SCHOOL SONG

The strength of a wave as it rolls to the shore,
Reminds us of mariners who have gone before.
Of men and women who were strong and true,
Whose deeds and examples
Challenge us to follow through.

We’re Mariners, Mariners, and we’ll always be.
A part of East Carteret, our strength is as the sea.
When our days grow short,
And our youth has ceased to be,
We can cling to what we’ve been and done
As long as there’s memories.

Eli, Ballou and Stith

Homecoming 1994 was a very memorable and exciting night especially for Queen Sabra Tosto and King Josh Ausband. Elected to the court were: Miss Virginia Wheatly — First Runner Up; Miss Julie Wheatly — Second Runner Up; Miss Kelly Yates — Third Runner Up; Miss Erica Taylor and Miss Leigh Anna O’Keef — club representatives. Although we didn’t win the game this year, our guys tried hard, and as always we were proud of them. The band put on a spectacular performance complete with fire!

This year the EAST WIND is dedicated to two teachers upon their retirement. Ms. Sandra Davis retired in January and Mrs. Betty Goodwin plans to retire this Spring. Each of them has taught twenty nine years! That’s a lot of students and many experiences. Students have known them to be interested, concerned and supportive in the classroom and out. We wish to thank and honor both Ms. Davis and Mrs. Goodwin for a fine job at East Carteret! We will miss them. There are a few parallels between Ms. Davis and Mrs. Goodwin. See if you can spot them.

Elizabeth Roberson Goodwin was born in Temple, Texas on August, Friday the 13th, 1943. Because her parents Lemuel and Mary Lou moved frequently, Mrs. Goodwin attended six different schools before graduating in Clinton, NC. She received her Bachelor of Arts degree in Biology in 1965.

Mrs. Goodwin was offered a job both here and in Atlanta, GA. Preferring the slower lifestyle of Carteret County, and the beautiful environment, she chose East Carteret. Lucky for us! Mrs. Goodwin has two children, Jennifer and Bryan, both graduates of East Carteret. She also has two grandchildren, Duke and Samantha.

Elementary school began very shakily for Mrs. Goodwin. On the first day of school, young Elizabeth saw an opportunity to bolt out the front door, and ran away. She was caught and unfortunately paddled for her adventure! It got better though. While in high school and college, Mrs. Goodwin enjoyed being in the Canterbury Club (a church group), a singing in the chorus. Her chorus actually had the exciting experience of singing for President Kennedy.

The most memorable and enjoyable times of her teaching career have been the trips that she and the Biology clubs have taken to the mountains. In her retirement, Mrs. Goodwin plans to return to the mountains and attend a folk school to learn various things, especially more about the dulcimer which she can already play. She also plans to revisit Scotland, knit and cross stitch.

Mrs. Goodwin, we will especially miss your performances in the famous (infamous?) faculty group Pure Guts which gave many a student great laughs and wonderful memories throughout the years on Senior Day. Hope you have a great time, Mrs. Goodwin!
Sandra Anita Davis was born in Morehead City on September 20, 1944. Her parents, Melvin and Lula lived in Marshallberg. Ms. Davis has one brother, Larry, and two sisters, Debra and Melva Lu. She attended Smyrna school and graduated from there in 1962. After getting her Bachelor of Science degree in Foreign Language from East Carolina, Ms. Davis taught at Kinston Jr. High for one semester. Then she became ours for her remaining years of teaching! In 1985 Ms. Davis earned her Masters degree in Counselor Education.

Ms. Davis’ highlights of teaching have been the 14 trips she has taken students on outside of the continental U.S. She has taken students to Europe, Hawaii, and Mexico. Some students can thank Ms. Davis for giving them their only opportunity to see life outside Carteret Co. We can be reminded of these trips each time we see the murals her students painted in the French room.

Ms. Davis has a great sense of humor which the faculty especially will miss. Her dry wit and numerous jokes have had the lounge rolling many a time. Her interests include reading, watching all kinds of movies, and TV sitcoms. Her favorite sitcoms are Golden Girls and admittedly, Married with Children. Back in her own high school days they were I Love Lucy and The Fugitive.

In her retirement, Ms. Davis plans to attend computer classes, work out at the Sports Center, and relax. Although Ms. Davis retired on Friday the 13th, we wish her all the good luck she deserves, and a rewarding healthy retirement.

ANNIE GET YOUR GUN

Left: Henry Guthrie
Above: Ellie Lawrence and Michael Lewis

In April, the cast and set crew gave us a great performance of Rodgers and Hammerstein's classic, "Annie Get Your Gun." The talented, but not so refined sharpshooter Annie finally won Frank's heart. Frank (played by Gerald Salter) gave up his many women to be with the challenging Annie. We'll all remember the smooth style with which Matthew and Henry handled a few fun bloopers such as guns going off mysteriously. Ms. Terri Fairbanks and Mrs. Jane Warren did a fine job directing, especially for a first time. Many thanks go to Ms. Stephanie Price for all her help in choreography.

The faculty and staff, as well as the student body, had a lot of adjusting to do this year. Our teachers studied the block schedule throughout last year and almost unanimously agreed to try it for 94-95. After a strong rally at the Board of Education meeting, it was decided that East Carteret would be allowed to go ahead with the 4 x 4 schedule. This meant very many off-hours spent planning new ideas. With the 4 x 4 schedule, new teaching techniques and styles were required. Our teachers, staff and students adapted well, and the year went more smoothly than ever expected. Of course there were challenges to meet, but overall, our scores improved, the dropout rate decreased drastically, and student and faculty attendance was up. Enrollment in elective courses improved, as students now had time for additional classes. Kudos to East Carteret administration, faculty, staff and students, for making this most challenging year a definite success!!!!

FRESHMEN
The freshman class of 1998 has set the foundation for our high school education this year. We have learned to possess many fine qualities such as responsibility, dependability, and even confidence. On the side, we managed to make a few new friends. With a little luck, and a lot of hard work, we will learn exactly what it takes to be successful in life.

TIMELESS

Our 1995 Prom was a beautiful success. Mrs. Stephenson, Mrs. Waters and the Juniors did a great job! The theme TIMELESS was represented by the Parthenon, Greek figures, and some well known personalities in their togas. (see page 134) The DJ provided us with a true mix of contemporary music and old favorites. We had a lot of dancing, and some had fun doing the electric slide. Thanks Juniors for a fine time!

Senior Day was great fun. "Pure Guts" sang "We're Sorry You're Going Away". Mrs. Betty Goodwin was in the very original Pure Guts back in the early '70's and made her last appearance. Can you tell who the other "gutsy" people are? Then, the bodacious "Mamasotas" came out in all their glory! They had us all laughing — or was it crying? Finally, Ms. Price demonstrated sign language as Ms. Raines let us hear her beautiful voice.

Kizzie, Diane, Theresa and Sandy sing words of encouragement.
Seems just like yesterday we stood and introduced ourselves, and now we’re saying our good-byes. Seems just like yesterday everything looked so very big, but now it’s just half that size.

We have grown so much in such a little time, we started at the bottom and now we just finished the climb.

Senior Class Song

REMEMBER ME
by N/D

Remember me . . . Everytime that you look back
Remember me . . . Everytime that you look back
and I know we had our problems, and I know we’ve had our days.

SENIOR MOTTO

“Reach high, for stars lie hidden in your soul.
Dream deep, for every dream precedes a goal.”
— Voell Star

Mascots: Gabrielle Wallace, Nicholas Baker

I’ve been pushed around I’ve yelled unfair
Your want to talk about tears
Well I’ve cried my share
If it were up to me I don’t know what I would do.
Would I stay? Would I run?
Would I cry for you?
Baccalaureate services began with Vicky Bodemuller on keyboard. Dawn Lewis gave the opening address, which led into a performance by the Mariner Singers. Joel Fodrie introduced our speaker, Rev. Donald Crooms who spoke to us about our motto. The Mariner Singers entertained twice more under the direction of Mrs. Warren, then Cara Brickhouse gave the closing remarks. Seniors and their families met in the cafeteria for refreshments given by the Junior class parents. Many thanks go to Mrs. Walker and all those who helped.
PROJECT GRADUATION

Project Graduation is an all night party sponsored every year by the businesses in Carteret Co. It gives graduating seniors a fun, safe place to celebrate. Live entertainment, free continuous food, door prizes, and partying is just part of it. Some people like Ryan get to skate (?) for the first time, and others try their hand at mock gambling. Shortly after midnight, all interested guests are bussed to the movies for a free flick.
The 1995 graduation was held in the gymnasium. It was quite warm, but we made it through. The band performed exceptionally as usual. Opening remarks were made by Cara Brickhouse and introductions by senior class president Matthew Kirby-Smith. Lindsey Willis gave the welcome. After Mr. Walker announced all the honors, Dawn Lewis presented the school with the class gift. Speeches were given by Michael, Tressa, Virginia, Ryan and Courtney. N/D (Natural Disaster) performed while Michael sang Remember Me. Co-Valedictorians Joel and Christie gave the farewell addresses. In conclusion, Lisa Beacham said the closing remarks and graduates marched out and on with their lives.

Smile, ladies!
Look at it all! From visiting Japanese teachers to "Richie Claus", to solo songs and group serenades. We saw some unusual cheerleaders and talented athletes. There were animal sounds as well as magic in the air. We saw "dummies" and actors. We had an overall good time!
EVENTS
ROWING

Our second year of rowing was even better than the first. The East and West teams rowed together and raced each other often. For Kidsfest, the East and West teams combined to race against a group of policemen. The victory was ours! The East/West team pulled ahead at the end and won. Ms. Price is the rowing sponsor and Mrs. Dizy Brown is the coordinator of the Beaufort Oars. We thank them for their help and support. Seniors Elizabeth Way and Finley Lloyd received the rowing award presented by Ms. Price.

Soccer is not an easy sport. These guys have displayed great endurance and ability. The soccer team finished their season with a record of 9-9, and advanced to the State Play-offs where they defeated N.C. School of Science and Math, the number one team in the region. They lost in the second round to Southwest Guilford, who went on to win the state championship. The team played well together and worked as a unit. We will miss the seniors who gave a lot to the team, but as Coach LaPointe says about the returning players, “I have high expectations.”

Janie Glancy was named Eastern Plains Conference Player of the Year for the second year in a row! Janie Glancy, Christian Bivens, Donna Smith, and Sara Nelson were named All-Conference players. The team had a very successful year. The only loss was in the State Championship against Elkin. East Carteret was number one in the conference as well as the Eastern Region. After winning the Eastern Region tournament they advanced to the State Tournament in Chapel Hill. Although Duncan W. and James M. won singles the team still lost 2-7.
The Mariner Award is given to one or two outstanding scholar athletes. This year the award goes to a senior girl who was active in several sports. Elizabeth played softball, basketball, volleyball, track, and was on the rowing team as well! In addition to all this exercise, Elizabeth maintained an average of which to be proud. Elizabeth often volunteers her time to extracurricular activities such as the completion of this yearbook. We’re proud of you, Elizabeth!

DEDICATED TO THE CLASS OF ‘95
Most of you came to us in ’76 and ’77,
And made us feel we’d been given just a little bit of heaven.
We smiled with pride as you grew and sang
Winnie the Pooh,
Dressed up as Darth Vader and went Boo!
Kindergarten began your trek out into the world; you were no longer our babies
But were fast becoming fine gents and ladies.
Occasionally there were bumps and falls
But none would compare to those given while fighting for the Mariner ball.
Your many deeds and accomplishments have brought us fame;
Without you we’ll no doubt feel lame
From your conference meets to the track heats
From being the quiz bowl winners
Against that school across the river
Class of ’95 just remember
Memories of you will stay alive
As long as the halls of East Carteret are tread
You’ll always be MARINER BRED
