WHO IS TOP OF OUR WORLD IN 1995? IT IS MRS. DELORES MOORE!

The 1995 *Pirate* is dedicated to a lady who has given her best to teach young minds. Her philosophy on teaching is to "treat each student as an individual," and that is just what she does. Mrs. Moore is always there to listen to our problems and to lend

a helping hand.

For the past twenty-three years, Mrs. Moore has been at school, ready to teach with a smile on her face. She has taught many subjects, that include office practice, accounting, shorthand, and typing. There aren't many Swansboro graduates who can claim they have never heard her say, "A,S,D,F, J,K,L,;." Mrs. Moore has also been a key part of several clubs through out the years, but her happiest times have been spent with the Black Culture Society.

Mrs. Delores Moore, we give you a warm THANK YOU for your many hours of selfless ded-

ication to our school.

PAJAMA

On April 29 & 30, 1994, Swansboro High School produced the musical, *The Pajama Game*. With the help of main characters Billy Oaks (Hines), Jay Grimmett (Sid), Jennifer Licko (Babe), Steven Hamilton (Prez), and musical directors Dan Farina and Jay Parker, the production was a huge success. The musical's general plot dealt with the workers of the Sleep Tite Pajama Factory. They wanted a seven and a half cents raise or they would strike

In every musical there is a love story. This love must arise from some kind of conflict, otherwise the audience will not be drawn into the characters' emotions. This conflict arose when Joe (Joe Jackson), a factory worker, was beat up by Sid. Joe in turn goes to the grievance committee who is headed by Babe Williams. Sid and Babe fall desperately in love but are torn apart because of the disagreement between management and workers. The factory workers go on strike and finally receive their seven and a half cents raise. The musical ends happily with the workers satisfied and Sid and Babe married.

We would like to thank all of the cast and band members who made this musical a success. THANKS GUYS!

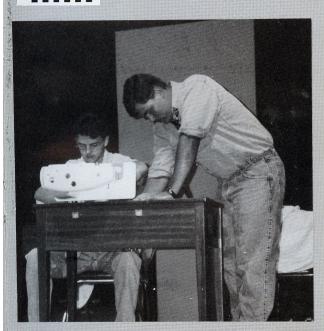

"I'm Not At All In Love" claimed Babe and the girls, but they were soon singing a different tune.

... Charles, I can't let the audience know that I forgot the next line.

Cash-O-La, Senior Service Day, North Carolina Shakespeare Festival Presentation, Mount Olive College Singers featuring Swansboro's own Phillip Crawley, and Prom Promise festivities...

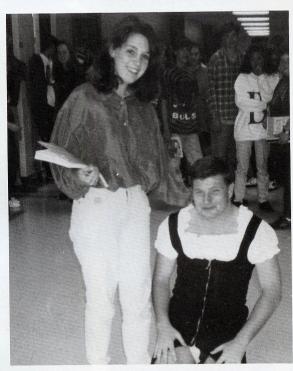

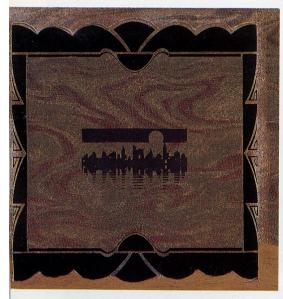

Swansboro High is definitely full of school spirit. From Senior Service Day to Prom Promise, all students enjoy participating in the many different functions.

Among the activities were the Globe Shakespeare Theaters presentation for all freshmen and senior English classes, the Cash-O-La at Burger King, which was a project graduation fundraiser, and the Mount Olive Singers. Where ever you go and whatever you do, you will always see Swansboro students working hard and enjoying the activities provided for them.

As for the fundraising events at Swansboro, the Cash-O-La raised \$525.00 and Senior Service Day brought in an astonishing \$1,500.00 This helps upcoming seniors receive top quality senior memorabilia.

The Junior-Senior prom of 1994 was held May 21, 1994. The prom was a magnifying experience for all. The juniors and their advisors spent many long hours decorating and making sure everything fun was shared by all. Laughing and dancing were experienced throughout "the still of the night." Memories of this good time will be remembered forever.

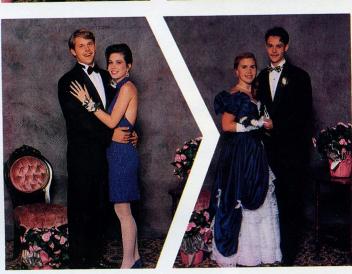

Becoming Prom King and Queen is one of the highest honors a person can receive, and on May 21, 1994 two very special people were crowned. Everyone was silent as the djannounced, "The Prom King and Queen for 1994 are . . . Dia Hinson and Mike May."

Swansboro High School's Marshals have worked hard since they were Freshmen to be top of their school. Their reward is to be given a Marshal stole at the end of their Junior year. To receive this title, a student must be in the top ten percent of their class, and they must be in good standing with the National Honor Society. Their duties include Open House, the musical, and Graduation. Congratulations to the 1994-1995 Marshals!

Custodial and Cafeteria Staffs

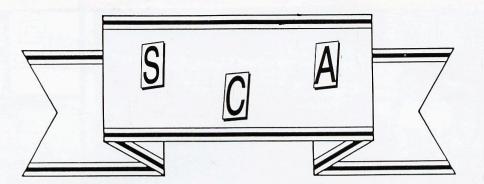

Inell Purvis and Linell White

The Custodial and Cafeteria staffs of SHS play important roles in making the school run properly. The janitors work hard all day cleaning and keeping the school looking nice while the cafeteria staff prepares delicious food for the students and teachers. Both squadrons deserve two thumbs up for their part in making the school operate suitably. In fact, many would venture to say that our Custodial and Cafeteria staffs are top of the line.

The Student Council Association is the heartbeat of Swansboro High. They plan different events throughout the year such as Homecoming and Senior Service Day. Each year they hold several fundraisers to raise money for our school. There are two representatives for each grade, plus four officers who are in this club. The officers are President — Carrie Hewitt, Vice President — Renee Williamson, Secretary — Vicki Perez, and Treasurer — Diana Kimmel.

Inter-Club Council is a new club at Swansboro this year. To become a member of this organization, a student must be the president of another club. This group is in charge of many different activities during the year such as Christmas Cheer. The Inter Club also produces the televised announcements each day. Mrs. Ladley, Mrs. Whitfield, and Mr. Wells are the advisors of this group, and the officers are President — Renee Williamson, and Vice President — Carrie Hewitt.

Lunch Monitors

Swansboro High School's Lunch Monitors are always on top of the action. Eleventh and twelfth graders volunteer to give up their lunches to patrol the halls of our school. The lunch monitors are rewarded with a pizza party at the end of each year. Thank you to the monitors for their dedication to SHS.

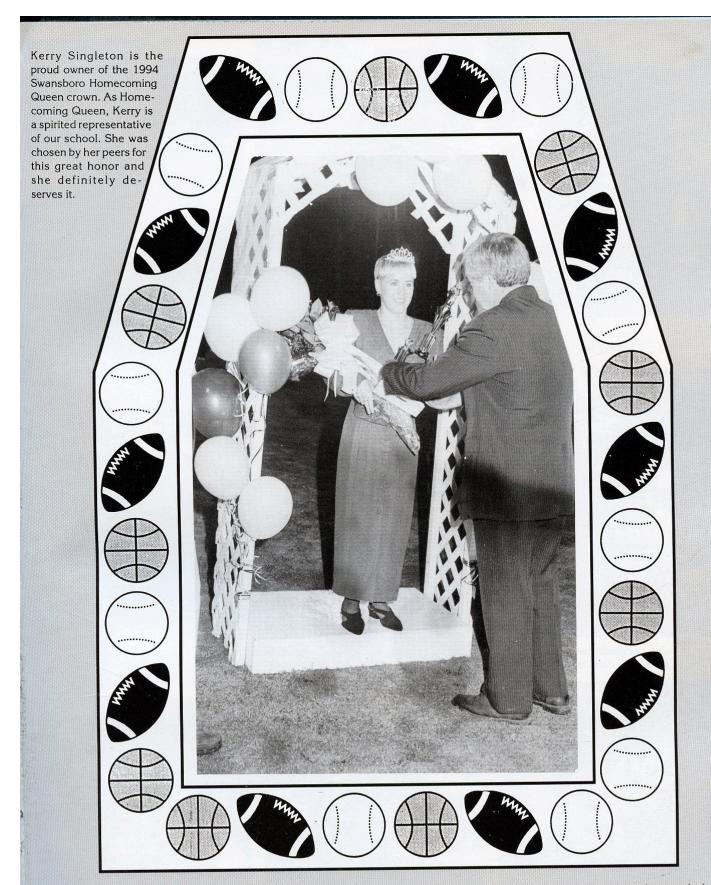

Black Culture Society

"Love and Unity" is the motto of the 94-95 Black Culture Society. The members of the society are "striving to be the best they can be" at school and abroad. The 19 members of the club participate in various fund raising activities in order to promote growth and cooperation amongst themselves and in their community.

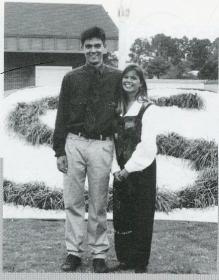

During the course of Homecoming Spirit Week, students dressed up and went to school events as a way of showing support for Swansboro High. Students here have a lot of school pride. When we think of pride, we automatically think of our sports teams. Every Thursday and Friday night during the fall, hundreds of Pirate fans pack the football stands to cheer on their team. They also show enthusiastic support for Pirate championship volleyball and soccer teams. During winter, basketball lovers enjoy watching Swansboro's sharp shooters rack up the points on the scoreboard. In spring, thrilled Buccaneers love to go out to the ball game and cheer for our baseball and softball teams. The golf team gets our support as they try to putt their way to every win. Also, the track and girls soccer teams are greatly admired as they hustle their way to victory. The half time shows at the varsity football games are performed by the Swansboro Marching Pirates and Dance Line. They always get a tremendous response from the crowd and help to pump them up for the second half. During the football and basketball games, spectators often watch and admire the cheerleaders. Cheerleaders are the very symbol of spirit at any school. They organize spirit events and pep rallies. They are great representatives of Swansboro High School. School pride is alive at Swansboro. Win or lose, we continue to

Your new 1994 Homely Homecoming Queen is Jaquelyn Humphrey.

The cheerleaders seem to love Corena Morris.

This year's homely homecoming drew an array of stunning contestants who were almost as beautiful as the actual homecoming court. The "ladies" strutted their stuff for their many admirers Wednesday night. In a very close contest, the wonderful, sexy Jacquelyn Humphrey was crowned Swansboro High School's 1994 Homely Homecoming Queen.

October 10-14, "SPIRIT WEEK!!" A week which everyone looks forward to. Comical costumes, fun activities, and most of all SPIRIT!! That's what spirit week is all about. Varsity cheerleaders sold buttons, ribbons, and pom poms and encouraged everyone to wear them all week. Monday was a teacher work day, but we worked around that, and everyone was invited to come to the school at 10:00 and help decorate. A few people showed up to decorate the sidewalk with chalk, and to paint the windows. Tuesday showcased the real spirit competition. The freshman class had to "nerdify the 'cats'." Sophomores had to "knock the 'cats' back in time," Juniors had to "confuse the 'cats'," and Seniors made the "'Cats' see double." Wednesday was mourning day. There were plenty of mourners clad in black clothing "sobbing" by the casket at the funeral during school. That night we planned the traditional Bon Fire, but due to the wind we held a big pep rally instead. Entertainment included the "Manly Cheerleaders' and "Miss Homely Homecoming." It was a fun time enjoyed by all. Thursday the Pirates had it their way. Varsity cheerleaders decorated Burger King hats and passed them out to everyone. Friday was the Big Day!! It showed us our "true blue" spirit as "Blue and White" day. As a result of the rain, the game was postponed until Monday night. Despite the delay, everyone was in good spirit to watch the "Homecoming Parade" and the football game.

SUCCESS NOTHING LESS

(Below) Joe Jackson and Rachel Reeves seem to be pretty upset after hearing the emotional sermon given by Rev. Jason Humphrey. (Far Below) Those manly cheerleaders really know how to strut their stuff — GO BLUE!!

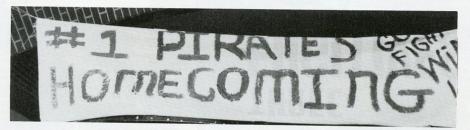

(Above) This sure was a ghostly sight. It had everyone looking forward to Friday's football game. (Below) The manly cheerleading squad consisted of: Derrick Wade, Jeff Sales, Jeremy Turner, Jason Maki, and Brian Ingram.

On Wednesday Oct. 12, the SHS student body held a memorial service for Richlands Wildcats. The guest of honor at the funeral was brought in by senior pallbearers Derrick Wade, Abe Kent, Mark Wilkinson, and Leland Vinson. The Reverend Jason Humphrey was on hand to give the eulogy for the Cats. His stunning report of the game, along with the mourning music played by Charles Brown and Krys Tetterton, brought the varsity cheerleaders to tears. We would like to thank the crowd for helping us make this a truly "memorial" event.

BACK BACK

STATE CHAMPS '94

Champions again!! Winning one state championship is a thing most players and coaches can only dream about. Defending a state title is almost unheard of. Yet, that is exactly what the Lady Pirates accomplished during the 1994 season. Under the leadership of Coach Joan Riggs and Anita Giardina the Lady Pirates made SHS history with their seventh appearance in the state finals in the last ten years. The 30-1 record was Coach Riggs' best yet and enabled the Pirates to win the conference championship for the eleventh time in the past fourteen years and the state championship for the fourth time.

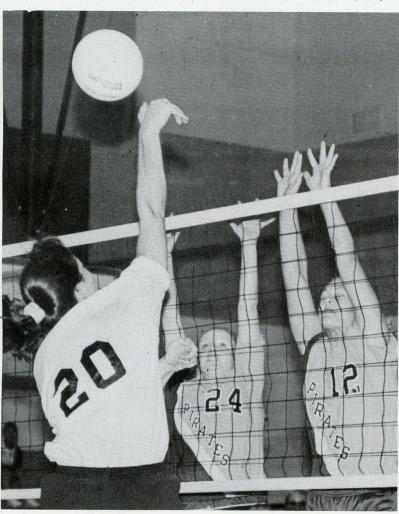

The Pirates were led by Coastal Plains Conference player of the Year Rachel Reeves and All-Conference players Natalie Moore and Carrie Hewitt. Although these three players will be missed next season, the Pirates are making plans for yet another appearance in the 1994 state finals.

Happy! Happy! Joy! Joy!

The 1994 Pirate soccer team had another great season. Piloted by senior captains Wyatt Panos and Jason Stanley, the Pirates captured their twelfth consecutive Coastal Plains Conference crown and another 20 win season. The Bucs made a good showing early on in the year by winning the New Bern In-vitational Tournament and beating some quality soccer teams along the way. The Pirates downed Jacksonville in New Bern for the first of three times this season and went on to defeat Wilmington-Hoggard 4-1 in the finals. The Bucs campaign ended in the third round of the state playoffs at our very own Swansboro Stadium with an overtime loss to Southwest Guilford, the eventual State Champion. The Pirates finished up the season with a record of 23-2-1.

The 94' Football team surprised everyone this year. With their 4-8 record overall, the Pirates finished Fourth in the conference. The squadron's offense was sparked by #20 Marvin Morris and #24 Lee Hill. Defensive standouts included #74 TJ Marek and #35 Roger Pickett. Due to the superb coaching of Jim Sheehan the Pirates made it into the first round of the 1A State Playoffs, where they lost to Midway.

Under head coach, Ed Walsh, Swansboro's varsity boys team, had a fairly successful season. The Pirates arrived at every game determined and ready to play. This attitude helped them to together as a team, and as a result they beat several conference rivals. Who ever said hard work doesn't pay off? We look forward to seeing this same competitiveness in future seasons.

The young Lady Pirates looked to 1994 as a building season. Without any seniors, the underclassman were able to make tremendous strides. The Lady Bucs were very competitive and improved as the season moved on. Both skills and knowledge of the game grew as the girls matured. The foundation for a successful future was laid and the horizon appears full of promise.

The 1994-95 J.V. Cheerleading squad was composed of enthusiastic and spirited freshmen and sophomore girls. These young ladies led the crowds at football and basketball games with cheers and chants. They have gotten many compliments over the past year from peers and adults as being an excellent team in both talent and spirit. Many thanks go to the coaches Mrs. Mull and Mrs. Ladley for their hard work and dedication. Their knowledge and experience in cheerleading carried over to the girls and helped to make them better athletes.

VARSITY CHEERLEADERS

(Above right) You can tell how many Varsity Cheerleaders have been through braces. (Below) The three seniors: Karen Toher, Bobbie Fuher, and Gina Valenti.

SUCCESS

The 1994-95 Varsity Cheerleading squad consisted of the following: (front, I-r) Captain — Gina Valenti and Co-Captain — Karen Toher; (second row, I-r) Kathleen Rose, Mandi Mull, and Kylene Rose; (third row, I-r) Bobbie Fuher, Sabrina Dupey, Julie Jones, and Jennifer Wetherington, (fourth row, I-r) Lynn Carpenter and Michelle Carpenter.

The 1994-95 season has involved much more than the traditional few claps and motions to a cheer. The team soon learned that a lot of learning was about to take place. The Varsity squad consisted of four sophomores, four juniors, and three seniors. Much of the squad's time went into preparing for the football games. This involved many hours of hard practice, as well as the infliction of many bruises. Yet, when we sent Michelle into an extension or Gina soaring into a single stand and then heard the crowd roar with approval, the squad knew that all their efforts had paid off.

The majority of our time went into preparing for the North Carolina State Cheerleading Competition scheduled for January 29, 1995. We would be returning as the 1994 Division 1-A State Champions. We had to show them again how it is done.

pions. We had to show them again now its done.

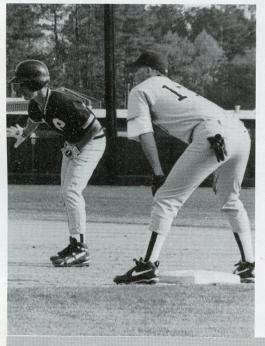

Beyond competing, the cheerleaders acknowledged that their main purpose was to back the other Pirate athletes and lead the crowd in cheering. With the football team going into the 1994 state playoffs, they were always seeking new ways to ignite the fans.

Many thanks go out to Mrs. Ellen Sheehan. Ellen has devoted not only her time but her enormous talent and spirit. In May of 1994 the Varsity Cheerleading squad was chosen. Unlike any other athlete, a cheerleader will cheer all year. We endure an average of six hours of practice a week, not including games. We have participated in many activities including the annual yard sale, Toast of the Coast, Spirit week, Homecoming game, and especially State Competition. Throughout all the functions, activities and competitions cheerleaders lend a helping hand, which makes eleven more people from this school come out on the "Top of the School."

The girls were consistent throughout the season and finished with a 12-5-4 record which earned them a berth in the state playoffs where they eventually lost to South West Guilford. For the girls, it was not only a learning experience, but lots of fun as well.

MUSIC DEPARTMENT

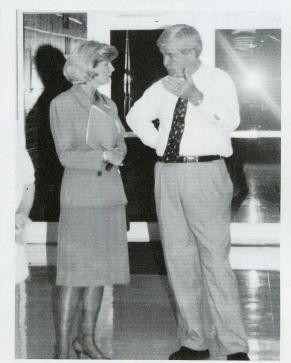

Swansboro High school's annual open house took place on October 25, 1994 from 7:00 pm to 8:00 pm. Open House is a time for parents to meet their Sons' and Daughters' teachers and to check out what's happening in classes. This is also an opportune time to showcase clubs and their activities. This years turnout was especially high because of the SAT Honors Banquet, which was held for the students with an 88 average or better in grades 10-12.

The SAT ceremony was presented by coordinator, Dr. Kay Gresham at the central office, and School Counselor Dianne Hurdle. They presented 63 members of the class of 1997 with the first pin.

Receiving the second pin were 42 members of the class of 1996, and 33 members of the class of 1995 were awarded with the third pin.

At the end of their senior year, students may receive the highest award, a \$500 Scholarship. To achieve this award, a person must have taken Scholars Curriculum for all four years, and must get a score of 1,000 or better on the Scholastic Aptitude Test.

By working hard in our communities and our schools for SAT Awards, we prove that the students of today will be tomorrow's notable leaders.

For the 10th consecutive year, Swansboro High School has hosted a community blood drive. The blood drive, held on November 10, 1994 was the first blood drive this year in Onslow County. This annual event, sponsored by the National Honor Society, has been going on for many years, but for the first time in our new school, the blood drive was in the gym. The toys were given to the White Oak **Ecumenical Council for** distribution among the area's needy families.

Give a HAND

Swansboro High School's students find many ways to help out their community. Many of them served at the Annual Toast of the Coast, while others volunteer regularly at the concession stands during games. Students have different reasons for lending a hand. Some offer their time as a way to get community service hours for scholarships. Still others volunteer for the simple satisfaction of bettering themselves and Swansboro.

For the Record

This year we have a school semester system that is designed for students to take four 90 minute classes the first semester and four the second semester.

We asked our Vice-Principal Ms. Wetstine how she felt about the system. She said that she likes the system and feels that the students will take it also after they adjust to the system. We asked eight students how they felt, and this is how they responded.

Better Than Ever For 1995!

The only thing that has remained constant is that Taurus continues to change for the better. The Standard powerteam delivers smoother and quieter performance. The suspension system provides greater ride comfort and better handling control. The front shoulder belts attach lower for more comfort. Also, now standard is the solar tinted windshield to reduce heat.

The Best Selling Full-Size Pickup!

F-Series has been the best selling pickup in it's class for 17 years. It outsells not only every other truck in America, but every car as well. F-Series also enjoys more repeat buyers than any other full-size pickup. And there are more F-Series trucks on the road than any other make. Come by today, take a test drive, and you'll see why we say "Ford Trucks. The Best Never Rest."
