HOMECOMING

Homecoming started with bright sunny skies and ended with the crowning of Kathy Barnes as Miss Mariner.

Last year's Homecoming Queen Leslie Yearsly came back to enjoy the performance by the band, and watch the victorious football team. She also enjoyed the festivities along with alumni and ceded her crown to Miss Kathy Barnes.

These guys sure look eager for lunch after the Christmas assembly!

Scotty, Bobbi, and Lori hope the moments at East will last ... forever?

There's no place to run, Georgia! "One Little Candle" expresses the Christmas spirit.

Check out this student life.
Drum Majors: Alison S., Bobbie G., and Emily H.

Majorettes: Scarlett D., Erica R., Kristen D., Ashley P., and Tailey B.

Unpacking Greyson?

Veda and Matilda relax for a minute in art. Shiela looks pretty laid back, too!

Edwin prepares for Spanish, and the "mob" hits the lunch line.

Some art students gather on the green of the NC Museum of Art. Dewana and Jeremy dance to a Spanish rhythm. Who will win the ACC?
Brett and Jason tend the pet fair; Cornelius struts.

Robert dances while second lunch begins.

Hungry students crush in; others watch the final games.

Why? We sure don’t know, Marvin!

Brett and Stephanie jump kick, while Leigh and Jason paint.
MARINER SINGERS Top Row: Bryan C., Casey B., Chris T., Jimmy C., Alan S. Middle Row: Kathy B., Kristin M., Emily H., Buddy L., Steven S., Mario F., Cora D., Kristie P., Katherine S. Bottom Row: Kelly G., Ashley H., Kerita W.

This year the East Wind staff dedicates the yearbook to Mrs. Kandice Davis and Mrs. Lisa Frivance! Through their combined efforts, a definite and positive change has occurred at East Carteret. We now have a very strong drama club which has produced several outstanding plays. These plays allow a wide range of students to discover, develop and demonstrate a variety of wonderful talents. Many of these talents have lain dormant and we are very grateful that these two ladies have been willing to exert unknown energies towards awakening them. Thank you, Ms. Frivance and Mrs. Davis!

Kandice Smith Davis was born on December 22, 1946. Miss Smith attended Smyrna High School where she graduated in 1965 and went on from there to Atlantic Christian College where she obtained a Bachelor of Science Degree in Math Education.

On April 10, 1968 Kandice Smith married Allen Cooper Davis and together the Davis’ had one daughter they named Sharon Gray Davis. After Mrs. Davis’ marriage she attended E.C.U. and attained a Masters Degree in Math Education.

In 1969, one year after her marriage, Kandice Smith Davis began teaching Math and Science at Morehead Central and taught there until 1978. Then, in 1978, Mrs. Davis began her teaching career at East Carteret where she has remained until the present. She has been the department head for East Carteret’s Math Department and the sponsor of the Math Club in addition to her dedicated Drama club sponsorship.

Thank you Mrs. Kandice Davis for your many dedicated years as a teacher and club sponsor and all of the support you have given the students at
Lisa Jones Frivance was born in Carteret County on September 28, 1956. She graduated from East Carteret in 1974, and went on to receive her teaching degree in English from East Carolina University. She is married to Larry Frivance of Beaufort, and has two children, Jessica and Jason. Mrs. Frivance has sponsored the drama club, assisted with the Honor's Banquet, and sponsored many student trips.

Kathy Barnes, Johnny Chaanine; Russell Miller; Robin Parker.
Jeannie Adair — "You learn that, whatever you are doing in life, obstacles don’t matter very much. Pain or other circumstances can be there, but if you want to do a job bad enough, you’ll find a way to get it done."

Robert Albiez — "For every thing you have missed you have gained something else and for everything you gain you lose something."

Jonathan Barnes — "Caring for others gratifies oneself and makes life much more fulfilling."

Kathy Barnes — "It's not what the world holds for you, it's what you bring to it."

Casey Best — "Music is your own experience, your thoughts, your wisdom. If you don’t live it, it won’t come out of your horn."

Jodi Dickinson — "Life is fortified by many friendships; to love, and to be loved, the greatest happiness of existence."
Sharnel Dunn — "We are inclined to believe those whom we do not know because they have never deceived us."

Mario Ferruzzi — "I would rather be a superb meteor, every atom of me in magnificent glow, than a sleepy and permanent planet. The proper function of man is to live, not to exist. I shall not waste my day in trying to prolong them. I shall use my time." Jack London

Bobbie Gillikin — "The most wasted of all days is that on which one has not laughed."

Jeremy Goodwin — "What is a man's first duty? The answer's brief: To be himself."

Georgia Jones — "Animals are such agreeable friends; they ask no questions, pass no criticisms."

Kathy Krautheim — "I believe that every right implies a responsibility; every opportunity, an obligation; every possession, a duty." John D. Rockefeller, Jr.
Robin Parker — “Trust the Lord with all your heart and lean not on your own understanding, in all your ways acknowledge him and he will make straight your path.” Lewis Thomas

Billi Lynn Paylor — “We leave traces of ourselves wherever we go, on whatever we touch.”

Ashley Piner — “Seek not to understand that you may believe, but believe that you may understand.”

Scott Piner — “A dream is a wondrous thing to achieve for those who believe that a dream can come alive.”

Kyle Sims — “If we see things with imagination, we see all things infinite. But if we see things only with reason, we see only ourselves.”

Andy Smith — “The truly proud man knows neither superiors nor inferiors. The first he does not admit of, the last he does not concern himself about.” William Hazlitt
The students chosen to be honored in the records of the East Carteret Who's Who are selected by the faculty. The faculty votes on the students they believe best represent the qualities of LEADERSHIP, CHARACTER, and SCHOLARSHIP. These qualities should be evident in day to day living, extra curricular activities, and in the classroom.

It is the hope of the faculty and East Wind staff that the students on these pages will always remember the qualities they have been honored for, and strive to maintain, or better, that standard. We look forward to seeing you again down the road someday. CONGRATULATIONS!

Jarrod Styron — "Concern yourself not with the past nor the future, but with the present. For the past cannot be changed and the future is determined by our actions today." Carpe Diem

Robbie Wheatley — "Is life not 100 times too short to be spent in boredom? Friedrich Nietzsche"

Imagine  
John Lennon

Imagine there’s no heaven  
it’s easy if you try  
no hell below us  
above us only sky  
imagine all the people  
living for today.

Imagine there’s no country  
it isn’t hard to do  
nothing to kill or die for  
and no religion too  
imagine all the people living  
life in peace.

Imagine no possessions  
I wonder if you can  
no need for greed or hunger  
a brotherhood of man  
imagine all the people sharing all the world.

You may say I’m a dreamer  
but I’m not the only one  
I hope someday you’ll join us  
and the world will be as one.

An Outstanding Spring Performance
And Lively Cabaret!
This was the first year for what we hope turns out to be an annual event. The Sophomore class, led by Mrs. Elizabeth Kappel, sponsored a carnival designed for student and family fun. This fundraiser involved any interested department or club. There was airbrushing; great food; horseback riding; many games with prizes; face painting; dart throwing; not to mention "teacher dunking"!

A prom is never put together quickly or easily. It takes many hours of planning and muscle power. There are few jobs however that bring such obvious results. Mrs. Mary Francis Wright took the challenge well. Thanks to juniors such as Michelle Sims, those on these pages, and others not pictured, the prom was a true success.
Prom night typically begins with the hours of preparation, followed by all of those family photos that your mother insists on. A nice dinner out on the town, then on to East Carteret. This year we were able to be the first to enjoy East Carteret’s newest commodity: air conditioning! It was actually cool enough to dance and enjoy the action. Music was provided by a D.J.

Towards the end of the evening it was announced that Tres Allen and Kathy Barnes were chosen as East’s Prom King and Queen.
"Gala At East Towers"
In August of 1990, President Bush sent our troops to Kuwait to fight Saddam Hussein's forces. Meanwhile, Clarence Thomas was elected to the Supreme Court. "Magic" Johnson shocked the world when he announced that he had contracted the HIV virus. Jack Morris was chosen as MVP of the World Series and Dan Marino signed an $25 million contract. Democracy began opening to the world with the victory in Red Square. Terry Anderson was finally released after nearly seven years of captivity in Lebanon!
1991 Memories

It seems over the year that many people have come into the spotlight. Arnold Schwarzenegger topped the movie list with his new arrival of Terminator II. As Extreme, Guns n' Roses, and Amy Grant soared on the music charts with the release of their new albums, LL Cool J seems to stay on top with his latest hits. The Grateful Dead have been making music for 26 years, and still tours the world. Wilson Phillips and Natalie Cole captured everyone's attention with two new albums. Paula Abdul has left everyone "spellbound" as she took over the charts.
The 1992 E.C.H.S. Quizbowl Team

(First Row) Johnathan G., Charlotte H., Scott P., Tommy B., (Second Row) Charles C., Jeremy G., Robbie W., Mario F., Andy S., Vince E., Jarrod Styron

The 1992 Quizbowl team was coached by Mr. Wells Barker.
The East Carteret Quizbowl team has had an outstanding year and they have earned an outstanding reputation for themselves and for all of East Carteret.

Soccer

After a six-year hiatus, soccer returned to East Carteret this year. The pre-season expectations were limited for this year’s squad, but the six seniors provided leadership and encouragement to the young players. When all was told, the Mariners had earned a berth in the state playoffs and notched an impressive win over highly-touted Thomasville. Considering that this year’s team acted as a foundation for the future, East should be able to expect big things to come in soccer.

Great form Joel.
No, you can't scare the ball into the basket fellas!
This year, East Carteret was fortunate to be able to initiate a girl's junior varsity team. Because of the varying schedule and abbreviated season, we were unable to obtain candids of the games. The East Wind would like to express our support for the new team! Good luck next year!

Mario Ferruzzi’s acceptance of the Mariner Award was one of many special moments that filled four years of both athletic and academic excellence for him. In sports, Mario participated in Football, Soccer, and Baseball, earning All-Conference status in the latter two. In the classroom Mario graduated as valedictorian of his class and was the president of the Beta Club. Either on the field or off, Mario showed the marks of a true champion and competitor.

Amanda Johnson’s acceptance of the 1992 Lady Mariner’s Award had an added flair to it, as she was one of only a select few to ever win the award as a junior. Amanda participated in Volleyball, Basketball, and Track, and was an All-Conference performer in Volleyball and Track. She led the Girl’s Track team to a second-place finish in the state with excellent running and jumping scores. Congratulations to Amanda.
