West Carteret High School  
Country Club Road  
Morehead City, North Carolina  
Volume XXV  
1990

Prepared for display by Shannon Adams. Please consider donating to the Core Sound Waterfowl Museum, Carteret County Historical Society, Promise Land Society, Salter Path Heritage Association, or charity of your choice (preferably in Carteret County) for these efforts.

Just a little "foolin' around" during sixth period.

Students enter West Carteret for the first year — 1964-'65.

## THROUGH THE YEARS

From the time West Carteret opened its doors in the fall of 1964, there have been many changes. Teachers, courses, and sports have come and gone as well. There have been many additions to the plant itself and the student body has grown to approximately 1400.

Since it opened 5 years ago, West has seen changes in the styles and fads of its students. Both girls and women teachers wear slacks; students now even wear shorts. Tank tops and flip-flops have come and gone. Long hair for boys has changed to shaved heads and designs cut into the hairline.

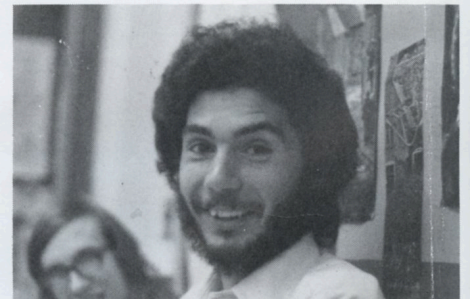

Though many things have

changed through the years, many have remained the same. West is still dedicated to excellence in education, a winning sports tradition, and the intelligent nurturing of students as they grow into adults.

Students, also, have remained the same in that they are still mainly concerned with getting a good education and going to college or preparing to go into the world of work. They still are concerned with dates, friends, being a part of a group and having school spirit. As much as things have changed "through the years" they have also remained the same — we aren't so different from our parents after all.

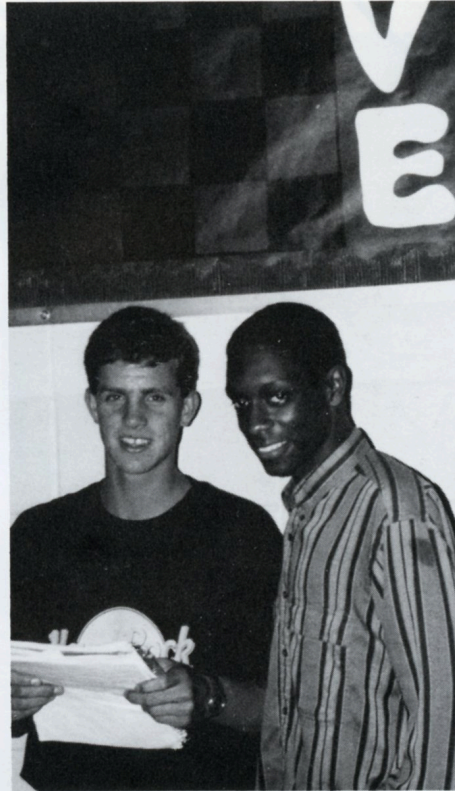

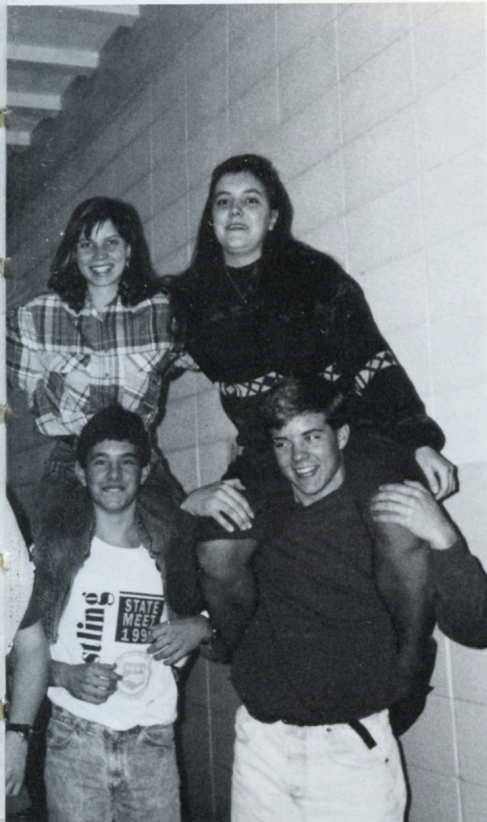

Spirit of the 70's.

And Dad said guys of the '70's wore short hair and were clean shaven!

Taking a moment to check the assignment.

We earned this break!

Intent on the guest speaker this group of students were members of the Environmental Studies Project — a course no longer offered.

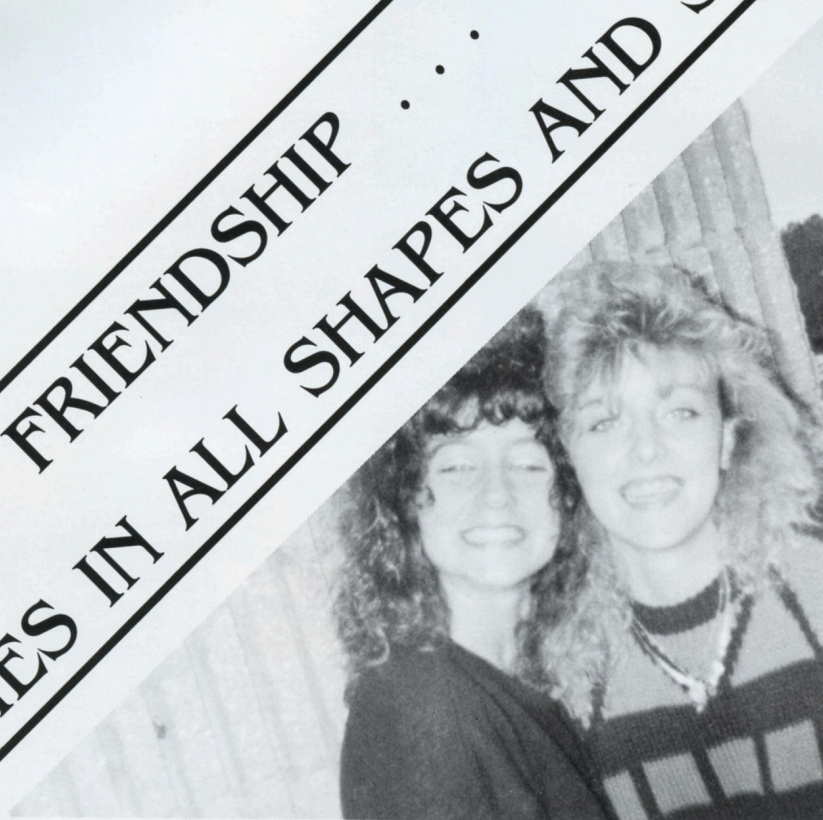

Spirit of the '80's.

Melissa Russell, Keith Garner, Sherley Ditto, and Shannon Plough — Student Council officers of 1985 — hope the training paid off.

# FRIENDSHIP . . . COMES IN ALL SHAPES AND SIZES

Friends 'till the end.

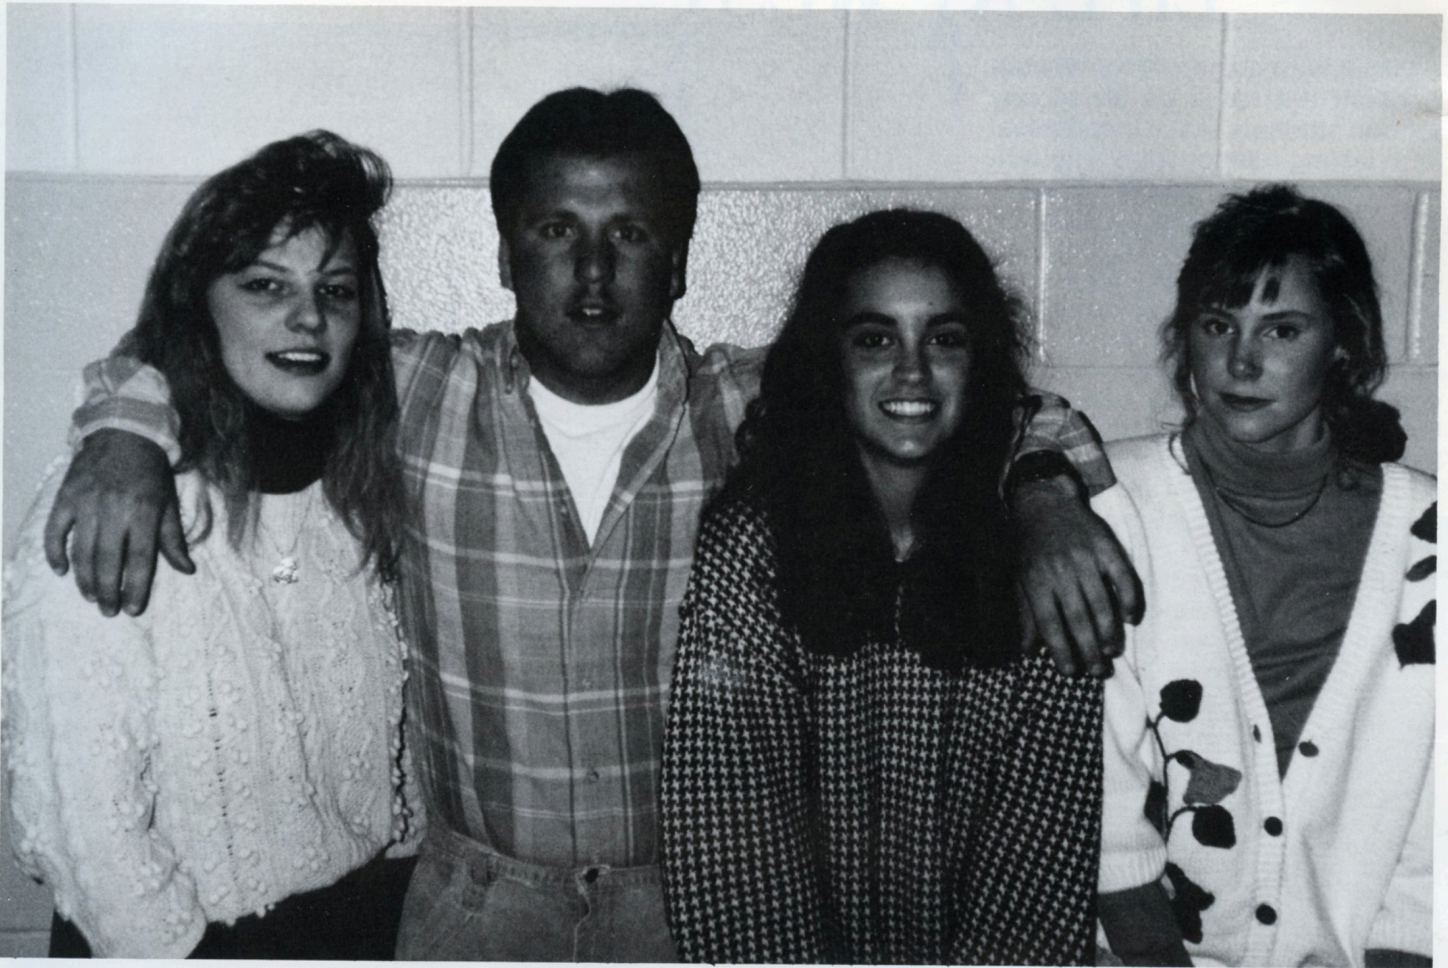

To be the man . . . you've gotta beat the man.

Picture perfect friendship.

### Friendship

Friendship is so special,  
Between two people who care.  
I always know you'll listen,  
I always know you're there.  
When things get turned around,  
I'll be here for you.  
When life is looking bad,  
I can listen too.  
Long ago, we became friends, and I  
Knew from the start,  
That you would earn a special place,  
deep within my heart.  
Unknown

### WHAT TICKS YOU OFF?

People who stop in the halls to gossip.	The tardy policy
The gravel parking lot.	Parking permits
People smoking in the bathrooms.	School
Freshman	Homework
Snobs	The orange stickers Ms. Harris puts on car windows.

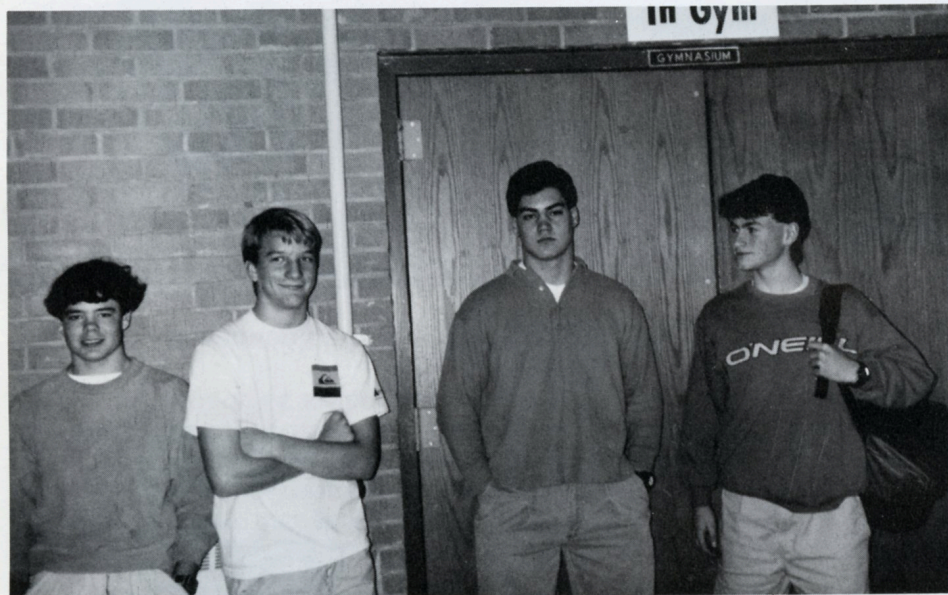

# LIFE AT WEST

Life at West Carteret High School is much the same as life at any school. students make friendships, form lasting relationships with other students and adults. Growth, and with it, change come into the lives of students from the time they enter as Freshmen until they leave as Graduates. There are many fond memories of happy times: A's earned in particularly difficult courses, games won, dances attended, jobs held, performances in band, chorus, and drama, dates, and friends. There are the sad memories also: friendships broken, people who moved away, growing up differently from that best friend from younger days, and having to say good-by at the end of

the four years — even though it is also a joyous good-by.

We spend a lot of our time complaining about the things we don't like about the school and our time in it, but when we really take a long look we realize we have been happy, have learned a lot, have grown up and are proud that we have been Patriots. It seems our nature to complain most about the things which later we will remember: school, teachers, courses, parents, and not being our own boss. We stand in the halls and talk with friends and watch as a new group of Freshmen begin the journey we are just completing — do as we did — enjoy the trip!

## PHRASES YOU HATE TO HEAR.

Don't worry Be happy.  
When I was your age . . .  
Do the dishes!  
Clear your desks.  
No one said life was fair.

It's Flat (the waves)  
Killer!  
You are too young.  
Chill Out!  
I told you so!

## WHAT SUBJECT DO YOU LIKE LEAST

# FADS AND FASHION

Throughout the year, each student creates his own "look". Styles range from the preppy look, to the tie-dyed tee-shirts, from the flip flops to Reeboks, and from extremely long hair to the shaven heads. At West Carteret everyone has a unique style. Take a look at the many fads and fashions of the 1990 school year.

# TALENTS

At West Canyon each student has the opportunity to show off their special something or talent. Our students learn from the teachers who have lots of star ability. In fact, many of our best dancers, singers, and musicians. But they also have students who work on the science who show often do not get recognized. Take a look at the talents of our students and you will see.

Who knew these seniors could cheer?

Who knew that Woody would make the perfect Tinman?

Chris uses his carving skills to make VICA keychains.

# HIDDEN TALENTS

At West Carteret each student has that special something or talent that separates him from the rest. Each school has its star athlete, its best actors, its best dancers, singers or musicians. But they also have people who work behind the scenes, who most often do not get recognized. Take a peak at the Hidden Talents of WCHS.

"Best dancer" and Elvis impersonator, Allen Finau with "Best dancer" Kristen Stokes.

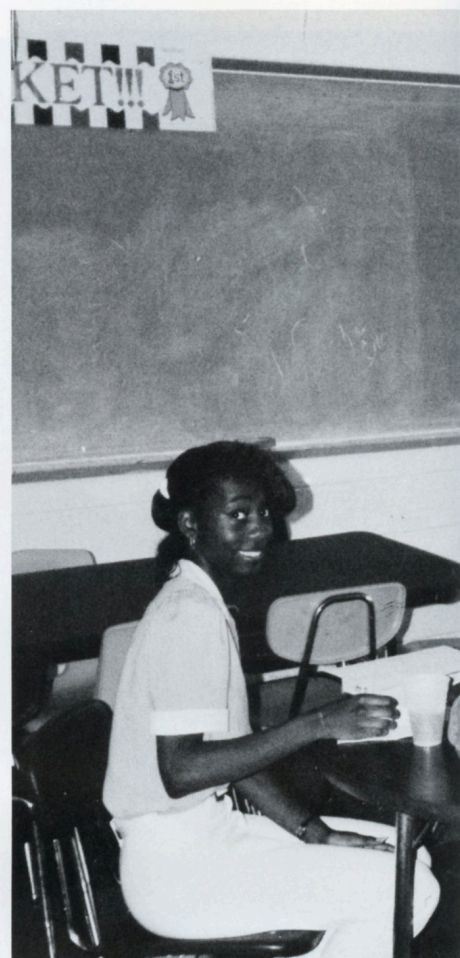

The talents of this stage crew helped make "The Wizard of Oz" possible.

Who said we couldn't play basketball? — Winners of the student faculty basketball game.

# HITTIN' THE BOOKS

Every student has experienced the dreaded homework. At WCHS it is no different. Academics is the most important part of our lives during High School. Everywhere one goes at West Carteret he will see someone in the halls or in the classrooms, catching up on that 'Homework' or cramming for a forgotten test. Throughout the year captured memories of people studying, reading, or doing whatever possible to get that most important "A".

Cecilia takes a break from her studies.

# WE ARE PROUD TO DEDICATE THE 1990 *PROCLAMATION* TO . . .

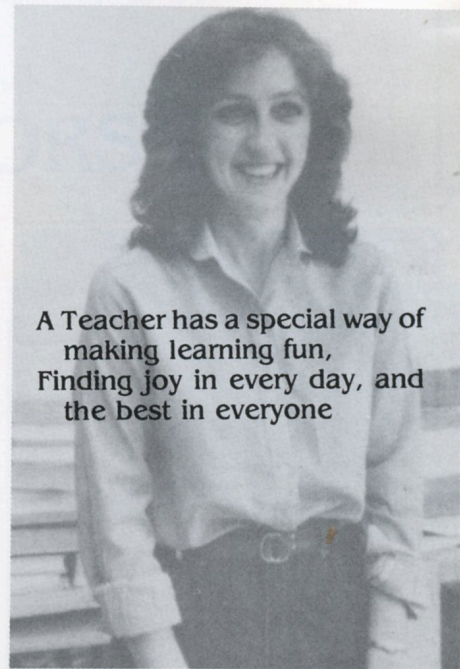

This year's *Proclamation* staff has chosen a special person with many qualities. In this person we find a lady who is very enthusiastic in her work and wears a smile everyday. She takes time to help individuals in need as well as sharing her personal thoughts and feelings with the group. She loves teaching and enjoys being with her students. She has a big heart and is willing to share it as a teacher, wife, mother, and friend. Though not a native she has come to love the coast, Carteret County, and the students of West as much as she does her mountain home. We are glad she came to the beach and we are proud to dedicate the 1990 *Proclamation* to Mrs. Debra Jones!

# MRS. DEBRA JONES

A Teacher has a special way of making learning fun, Finding joy in every day, and the best in everyone

Mrs. Jones with Mrs. Pake, Mr. Conway and other teachers from all over North Carolina visited the state capital to try to convince legislators that teaching is our most important profession.

Mrs. Jones is always smiling whenever one sees her. She has a great sense of humor and fun as can be seen here where she joined Mrs. Cathy Jones, Mrs. Beth Taylor and other faculty members in the "Downeast Choir" which sang for the student body at a pep rally.

# FACULTY

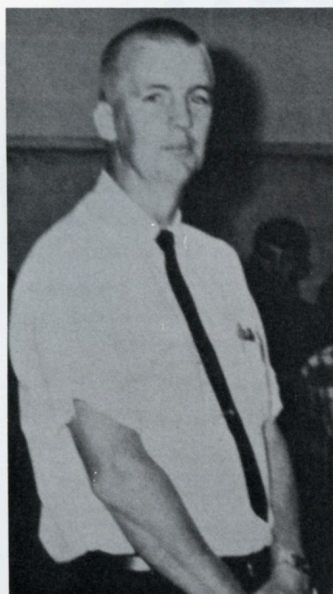

# THE WAY THEY WERE . . . 1965

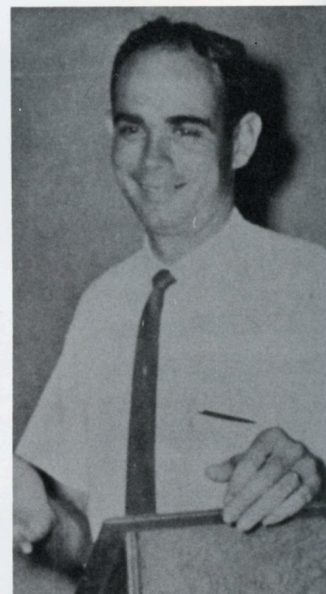

Miss Frances Farmer

Mr. Billy Widgeon

Mrs. Florence Griffin Pake

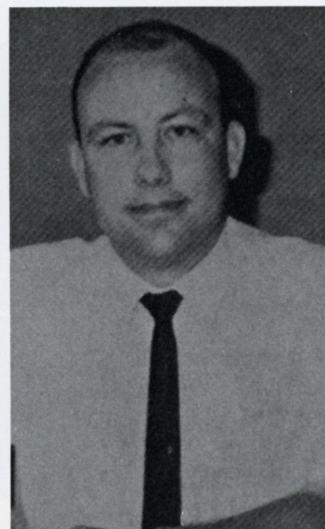

Mr. Roger Newby

These faculty members were also members of the faculty in 1965 when West opened its doors. Mrs. Beth Taylor is now an assistant principal and Mr. Jacob Godwin is retiring. In addition Mr. Robert McLean, a senior in 1965, is on the staff. Faculty and staff members who graduated from West and returned to work here:

Mr. Robert McLean

Mr. Gerald Eubanks, Principal, was not on the faculty in 1965 but we "slipped" this picture in for "the memories".

Mrs. Betty Mizelle

Mr. Harvey Joslyn

Ms. Hattie Lee Phillips

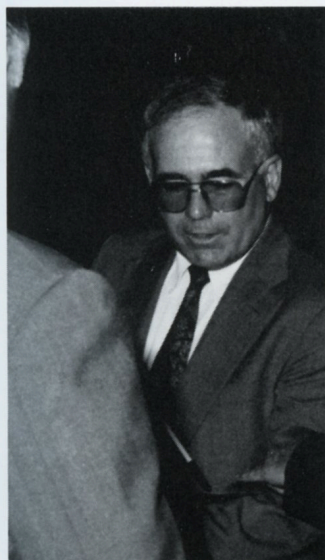

Mr. Bill Skarren

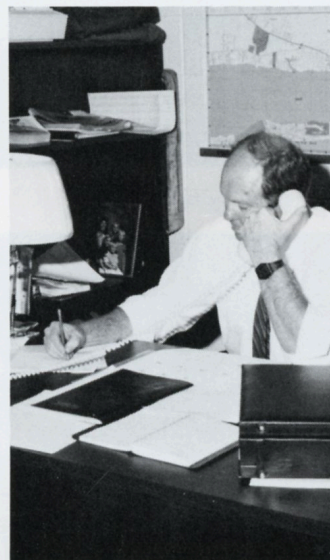

Jake Godwin, Jr. (former graduate and now teaching in Orrum, NC), Mr. T.L. Lee, Mrs. Lee.

Many of the teachers who helped West's excellence begin in 1965 have gone to other schools and have retired. Of those who have retired, several returned to wish Mr. Godwin well on his retirement. Some of those are pictured here.

## 1989-90 ADMINISTRATION

Mr. Gerald Eubanks

Mr. Mike Mann

Mrs. Beth Taylor

The Administration is made up of Principal, Mr. Gerald Eubanks, Assistant Principals Mrs. Beth Taylor, Mr. Mike Mann, and Mr. Paul Payne. These dedicated professionals keep the school running on an even keel and manage to share concerns with faculty and a sense of fun with the student body. Both Mr. Mann and Mr. Eubanks played in the faculty-student game and all allowed their names to be placed in the bidding for the "Pie Throw". Students are the main concern of these administrators and having the environment most conducive to learning is a second concern. They work long and hard hours for all of us and we thank them.

## A '70's TEAM CELEBRATES WINNING "THE BUCKET!"

In the past twenty-five years many changes have occurred in the athletic program, but through it all excellence has remained a goal. There have been coaching changes, sports added and deleted; one example is gymnastics which was offered for a time but is no longer and this year cross-country was added. There have been years when West won the "Bucket" and years when it rested on the "other side of the river". Currently it is back where it belongs — in the West Carteret trophy case, proclaiming West the winner of the Mullet Bowl.

Among some of the additions and improvements are tennis courts, a surfaced track which was redone this spring a practice field, the completion of Talbert Field, new scoreboards and lights for the football and baseball fields. The new banners which hang in the gym this years tell of West's successes in ath-

letics.

During the 25 years West has won 46 conference championships, had teams advance to state playoffs in several sports, and won two State 3-A championships. The first came in 1985 when the Varsity Men's Basketball team defeated Statesville 66-59 and the second came in 1988 when the Ladies' Volleyball team defeated North Surrey in heart-stopping action. This year the Junior Varsity Cheerleaders added a new title to the championship list by winning the State and then the International title at the Canada-American competition in Myrtle Beach, SC.

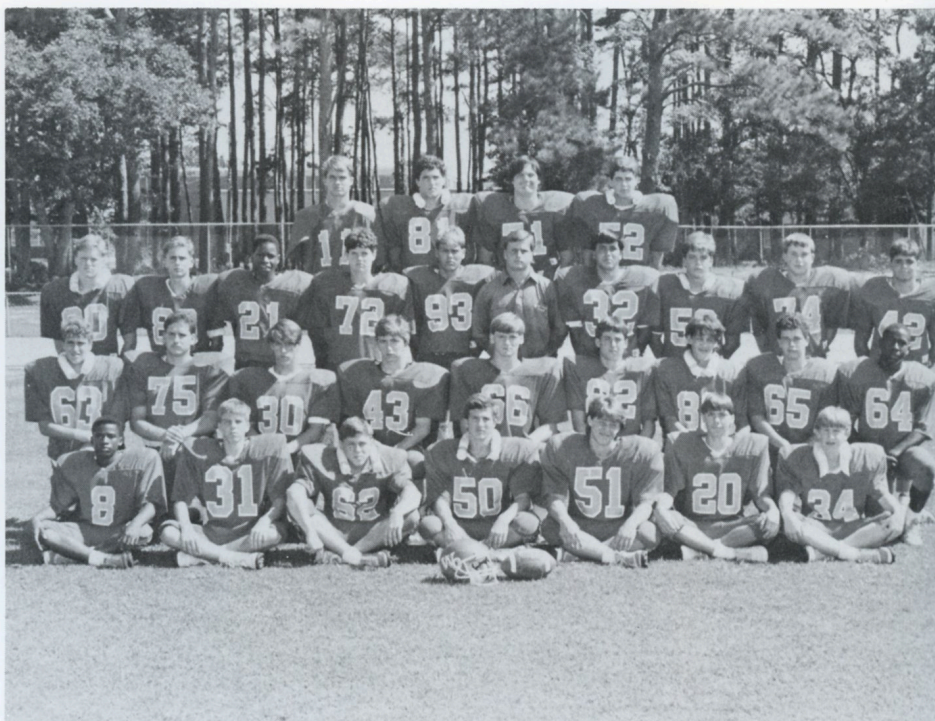

In addition to the team championships, several individuals have won honors for themselves, their team, and West. We are proud of the tradition athletics has at West and know that it will continue during the next twenty-five years.

# MASON'S "MIGHTS!"

The Patriot J.V. had a very successful season. Under the leadership of new head coach Jimmy Mason, the J.V. ended the season with an outstanding record of 9-1. The J.V. show a lot of promise for the future. If records like this continue they will acquire a great reputation for West Carteret High School. Congratulations coach and team for a season well done.

Most Valuable Players — Terrance Raynor and Mark Lee.

Front Row: Terrance Bryant, Ed Reynolds, Jamie Rhue, Steven Ziegelhofer, Sam Poling, Billy Pollack, Jason Branch, Brook Reece, Jeff Millis, Matt Rhodes, Scott Merritt, Joe Hollinghead, J.R. Huntings, Billy Price, Mark Knight, Steve Fox, Nathan Smith, Eugene Buck, Tony Bryant, Ryan Nelson, Damian Hudson, Aires Robles, Brian Fowler, David Earp, Brad McQueen, Mark Lee, Ralph Eley, Joey Witchl, Kevin Miller.

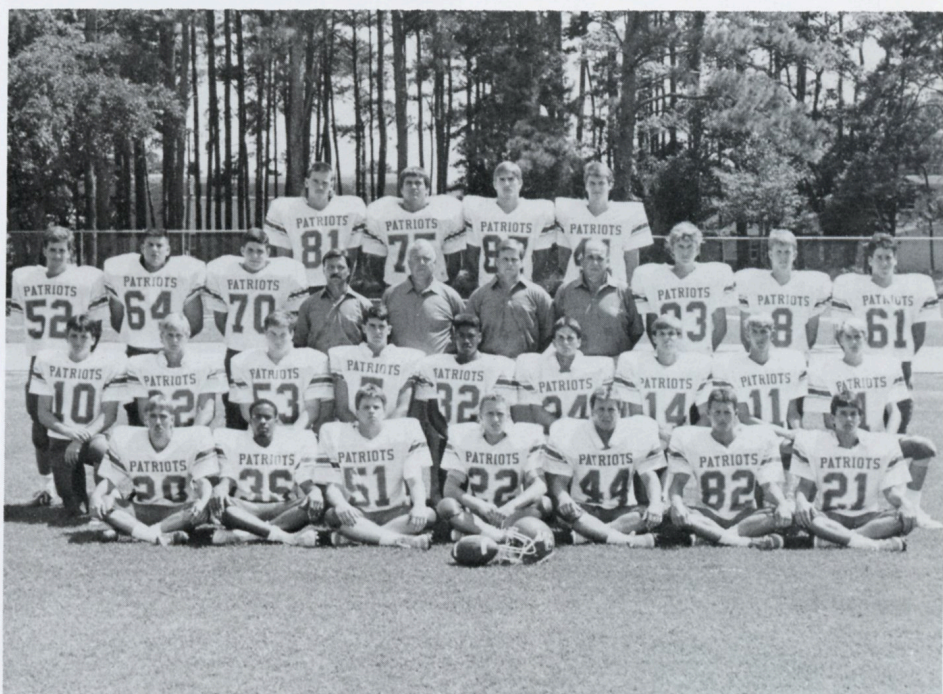

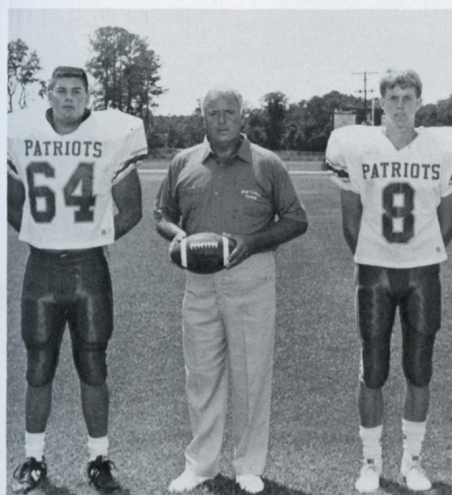

# Varsity . . .

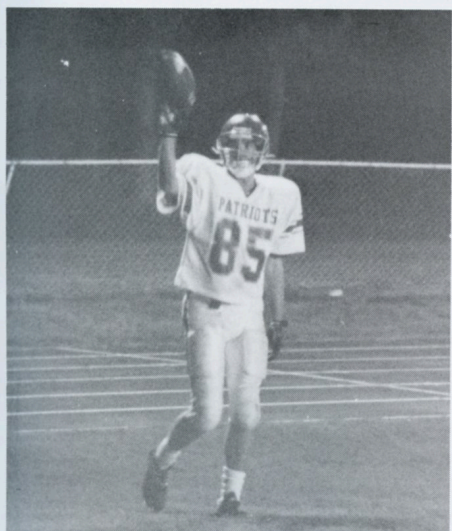

Compared to years past, this year's varsity football season was a great success. The highlight of the season was the 19-14 victory over East Carteret. Although the Patriots ended the season 4-6 they show a lot of promise for the future. Two Patriot football players were named All-Conference. They were Michael Homan and Bubba Arnold. Three Patriot football players were Honorable Mention. They were Will Bacon, Scott Foster, and David Donovan. Congratulations to all five.

On December 13 the Fall Banquet was held and the following awards were presented:

Best Blocker — Scott Foster  
 Best Defensive — Robbie Lasater  
 Most Improved — Bubba Arnold  
 Coaches Award — Will Bacon  
 Team Before Self — D.A. Ballou

Front Row: Mark Lewis, Angelo Stevens, Tripp Mudge, Daniel Willis, D.A. Ballou, Brandon Horne, Will Bacon, Robbie Lasater, Ryan Willis, Patrick Lienthal, Jamie Byrd, Johnnie Everett, Mark Wojciechowski, John Gress, Richard Spear, Bubba Willis, Buddy Russell, David Donovan, Scott Foster, Coach Sam Hales, Coach Ed Hiatt, Coach Jimmy Mason, Coach Pete Pittman, Kevin Lee, Michael Homan, Mac McAllister, Derrick Montayne, Bubba Arnold, Bryan Stanton, James Cummings.

## PATRIOT VOLLEYBALL

The Lady Patriot Volleyball team started out with a lot of high hopes this season, after winning last years State Championship. However, lack of experience held the team back. Lack of height was also a problem for the girls, who were characterized as "Smurfs" on one occasion. But determination held the team together and they never gave up. The team traveled to Raleigh to compete in the Athens Drive Tournament and played extremely well. The season held a lot of disappointment for the four seniors (Riva Bigham, Melissa Hughes\*, Jennifer Moore\*, Stephanie Payne) but it let the underclassmen gain valuable experience for seasons to come. \*co-captains

# SOCCER: A GROWING INTEREST

West Carteret soccer continues to improve and interest in the sport grows also. With many freshmen coming to the team each year there is a pool of talent to draw from and West will be a factor to be considered in soccer in the future.

Coach Larry Cleveland had worked with this group of players for two seasons now and is proud of their accomplishments. He feels that the team can do great things in the years to come.

We wish the departing seniors the best of luck and "keep on kickin".

## CROSS COUNTRY

Cross Country this year was a success with the guys team. The team was much improved over the previous team. Coach Swann says "If these team members continue to run, plus the addition of a couple of freshmen in the next two years, they have an opportunity to challenge for the Eastern Regional Championship in 2 years. The boys team won 3 meets while losing 7. The first win in the schools history came against East Carteret on September 18.

The girls team was a disappointment from a team standpoint. Coach Swann says "It's hard to believe that a school of our size doesn't have more girls who don't mind running. The four girls that were on the team worked very hard even though their season wasn't that great. Over all Coach Swann says it was a successful year.

# JV BASKETBALL: A BOUNCY SEASON

The JV Basketball team had an up and down season this past year. The team showed power and finesse during the year, but had problems with consistent scoring. Below are the total points scored through the year by the top 7 individuals:

#4 Terrance Bryant	107 pts.
#7 Shannon Stokes	94 pts.
#5 Tyler Bryant	99 pts.
#1 Carl Bryant	144 pts.
#6 Frank Mitchell	95 pts.
#3 Mike Fuller	126 pts.
#2 Brian Pace	136 pts.

## NEW TEAM ... BRIGHT FUTURE

A new sport year was added to the Patriot clan this year, Girls JV Basketball. Coach Phyllis Willis started the team to help improve the skills of her freshman players. She also hoped that the team would gain valuable experience that will help build a strong Varsity team for the future. During the season Varsity players Debbie Knight, Chandra Poston and Christine Stanfield were moved down to JV level to improve their skills and to help the JV players with stiff competition. At the end of the JV season, Freshman Allison Kemp was moved up to Varsity level of play. Special thanks goes to Coach Bruce McBride for his special effort to make this J.V. season successful.

## BASKETBALL AT IT'S BEST

With a young team and a young coach, the girls varsity basketball season wasn't expected to be a success this year. However, the amount of talent and the coaching abilities of Ms. Willis helped the team to pull off the unexpected. The girls achieved a winning season of 12-10 and advanced to the 2nd round in the conference tournament losing a heartbreaking game 46-39 to Havelock. The Lady Patriots have a promising future as all players are returning.

# TAKE IT TO THE HOOPS . . .

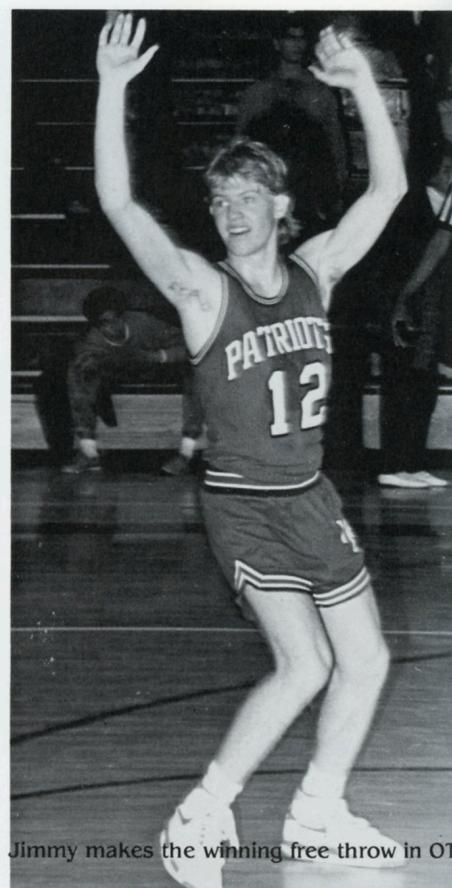

The Varsity Patriots, under Coach Jim Keibler, had many games within their grasps, but the ball just didn't fall the right way.

The team was lead by Junior, Jimmy Graham, in both three point shots and free throw percentage. The glass was cleaned by three under-classmen, Jonathan Allard was named to the All Conference Team. Terrance Williams received the MVP award. Pete Gutowski, the coaches award, and Bradley Cunningham, most improved.

The Varsity Team should do well next season with an experienced squad. The Coastal 3-A Conference is always tough though, you'll just have to wait and see.

## W.C. WRESTLING

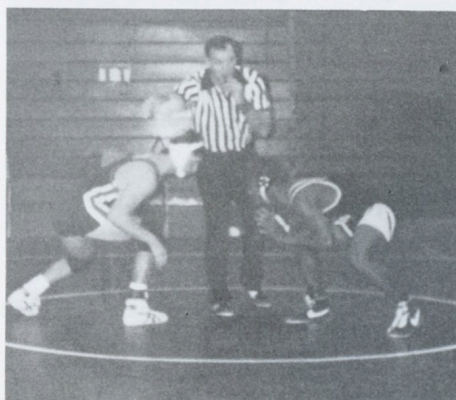

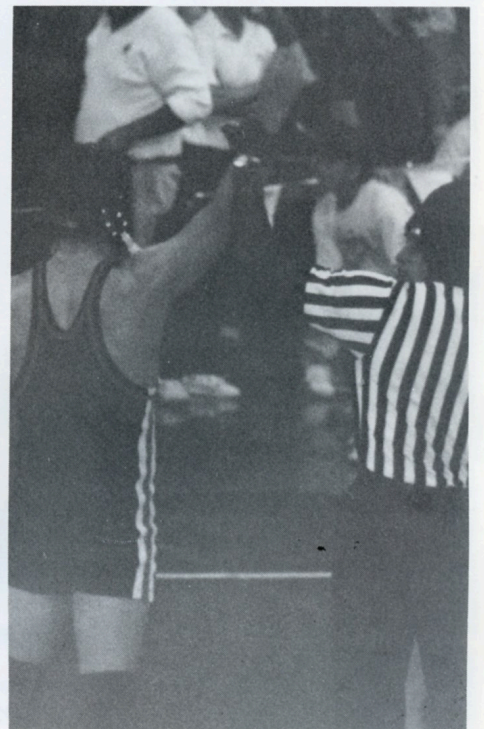

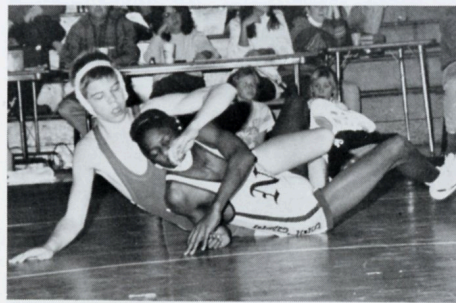

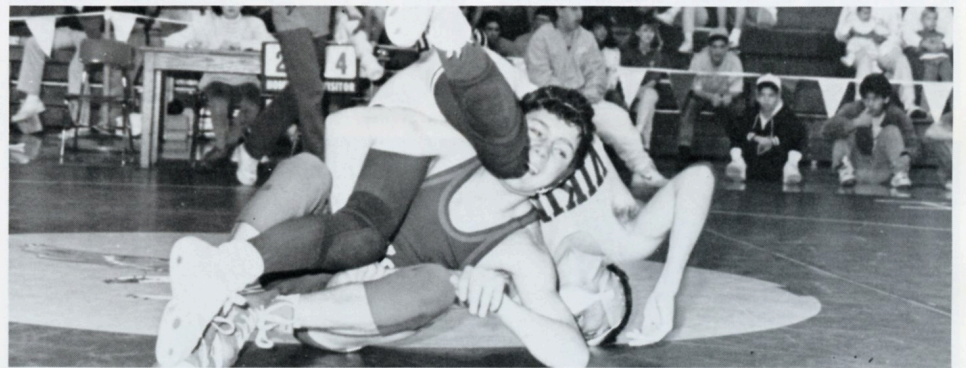

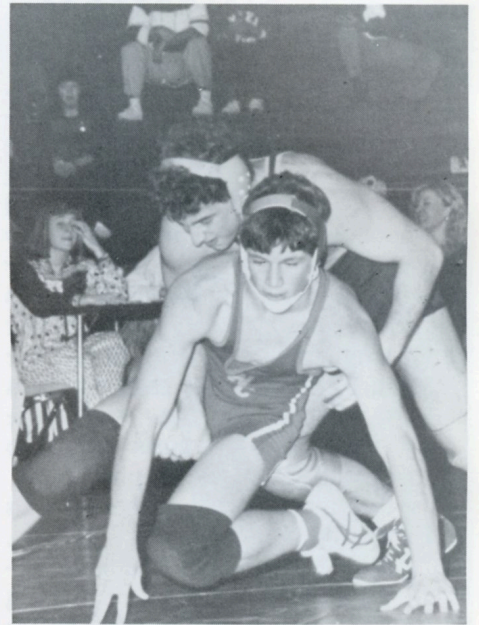

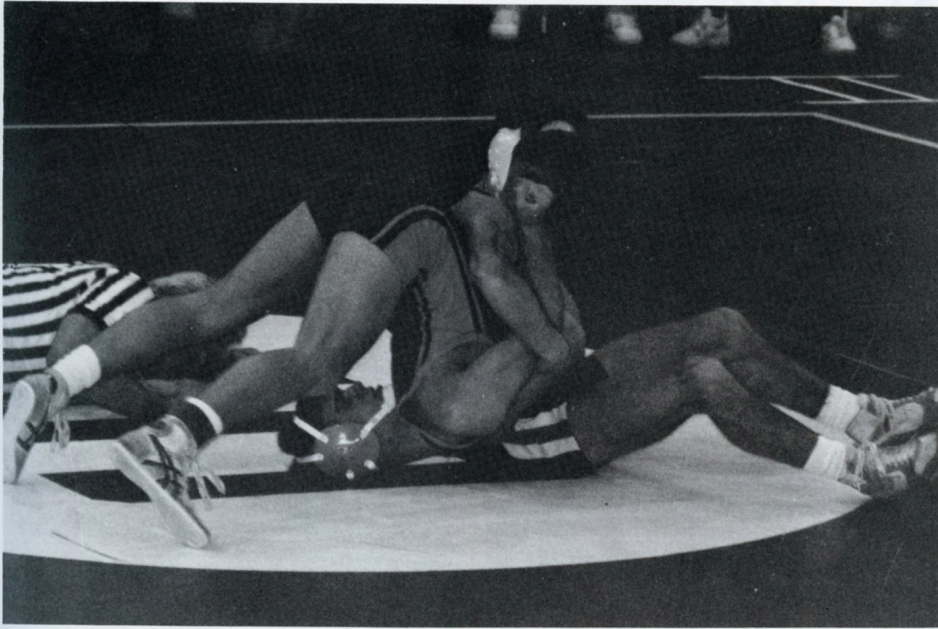

The 1989-90 Wrestling team at West Carteret went through somewhat of a rebuilding stage this season. After another head coach change, Jimmy Mason took on the legacy of West Carteret wrestling. In his first year of coaching the team did quite well, finishing the year with an overall 9-6 record. The young team showed a lot of promise for the years to come. Coach Mason was assisted by Mr. Mike Mann and previous head coach Dick Shetzer, they contributed a lot of their time and knowledge to make the wrestlers better athletes. West Carteret hopes to become a state contender next year, as in years past. A special thanks to Bob Reynolds.

# SYMBOL OF PRIDE

A "Symbol of Pride" says it best. The West Carteret Varsity Cheerleaders are exactly that. They have the longest season of any sport played at West, starting in May and going until March. They work very hard throughout the year to cheer the football and basketball teams on to victory. They give a breakfast at the end of each season for the teams. This year the cheerleaders raised money for new sweaters; they had warm-up suits given to them by the Athletic Department.

Not only do the cheerleaders cheer their teams on to victory, they are also busy planning pep rallies, going to camp, and entering competitions. This year at camp was just as hard as any other year, still the cheerleaders worked hard for their first place trophy. In the "Battle of the Cheers" held in Jack-

sonville, the Varsity received a third place trophy for a great routine. In the 3-A Conference competition Varsity impressed the crowd with an awesomely performed routine. They had a second place finish 2 points behind first place. Whether the teams win or lose you will always find the Varsity Cheerleaders on the side lines enthusiastically supporting their team.

## When We Look Back . . .

Something through our high school years made the time go by and for a group of 15 girls it was also a trying time. Together we were, a year before, to practice for days to come — laughter, games, smiles and giggles were just part of the fun. We worked closer than a family would supporting the high school teams, Going on trips for different sports is just a part of what cheering means. This year many memories will build some that make us laugh to tears, but we'll always remember this special time. When we look back on our High School years.

# STATE CHAMPS!

To say the J.V. cheerleaders had an excellent season would be an understatement. At camp they obtained first place in the Chant Division. In the WRNS/New River Shopping Center Competition they won first place again. They received second runner up in the Carowinds J.V. Cheerleading Competition. In the ECA Regional Championships the J.V. again received first place. They also won the N.C. State Cheerleading Competition which qualified them for the CANAM Competition in which they placed first. Last but not least they won the 3A Conference Cheerleading Competition. Congratulations on a GREAT season!!

## JUNIOR VARSITY

This year's Junior Varsity Baseball team turned out to be somewhat of a surprise as they "molded" themselves into a fine ballclub. With outstanding players such as Tony Bryant, Billy Butler, and Lee Walter, the team was able to win eight games losing only four, making them third in the conference. Although they were not involved in any special tournaments their batting averages went up compared to last year's. All in all, this team holds great hope for the future.

# THE LIMITS

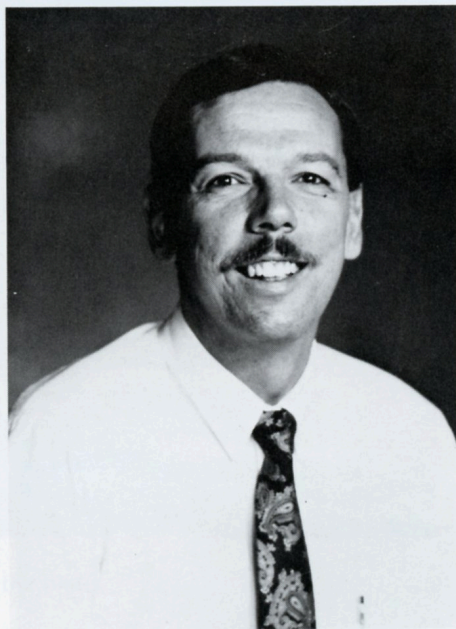

## VARSITY ON THE WAY UP

The Patriot varsity baseball team held a lot of promise this year. Considering a few minor setbacks, the team did very well. Mark Wojciechowski and Royce Tootle both had four homeruns for the season. Royce also pitched a no-hitter against Jacksonville with a score of 8-0. John Cress pitched his best game of the year at the Wilmington "Seashell Classic" over Easter break. Although the Patriots were defeated 2-1 in the ninth inning, that game was one of the most outstanding games of the year. Robbie Lasater led the team in batting with an average of .385 with Darrin Stafford not far behind at .333 plus two homeruns. The team benefitted a lot from the support of the parents at every game and wish to thank them. The team's record for the season was 4-8.

Although there were not many wins for the WC Girls Softball team this season, it was still considered a success. The team gained many new faces including six new freshmen, three new sophomores, one new junior, and one new senior. Also the girls gained a new face on the coaching staff. Marsha Harris joined Coach Lewis and Coach McCann as Assistant Coach. We would like to thank her and the other coaches for their continued support throughout the year. Next season looks bright for the Patriots, as only three Seniors will be leaving Melissa Hughes, Dana Tesreau, and Missy Price. The girls will be sorely missed and we wish them luck in their futures.

# TENNIS TAKES IT TO THE Top: Team members qualify for State Playoffs

The tennis team had an outstanding year this year. They were winners in both the conference and region and went to the State tournament which was held in Raleigh. The team was under the new leadership of Coach Garland Whitaker who returned to coaching after some years away. He was very proud of his team and enjoyed this season.

# GOLFERS GO FOR GOLD . . .

The West Carteret golf team was expected to be the best of the best in 3-A golf this year after placing 3rd in tournament play last year. The Patriot golfers had not lost a single member from the team and with state runner up Mark Springfield returning they were supposed to walk away with the title. Early play upheld these hopes as the team owned the links for the regular season. They compiled a record of 36-3 losing only to D.H. Conley their archrivals in the Coastal 3-A Conference and to the powerhouse 4-A squad from Kinston.

Post season was a different story for the Patriots, although they won the Coastal 3-A championship. In the Regionals the Vikings of Conley got revenge by beating the Patriots by only four strokes. The Patriots qualified for the State championship which was held at Finley Golf course in Chapel Hill. They finished fifth overall as a team.

The season was a good one for the Patriots even though their hopes for adding another State title to West's list did not come true.

## FOREIGN EXCHANGE

"Coming from around the world, the exchange students try to learn the customs of the American life during almost one year. Good or bad experience, the goal for an exchange student is to understand the facts of another life from other people. Through the year, you discover new habits, meet new friends — you see new landscapes. Everyday is different and you learn each day new things.

As far as I am concerned, I had a great time on Halloween, Christmas, Spring Break and Prom. I could never forget these events because they are unforgettable.

To be an exchange stu-

dent is not easy everyday. You have to learn to many words — and you have to be used to the accent — especially the Southern accent — you know the only way to communicate is to try talking in the same language of the people you live with."

This year West Carteret was fortunate to have five students from five different countries spend the year learning about America, Americans (especially American teenagers), and the American way of life. These students were Inger Maria Johansson from Sweden, Florence Juredieu from France, Chikako Konno from Japan all seniors and Ricard Brandao from

Spain, a freshman. They took courses and followed the curriculum just as other West Carteret students did. Florence was a yearbook staff member and wrote the above article about being an exchange student. In addition to her remarks here, she also told us that school was very different in France and that the life of the teenager is much more relaxed here with most students able to drive and having access to their own car. We enjoyed knowing these students and will have fond memories of them. We hope they enjoyed their year here and will remember us also.

From the tight snare riffs to the smooth, elegant quintet bass runs, the WCHS drumline has worked hard for their undefeated season and will continue to work hard for better seasons to come.

# KATRIEL TRIPP CROWNED QUEEN

Homecoming this year was great even though we lost the game. It was a time of excitement and hope: hope that we would have good weather for the parade; hope that we would win the game; and hope that our candidate would be the one chosen for the queen.

The candidates for queen were presented at an assembly in the auditorium prior to voting by the student body. There were twenty-one girls running for the title. The three court members from each of the underclasses were also presented. Thanks to Lisa Stroud and Lisa Foisy for their work organizing the assembly.

The parade again coincided with the NC Seafood Festival parade and the West Carteret section was the highlight of the parade. Our theme was "Through the Years" and the floats carried the theme well: HOSA won with "Mash" (a Korean war) theme; the Junior class did "Through the Years Through Music" and the Seniors went back to the Sixties with their tie-dye

look.

Halftime was made special through the planning of Paige Graham and Cori Turner and the playing of West Carteret's Marching Patriots. Thanks again to Lisa and Lisa for helping with halftime line-up, etc.

The winners were: second runner up, Paige Graham; first runner up, Dana Fulcher; and Queen, Katriel Tripp.

# WCHS HAS SPIRIT!

Spirit is a lot more than dressing up in funny costumes for Homecoming week or taking part in a pep rally. Spirit involves taking part in all areas of school life and in having pride in the school and in oneself. Spirit is not something which must be given to a student body by the team, teachers, or the cheerleaders; it is something each one of us gives to the school.

Spirit is taking part in a band, choral, or drama production; being a member of a club or a team; attending the games and the performances; doing ones best in the classroom. Spirit is shown each day of the year and not just on certain occasions.

There is a lot of very positive spirit shown at West by the students willing to dress for Homecoming week, to dress for Spirit days, by those who make honor roll and the Principal's list, by those who are recognized as Good Patriots, by those who help with dances, who bring honors to the school through their club activities and by the many who participate in sports and in watching sports.

Our principals and teachers have a lot of spirit also and encourage all of us to have the same. This year teachers made an extra effort to

show us they have spirit by taking part in a Pie throw and by playing much younger members of the student body in a basketball game. They have spirit also when they come after hours to chaperone dances, do help sessions, coach, etc. Those who say "there is no spirit at West" just haven't looked around lately.

The Junior Senior Prom was truly a magical happening. The Civic Center was transformed into a castle of delight complete with a magnificent dragon guarding the entrance. Guests entered the castle by crossing the draw bridge and found a room decorated with balloons and steamers. There were refreshments, music, memories created by a slide show, and entertainment. The night was one we will long remember and seniors thank the Juniors, Mrs. Hill, Mr. Hill, Ms. McCann, Mr. Bernstein and all others who helped to created the magic.

Mike Forbes and Tara Elkins were crowned King and Queen.

## MR. GODWIN RETIRES

"Through the Years" certainly describes Mr. Jake Godwin's service with West Carteret. He has taught continuously at West since it opened in 1964 and is retiring with its 25th graduating class.

Mr. Godwin has taught Driver's Education which is a credit to his patience and nerves as many of us know, having been new drivers here ourselves. He also spent much time in the "book room" since one of his "extra-teaching" duties was to issue textbooks to teachers, keep records of the books, collect fees for lost books and inventory at the end of the year. These duties often meant that Mr. Godwin was at school after other teachers had finished for the summer; he could not complete his work until the other teachers had done theirs.

Most of Mr. Godwin's teaching time was taken up by the history and social studies courses which he loved. His love of the subject of history and teaching was so great it carried over to his son "Jake, Jr." who teaches in Orrum, N.C. and was on hand to congratulate his dad on his retirement.

Many of the teachers who were at West when it opened and have since retired also returned to congratulate Mr. Godwin when he retired earlier this spring.

Mr. Godwin shows the engraved clock, a gift from the faculty.

Mrs. T.L. Lee, Mr. Godwin, Mr. Dick Shetzer (Master of Ceremonies), Mrs. Zelma Phillips, Ms. Milta Fulford, and Miss Virginia Knowles former West Carteret teachers.

Ed Hiatt — Coach  
Athletic Director

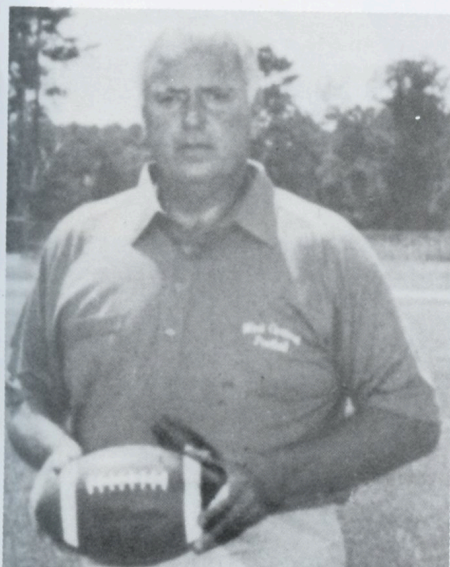

Coach Ed Hiatt has a lot to say about the Patriot football team of which he is the head coach. His general outlook on the team is that they were more successful this year than in previous years and they worked through adversity. He said the teams' attitude was better and showed more maturity this year than in past years and they pulled together as a team more. He feels the JV team has a promising future and said that the weight program must develop to improve speed in skill positions and to prevent injuries which can be avoided with training.

The major story about Coach Hiatt this past year is his selection

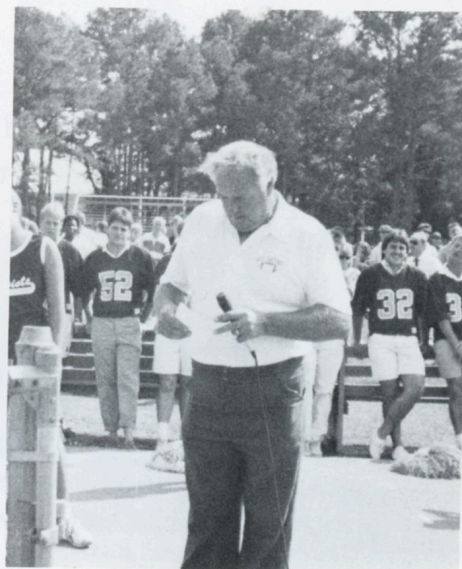

thanks to the administration, student body, band, cheerleaders, parents, and patrons who all help to make a program work.

Coach Hiatt came to West Carteret three years ago to accept the position of head football coach and athletic director. Since then he has worked to build up all of the sports and to make sure that none decline.

to an elite group of high school football coaches. He was chosen to be an assistant coach for the 53rd annual Shrine Bowl all star game. The game was played December 9 at Charlotte Memorial Stadium. Coach Hiatt's reaction was that it was "the greatest honor I've received in my coaching career." He said that it is a once-in-a-lifetime happening and he was proud to have been selected.

Coach Hiatt felt that one of the highlights of the year was the return of the Mullet Bucket but is enthusiastic about all of the accomplishments of the Patriot program. He is proud of the athletes and is concerned that they keep up grades as well as participate in sports. He wishes to give special

# EAST AND WEST HANG IT UP TOGETHER

Project Graduation is a party to which all of Carteret County's graduating seniors are invited. It is held in the Civic Center and begins at 9:00 p.m. It is a drug-free, alcohol-free way to celebrate the end of high school and the beginning of "adulthood". The party is sponsored by Carteret County Citizens for Youth and the Carteret County schools.

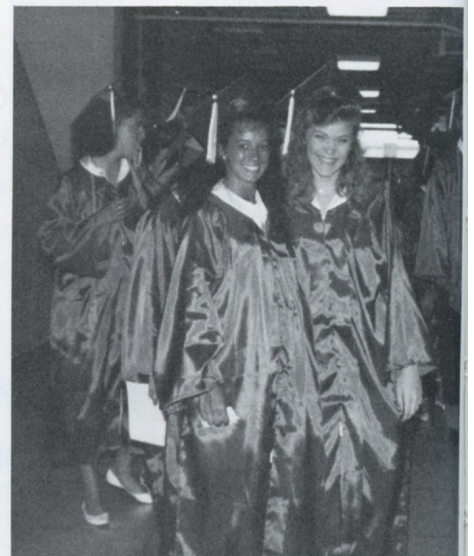

During the night there is food which is guaranteed not to give out, there is music for dancing (both by a D.J. and live by the Amateurs).

Volunteers operate a casino at which participants attempt to win "money" to be used later to "purchase" prizes offered in an auction. Buses also ferry party-goers to the Morehead Plaza Cinemas where they enjoy free movies and then back to the Civic Center for more food and music. The celebration ends at daybreak with door prizes and breakfast. The entire night is free to the seniors, and encouragement for them to have a safe, fun closing to their high school.

Debate team members

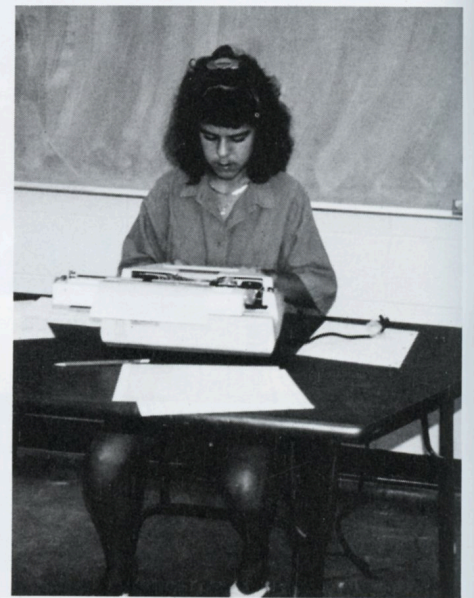

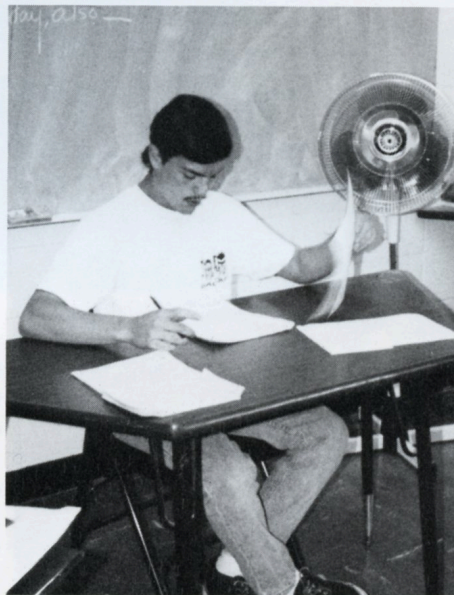

Through the years clubs and other organizations, like teachers, coaches, and sports, have changed. Some organizations which were in operation during the opening years are no longer offered, for example Crusaders for Christ and Monogram Club. There are new organizations such as the Debate team, Quiz Bowl, Skeet Club, and Comic Collectors.

No matter which organizations are being offered at a given time the object is the same as it was 25 years ago. Clubs offer students an opportunity to learn and practice leadership skills, a chance for fellowship, a way to excel. Clubs, through their members and advisors, have brought state and national recognition and honor many times in the past and will continue to do so in the future.

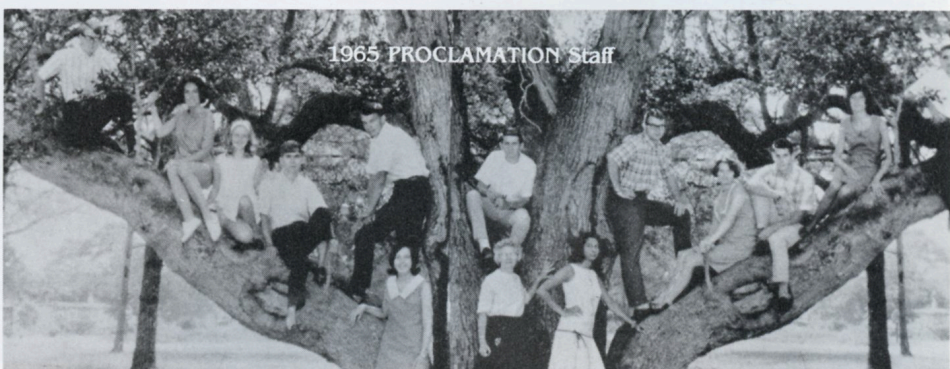

## PROCLAMATION STAFF

This year the *Proclamation* Staff worked hard trying to meet each deadline. They had to work extra hard since the theme this year was "Through the years . . ." The staff had to go back through old year-books looking for pictures from 1965 to the present, to include on the theme page and throughout the *Proclamation*. The staff enjoyed the research it took to create this years book. They hope you enjoy the memories that are forever captured in this year's *Proclamation*.

# STUDENT COUNCIL

The Student Council had a very good and productive year. It began in late June when State treasurer Ruffin Poole traveled with the NC delegation to the National conference in Chicago and then represented us at the State Leadership Workshop held in Mars Hill, NC where he served as a Junior Counselor.

When school was about to begin plans were well under way for some large undertakings — Homecoming and the State Convention which was hosted by West Carteret in November, 1989. Our community welcomed approximately 350 students and 150 adults from all over the state for a three-day meeting.

In addition to Homecoming and the usual spirit week activities, we brought back an old favorite, the

bon fire, which had been missing for a few years and we had a "Spirit Jar" class competition which raised \$500.00 in three days to help Lincoln High School in McClellanville, SC which had suffered tremendous losses from Hurricane Hugo. The money was sent to the Student Council there to be used as they felt best. Throughout the year the council conducted Teacher appreciation activities, recognized student leaders, and held a faculty-student basketball game. There were dances, meetings, times we served as guides to visitors to the school and we held a student exchange day with Havelock High School. We also raised money and collected food to help those in our community who are not as fortunate as we.

Senior council representatives (under class reps are pictured on section divider pages).

Brave souls who dressed for "opposite day", one of our monthly spirit days.

Ruffin Poole, President; Bill Chalk, Treasurer; Roschelle Edwards, Secretary; Rebecca Jones, Vice-president.

President Ruffin Poole says good-bye.

"I remember what it was like to be new around here . . . the place seemed a little bigger then, and though I never admitted it, a whole lot scarier! I remember searching hallways and stairways and auditoriums filled with unfamiliar faces hoping to find someone to share my confusion . . . and feeling so grateful whenever anyone smiled. For a while I wondered how I was ever going to fit into this strange, super-sophisticated world . . . now I wonder what I was so worried about . . . the confidence came . . . and so did the fun!

What an assortment of unforgettable characters I've met here! There are classmates I liked from the start and those who took a little getting used to . . . There are teach-

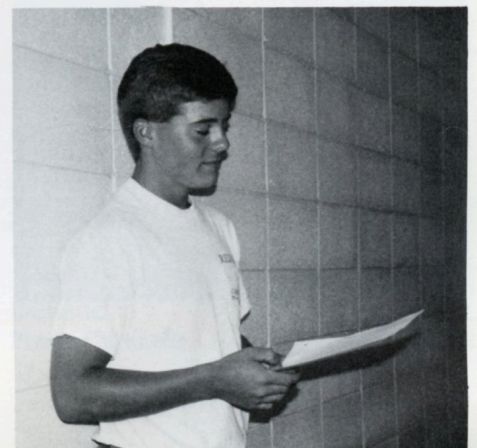

ers I love, and those I survived . . . There were upper-class celebrities who awed me, and now under-class innocents who appear to stand in awe of me . . .

But most of all, there are the good friends I've made here . . . and all the "together" times we shared. I remember times we won together and times we lost . . . times when we worried together and times when we celebrated. I remember autumns when all the excitement in the world flashed between two goal-posts, winters warm with the glow of our holiday spirits, springtimes that dazzled us with the promise of freedom, and long, lazy summer vacations when not doing anything was our favorite group activity! . . . but how do I ever say "thanks" for a mind full of beautiful memories?

Looking back I'm amazed that so many crazy and colorful things could have happened to me! It will not be easy saying good-bye to this school and to all of my friends . . . But I have so much more to learn about the world and about myself and it is time to get started. I only know that wherever I go, whatever I do, the days I've spent right here will always be a really special part of my life."

# QUALITY AT WORK

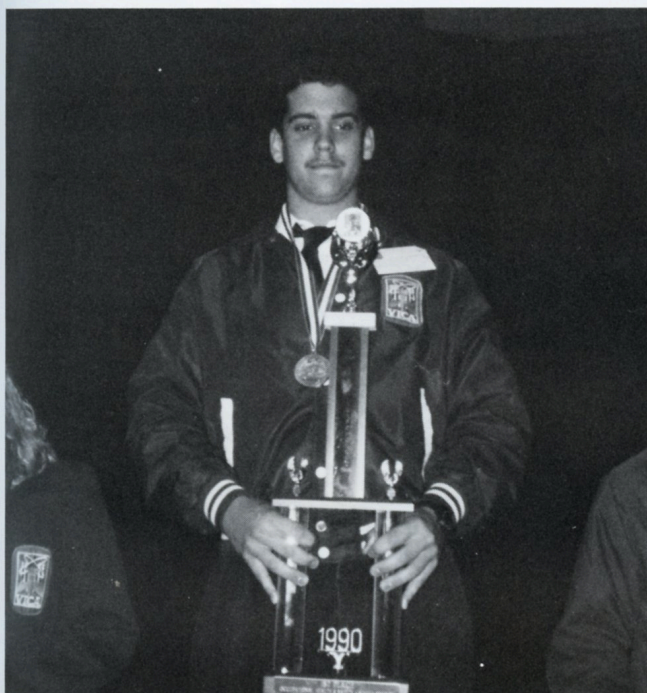

Through the years VICA has been a strong club that teaches students about personal development, career goals, and gets them ready to go out into the world as an adult. The Vocational Industrial Clubs of America club has competitions every year. This has been an exceptional year. Students attended regional, state and national competitions. This is what we call "Quality at Work".

VICA to VICA, HUGO Relief

The VICA Club competed in Leadership and Skill Contests. There were 814 students representing 42 schools. The following advanced to the State competition in Greensboro.
