# Grease

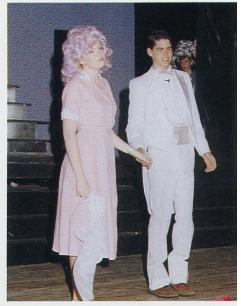

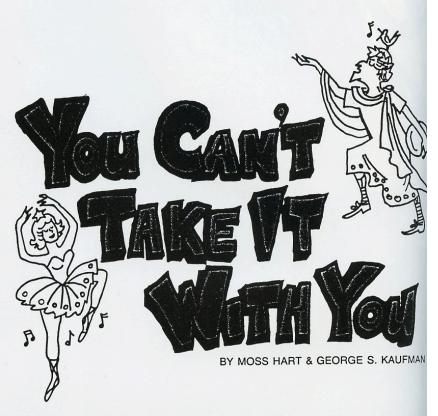

In March of 1993, the East Carteret Drama Club presented "Grease". This rock 'n' roll musical was set in the 1950s and dealt with teenage life at Rydell High School. The students that participated in "Grease" created such an energetic sensation that the production broke all previous East Carteret records of sold out audiences. Needless to say, "Grease" was a huge success!

For the first time in many years, East Carteret offered a drama class. This course was set up to teach students all aspects of the theater. The greatest experience for the lucky students in this class was to put a production together without the help of outside students. You Can't Take It With You was the play that the drama class produced. Mrs. Lisa Frivance, the instructor of the drama class, directed the play. She made sure the students were responsible for every part of the production. The students built the set and designed scenery. They collected all the numerous props needed, and worked on the sound and lighting design. Also, the students dealt with costumes and make-up. Needless to say, this experience exposed these students to the hard work and wonderful rewards of the theater. The play was a success and done with professional style.

Quentin Holland, Heather Haskovic, Dawn Lewis, Billye Carroll Stanley, Jenny Thomas, Michael Lewis, Matthew Kirby Smith, Ryan Caddell, Mark Robinson, Gina Caddell, Josh Ausband, Chris Tatro, Jimmy Culpepper, Finley Lloyd, Amp Whaley, Laura Damren, Ashley Hall, Kristin Mason, Candace Guthrie, Kara Luna

Chorus
I will sail my vessel
'Til the river runs dry
Like a bird upon the wind
These waters are my sky
I'll never reach my destination
If I never try
So I will sail my vessel
'Til the river runs dry.

Mr. Kerry Willis, class of 1979, came home from Colorado to speak to the graduating class. He reminded us that in order to succeed and be happy in life, we must take obstacles and think of them as opportunities, "make lemons into lemonade".

Mr. Willis stressed that successful people work hard at having positive attitudes, and strive for goals that challenge their abilities.

Robert Brinson reinforced Mr. Willis' reflections that God supports us, by leading us in prayer to close the ceremony.

Mrs. Piner plays for chorus members during her last Baccalaureate as an ECHS faculty member.

### Project Graduation

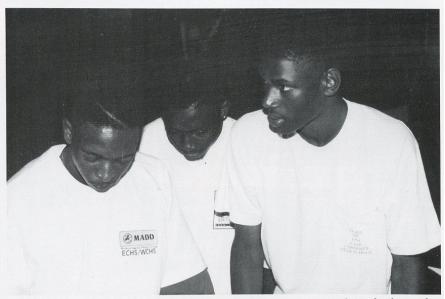

PANAMA STEEL entertained us with their steel drums.

Community businesses get together every year and sponsor PROJECT GRADUATION. This is a fun-filled, all-night party designed to give East and West graduates a night of safe, free fun. MADD has T-shirts made for all seniors — our own Janos created this year's design.

Students can "gamble", eat all they are able, and hear good music. This year we had skating, as it was held at Sportsworld. Jamie won a TV, Amanda a refrigerator, and Tysheena an IBM computer!

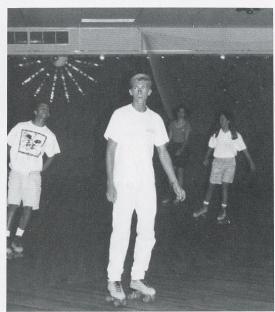

Joanna and Kristin try to teach Janos how to skate.

Quentin looks up expectantly as he and the guys try their luck at the tables.

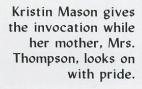

Mr. Weeks showed us all how to skate. Watch out Mr. Sawyer, Mr. Feagle is about to "getcha".

Highlights

uniors work very hard to put on a classy and enjoyable prom for the seniors. There is a lot of pressure to get finished in time, but with the great help of Mrs. Kappel and others, it was a success. Although the prom is for the seniors, many people remember their Junior year as the best. It's true, the activities you're involved with always seem the best.

Claire and Kristine secure the trees.

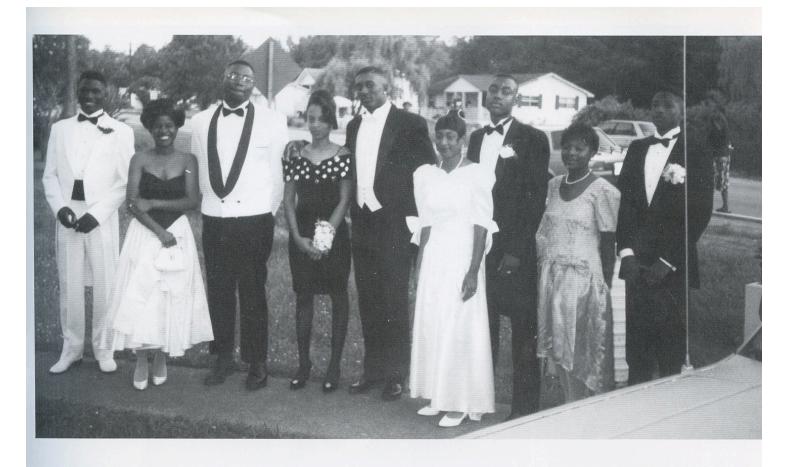

Nancy seems to be having fun as Anna patiently keeps working.

## Reflections On Ice

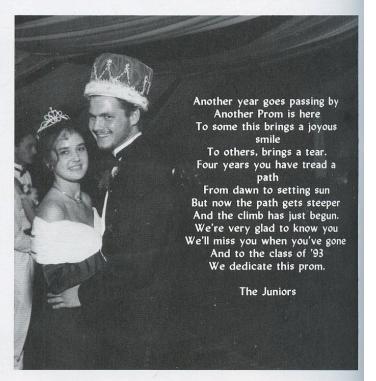

Everything was shiny and bright with reflections on the evening of May 22nd. We listened to a great blend of music presented by DJ Larry Bill as he showered us with sparkling lights.

Ryan Caddell and Carrie Scott were eleced King and Queen from the senior class. Michael Goodwin and Kelly Goodwin were rewarded for their many hours of hard work by being chosen Prince and Princess. It was a prom to remember!

After a six-year break, the East Carteret soccer team came back full force in 1992-92. This year was just as great as last. Although the team lost seven key players last year, this year they gained seven equally important players, including two exchange students.

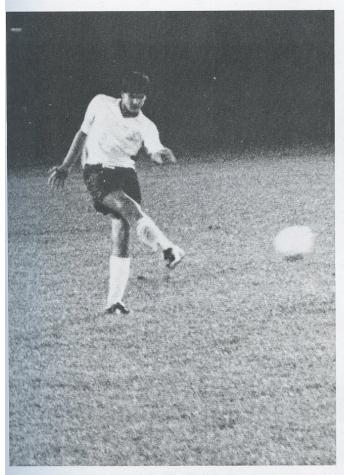

Seniors rotated the duty of team captain, with Janos Kaszas leading as head captain. This is one team that truely worked as a team rather than individuals.

Coach LaPointe was assisted by Alexander Kaszas, Jud Kenworthy and Jeff Gavoni. Thanks Jun Matsuki from Japan, and Javier Gomez Perea from Spain for contributing an international flair.

This year the East Carteret soccer program lost a very important person, Jarrod Styron. Although he was no longer a member of the team he contributed greatly. Jarrod, we know you are in heaven cheering us on. Goodbye and we love you.

The 92-93 Volleyball team had a very successful year. They had a great team with a lot of enthusiasm. The team was coached by Gary Chadwick and Greg Collins. The lady Mariners were able to split up into two teams; a Varsity and Junior Varsity. This was Mr. Chadwick's first year of coaching ladie's volleyball and he did a wonderful job. Mr. Collins was a real help in teaching us new techniques. Coaches, you have a lot to look forward to in the years to come. Thanks!

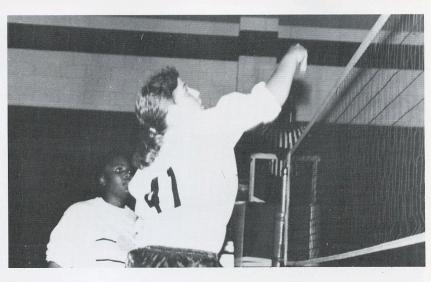

What's wrong Janie Beth!?

Get with it Ladies!

# Junior Varsity Football

The J.V. Football team was 6 and 4 this past year. The players tried hard for a no loss season, but had to play some tough teams. The East Carteret players prevailed with nothing but a few scratches. This was possible be-

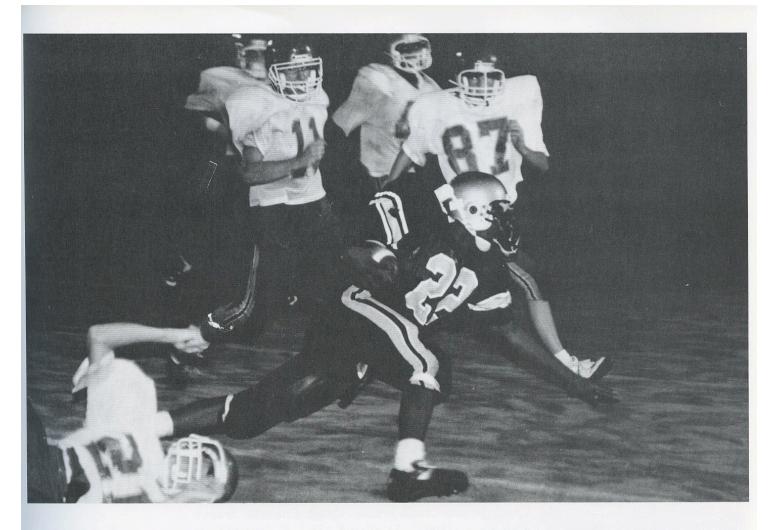

cause there was good communation between the coach and players. There were several "play makers" who provided the extra force to win several of the games. Way to go!!!!

The East Carteret Varsity Football team once again proved to be the "Pride of the East." When the going got tough East prevailed. Homecoming was a huge success! We stomped Pamlico 42-14. On to the state playoffs against Clinton, we did exceptionally well. Thanks to the dedication and perserverance of the team and coaches, we pulled through, despite cold weather conditions.

First year players Decasey Wallace, Willie Johnson, Benji Johnson, Beau Scott, Corey Singletary, Scott Christopher, Tony Simmons, and James Ellison were also impressive. Sylvester Johnson led the team in scoring, while Wayne Lawrence and Corey Singletary were top rebounders.

The season for the Lady Mariners was anything but relaxing. Coach Styron helped the girls throughout the season. Her offers of encouraging words and new basketball skills gave the team a fresh outlook for the year. Assistant coach Ms. Patty Patrick lent her expertise. Together Mrs. Styron and Ms. Patrick drew from the talents of each individual, to work together as a team.

The Lady Mariners had an outstanding year. Through all the practices and the minor injuries the team played their best. The hard work seemed to pay off when the girls made it to the state playoffs. They also traveled to the sectional finals. In double overtime the players had a tragic heartbreak of losing the game by one point!

Seniors Kim Gillikin, Amanda Johnson and Jody Nelson played their best throughout the season. Their experience shone through as they lead their team in scoring. The leadership and guidance was one of the strongest points of the team. The classmates and parents of all the players are very proud of their accomplishments. The best of luck to next year's team.

Dream Team!

h

The team has reached some outstanding goals: Christmas Tournament winners, State playoffs, and the sectional Tournament Championship. The players, along with a very serious, outspoken coach, achieved these goals with the one thing that keeps them winners:

TEAMWORK.

The Dream Team has a philosophy: "Hard work does not guarantee we'll win, but it does insure we'll have a chance of winning. The harder we work, the better our chances are of attaining goals. Good spirit and teamwork are the key to success."

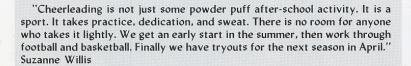

Look at those Sophomores

# Quiz Bowl

Quiz Bowl is an academic competition that tests the all around knowledge of it's participants. It is one of the few competitions in the high school that encompasses all areas of study — science, math, music, drama, sports, literature, agriculture, etc. This year, the ECHS Quiz Bowl Team participated in the Academic Challenge (It's Academic on Vision Cable Ch. 10), the Pak-A-Sak Academic challenge, and the NC Library Quiz Bowl.

# Girls Track

This year the Lady Mariner Track Team has achieved some fine goals. According to coach Wilkinson, these were to be conference, regional and state champions.

Improvements were made in all areas, and having a coach who believed in the impossible made these goals attainable. Coach Wilkinson: "Winning the N.C.H.S.A.A was the highlight of the season. I am proud of the achievements of this track team. That is, winning ECHS's first state championship in ANY sport!"

## East Wind

Mrs. Rowe, Mrs. Piner — upon your retirement, but not just because of it, the EAST WIND staff dedicates the 1993 volume to each of you. It is presented to each of you out of respect for the many years of care and dedication you have shown for your thousands of students as well as the respect you have brought to your professions. We thank you.

Mrs. Piner, you have developed a wonderfully vibrant chorus at East Carteret. Through this program you have given so many students a chance to find the glitter, excitement and education of performing here, in New York, Washington DC, Brightleaf and others. They will never be the same because of you.

Ellen Lucille Sprinkle was born in Asheville, NC. She is one of four children born to a minister. Ellen attended high school in Morganton, then went on to college at Mars Hill and East Carolina University.

Ellen married Bobby Piner in 1957. They have three children, all of whom are ECHS alumni. They now have five grandchildren.

Mrs. Piner was choir director and organist in Goldsboro where she taught Mrs. Glenda Chagaris as a little girl. While in Goldsboro she also taught elementary school.

In 1975, Mrs. Piner began her years at East Carteret. The chorus consisted of 35-40 students, but that soon grew to a very active IIO. While teaching at East, Mrs. Piner was also busy teaching at all the "feeder" middle schools — a very hectic schedule!

When asked to highlight a time in her teaching career, Mrs. Piner replied, "There have been too many wonderful performances and too many outstanding students to highlight any one time".

## Dedication

Lynda Leigh Strickland was the "baby" in a family with three boys and three girls. She was born in Vance County, NC. Lynda attended high school in Dabney near Henderson with only seventeen in her class. She got her teaching degree at East Carolina University.

In 1960, Lynda met Dee Rowe and married him in 1961. They have two children and so far, two grandchildren. Mr. and Mrs. Rowe have lived in Havelock since 1966.

After developing the Special Education program while at West Carteret, Mrs. Rowe came to us in 1979 and has stayed here ever since. She has been a real asset to the English department.

Mrs. Rowe says that when you teach, it is a 24 hour job, so now she plans direct her energies towards being a wife, neighbor, mother and grandmother.

When asked what she will miss about teaching, Mrs. Rowe answered, "I will miss loving students who need somebody, and watching individual successes."

Mrs. Rowe, you have served East Carteret in many capacities throughout the years. You co-developed the Academic Honors Banquet to put proper emphasis on the educational accomplishments of our students. You reconstructed some of your classes to give strength and support where it was most needed. When various students needed "something extra", you always found a new way to provide it. You have made a difference.
