# Bulldog Spikers Go Undefeated!

"This team was dedicated, conscientious, and extremely talented. Through team unity we were able to reach the goal of being number one in the conference and had a perfect season of 14-0. I believe we have established a winning tradition here at BCMS and hope to keep up the tradition. I look forward to watching the girls mature into great high school players."

— Coach Penny Boudreaux

Jennifer Kale "bumps" the ball over the net.

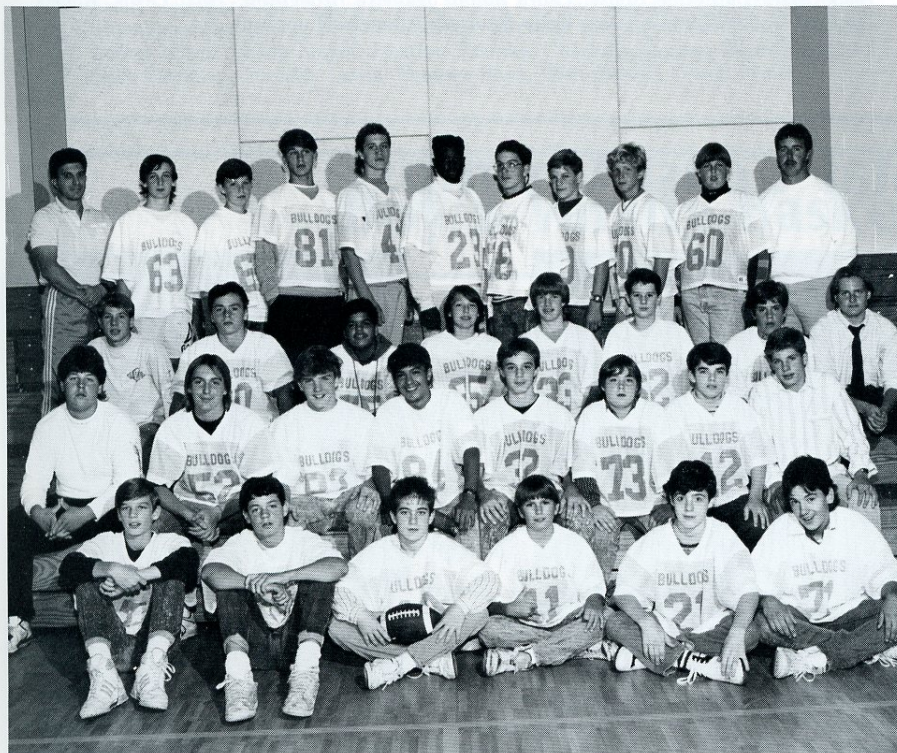

## Bulldogs Unleashed — Determined and Willing

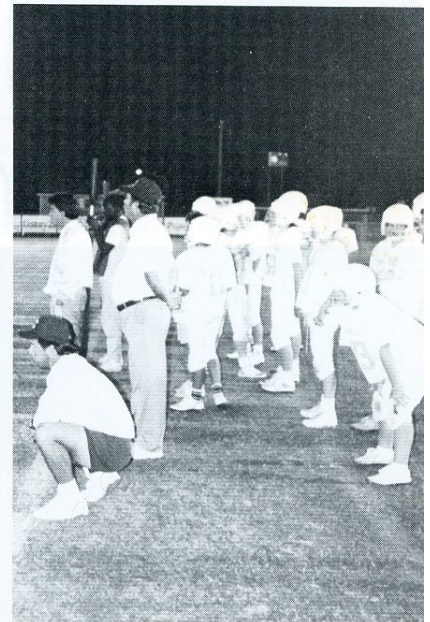

"I feel the football season overall was a tr learning experience for the boys. They learn the fundamentals of the game and realiz that they can compete with all the schools our league. The boys played extremely ha and exhibited a strong desire to hang tou and play each and every game with the hope a victory. I look forward to an impressive tur out for the 1990-91 season."

# Crystal Coast Champs!

"For the second straight year the Bulldog Cheerleaders won the annual Crystal Coast Cheer-Off. They beat six other teams to win the \$100 first prize along with the trophy."  
— Coach Bena Mann

## Girl's Varsity Basketball

Front: Jennifer Kale, Sonya Evans, Neisha Cochran. Kneeling: Janet Cummings, Shammara Henderson, Megan Doolittle, Michelle Shepherd, Zan Bolton, Angie Poston. Back: Coach Meyer, Heather Starcke, Charlotte Garner, Diane Brimmer, Julie Starcher, Jennifer Lewis, Tammy Buck, Kim Stancil, Coach Pruitt.

"Many thought this would be a building year for the girl's program. We ended up with an 11-3 overall record. Possibly this places us 2nd in the conference depending on the Havelock game this week.

The girls really got fired-up at camp this summer. It also helped that the girls genuinely cared about each other. They understood their roles on the team and worked hard at their positions. We will miss the leadership of the Jen's.

Overall, I believe the girls really stuck to their guns and strived for the goals we had set as a team. They always kept their direction in sight."

— Coach Cindy Meyer

## Boy's Varsity Basketball

Sitting: Gabrille Raynor, Jason Schultz, Monty Moore, Matt Lewis. Kneeling: Patrick Stump, Jeremy Smith, Donovan Garner, Santos Cervera, Benjy Downing, Kevin Davis, Jay Weeg. Standing: Coach Garner, Travis Mann, Daniel Simmons, Chris Waters, Bryan Hales, Clint Salter, Tyron Mann, Neal DeRosia.

"The 1989-90 Bulldog basketball team was a team that showed much improvement from the previous year. They displayed unselfishness and teamwork on the court which led to five wins, a large improvement over last year's one victory. Their conference record also improved to 3-5 compared to last year's 1-7. Though this team didn't have as much talent as last year's, they overcame it by playing better defensively and by using an effective passing game which led to easy baskets."

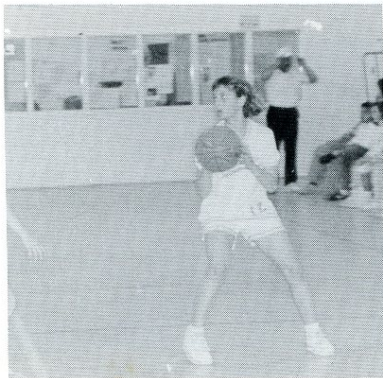

— Coach Doug Garner

## Girl's JV Basketball

"... Played hard-hit, but inexperience and youth were too much for us to overcome the very dominant teams of the Eastern part of the county.

— Coach Penny Boudreaux

Emily Page looks for the pass.

Front: Brooke Covert, Stephanie Green, Emily Page, Tammy Niver, Jennifer Collins. Back: Coach Boudreaux, Toni Bennett, Kerri Riggs, Holly Palmer, Kim Riggs, Shawna Tootle, April Avery.

## Boy's JV Basketball

"The 7th grade boy's basketball team must be commended for their true courage and 'never say die' attitude competing in a league where all our opponents included 8th grade boys on their teams whereas BCMS played by the creed of having only 7th grade boys on the roster. I believe BCMS had one of the best 7th grade basketball teams in the league. It is just unfortunate that we must compete at a disadvantage. Overall the boys played hard and were impressive in all of the games. I look forward to a competitive 1990-91 season."

— Coach Gregg Carlaccini

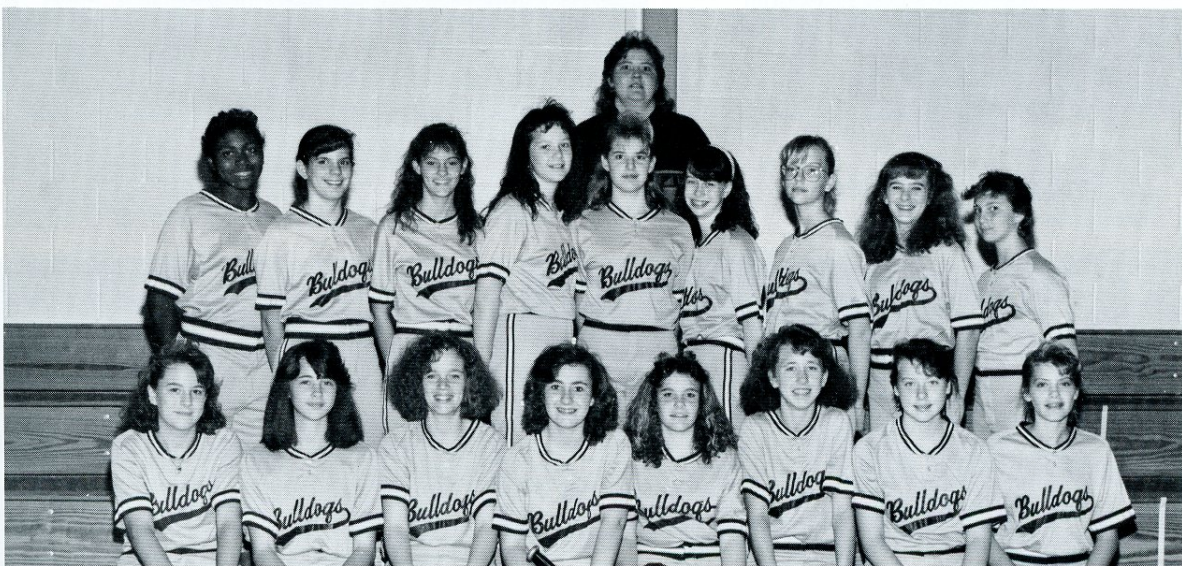

Front: Thomas Burton, Paul Bell, Shannador Harris, Greg Murray, Jason Arthur, Jeff Barbour, Jeremy Russell. Back: Andre Hill, Danny Dyszelski, Frankie Winberry, Coach Carlaccini, Frankie Lamb, Kelly Miller, Andre Webb.

# Pep Club Creates Bulldog Spirit

"The Bulldog Pep club has had an exciting and busy year so far. In the fall we entered a float in the Mullet Festival along with the sixth grade and helped them with their booth. Thanks to Mr. Parrish we were able to ride the bus to all the home football games where we also helped with concessions. We are especially excited to have been there to cheer our 14-0 girl's volleyball champions. Way to go Lady Bulldogs! We also helped the cheerleaders by cheering at the JV home games. It really makes you appreciate their hard work! We hope you enjoyed the pep rallies and skits we performed. We hope to have more contests and spirit boosters next year. Remember to come to the games and support the Bulldogs."

## Mr. Ron Parrish, Principal

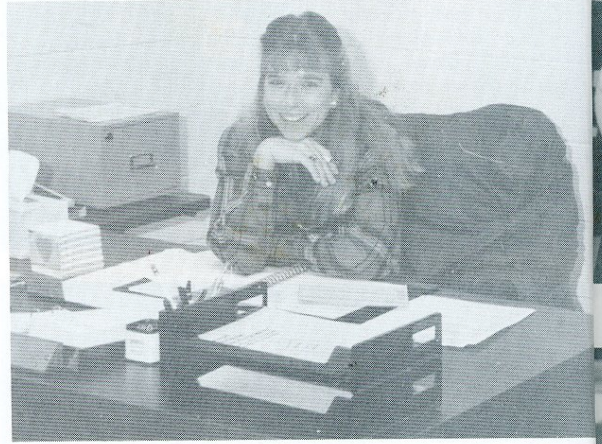

I am proud of Broad Creek Middle School!

When the doors first opened in August, 1989, the staff had already agreed that we wanted BCMS to be a school that is responsive to the particular needs of students in this age group. With the help of parents, community members, and the professional and governmental agencies, the goal of having the best school possible is gradually being realized. The school program, organization, and activities are designed to provide age-appropriate experiences for all our students.

An important part of becoming the best is planning to become better. Much has been done and there is still much to be done. Even though we are aware that there are a number of things we would like to do, we believe that we should be sure that programs are in place and working well before we take on new programs. We will maintain a commitment to excellence even though it means moving with deliberation as we plan new programs.

## Mrs. Beth Fisher, Assistant Principal

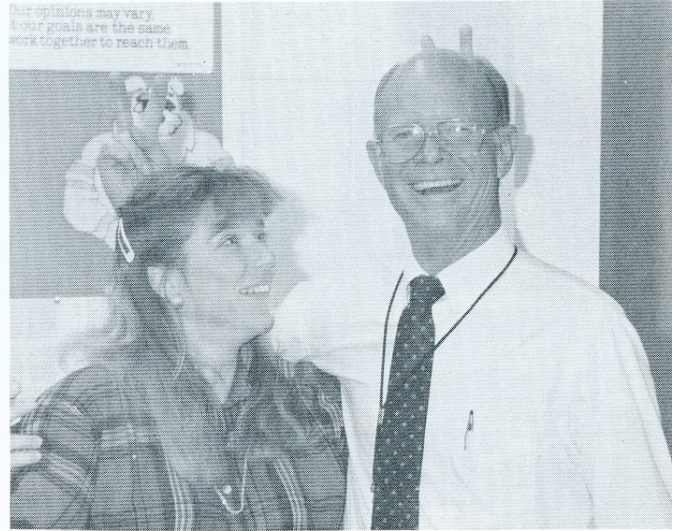

Broad Creek Middle School makes every effort to serve the special needs of its students as they grow and mature from pre-adolescence to adolescence. This is accomplished through teaming, flexible block scheduling, and advisor/advisee program, and a true commitment of the staff for creating a unique environment that provides emotional support for our students.

Plans are being made at this time to incorporate an intramurals program at Broad Creek to be implemented in the near future. This will enable more students to participate in athletics and to develop life long recreational interests.

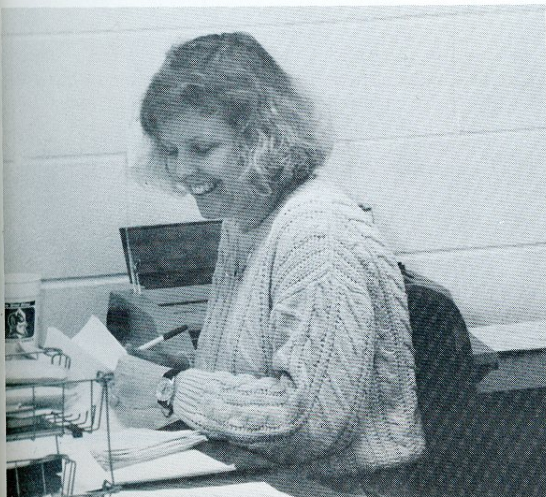

It is the primary function of the Broad Creek Middle School staff and administration to facilitate the learning of our students so that they may reach their maximum educational potential and fulfill their roles in the world of work and leisure.

# Cultural Arts

The Cultural Arts program includes art, general music, chorus, beginning and intermediate bands. We tend to think we have the best cultural arts program and instructors in the county. Instructors include Mr. Allen Pettit (band), Mrs. Melinda Lewes (art), and Mrs. Deanie Humphrey (chorus).

Kim, Teresa, and friends are either artistically inclined or making mess. We still haven't decided.

# Vocational Education . . . It Works!

---

## Career Exploration

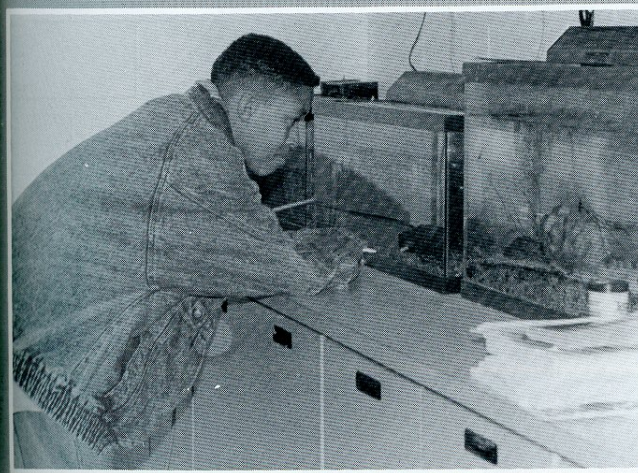

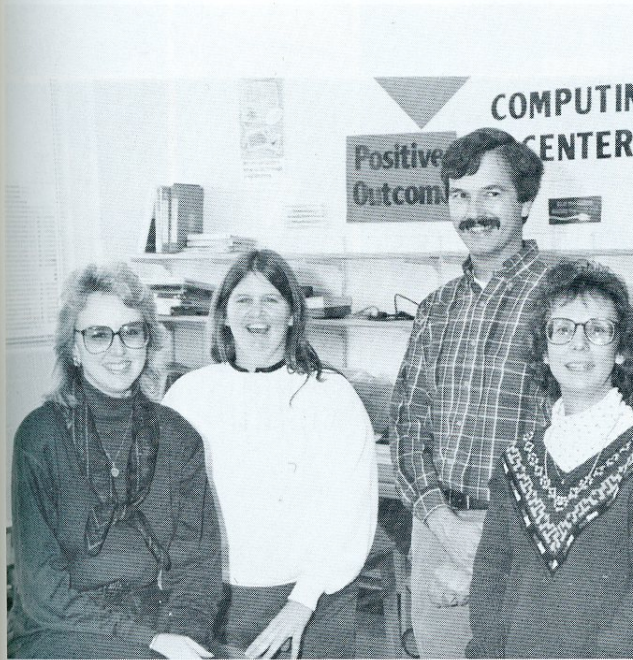

The four labs have been busy this year — learning AND having fun exploring career opportunities. Miss Burroughs' Industrial Lab set up an assembly line business to produce lecterns and a putt-putt course. What an experience! Mr. Stuart's Environmental lab studied sea life, took a boating education course, and worked in the greenhouse. Mrs. Mann's Service Lab "opened" a restaurant and served customers. They worked as waiters, waitresses, cooks, hostesses, and cashiers. Mrs. Kehayes' Business Lab published advertisements and created interesting window displays. The CECNC adopted-a-highway and sponsored a booth at the Mullet Festival. This all goes to show that vocational education really works!

Look what's cookin'! Sonya Evans, Suzanne Cannon, and Elizabeth Owen prepare a salad for the Pisa Restaurant in Mrs. Mann's Service Lab.

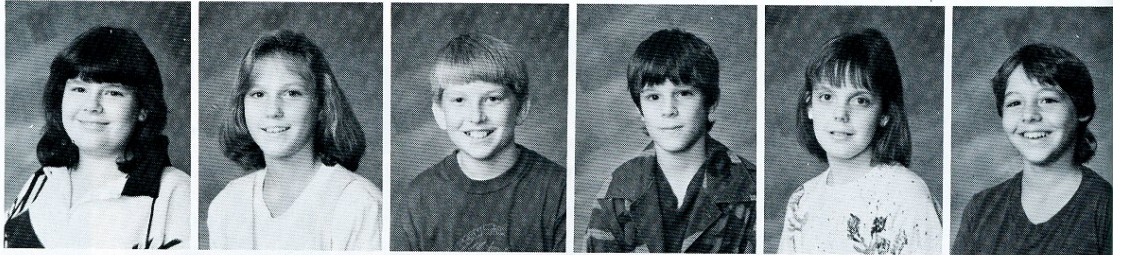

Hey, it really does erase! Jeff Barbour tries his hand at typing in Mrs. Kehayes' Business Lab.

# The Sixth Grade Pelican Team — A Great Year!

The sixth grade Pelican Team had a great year. The team participated in the Swansboro Mullet Festival, explored Hammock's Beach, developed great Christmas projects, learned about the ancient Greeks, yelled and cheered in the Pep Club, built gingerbread houses, took a few trips, and went camping. A Good Time Was Had By All!

Pelican students helped build the Broad Creek Pep Club's Swansboro Mullet Festival float.

## Pelicans Were Everywhere — Learning And Loving It.

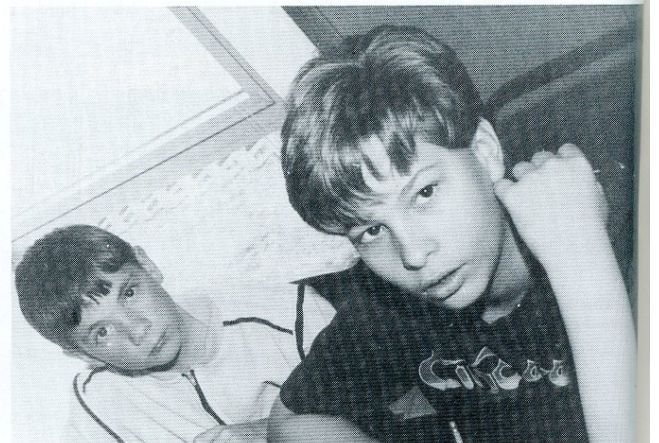

On the Friday before Labor Day, 1989, the Pelicans ferried to Hammock's Beach to learn more about our fragile and beautiful coast.

Chrissy, Rod, Marshall, Moms, and Brian discovered living things and wet feet at Hammock's Beach.

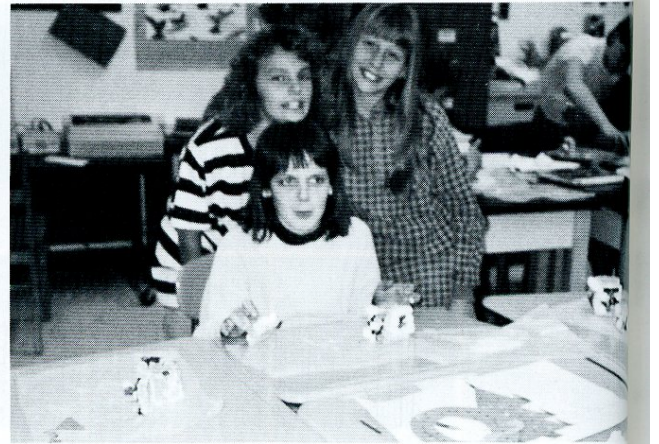

Andrea Mann had a great year as a Pelican team member. Her friend, the computer, learned a lot from her.

Brian and Danny were always a little surprised during a pop quiz.

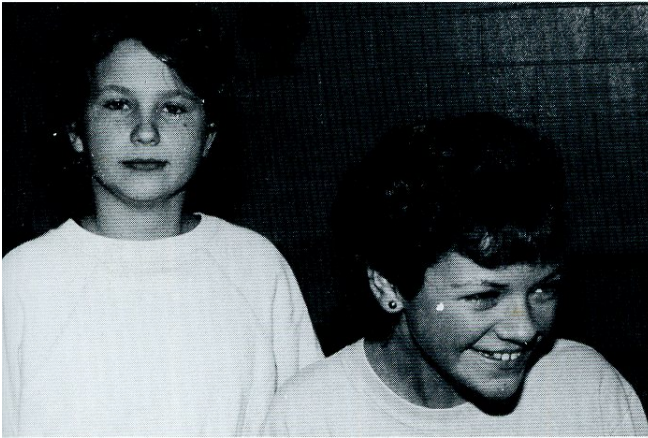

Nancy, Christina, Megan, Ronda, and Shannon took every opportunity to practice their pep club cheers.

Megan, Danielle, and Christina ate most of their gingerbread houses long before Christmas ... yum!

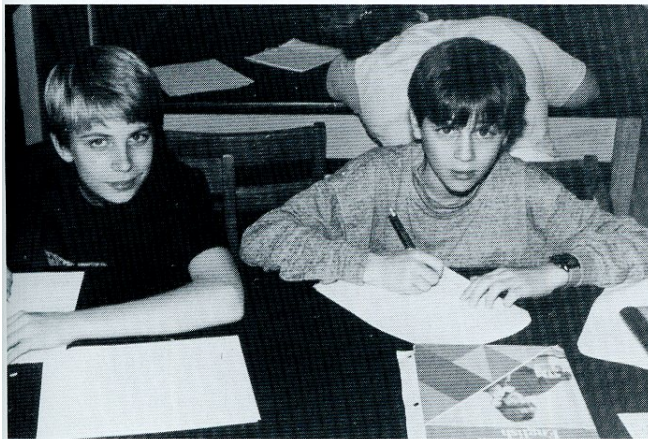

# Pelicans — Great Students, Great People!

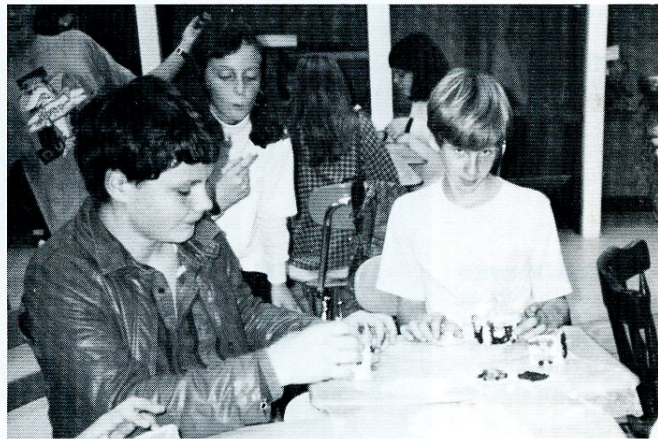

Two great Pelicans — Karen and Ivy!

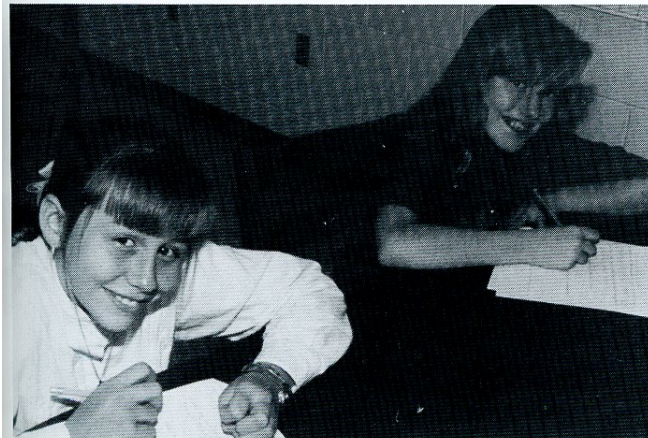

Russ and Shane — two top students — and who is that person behind them?

Brandon couldn't believe that 6th grade was so much work — the unknown student behind him couldn't believe it either!

Andrea had to taste everyone's gingerbread house — Rod didn't care, Robbie didn't like it, and Kelly thought it was interesting!

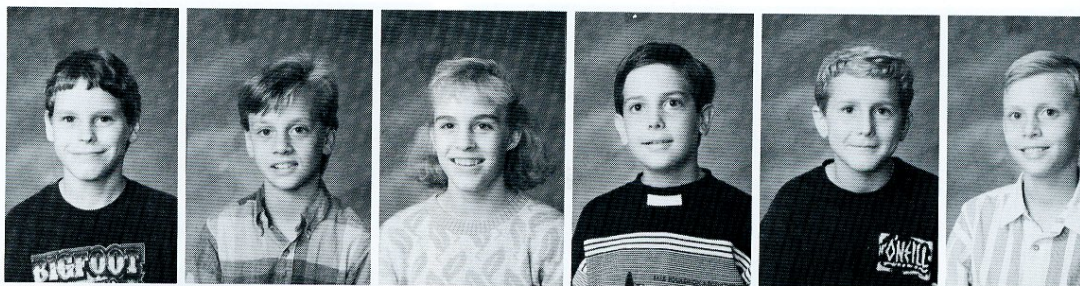

Happy Pelicans — Christina and Kinsley.
