EAST CARTERET HIGH SCHOOL
ROUTE 2 BOX 258
BEAUFORT, N.C. 28516

"Home of the Mariners"
25TH ANNIVERSARY EDITION
A Fond Farewell to MR. HAMILTON!

Here, at ECHS, we all have enjoyed Mr. John Hamilton’s personality and good humor whether it was in the classroom or just a warm greeting every morning! Mr. Hamilton’s good mood is inspirational to all who meet him.

Mr. Hamilton received his B.S. degree and M.A.E.D. degrees from ECU and in his recent years here has been teaching World Geography and U.S. History. We also appreciate his sponsoring the Social Studies Club. Mr. Hamilton has been at East Carteret since it opened 25 years ago and we will miss him when he’s gone.

Two of Mr. Hamilton’s favorite hobbies are flying and gardening. He is hoping to get back into flying and to buy his own plane. He would also like to do more gardening but he doesn’t have enough room for it.

Mr. Hamilton, the students and staff of ECHS would like to bid you a fond farewell. East will never be the same!
Mr. Edward "Ed" Murrell has been a very important asset to East Carteret High School. Since 1970 he has dedicated 21 years of his life to making East Carteret a better place.

Mr. Murrell was born in July of 1939 and graduated from Queen Street High School in 1959. Two years later, in April of 1961, he married Alice Johnson who also became one of East Carteret's staff. Mr. Murrell has a son and daughter, who graduated from East Carteret, and two grandchildren.

Mr. Ed is a well-rounded person and is involved in many activities. He is a devout Christian and is extremely active in his church. Mr. Murrell especially enjoys participating in two choirs. Another interest Mr. Murrell has is ECHS SPORTS. He loves all the sports and supports our Mariners at every game unless he has choir practice.

Above all, Mr. Murrell has an interest in our school. His priority is to make sure the building always has a healthy and pleasant environment for the students.

Mr. Murrell, we the student body at East Carteret High School greatly appreciate your years of service in keeping up the reputation East Carteret has had for years. Your constant smile helps cheer up our days. So we the student body co-dedicate the 1991 East Wind to you. We look forward to seeing you many years to come.
This year’s Homecoming was a complete success. The day started with worries that rain would prevent the festivities, but luckily the skies cleared. The big event was held as scheduled, culminating with Miss Leslie Yearly being crowned as Miss Mariner 1990. Elected to her court were Miss Julie Hubbard (first runner up), Miss Tekisha Reels (second runner up); and Miss Kathy Barns (third runner up). The Club Representatives were Miss Robin Parker (FCA) and Miss Sheena Guthrie (FBLA). East Carteret would like to say thanks to the many parents, faculty, and students who made Homecoming such a big success.

Miriam Garcia is from Spain. Miriam has studied in France since she was three years old. She is fluent in Spanish, French, and English. Miriam is enjoying her stay in the U.S. She likes the American school system because it offers a variety of activities and the student-teacher relationship is better than those in Europe. When Miss Garcia graduates she is going back to Spain for college to study in the science field. Myriam, we hope you enjoyed ECHS and come back to visit us.

Ricardo Ouesada was born in 1973 to Edgar Jovel Ouesada and Maria Elena Gonzalez Porras. He began school in 1981 and later in 1987 he began his high school career. While attending Instituto Tecnico Profesional Agropecuario de San Mateo, he learned about the 4-H Scholarship. In that scholarship he, along with his sister Elena, traveled to the United States. Ricardo's goal is to graduate from high school this year and to become an agricultural engineer. We hope you had fun here. We miss you!

Sachiko Kawaguchi journeyed from Japan to Beaufort in August 1989. She enjoyed her first year at East Carteret and so she decided to finish her high school education here. Sachiko has been involved in numerous activities during her years at East. She is also in the 15% of her class. Sachiko is planning to go back to Japan for her college education to study law. She wishes to be an attorney some day. Sachiko complimented us when she said, "The people here are very friendly." Thank you, Sachiko.

Miss Eva Andrea Basterrechea Lopez was born in El Ferrol, Spain. She has enjoyed her stay in America and is planning to attend East Carolina University. She would also like to teach Spanish at East Carteret. We look forward to seeing you again. Thanks for spending your senior year with us at ECHS.
On January 16, 1991 around 7:15 pm, Desert Shield became Desert Storm. The U.S. troops dropped bombs on Baghdad, Iraq. Not oil, but freedom was what we were fighting for. The freedom of Kuwaitis and freedom of the world from the aggressiveness of Saadam Hussein. U.S. patriotism has been revitalized once more. It’s good to see our flag being honored so, again.

The students chosen to be honored in the records of the East Carteret's Who's Who are selected by the faculty. The faculty votes on the students they believe best represent the qualities of LEADERSHIP, CHARACTER and SCHOLARSHIP. These qualities should be evident in day to day living, extra-curricular activities, and in the classroom.

It is the hope of the faculty and the East Wind staff that the students on these pages will always remember the qualities they have been honored for, and strive to maintain, or better, that standard. We look forward to seeing you again down the road someday. CONGRATULATIONS!

FROM A DISTANCE
Bette Midler

From a distance, the world looks blue and green, and snow capped mountains white.
From a distance, the ocean meets the stream, and the eagle takes to flight.
From a distance there is harmony, and it echoes through the land. It's the voice of hope — it's the voice of peace — it's the voice of every man.
From a distance, we all have enough, and no one is in need. There are no guns, no bombs, no disease — no hungry mouths to feed.
From a distance, we are instruments — marching in a common band; playing songs of hope, playing songs of love — they're the songs of every man.

GOD IS WATCHING US, GOD IS WATCHING US, GOD IS WATCHING US FROM A DISTANCE.
(Repeat)

From a distance, you look like my friend, even though you are at war.
From a distance, I just cannot comprehend what all the fighting is for.
From a distance, there is harmony, and it echoes through the land.
It's the hope of hopes, it's the love of loves, it's the hope of every man.
(Repeat chorus twice)

FEATURES 105
The 1991 prom turned out to be an enchantment under the sea. Couples floated across the dance floor as laughter and chattering filled the air. It was a pleasant evening in Beaufort as everyone had their dinners and arrived at the prom around 8:00 on the night of April 20. It was a night of romance for many.

Adam and Laranda — not only a cute couple, but East’s ’91 Prom King and Queen.

Jodi was the life of the dance floor.

Josh shows a little leg — eat your hearts out ladies.

Becky and Russell jammer to the jams.
Prom 1991

Friends gather between dances for conversation and refreshments.

Johnny and Sharon are crowned Prom Prince and Princess.

Yushawnda and Alan get into the action of the prom.

It looks like romance is Stella’s favorite part of the prom.

Even teachers have a good time!
The Prom Is Not All Fun and Games!

It takes a lot of hard work to pull an occasion together. Thanks to a few juniors and some seniors, this year’s prom was a smash! One person we would like to give a special thanks to, is Russell Miller, who put in many extra hours bringing the decorations together.

Cindy, Shelly, Kelly, Paige, Stephanie, Becky, Kelly, Jodi and Josh are a few of the painters.
SENIOR DAY IS ...

... a day we recognize special seniors and sometimes embarrass them.

... a time for last good-byes.

... a time of fellowship and merry-making. GOOD LUCK SENIORS!
The Academic Honors Banquet is held each year. In order to receive an invitation to the Honors Banquet, a student must maintain a B or higher average for four six-week grading periods. Invitations to this banquet are given out according to numerical grade averages, not Q.P. averages. An invitation to the banquet is something every student can strive for whether the student is in Level 5 or Level 1. Congratulations Academic Honorees!

Academic Honorees and their parents enjoy their steak.

The Concert Band provides entertainment for the occasion.

Heroic faculty members brave the long line.
The 1991 MISS MARINER PAGEANT was held May 22nd as a fund raiser for the Beta Club scholarship. We would like to thank “Vivi Tostada” and all the other young “ladies” who so bravely performed for such a good cause.

Whoops Geraldine, lose something?

Finally the anticipation is over!
The Beta Club is an honors organization whose members are chosen for academic excellence. It is definitely an honor to be part of the Beta Club and the yearbook staff would like to express our pride in all the members and to congratulate the new members.

Dani Jo Lewis represents the Beta Club in Homecoming.

John's celebrating at the reception.

The 90-91 J.V. Basketball team was a success in many ways. We had young men who were dedicated to the cause of having a quality ball team in the future. Though young, they showed poise and character in every critical situation.

Every game showed improvements. Coaches from other schools would approach me and tell me how we played like a different ball club from the previous encounter with that particular team.

I was very proud of being a part of the 90-91 J.V. basketball team and look forward to future improvements of basketball at ECHS.

Sincerely,
Coach Yeomans
Patience must be practiced and endured as much as skill.

OVERALL 12-9
CONFERENCE 4-6
4TH PLACE IN CONFERENCE
Team Captain and #2 seed Stephen Willis teamed with Travis to become Regional Champions and place 5th in the State Championships!

Senior and #1 seed, Travis Garner finished the year as the overall conference CHAMP!

Junior and #6 seed Chris Brooks received the Most Improved award.

Junior and #4 seed Shawn Nelson concentrates on his backhand passing shot.

Senior Zoey Forward was able to use her consistent ground stroke as an effective weapon.
The ECHS tennis team started slow this year, but finished stronger than ever. Travis Garner and Stephen Willis won the first Regional Championship in East Carteret’s history and finished the year 5th in the State Championships! The team as a whole was also able to finish runner-up in the regional tournament. The ECHS tennis team will lose three important netters but still plan to come on strong next year. We appreciate the hard work and dedication put forth by Coach Taylor, Coach Meyer and the East Carteret netters.

Jonathan finished the year as conference champion in the #3 singles.

Few people realize the many hours and truly hard work that creating a yearbook requires. There are thousands of bits of information and photos to tie together. Memories must be preserved as best as possible.

We hope you will find this year's EAST WIND a suitable reminder of the 1990-1991 school year.

GOOD-BYE MY FRIEND
Though we never know
where life will take us
I know it's just a ride on the wheel
And we never know when
death will shake us
And we wonder how it will feel.

So good-bye my friend
I know I'll never see you again,
But the love you gave me through all the years will take away these tears
I'm okay now, good-bye my friend.

Life's so fragile and loves so few
We can't hold on but we try. We watch how quickly it disappears
and we never know why.

But I'm okay now, good-bye my friend
You can go now, good-bye my friend.
