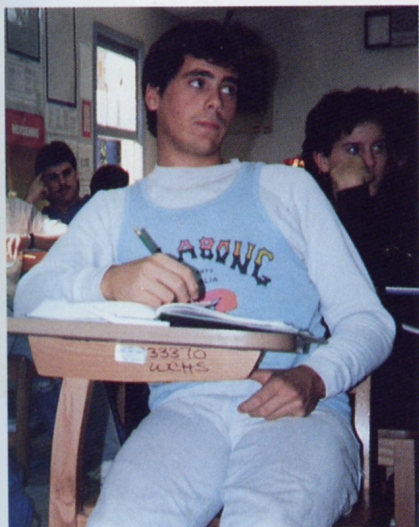

No problem huh, Travis?

Stephanie and Andy — Deep in thought

One link of the chain is the "think link." Thinking is a process that many attempt to accomplish at W.C. Although some find it difficult to do, you can usually catch them in their deep train of thought at some time or another during the long school day!

## A Common Bond

# Foreign Exchange

Till Gottschalk-Leistner

Till Gottschalk-Leistner is from Dortmund, West Germany. He enjoys reading, skiing, swimming, tennis, music, and having fun with people. Till says that West Carteret students show a lot of school spirit and are very friendly. We hope Till has enjoyed his stay as much as we have enjoyed having him and we wish him luck as he finishes school in Germany.

Frederique Le Berre

Frederique Le Berre is from Mont de Marsan, France. She enjoys running, swimming, dancing, and going to the beach. She has enjoyed her stay at West Carteret and says that everyone has been really friendly to her. We are very glad to have gotten the chance to meet Frederique and hope that she will always have good memories of West Carteret.

Back to the '50's

Off to the games

West Carteret students prepared for Homecoming by participating in Spirit Week. Events included hat day, theme day, dress up day, College/pro team day, and red, white, and blue day. The main events were participating at the pep rally, decorating the class hall entrances and the traditional Senior breakfast. The overall spirit winners were the Seniors, class of '88. Way to go Patriots!!!

# PRACTICE MAKES PERFECT

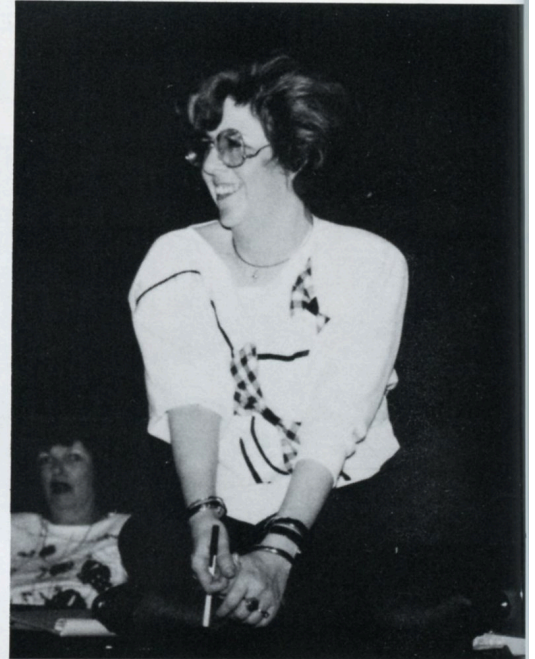

"O.K. Let's take it from the top!"

"Adam, you're sleeves are too short!"

"Please don't tell mama!!"

"I love being in charge!"

"One hand, One heart"

There is one word that will sum up the 1988 production of WEST SIDE STORY. Through all the weekend rehearsals, cast calls, make-up and costumes, it was questionable if there would even be a play. When it came down to opening night and the final curtain call, one feeling swept across the stage . . . SUCCESS!!!

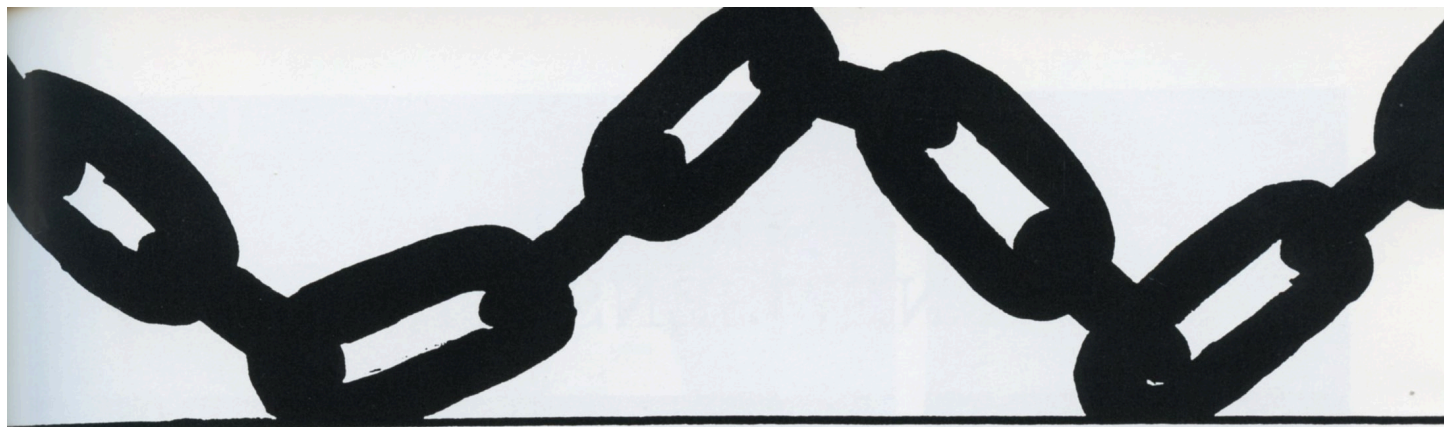

# Green Eggs and Ham

This year the Drama Department sponsored a talent show entitled 'Green Eggs and Ham.' There were many acts and between performances, the Drama students kept the audience entertained with a skit and a number of commercials. This year's winners of the talent show were ... 1st place — Vondella Smith and Lila Johnson, 2nd place — Jack Payne, 3rd place — Heather Allison. Congratulations, Sam I Am! The show was great.

Senior Players — Trent Huffman, Sean Bowen, Noah Lynk, Johnny King, Frank Sulloway, Chris Schoden and Dean McCormick.

Soccer is alive and well at West Carteret with 35 players competing during the season. The new uniforms and new goals have greatly lifted our spirits. With increased dedication, each athlete perfected his skills to become a cohesive unit. The teamwork we shared, the joy and sadness that only athletes know, will be with us always.

After lots of hard work, we still have time for a little mischief.

Mighty Patriots defense blocks a punt

The varsity football team went through somewhat of a rebuilding period this season with the changing of head coaches. Though this was a year of transition, with a team consisting of twelve sophomores, plus the addition of Head Coach Ed Hiatt and his staff, the future looks bright once again for the Mighty Patriots.

1987-1988 was a great year for the West Carteret Cheerleaders! It all began when they attended camp last summer. Both squads obtained superior ratings and were nominated for the "Award of Excellence." Again, the West J.V. squad was the only junior varsity nominated for the award. During competition at Conley they did an excellent routine and placed third. At Emerald Isle the Varsity squad obtained a third place award. With an outstanding performance in Lenoir they walked away with first place. At home, both squads showed their spirit and enthusiasm for the athletes and fans with dances, cheers, and pyramids! Congratulations to Heather Griffith and Maria Graham on being selected to the All Star Cheerleading Squad.

# It's No Strikeout!

The new coaches, Mark Cockrell and Sam Hales, provided a new dimension in West Carteret's baseball team this year. The varsity proved to be an outstanding team ending the season with an overall 8-13 record. As a young team, JV ended with a record of 3-11, showing much improvement throughout the season. Losing only one senior, West Carteret's Varsity baseball team assures a promising future with much experience.

The Patriot golf team had one of their best seasons in recent history. With only two seniors, Grant Dudley and Danny Cain, the patriots advanced to the regional tournament in Washington where they finished third and then advanced to the state championship tournament in Chapel Hill where they finished fifth in the state. Returning players next year are Jim Holloway, Mark Springfield, Phillip Carawan, Phillip Panzerella, Don Howard and Bob Alger. The patriot golfers will be looking forward to another good season next year!

# The Sports Link

Sports are a chain which runs throughout the school year. It begins with summer practice and training for football, soccer, and volleyball players. In the winter sports include wrestling and basketball. Spring sports such as track, golf, tennis, baseball, and softball involve many students. Participation in athletic events by playing or watching helps to link us together as proud Patriots.

# STUDENT LEADERS

The 1987-88 Student Council worked hard on its year's activities. September began with welcome back notes and signs, locker assignments, and the preparation for Homecoming the first weekend in October. In November we sponsored "Turkey Week" by collecting food for needy, electing Mr. Thanksgiving, Matt Bottoms and Mrs. Thanksgiving, Dorla Pake. These are the teachers for whom West students were "most thankful". Heather Allison and Adam Chandler won the \$25.00 for the Turkey Hunt and donated it to the food project. In December we sponsored a door decorating contest and Project Christmas Cheer. Young Voter Registration and the Polio Plus projects occurred in February. All money raised from Heart-to-Heart letters, Kiss-o-Grams, and the dance featuring "Mr. Toad's Bad Dream" were donated to the Morehead City Rotary for Polio Plus. We also honored Mr. Nelson with a tea on his retirement in February. In the spring things slowed down a bit; however the council still held monthly "Patriot Spirit Days", elections of new officers, and a farewell tea for Mr. Patrick who left the Assistant Principal's position to become Principal of Beaufort Middle School.

We welcome our new principal, Mr. Dave Alexander and look forward to his leadership in 1988-89.

# PROCLAMATION Staff

The staff decided this year to show the "Chain of Memories" which is forged throughout a school year. Under the leadership of editors Mary Lahr Carson and Gina Gilbert, the staff took pictures, sold ads, sold books, wrote articles, and drew layouts. We were at times excited, amused, and frustrated as we tried to connect the links. We hope we have done just that and that you will enjoy the memories.

Staff Members: Mary Lahr Carson, Paulette Childress, Adam Chandler, Grant Dudley, Anna Engel, Gina Gilbert, Kim Guerry, Andy Innis, Dana McQueen, Daniel O'Hara, Roxanna Parish, Kaeti Price, Kristy Temple, Megan Thayer, Shannon Turner, Kelly Waniata, Jodie Whaley, Paige Wheeler, and not pictured, Christie Scott.

# Baccalaureate and Graduation ...

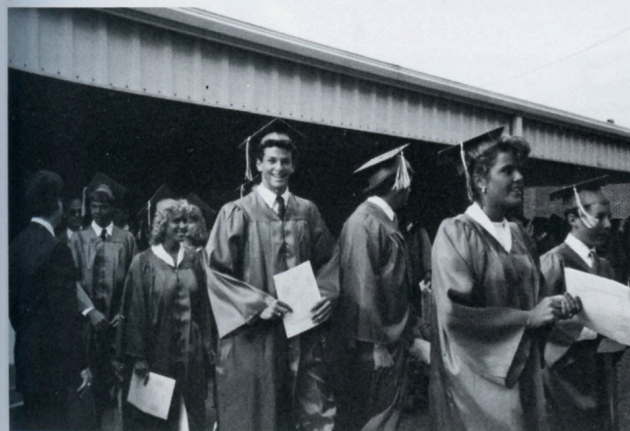

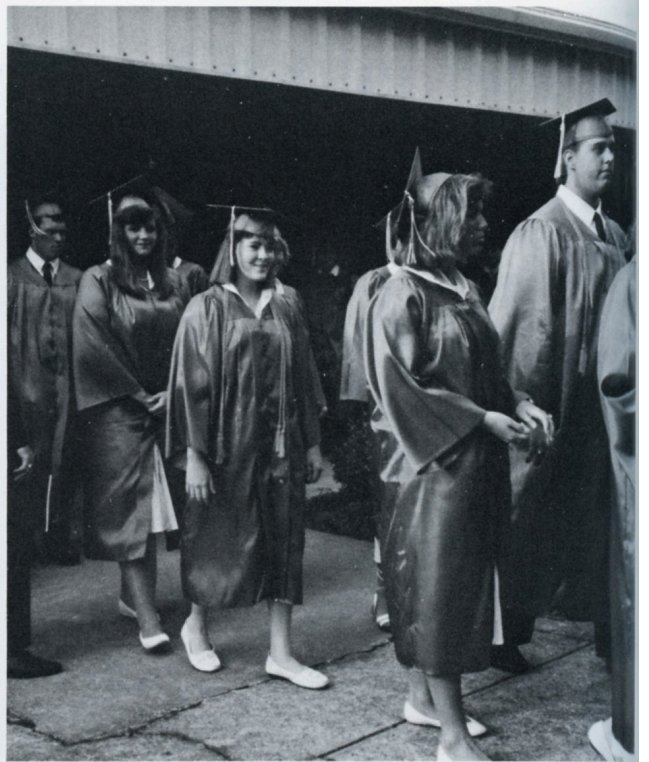

# The Final Links

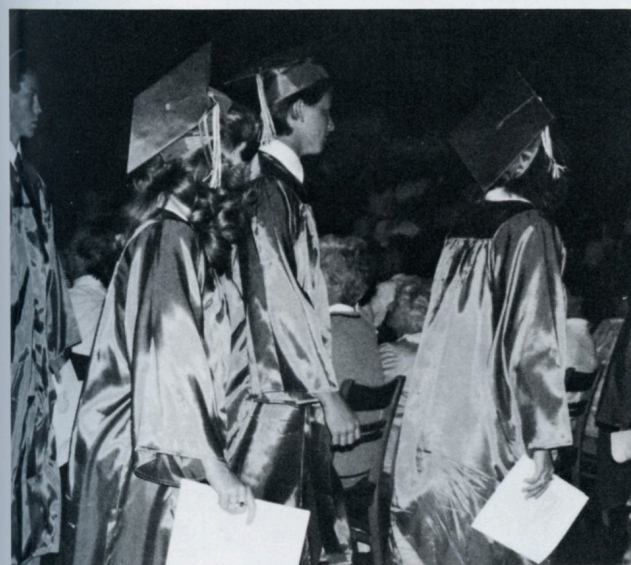

Graduation took place at seven o'clock on the evening of Friday, June tenth, nineteen hundred and eighty-eight. Approximately 220 seniors, their families, and friends gathered in the gym for the final ceremonies which marked both an end and a beginning. The Salutatorian is Jeff Gartman, the Valedictorian, Meredith Ballard. Three seniors received special awards which were presented at this event. They are Daryl Brower, Kiwanis Citizenship Award; Jayna Neagle, Rotary Best All-Around; and Maria Graham, Thomas Holmes Carrow Scholarship. Congratulations to these students and to all graduating seniors!

## Friends and Classmates,

Tonight marks the end of an important period in our lives. Over the last four years we have successfully obtained our goals and are now ready to meet the challenges of the future. Before we embark on this journey, we must reflect on our past. All of us take with us memories of the people that have influenced our lives. As Emerson once said, "The best effect of fine persons is felt after we have left their presence." Whether they be friends, parents, or teachers, each has given us knowledge and experience to help us face the changes of the future. "All changes, even the most longed for, have their melancholy; for what we leave behind is a part of ourselves; we must die to one life before we can enter into another!"

We all have many important decisions to make about the direction of our lives. Each of us has the responsibility to do his best no matter which career one chooses. We must all work diligently and take pride in our professions. Oliver Wendell Holmes, Jr. believed "Every calling is great when greatly pursued."

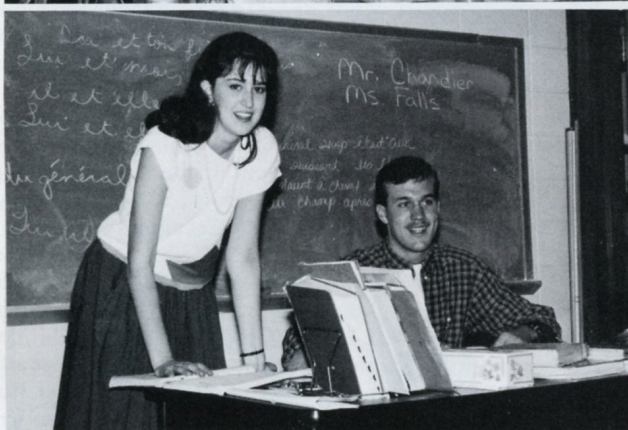

Our success should not only be measured by our compensation but also by our personal fulfillment. At this time, we all have the opportunity to make choices in our lives that will provide this fulfillment. Although some of us have chosen our direction in life, others are yet undecided. However, we each need to determine which individual path will lead to a successful and happy life. Perhaps Thoreau was right when he said, "If a man does not keep pace with his companions, perhaps it is because he hears a different drummer. Let him step to the music he hears, however measured or faraway."

We take with us today the memories of these years, the friendships formed, the knowledge and values obtained, all of which will give us a foundation on which to build a future. "May your graduation be just the beginning of a future filled with success and happiness."

Valedictorian, Meredith Ballard
