I know its in there some-
where.

Waiting to hit.

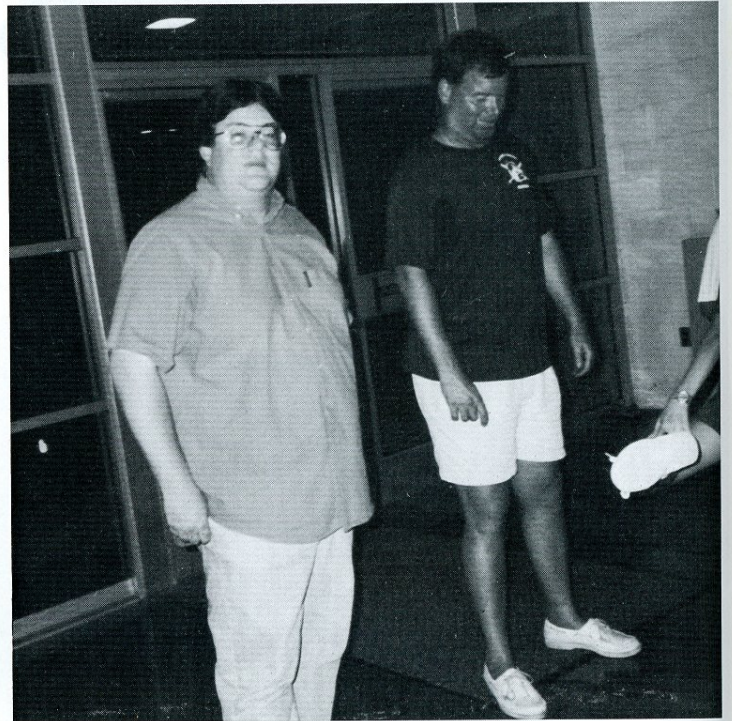

What are these girls up to?

Hi Mom!!!!

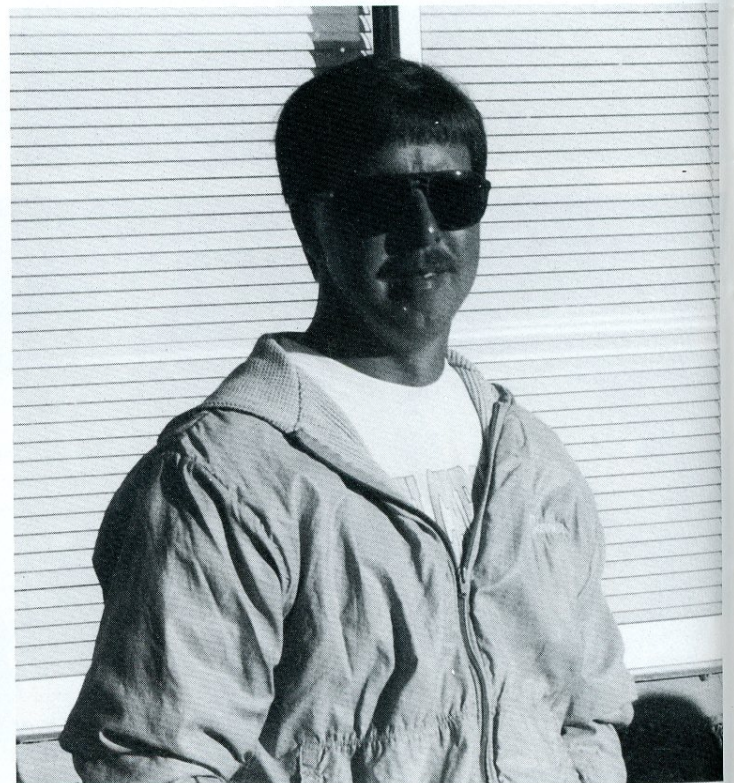

Girls make me crazy.

I don't know why he gets all the girls, I'm lovable too.

You know you don't belong here.

Mr. Big Shot, who do you think you are??

Look Mom no hands!!

Don't you wish you were cool like me?? DJ Jazzy Dave.

I've fallen and I can't get up.

Out for a stroll.

What a crazy day.

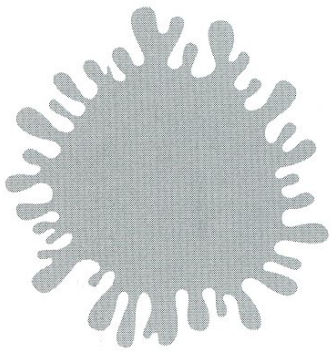

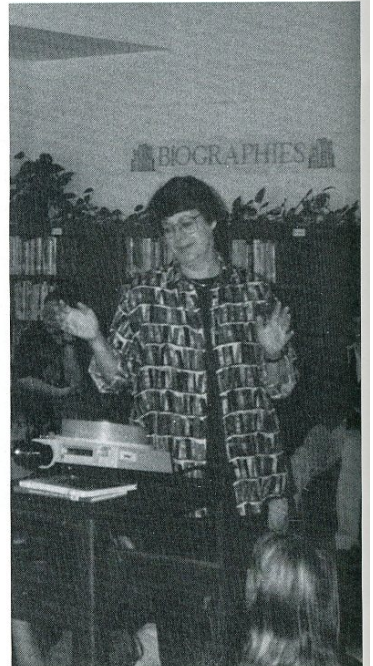

Time for refreshments.

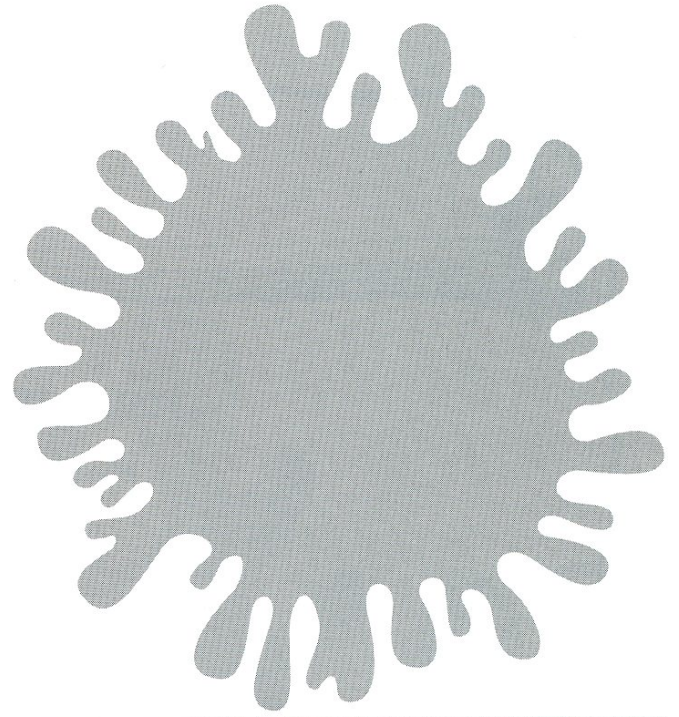

I just can't remember when I've had so much fun.

I love this place.

I just can't wait to chaperone the dance.

What is a Middle Schooler?

What is a middle schooler?
I was asked one day,
I knew what he was,
But what could I say?

He is noise and confusion
He is silence that is deep.
He is sunshine and laughter,
Or a cloud that will weep.

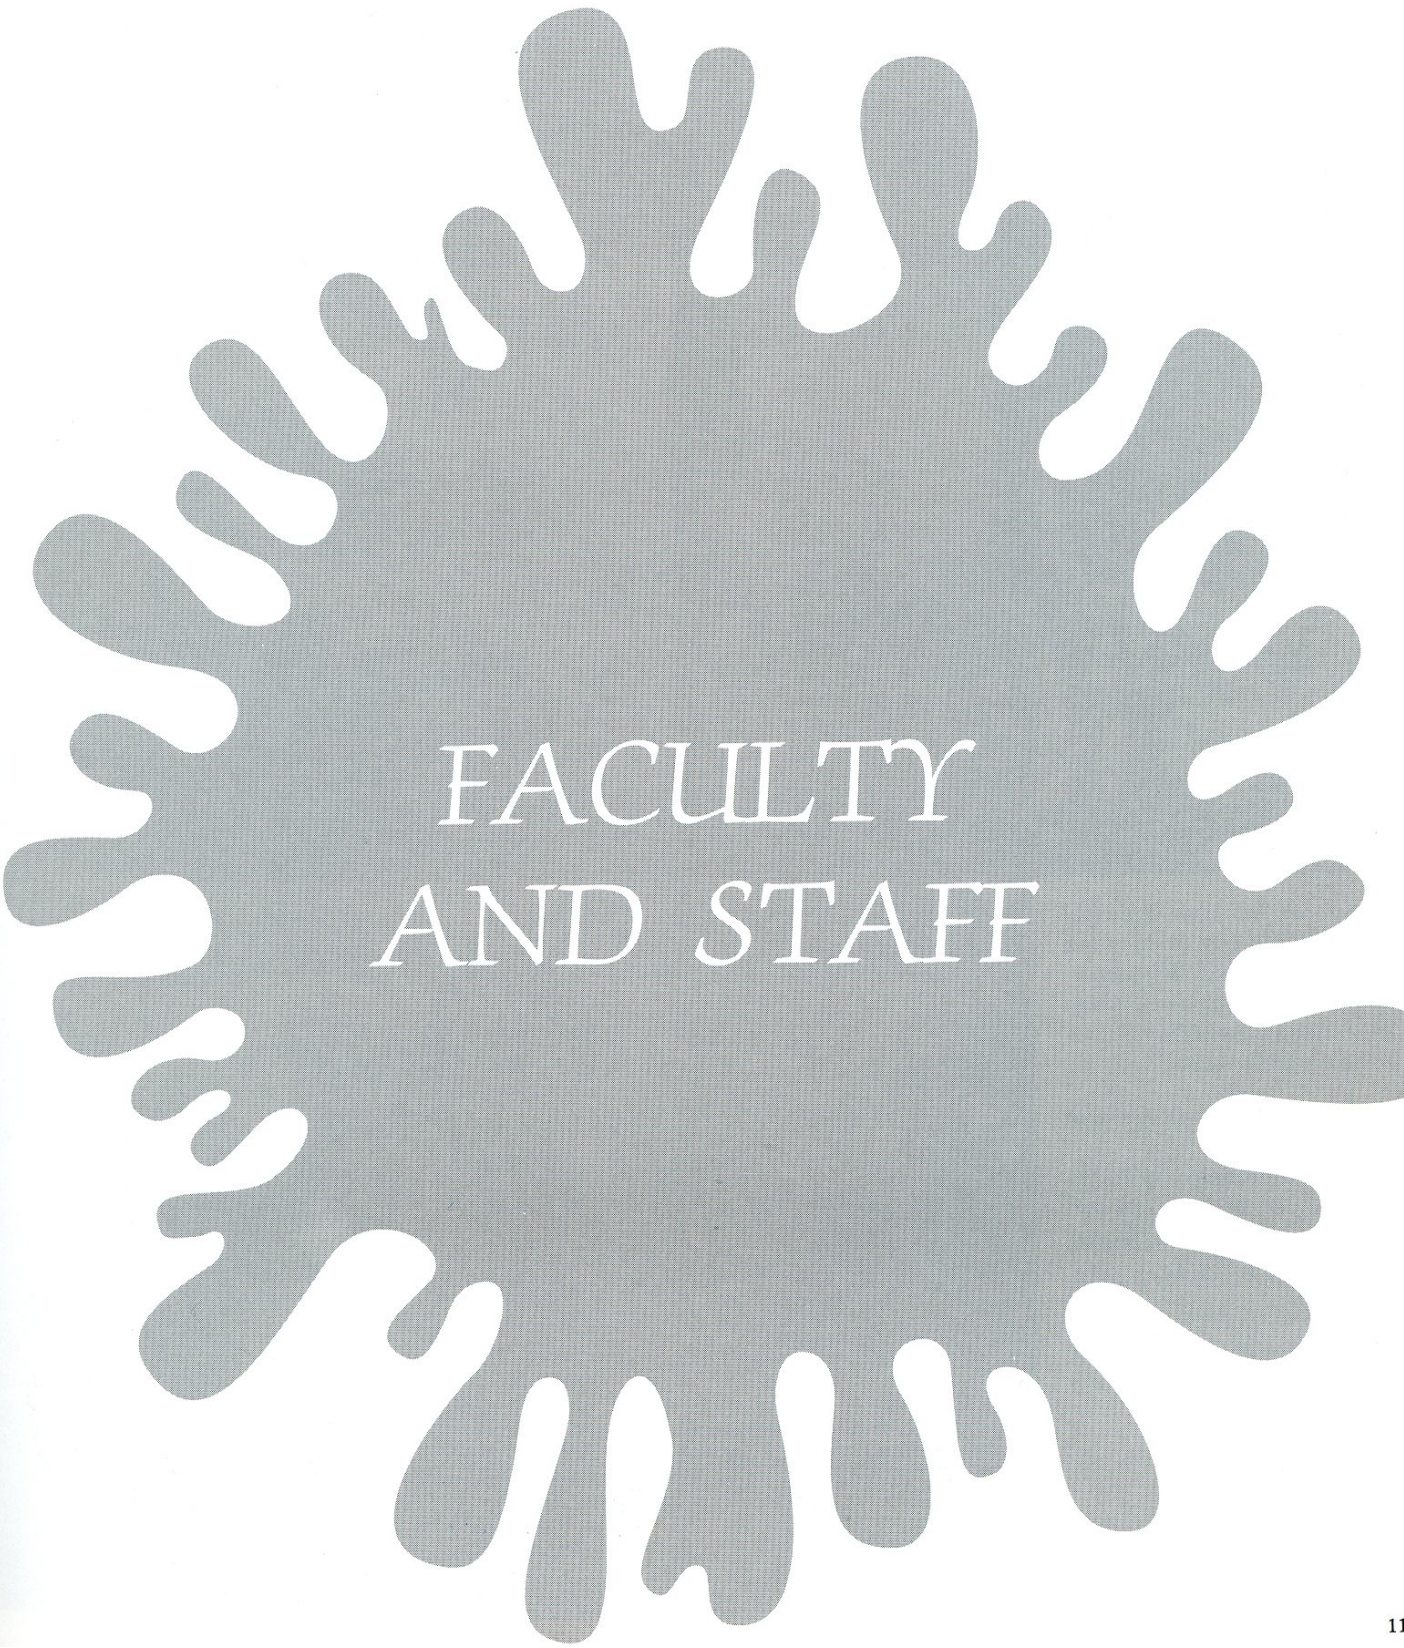

He is as swift as an arrow.
He is master of time.
He wants to be rich,
But cannot save a dime.

He is rude and nasty.
He is polite as can be.
He wants parental guidance.
But fights to be free.

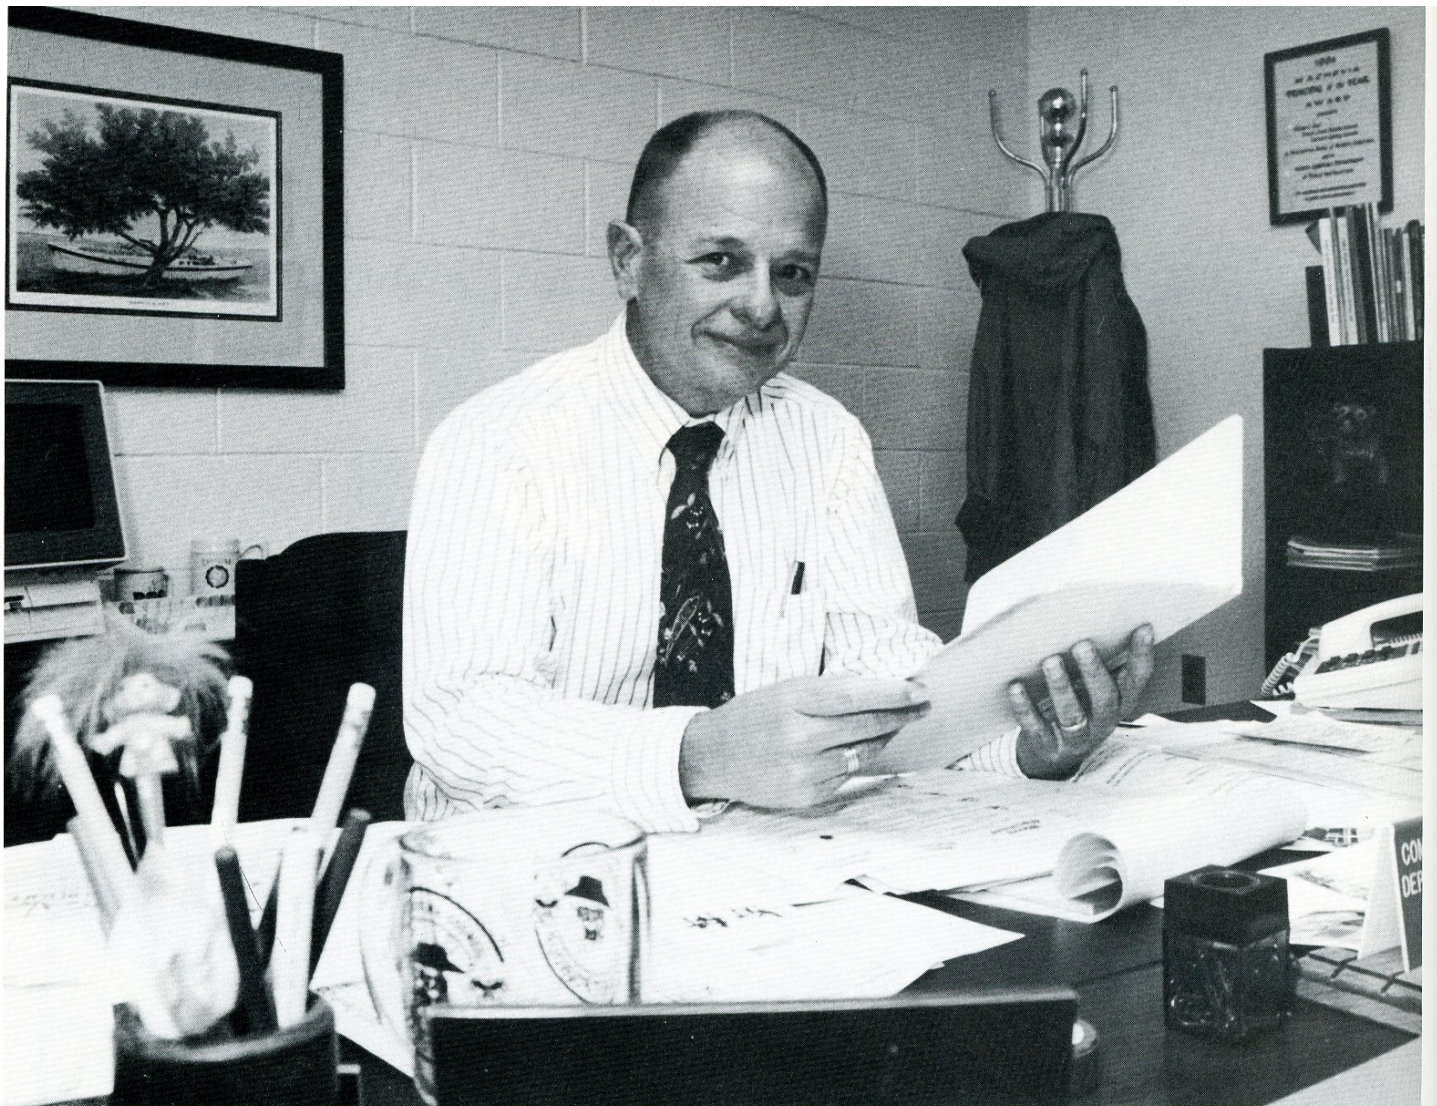

He is aggressive and bossy,
He is timid and shy.
He knows all the answers,
But still will ask "why".

He is awkward and clumsy.
He is graceful and poised.
He is ever changing,
But do not be annoyed.

What is a middle schooler?
I was asked one day.
He is the future unfolding,
So do not stand in his way.

Ashley Montague

From the book, *My Girl, I*

Weeping Willow, with your tears running down,
Why do you always weep and frown?
Is it because he left you one day?
Is it because he could not stay?
On your branches he would swing.
Do you long for the happiness that day would bring?
He found shelter in your shade
You thought his laughter would never fade.
Weeping Willow, stop your tears,
For there is something to calm your fears.
You think death has ripped you forever apart.
But I know he'll always be in your heart.

Patricia Hermes

July 31, 1981 — March 24, 1995

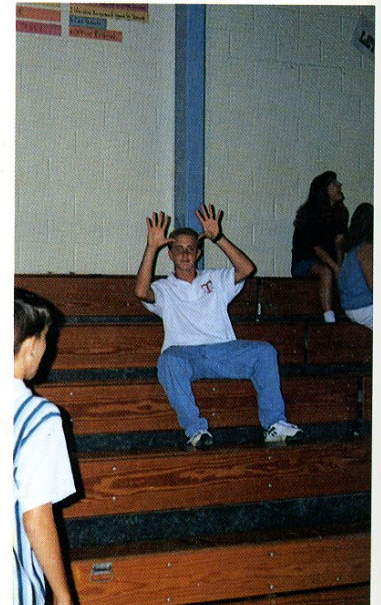

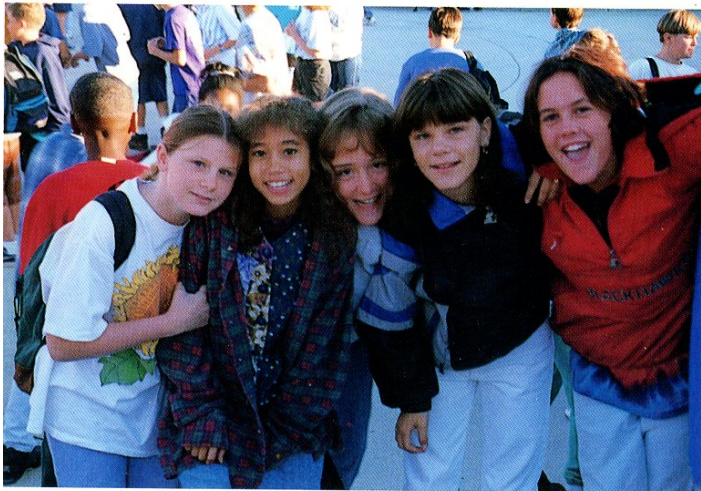

*There's more to me than meets the eye,
I'm beginning to understand:
It's what I think and how I feel
That make me what I am.*

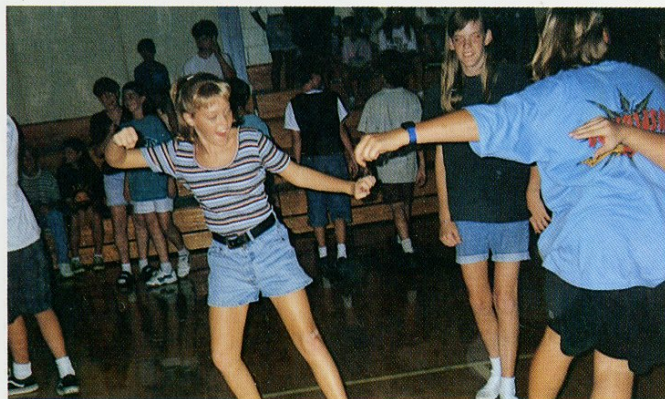

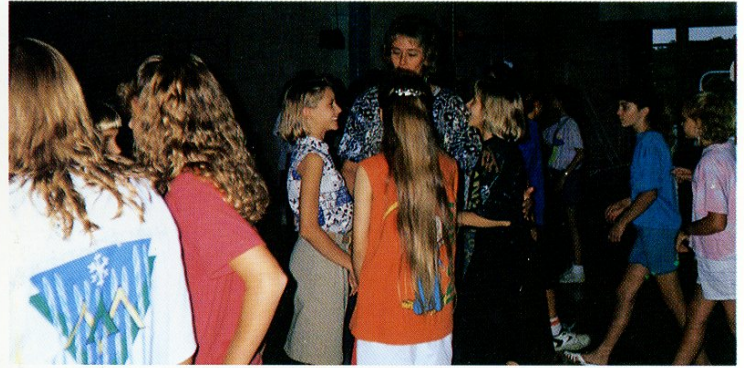

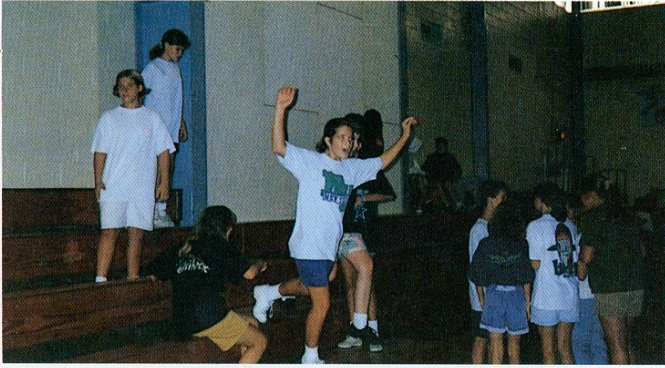

*Why do I do the things I do
And say the things I say?
What is important, and how do I tell?
I'm learning more each day.*

*I learn from friends and family,
From work, from play, from school.
I've also learned to take some time
To sit and think things through.*

*The more I learn, the more I grow,
And then the more I see
Just how much more I want to know
The Me I'm Learning To Be!*
