Prepared for display by Shannon Adams. Please consider donating to the Core Sound Waterfowl Museum, Carteret County Historical Society, Promise Land Society or charity of your choice (preferably in Carteret County) for these efforts.

Adam and Bunky show cousinly affection in the art room.

Chad Ives displays artistic flair during spirit week.

East Wind Recognizes Mr. Walker

"I've been very pleased with East Carteret High School. The Staff is very strong and the students are pleasant and easy to work with," Mr. Walker comments. "If I had to pick a high school I don't think I could have picked a better school to work with or at."

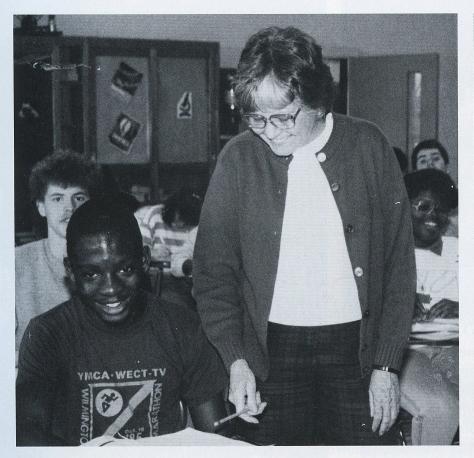

Why did he choose to be a teacher? During his senior year at W.S. King High School a science teacher inspired him so much that even today he comments, "I wanted to follow in her footsteps." Due to this teacher's inspiration Mr. Walker has spent 22 years in the Education System and now East Carteret is proud to have him as its Principal.

Mr. Walker says he is honored to be featured in the yearbook but, "there are people on the staff that have earned honor and respect. I think that only being here eight or nine months, I have not earned this right. There are people on the staff who have put in the time, the effort, the hardwork and sweat. I would certainly like to have these people recognized."

THANK YOU MRS. DUNCAN!

Mrs. Elizabeth Duncan was born at Chapel Hill, N.C. on July 4, 1928. She attended grades 1-8 in Chapel Hill and grades 9-12 in New Hanover High in Wilmington, N.C. She attended Wake Forest University where she received her B.S. degree in 1950.

She married James H. Duncan in 1951. They have three children; Suzanne, James Jr., and Lee. They now have two grandchildren; Stuart and Sean.

Mrs. Duncan taught at Whiteville High School, Reidsville High, and is now teaching for her last year at East Carteret High School. She was also a real estate broker for two years.

Mrs. Duncan began teaching to help put her children through college, but has very much enjoyed being around young people. Now that she is retiring, Mrs. Duncan would like to get into a recycling project and possibly make it a business.

We dedicate this 1989 Eastwind to Mrs. Elizabeth Duncan to show our appreciation of her teaching at East Carteret. We will miss you!

Homecoming Spirit!

Each year hundreds of students and alumni attend one of the most exciting events of the year — HOMECOMING! This gives students, both old and new, a chance to share in the Mariner spirit.

This year, despite ugly weather and a rainy parade, the Mariner football team triumphantly defeated North Lenoir High School 34 to 0.

The Marching Mariners put on a spectacular show during halftime. Also during halftime, all of the Homecoming court and representatives were elegantly escorted onto the field where Amy Vinston, following in her sister's footsteps, had her moment of glory as the 1988 Homecoming Queen. At the left is a picture of Amy Vinston enjoying her moment.

Leslie Yearsly escorted by Jerome Brower.

Sheena Guthrie is escorted by Bud Hill.

Robert, Amy Lisa, and Mr. Walker.

Tammy Lewis is happy despite the rain.

Steven Halstead escorts Shana Thompson.

Cynthia Murray proudly represents the Masonry Club.

Kim Lewis waves as Kathy Sardinha approaches.

HOMECOMING 88-89!

Club Candidates play an important role in the Homecoming activities.

Annie knows how to keep dry!

Amy follows in the tradition of her sister Lisa.

Kathy Hunsucker, Drum Major, proudly leads the Marching Mariners!

"Through rain, sleet, or snow . . ." nothing can stop the "Pride of the East!" Even though the

Homecoming parade was dampened by the rain the band still performed to their fullest.

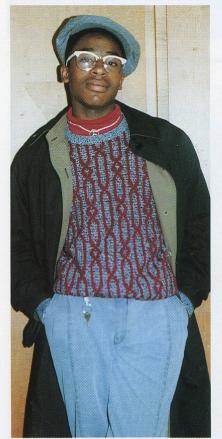

Changing

Fashions

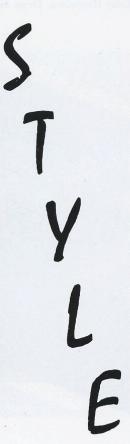

There are many different "in" looks for students at East Carteret. Some students go for the casual look, while others like to "dress up." No matter what effect you're try-

ing to make, there are a few fashions that appeal to everyone. Some of these are: Guess jeans, oversized shirts, miniskirts, knit skirts, Oakley Blades, and Quick silver pants.

Kisha Reels knows how to look good.

Malcolm Felton shows his taste in fashion.

Carrie Kappel shows the increasing popularity of hats.

COOL!

Life After 3:15

When the 3:15 bell rings, students come to life. Some lucky students take off in their own cars. Freshmen are usually stuck riding the bus. Most kids go to Front Street to hangout. While some go to grab a bite to eat at Hardees, The Spot, or Pizza Inn. Some students stay after school for practices or to catch up on missed work. But mostly, everyone is happy to be out of school!

John Jacobson, E.C.'s visiting choreographer, conceived the AMERICA SINGS program. 20,000 chorus members joined to bring attention to the homeless children in the U.S.A.

Much practice and hard work went into this memorable event. The chorus practiced at E.C., performed on one of the 20 stages around the Washington Monument, and was a host group.

Mrs. Piner and students mingled with the crowd in D.C. Sonni and Nikki modeled the AMERICA SINGS shirts.

CLASS MOTTO

"Live each day so that you will neither be afraid of tomorrow nor ashamed of yesterday"

CLASS SONG ONE MOMENT IN TIME

Each day I live
I want to be
A day to give
The best of me
I'm only one
But not alone
My finest day
Is yet unknown
I broke my heart
For ev'ry gain
To taste the sweet
I faced the pain
I rise and fall
Yet through It all
This much remains

Give me one moment in time When I'm racing with destiny Then in that one moment of time I will be Free

I want one moment in time when I'm more than I thought I could be

When all my dreams are a heartbeat away

And the answers are all up to me

Give me one moment in time

When I'm racing with destiny

Then in that one moment in time

I will feel

I will feel eternity

I've lived to be

The very best

I want it all

No time for less

I've laid my plans

Now, lay the chance

Here in my hands

Give me one moment in time

When I'm more than I thought I could be

When all of my dreams are a heartbeat away

And the answers are all up to me

Give me one moment in time

When I'm racing with destiny

Then in that one moment in time

I will feel

I will feel eternity

Your a winner

For a lifetime

If you seize that one moment in time

Make it shine

Give me one moment in time

When I'm more than I

thought I could be

When all of my dreams are a heartbeat away

And the answers are all up to me

ECHS ALMA MATER
The strength of a wave
as it rolls to the shore
Reminds us of Mariners
who have gone before
Of men and women
who were strong and true
Whose deeds and examples
challenge us to follow through.

We're Mariners, Mariners, and we'll always be A part of East Carteret Our strength is as the sea. When our days grow short, And our youth has ceased to be, We can cling to what we've been and done As long as there's memory.

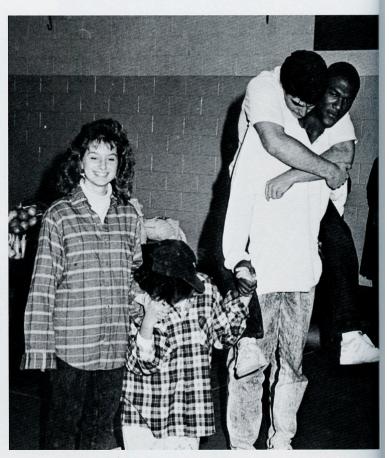

Thanksgiving!

The Student Council did a superb job this year raising money to purchase food for the less fortunate this Thanksgiving. The food was traditionally displayed at the Thanksgiving Assembly, impressing the student body. The student council put on an entertaining skit about Thanksgiving. Thanks Student Council for getting us out of class!

Ashley, what did you say to Melody?

Patricia, Jennifer, Billy, and James enjoy their parts in the skit.

Look at the food!

Paul, Marieka, and Abo just don't care about poor Ginny!

James tries to get the group in tune.

The band shows off their stuff.

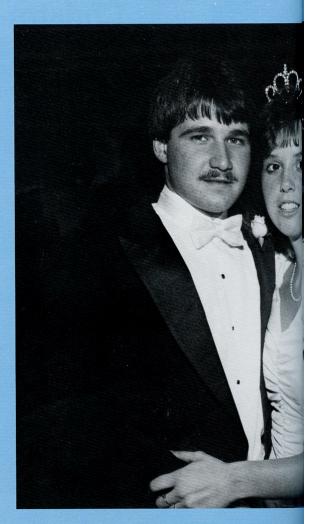

Everyone loves the mascots.

Magic Is The Night

The Juniors, once again, did an outstanding job on the prom.
The prom was held in the gym which was decorated ingeniously. Dr. David was the disc jockey for the nights festivities. The Drom King and Queen were Donovan Guthrie and Kristine Goodlin. A Drince and Drincess were also crowned. They were Mahlon Swain and Caroline Hardesty.
Everyone felt that there was "Magic in the Night!"

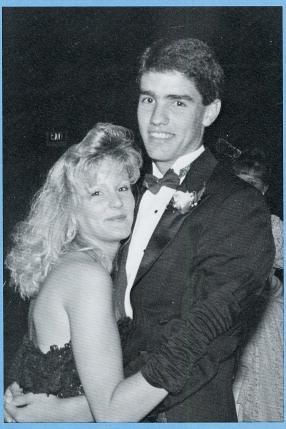

Leslie Yearsley escorted by Don Williams finds that "Magic is the Night."

Jerry P. makes a grand entrance in his "sharp" looking tuxedo.

The Junior Senior was a great success. Much of the thanks goes to Mrs. Elizabeth Kappel. She put in many long hours on the planning and decorating of the prom. She was assisted by some dedicated parents who also worked on the prom. The Junior and Senior Class would like to thank Mrs. Kappel for her hard work and dedication.

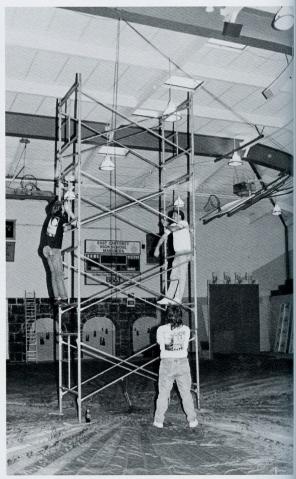

Prom Night is . . .

Andy Fulcher lays down tape on the gym floor for the couples to dance the night away.

Tammi MacChipness takes advantage of the great music Dr. David played.

Jackie, John and Mark attempt to put up the parachute which covered the gym ceiling.

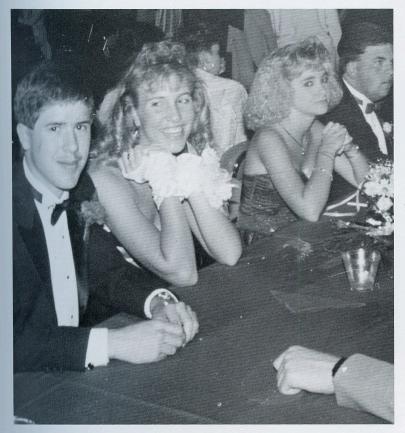

James Lewis tries to keep up with his date.

A Night of Magic!

Bonnie, Rachel and Caroline work hard on the prom?!

Rod, Ashley, Krista, and Paul take a break from the action.

James Gaskill and his date, April Gay, sign the guest book.

Dr. David spins the hits.

QUIZ BOWL

Top row: Nathan Lockwood, Jason Jones, Sean Bates, Scott Ferry, and Jeff Smith. Bottom row: Captain Kryn Krautheim, Shannon Carter, Adam Guthrie, Dewey Sasser, and Jay Cuthrell.

What's the tallest mountain in the Western Hemisphere? Who first walked on the moon? How many square feet fill a room 24 x 24 feet? Who invented the polio vaccine? These are samples of the questions asked of the Quiz Bowl team. Our team did exceptionally well this year, winning the district and regional contests. They then went to the state competition, where they lost, but battled well against the School of Math and Science. The East Wind salutes the 1989 Quiz Bowl Team!

Adam Guthrie studies to stay ever ready for competition.

Mrs. Betty Goodwin does an excellent job coaching the team.
