EAST WIND

This year, by coincidence, the EAST WIND has been dedicated to two women who are both in the guidance department. We would like to honor these two for their devotion to students as well as their patience and fortitude.

THANK YOU, MRS. RES-PESS AND MRS. KAPPEL!

Lena Taylor was born in 1933, in her parents' home in Sea Level. She attended and graduated from Atlantic High School in 1951. Miss Taylor then attended East Carolina College, where she was active in the East Carolina Playhouse. She received her degree in Grammar Grade Education and began teaching in New Bern. After that, Miss Taylor taught in Atlantic and Salt Lake City, Utah. While supporting herself by teaching, Miss Taylor earned her Masters degree in counseling and guidance at Bringham Young University.

Miss Taylor worked at West Carteret from 1965-1973. "Miss Lena" became Mrs. Ruel W. Respess in 1971. Mr. and Mrs. Respess had a daughter, Mary Elizabeth, in 1973.

Mrs. Respess is an active member of the Church of Latter-day-Saints. She taught early morning, (6:30 AM!) seminary at Harkers Island for three years. She currently teaches adult Sunday school.

Mrs. Respess has worked at East Carteret since 1982. She is the head of the Guidance department, and runs the Scholarship Committee. "I enjoy the close relationship of the staff in the counseling center," says Mrs. Respess. "I am especially pleased when young people set and achieve their goals. My real love at school is being able to present deserving seniors with the great news of scholarships, and seeing the wonderful things happening to seniors."

Many students have enjoyed the tiny little notes of encouragement and praise that Mrs. Respess is known for, and will miss them after her retirement this spring. Best Wishes!

DEDICATIONS

While working at East Carteret, Mrs. Kappel had another daughter, Becky. Now, Mrs. Kappel is the Drop-Out and At-Risk counselor. She is also the chairperson of the Student Services Management Team. Mrs. Kappel has been a class sponsor, chorus assistant, and sponsored several of the best proms East Carteret has ever seen. She has helped organize Project Graduation since it's creation in 1987. She has just been named Certified Non-teacher of the Year for Carteret County for 1993-94.

Mrs. Kappel is a member of St. Egbert's Church and has been in the choir for nearly twenty years. Occasionally we get to enjoy her singing at our own assemblies. Mrs. Kappel has touched the lives of hundreds of students, and we hope will continue to do so for many years.

Elizabeth Geller was born on March 11, 1947. Later in Dayton, Ohio, she attended Carol High, but graduated from high school in Izmir, Turkey. She left her family in Turkey to attend Bowling Green University in Ohio, where she met Donald Kappel. The two were married in 1969, one week after graduation.

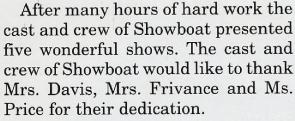

Mrs. Kappel earned her degree in Social Working, and became a Social Worker, soon after graduating. When their daughter Carrie was born, Mrs. Kappel became a full-time mother for a few years. Shortly after moving to Smyrna in 1975, Mrs. Kappel began substituting at East Carteret. She was then hired as the In-School-Suspension teacher for several years.

After many hours of hard work the cast and crew of Showboat presented five wonderful shows. The cast and crew of Showboat would like to thank Mrs. Davis, Mrs. Frivance and Ms.

PROM WORK '94

The Junior Class worked very hard to prepare for the prom. A lot of time, money, and understanding were needed to accomplish the task at hand. Thank-you, Mrs. Smith, Mrs. Danilowicz, and Mr. Barker for your guidance, time and effort.

The Junior Class would like to dedicate the prom to the Seniors, who have made an inspirational difference in all our lives.

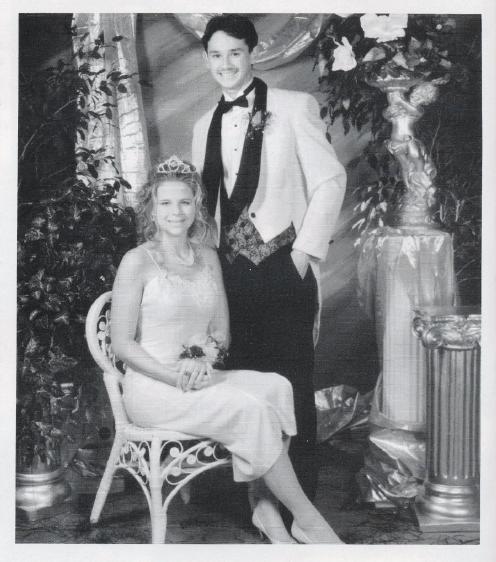

When I Fall In Love

It was an exciting evening as the students arrived at the prom. Not only was the gym transformed into a beautiful dance arena, but we saw students also transformed into personalities different from their day to day selves. As the evening progressed, and anticipation heightened, Alison Styron and Michael Goodwin were crowned Queen and King by Mrs. Smith. Clifford Guthrie and Sabra Tosto were also crowned, as Prom Prince and Princess. The Junior Class, helped by Mrs. Smith, Mrs. Danilowicz, Ms. Price, and others, put on a beautiful experience for us all. Thank you!

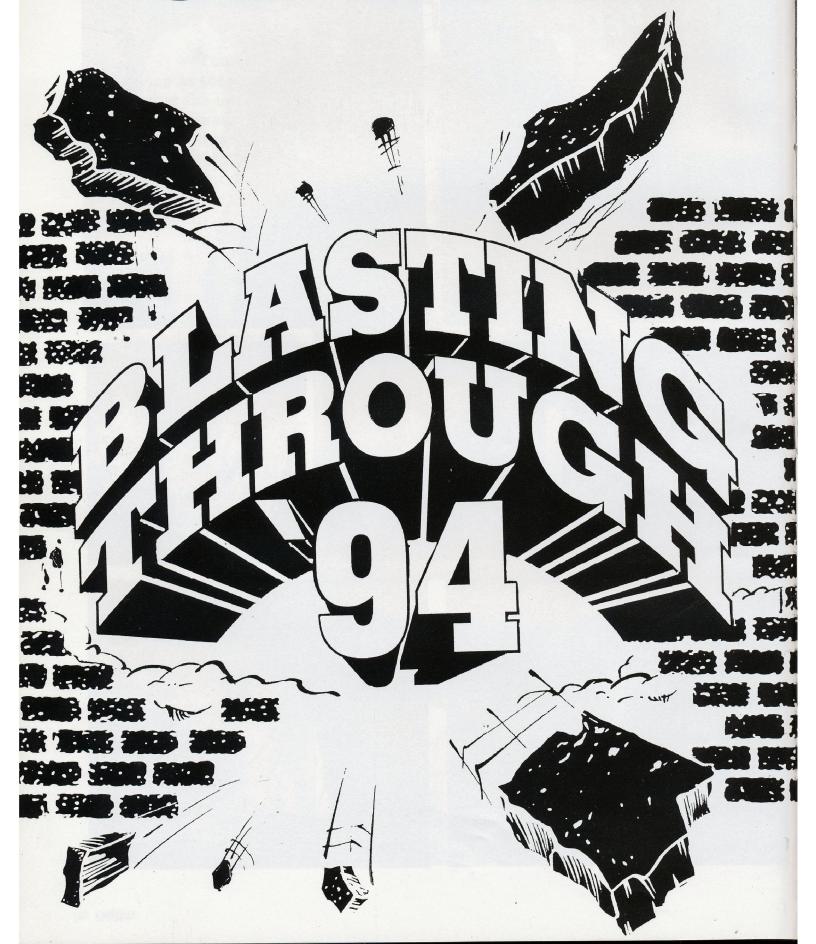

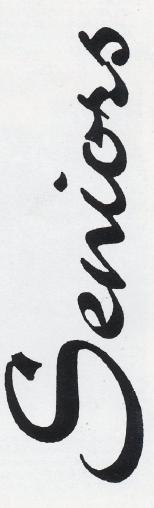

SENIORS

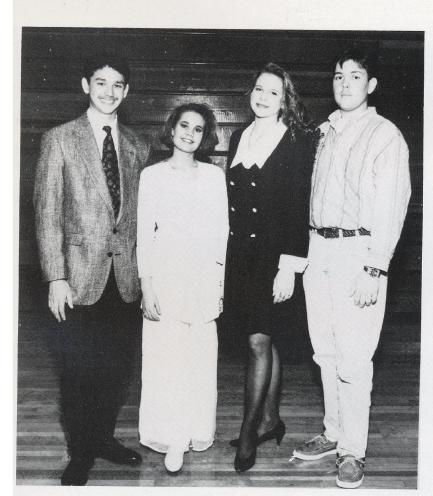

Michael Goodwin, Saundra Teel, Alison Styron, Mervin Felton.

To STRIVE, TO SEEK, TO FIND, BUT NOT TO YIELD.

Alfred Lord Tennyson

FREE BIRD Lynrd Skynrd

If I leave here tomorrow, Will you still remember me?

Well I must be traveling on now, 'cause there's too many places I've got to see.

If I stay here with you now, things just couldn't be the same.

'Cause I'm free as a bird now, and this bird you cannot change.

MEMORIES

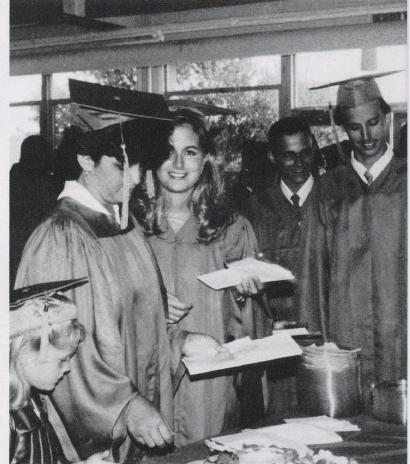

Mr. Rodney Kemp, chairman of the Board of Education, was the guest speaker at this year's Baccalaureate. He spoke of our need to have God in our lives to help us in our struggle to become what we can be. Family is another important element that Mr. Kemp stressed. Family can be defined as any unit of people that laugh, cry, grow with us and support us. We thank Mr. Kemp for his fine thoughts and inspiration.

Alison Styron led the senior class in prayer. The chorus led by Ms. Vincent sang several numbers. On this our last time sitting in the auditorium together we saw excitement, pride and even sadness in each other's eyes as we left.

ACADEMICS

ACADEMIC HONORS BANQUET

Mrs. Lynda Rowe, East Carteret English teacher who retired last year, was the guest speaker at this year's banquet. Mrs. Rowe was also the co-founder of the original banquet. She spoke of the strengths of our youth. It was evident that she has faith in us to make this a better world. We are the seeds in which all of tomorrow's flowers and hopes are to be found. We thank Mrs. Rowe for inspiring us, and giving once again of herself.

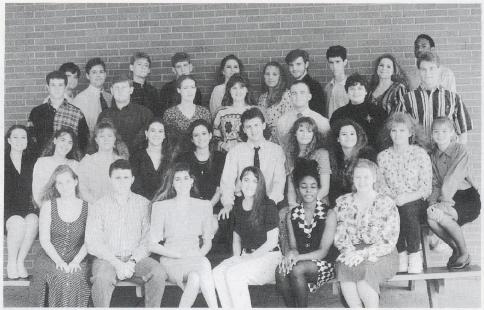

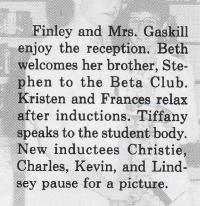

There were many students this year who earned at least an 85 in every course and an overall average of 88. By doing this, they were honored at the banquet which also serves to raise a scholarship. Although there are too many names to print here, we congratulate all honorees. Isn't it wonderful that there are so many this space couldn't hold them all?! Thanks also go to Mrs. Gaskill and all others who made the evening enjoyable.

After a few years without it, we got the MULLET BUCKET back! It takes a lot of team effort, and good coaching to do that. Coach Tom Frazier did a fine job, along with assistant coaches Mike Crusie, Tony Ciamillo, Bobby Hill and Mitch Lawrence.

Martin Ryan Brazie 1974-1994

MY DEAREST RYAN

In your arms I would feel safe and secure,
They were so strong and sure.
Your eyes were filled with warmth and care,
My dearest Ryan, when I needed you,
you were always there.

Silky smooth was your skin My heart, Ryan, you did graciously win. So perfect you were — so perfect to me.

I was yours and you were mine.
Our love for each other was true and devine.
If I'd fall, you'd always have a grip,
In my loving arms, you would never slip.

Your smile was so safe — nothing but great Your laughter was so impossible to hate. You were my strength — my friend, My heart you had 'til the bitter end.

You always showed how proud you were of me. You were the one who always let my fears free. I'd be held so close to you out in the cold, I'd always feel safe within your tight hold.

> I love you, Heather Gillikin

I know there are things we said in the past,
That today must forever last.
We'll miss the time that we spent together,
But we know they'll be in our hearts forever.

I know this isn't the way it should be,
But we all have to realize what we must see.
I wonder what that person was thinking —
Did he realize just what he was taking?

I guess this is it, we must say good-bye,
But the tears will always be in my eyes.
