THESE ARE THE DAYS

## **PROCLAMATION**

West Carteret High School 4700 Country Club Road Morehead City, North Carolina 1995 Vol. 30

Hallyway conference: Mr. Wilkins, Mr. Bottoms, and Mr. Guthrie talk with Mr. Lee.

### Dedication

MR. DAVID LEE, the recipient of the 1995 PROCLAMATION dedication, is a special person to the students and to his colleagues. Students describe him as being "helpful and understanding;" fellow teachers describe him as being student oriented and caring. He goes out of his way to help students do better and to achieve his goal which is "to have everybody graduate." Mr. Patrick vividly remembers being a student of Mr. Lee's, a rival wrestling coach, and fellow teacher. He says of Mr. Lee, "He is our strongest advocate for students. They say in life you're lucky to have three good friends; I consider Mr. Lee one of mine."

Mr. Lee is a graduate of East Carolina University where he played football. He has a Master's degree in both Science and Education and holds an administrator's certification. Of the thirty-six years he has spent in education in Carteret and Onslow Counties, twenty-four have been in high school as a science teacher. He also has taught at the middle school level. He has coached football, wrestling, basketball, and track. Prior to teaching Mr. Lee played two years of professional football for the San Francisco 49ers.

In 1992 Mr. Lee returned to West Carteret High as Assistant Principal. He works long and diligently to help students and teachers. His favorite question is, "Are we having fun?" To which he answers enthusiastically, "Yes!"

The greeter. Mr. Lee arrives early and is on hand to greet faculty and students with a big hello smile.

Project Graduation provides fun for graduates and the chaperones. Mr. Lee and Mr. Mason seem to be enjoying the night.

## These Are The Days

Things students will remember the most about this year are:

Prom
Spirit Week
Construction
Parking problems
Prom week
Graduation
Winning the Mullet Bucket

Things student will miss most are:

Seniors who are leaving Their friends and family A traditional school day

Some of the winning Senior Powder Puff team takes a break from the game.

Senior, Darin Howard shows off his skate-boarding ability.

Everyone was beautiful, had fun, and enjoyed the music at the prom.

Juniors, Leigh Ann and Lindsay made their own rain coats out of trash bags.

Nikki, is this World Literature or Veterinary Medicine?

Everyone will remember the Senior class dressing up on theme day.

Prepared for display by Shannon Adams. Please consider donating to the Core Sound Waterfowl Museum, Carteret County Historical Society, Promise Land Society, Salter Path Heritage Association, or charity of your choice (preferably in Carteret County) for these efforts.

All bundled up for skiing.

Macy shows off her unique hair and dress styles

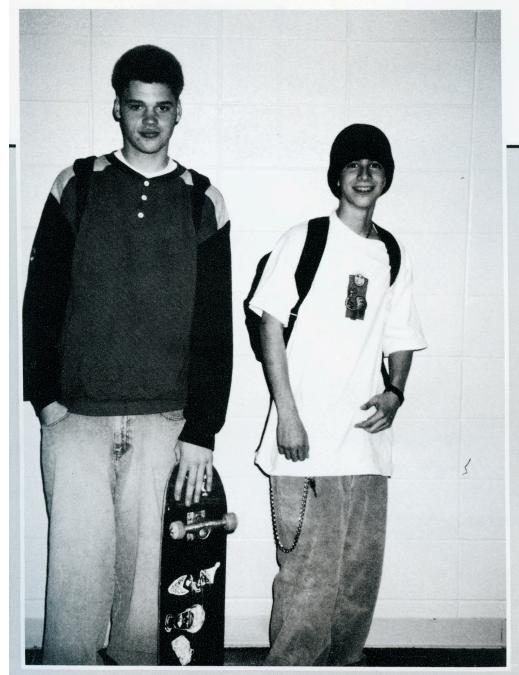

Melissa & Corina go for comfort.

## Hard At Work

Many West Carteret students have part time jobs. They range from waitressing to sales clerks to fast food restaurant workers. The money these hard working teenagers make is a luxury to have things they want without having to ask their parents for it. It isn't always easy holding down a job and going to school, but the money they make seems to be worth it to them.

Sophomore, Christy Chappell loves the tips at Wash Works.

Barry Radford creates unique styles for T-shirts at Wings.

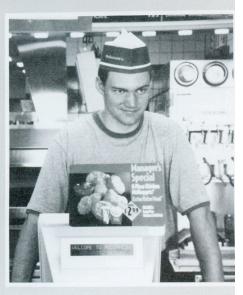

I love this place!

Lori and Debra look hard at work at Revco.

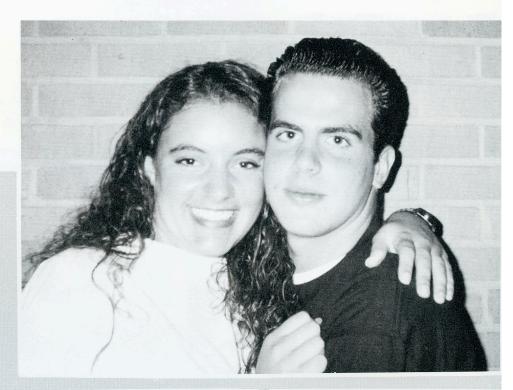

Seniors, Chirsty and Heather make 'en shine.

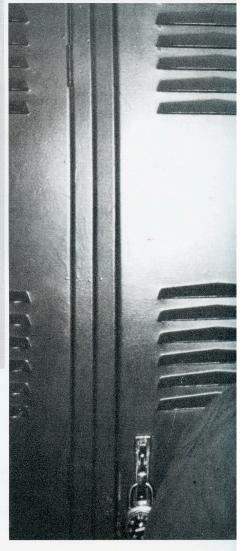

# Just Friends?

Friendship, what does this word really mean? Some say friendship is trust and others say it is a relationship between two people that never ends. Friends are people who get along and trust each other always.

Friendships can be between two of the same sex or two of the opposite sex. When a girl and a guy start dating, they are usually friends first. Some girls and guys stay friends and never date. This friendship is a good way to get advice about a boyfriend or girlfriend. The question is always asked, "if we are good friends long enough, why can't the friendships continue?" Friendships usually will continue if both look at the positive sides instead of the negatives. The best advice that anyone could ever give would be to cherish friends no matter what, because one day they may not be there.

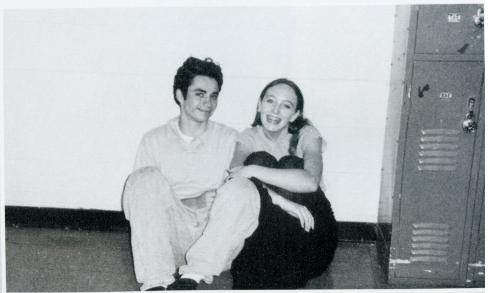

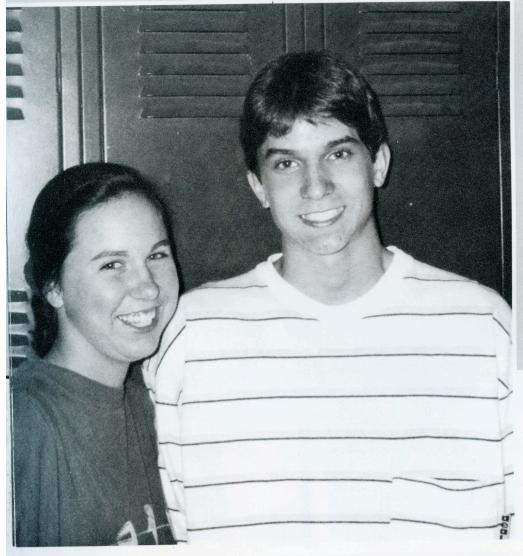

Paul and Andrea say cheese!!

Aren't Janna and Richard cute?

# Smile!!

# The Things We Do . . .

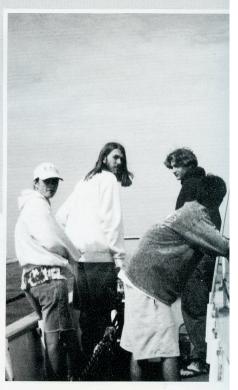

While much of our time and thoughts are taken up with the pursuit of an education, students at West also have a variety of other interests. Beach and water activities are obvious choices, but so are things like mud bogging, boating, working, horse back riding, dating, and being with friends and family. Winter ski trips and European travels are the dreams of some of the students. Where ever they are and whatever their interests, West students are typical of other teens today.

Junior, Robbie Jones takes his truck through a mud pit.

Seniors, Nikki Thompson, John Rule, Jason Morton, and Aaron Smith enjoy a day out on the boat.

Ryan says, "Bet I can do better."

Singers take a dip during their trip to Orlando, Florida.

Rob looks like he's having a great time with Donna and Tabatha at his side.

Steffie and Bennie Carol took Argentinian exchange student, Cande Zillo to the beach while she visited America.

Mrs. Bonnie Glass explains a point.

# Administration — An All Male Club?

Not exactly ... at least the year did not begin that way. When the '94-'95 school year opened the administration was made up of two men and two women. By the second semester that makeup had changed to four men. As the year began Assistant Principal Beth Taylor was realizing a long term dream; she left West to open Cape Lookout High School, an alternative high school, in Morehead City. Mrs. Penny Lloyd also resigned her position as assistant principal to work in a supervisory po-

sition in the County Office. We miss them: we wish them the best in their new jobs. Mr. Mat Bottoms hung up his marching shoes to take on the buses and other challenges in the office of assistant principal as he replaced Mrs. Taylor. Mrs. Lloyd's duties were assumed by Mr. Bill Wilkins, former middle school principal. Mr. David Lee, Assistant Principal, and Mr. Gordy Patrick, Principal, complete the "all male club" which very ably make up the administration this vear.

Mr. David Lee Assistant Principal

Mr. Mat Bottoms Assistant Principal

Mr. Bill Wilkins Assistant Principal

Mrs. Beth Taylor

Mrs. Penny Lloyd

Mrs. Cook and some of the students who started the "garden" in the courtyard between the library and the new wing.

Mr. Roger Newby announced that he will retire at the end of this school year. We wish him the best; he will be missed by all of us and by the FFA.

Things teachers will remember about this year are similar to those which the students listed: construction, gravel parking lot, changes in chill out, etc. There are some additional things: new administrators, new superintendent, wonderful students and winning traditions continued.

Some remembered the thirty years of education at West and could cite dramatic changes. The things teachers will miss are also similar to those of the students: seniors, colleagues who are retiring and those who are moving, students who "move on" to the next grade level.

Mr. Tommy Lawrence is a valuable member of the staff. He is head custodian and is a person we could not do without. He is friendly and does all types of work withou complaint. Thanks, Mr. Lawrence.

Miss Rachel Trieff had a memorable experience which some of our parents could relate to; she attended Woodstock '95. She found many of the things our parents found when they were there thirty years ago: mud rain, crowds, fellowship, music. She is pictured with "mud people". She said they were the ones who could move freely—whenever they came by people parted to lethem through. We can see why.

Mrs. Cathy Neagle and husband, Yates, enjoy the prom.

"Spirited" teachers, Ms. Carrie Kappel and Mrs. Adele Collins join the freshmen in '50's dress.

Shammara Henderson was one of the three senior captains on the Var-Volleyball sity Team. She plays three varsity sports and is a member of the African American History and Letterman clubs. She would like to attend college at Central, UNC-Charlotte, or Winston Salem, where she hopes to play ball.

The varsity volleyball team coached by Carolyn Temple had a trying 8-17 overall season. With many of last year's senior teammates gone and lots of new young faces the team had a slow time getting into the groove. The season was more a learning experience than anything else. One must commend seniors Heather Gagnon, Shammara Henderson, and Michelle Parker for maintaining their pa-

Shammara Henderson says, "Cowabunga — in your face"

tience, devotion, knowledge, and leadership skills throughout the season. They were highly regarded by teammates and will be missed greatly next year. The underclassmen show alot of skills and strength and have a promising future. The talent is there, and if the teamwork falls into place, there is hope for another state championship team in the future.

# Tough Season

Tough, trying, hard work and a learning experience are all ways to describe the 1994 soccer season. The eight seniors, four of whom are veterans from last year, had to pull themselves together to bring about the leadership needed to inspire the younger players. The victories won by the team were due as much to determination as to hard work. Coach

Larry Cleveland said, "The leadership showed up towards the end of the season, and next year we should have a strong team with many returning players." Even with a record of 4-12-2, don't be fooled. Next year West Carteret soccer will be a force to be reckoned with.

Coach Larry Cleveland says of his young team, only five returning starters, that maturity as a team and taking personal responsibility will make a difference.

Soccer team (alphabetically): Albidiez, Michael Allen, Mason Baily, Travis Beasley, Jarred Brickhouse, Billy Burton, Thomas Civils, Worth Cuthrell, Doug Day, Kevin Graham, Marshall Hanf, Mark Horne, David Howard, Darin Jones, Robbie Jull, Shane Kight, Kyle Langdon, Jason Lawrence, Bryan Lindlelof, Brent Luther, Michael Mashburn, Paul Moore, James Morgan, Mark Rich, Kevin Schodon, Keith Schodon, Kyle Sheavin, Matthew Spencer, Spence Wright, Richard Jarvis Cozart, Reggie Bloom, Jason Blair, Jason Peterson, Mardell Miller, Jamie Howard, Kevin Wanita, Jeff Shultz, David Campbell, Talmadge Tootle, Will Best, Jeremy Rutledge, Chris Cunningham, Roy James, Mike Green, Donny Bryant, Tommy Panzarella, Mike Mims, Andre Davis, Bryce Duff, Matt

After thirty-four years of coaching, eight as head coach at West, Mr. Ed Hiatt is resigning from his coaching duties. He has also served as Athletic Director and is the golf coach.

#### Team Better Than Record

One major highlight of this year is stealing the Mullett Bucket by dominating arch rivals East Carteret in a 33-7 game. The team, composed of thirteen seniors and thirteen underclassmen, can be proud of this victory. Winning only one of the ten games, Coach Hiatt says, "In terms of wins and losses, one could say that we were not suc-

cessful, but if you saw these athletes each day and watched their maturity level change and their attitudes get better, then you could say we were fairly successful." Next year the team could be much better if all of the juniors and sophomores from this team return to help lead those moving up from the JV squad.

# Strong Finish For Young Team

Great catch and way to break that tackle.

Junior varsity coaches and teams have a difficult job; they have a very short time in which to come together as a team each season. By the time the season is over, if they have done their respective parts well, the members advance to the varsity and the process begins over in the fall. JV Coach Bruce McBride faced this challenge this year — only four of his thirty players were re-

turning from the previous team. The team started strong, losing by only two points to East Carteret and winning over Hoggard 15-12. Then they went into a slump, but rebounded losing by heartbreaking two and four points to Conley, Havelock, and Washington. The team finished strong with a 28-0 victory over North Lenoir.

Coach McBride says of this team, ``They improved every week.'' Only time will tell what next season will bring.

The success of the womens' tennis team is due much to the dedication and time put in by Joe Baily. Throughout the season his skill and effort proved to be a valuable asset to the young team.

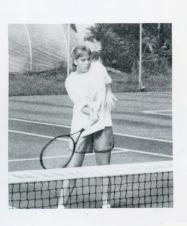

The 1994 women's tennis team experienced a successful season with the leadership of seniors Julianne Davis and Nikki Thompson. Davis and Thompson, co-captains of the team, provided experience and leadership to a young team. With a 6-5 season the girl's team qualified for regional playoffs. Nikki Thompson and Mandy Hill played singles at regionals while Julianne Davis

paired with Anne Stull in doubles play. The team, having only two players who are not returning to play next year, will improve in their success. According to Coach Susan Baily, "The team will be a powerhouse in two years." As women's tennis is a new sport to West Carteret and in its second season, it will continue to prosper with the help of a youthful team.

#### Two Go To State

For the fifth consecutive year the West Carteret Harriers were represented at the State Championship Meet, this year by junior David Garrison, and freshman Thomas Swansey. This capped a 25-11 campaign for the boys team which narrowly missed a conference championship. Garrison and Swansey achieved All-Conference honors, while Garrison captured the overall

conference championship, as well as All East honors. Rounding out the top five runners were Allen Chalk, Tom Kurek, and John Souviney. A solid nucleus of returning runners augurs well for continued future success.

Pacing the girls team were Geriann Hodges, Jennifer Souviney, Mary Mitchell, Allison North, and Leigh Ann Lewis.

### Successful Season

Successful is the word to describe the 94-95 season for the Patriot Wrestlers. The team, coached by David Perry and Terry Jones, finished with a 12-2 record and won the Conference Tournament for the fourth year in a row. Although they were unable to compete as a team for the State Championships due to the penalty

rule of West Carteret opting to play 3A, six wrestlers qualified for the State Tournament and Scott Yingling qualified for Nationals by placing second in the state. There were also six conference champions and two regional champs. Next year's team will be a young one but looks to be just as successful.

# A Competitive Season

Calvin lets it fly from the "charity stripe".

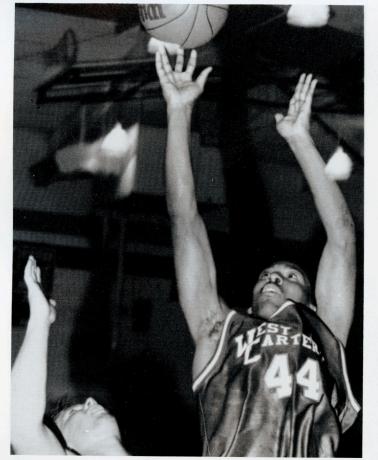

This year's Varsity Basketball team had a very competitive season. The team ended up with a 7-17 record with most of the losses only by a couple of points. The Patriots were fifth in the Conference with a 4-8 Conference record. Losing Jim Benson to a shoulder injury hurt the team's depth greatly. Seniors Mardell Miller, Antoine Jones, and Andre Hill stepped up to lead the team. Junior Theo Gibson also played an

important role in the middle, leading the team in scoring and rebounding. Juniors Andre Davis and Calvin Crooms provided a strong supporting cast. The seasons highlight for the team was beating Havelock at Havelock; However, according to Coach Bradley, "We had a big home court — type of support due to a very spirited crowd." Next year's team should be very successful with three starters returning.

#### Lady Patriots Three-Peat As Conference Tournament Champs

The Lady Patriots had an outstanding year. They finished the season with an overall record of 18-7 with a Conference record of 8-4. The season began with a second place finish at the East Duplin Christmas Tournament and ended the regular season with a third play finish. To top the season off, the Lady

Patriots returned to the Conference Tournament finals to win for the third year in a row. A true Three-peat. The Lady Patriots qualified for the play-offs, but were unable to attend due to NCHAA restrictions. Congratulations Lady Patriots for another fine season.

The 1995 men's tennis team completed a successful season with seven victories and eleven defeats. With one junior, three sophomores, and the rest of the team freshmen, they lacked experience but were full of vigor and possessed the will to win. Inexperienced at the beginning of the season, the team grew and matured behind the leader-

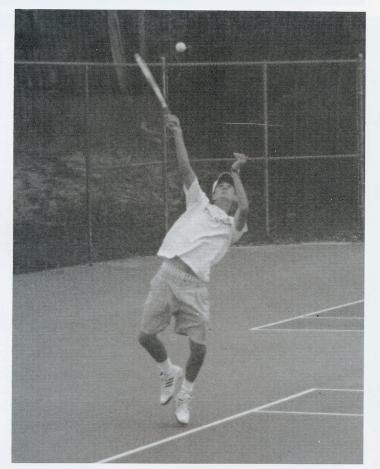

ship of Jay Davis and Charlie Coyne, the No. 1 and No. 2 seeds, respectively. Taking fourth in conference play and third in conference tournament, the team surpassed their expectations. According to Coach Joe Bailey, "Next year's team will probably win our conference" due to maturity and experience gained this season.

#### Domination!

The West Carteret Women's Soccer Team had a very successful year. In only their second year together, these girls strove to be the best. They worked to become stronger than their opponents, while at the same time learned to respect them. In achieving their goals, the West Carteret Women's Soccer Team overthrew White

Oak (1-0) for the first time ever.

While adjusting to their new coach, the team learned leadership, cooperation, and how to become a better team. It is a game of bravery for them and only a few get a chance to experience it. Women's Soccer has shown an increase in appreciation for women's sports.

### Perfection!

The Patriot golfers had an outstanding season despite the fact that they were not allowed to compete in the state meet as a team. They finished the regular season at 45-0 and 35-0 in conference play. The team also took the tournament championship finishing the season at 53-0. No one could ask for better than a perfect season, certainly not Coach Hiatt, saying that the team

had been consistent and had worked hard all year to improve their game.

The work paid off as there were medalist honors for the team in every match. Five players made the All Conference team: Chip Langdale, Beau Watkins, Casey King, Doug Cuthrell, and David Horne. Casey King was the only player to qualify for the state spots for individual players.

## Slow Start To Season

The season started off slowly for West but picked up when conference play began by beating Conley 8-5. Then the Patriots made it to the final game of the Easter Classic by beating Jones Senior and East Carteret. Injuries to key players slowed the team for a while, but they came

back and started to win, sweeping a series with White Oak and defeating West Craven to improve the conference record to 4-5 at this time. The season is not yet over for the Patriots so the final outcome is not known; Coach Stacy Hall hopes they will continue to improve.

Coached by Becky Ackert, the Varsity Cheerleaders brought out the spirit in all of us. This squad had a short competitive time together but placed first at the conference competition, receiving the highest score overall.

Captain Steffie Moore was chosen to cheer at the East-West All-State games this summer.

Only losing three seniors, this squad is very young and hopes to

be just as great next year. This year Steffie Moore received the award for The Best All Around, Mary Catherine Rouse received Most Spirited, and Amanda Humphrey received Most Outstanding. #### Something To Cheer About

Talent and dedication are the key words that describe this year's competition squad. This team was made up of a combination of ten varsity and six junior varsity cheerleaders. They traveled to Fayetteville, Raleigh, and Williamsburg, Virginia. At a CANAM qualifier in Fayetteville, they took second place. In Raleigh, which was an ECA qualifier, they domi-

nated the competition, sweeping a first place victory. Competing against forty other squads, from twelve other states, they finished as second runners-up at the ECA finals in Williamsburg, Virginia. Coached by Becky Ackert and Karen Sharpe, the squad has had an incredible year. Congratulations, girls!

## Homecoming

Homecoming is always a special, exciting time and is always preceded by spirit week. This year was the 30th Anniversary of West Carteret so the theme was Thirty Years at West Carteret. Spirit week is a crazy and competitive time. Each day the students dressed to earn points for their grade. The assembly for the homecoming King and queen candidates was held Thursday. The big game was Friday night and the Homecoming King and Queen were presented — Marv Catherine Rouse was Queen and Talmidge Tootle was King.

There are spirit posters and banners on the walls and spirit links are purchased for points. At the end of the week the points are totaled and the winning grade is announced at the game. The Junior Class won by a landslide. Also, during the week there is a homecoming parade with a competition between the grades for floats. The candidates, floats, band and cheerleaders parade through downtown Morehead. The winning float was HOSA and second place was a tie between the junior and senior classes.

This year's prom was a huge success. The juniors, parents, and teachers converted the Crystal Coast Civic Center into an Underwater Paradise. The decorations of fish, mermaids, treasure chests, and lights made the Underwater Fantasy come to life. The food and music

were wonderful. Everyone looked great and danced the night away. Clint Salter was Prom King and Shana Tootle was Prom Queen. It was a magical night that all will remember for years to come. A special thanks to everyone who made it possible.

Food, Friends, And Fun

This year's junior-senior picnic was a hit. Seniors showed their appreciation for the prom by giving a picnic to the juniors. The Senior class pulled together and brought in food of all kinds. The food was ter-

The West Carteret High School Talent Show, "Puttin' on the Ritz", was held on October 6, 1994. A special group of dancers performed to the song "Puttin' on the Ritz". Special appearances were made by Elvis Presley, Liza Minelli, Lucille Ball, and Marilyn Monroe. Singers Jennifer Hardesty, Toura Tootle, Fred Odell, Elvira Green, and Tabitha Archie performed. Lianda Woodard and Becky Depuy showed off their dancing ability. Dennis Ballou, Rob Melby, and Sean Reily

showed the crowd some Tae Kwan Do. Bands and musical groups were K & J Trio, Ultra Violence, Supreme Harmony, and the Percussion Ensemble. First place went to K & J Trio, consisting of Richard Faulkner, Kelvin Tootle, and Jeremy Green. Second place was awarded to Elvira Green. Ultra Violence took home third place. Honorable Mentions went to Fred Odell and Lianda Woodard. The night was topped off with wonderful hosting by Scot Hursa and Dega Baily.

This spring, West Carteret held its annual Student-Faculty Basketball game. The women faculty and senior girls did not participate, because not enough seniors girls were signed up. However, the senior boys and male faculty members' energetic playing made up for the girls' absence.

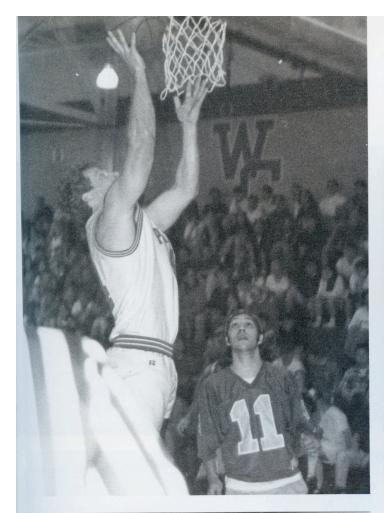

The Student-Faculty game is held as a chance for students to relax, enjoy themselves, and 'yell' out their frustration with their rival

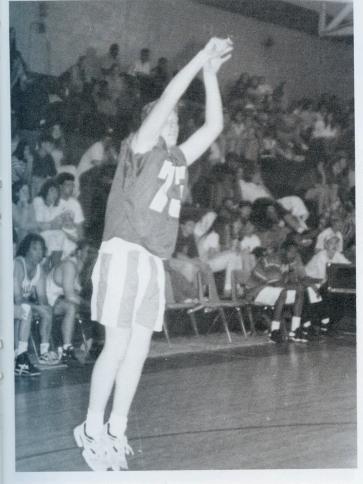

teaches. Although the game does cost money, all revenue goes towards a beneficial cause. This year the money went to the school's general fund.

Mike Turner and Chris Walker were announcers, and they did a terrific job. Everyone thought they were extremely funny. The faculty redeemed themselves from a defeat the previous year with a score of 53-49. Way to go, guys!

## A Season Hard To Top

This year the West Carteret Marching Patriots performed the dazzling field show "HAIR". The three songs "Aquarius," "Easy to be Hard," and "Let the Sunshine In" were performed by the 196 member group. This was an exciting year for the Marching Patriots. At their debut at the Fuquay-Varina Band Competition they stole the show. They then completed the competition season undefeated. It was also a season of change for the organiza-

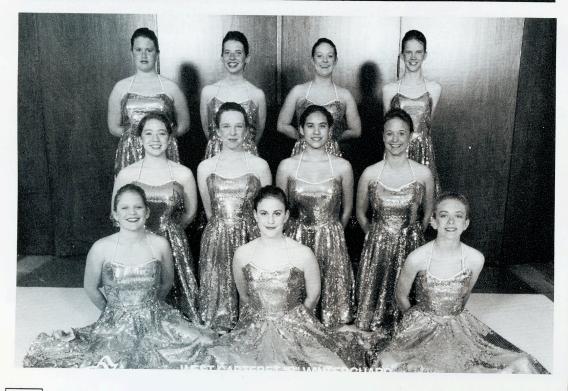

tion. For the first time ever, males as well as females were involved in the marching color guard. Even though some of these young men had never performed, they did a wonderful job. Another change came in the band director position. This was the last year Mat Bottoms would direct the Marching Patriots. He was replaced by Craig Everett and he became our new assistant principal.

# Colorguard

The 1995 WCHS winter colorguard was divided into a Varsity and Junior Varsity guard. Both guards were directed by Donald 'Goober'' Johnson. The Varsity guard was composed of twenty females and fourteen males. Their show was based on issues that teenagers face such as, teen pregnancy. They performed their routine the Aerosmith hit,

"Livin' on the Edge". The Junior Varsity guard, composed of eleven females, also had an outstanding season. Their show, "Fantasy Under the Sea", was a beautiful show that mesmerized the audience as well as the judges.

In preparing for the 1995 Winterguard season, both guards spent many long hours getting ready for their competitions. During these long hours together, patience sometimes runs short and tempers run hot, but they also build special friendships that last forever.

# Superior!

The 1994-1995 West Carteret Choral department had an eventful year under direction of Susan Bailey. While performing several concerts throughout the year, the highlight of the season came in Lakeland, Florida at the

Fiesta-Val competition. As the overall Grand Champions in the choral division, West Carteret Singers were outstanding. They also won first place in male ensemble and small ensemble.

# Honors Abound

Many students were honored during ceremonies on two awards nights this spring. Academic Achievement awards were presented to students who maintained a minimum average of 90.00 and made no grade lower than a "C" for four consecutive nine weeks. Students could not have unsatisfactory grades on conduct. The school and community groups presented students with awards and scholarships at Awards Night ceremonies. Also at this time Mr. David Lee was honored as the dedicatee of the 1995 yearbook. The student council gavel and leadership passed from Chip Hill to Jonathan Mize. (For a complete listing of the awards see pages 198-199.

# Math Teams Compete At State

Six West Carteret High School math team members have been actively competing on the same level and having good results.

Earlier this spring the entire West Carteret math team placed first for the third consecutive year in the 18th annual Eastern High School Math Contest, which took place April 6 at East Carolina University. The team received the top 3A trophy for having the highest average score of all the 3A schools participating.

On April 25, five math team members participated in the State Math Finals for geometry and algebra II. Those students were Josh Minney, Phillip Stewart, Josh Lyle, Sean Rielly and Dannel Duddy. In the geometry competition, Mr. Minney placed sixth. In the algebra II competition, Mr. Stewart placed fourth and Josh Lyle placed seventh. Because there were several test sites, the students' overall

state placement has not been given.

"This has been a very successful year for the West Math Team," said Coach Susan Arrington. "They not only placed first for the third consecutive year at East Carolina University, the team also had three semifinalists place in the top 10 at NC Wesleyan College. This is the greatest number of semi-finalists placing in the history of the school, and the three consecutive first places are also unprecedented.

The math team at West Carteret is made up of three inner teams: a geometry team, an algebra II team and a comprehensive team. The geometry team is coached by Barbara Cunningham and Linda Phillips, the algebra II team is coached by Ms. Arrington; and the comprehensive team is coached by Judy Walter.

West Carteret team member Terry Mitchell was selected to participate in the comprehensive stamath finals at the NC School of Sence and Math in Durham. Or the top six percent placers in the comprehensive competition in the state are invited to these final and this is the third year. Mr. Mittell has been eligible to participal in the comprehensive division That competition took place Ap 27.

## WCHS Math Team Three-Peat

Contributed by Carteret County Schools

West Carteret High School's Math Team placed first for the third consecutive year in the 18th annual Eastern High School Math Contest. The competition was April 6 at East Carolina University.

West Carteret's team received the top 3A trophy for having the highest average score of all the 3A schools participating. Of the team's 26 members, six were recognized individually by placing or being in the top 10 percent.

The math team at West Carteret is made up of three inner teams: a geometry team, an algebra II team and a comprehensive team. All three inner teams placed third in their categories. Their consistently high averages boosted the overall

teams place to number one.

According to team algebra II coach, the competition stimulates interest in mathematics and honors students who are outstanding in their knowledge of mathematics.

Individual team members placing were Terry Mitchell, second place in comprehensive; Dannel Duddy and Josh Minney, tie for fifth place in geometry; Josh Lyle, fifth place in algebra II; and Phillip Stewart and Sean Rielly, top 10 percent in algebra II.

Mr. Duddy, Mr. Minney, Mr. Lyle, Mr. Reilly and Mr. Stewart will compete in the State Math Finals at N.C. Wesleyan College on April 25. The top five from that competition will be invited to the Comprehensive State Finals at the N.C. School of Science and Math in Durham on April 27.

Mr. Mitchell will compete in the comprehensive category at the April 27 event which will determine the State math Team.

Members of the comprehensive team are Terry Mitchell, Emily Page, Thomas Swain, Sonja Majstoravich, Laurie Green, Laura Jeanne Teeter, Shane Juhl, Mark Hanf, Ray Thompson, Matt Moody, Alan Smith and Lori Bohannon. The comprehensive team is coached by Judy Walter.

Members of the algebra II team are Josh Lyle, Phillip Stewart, Sean Rielly, Amy Oliver, Carla Hales, Paul Winberry, Brandon Burch, Barron Thompson and Rich Tuttle. The algebra II team is coached by Susan Arrington.

Members of the geometry team are Dannel Duddy, Josh Minney, Ricky Bloomfield, Joel Herring, Meganne Giroux, George Dill and Chris Tyner. The geometry team is coached by Barbara Cunningham and Linda Phillips.

## Yearbook

Yearbook is for students who want to take part in a high school tradition. In yearbook, students learn how to draw layouts, write stories, and put together the memories of the "best years of their lives." It is a year-long class that gives students a chance to contribute to their school's historical record and to sense accomplishment.

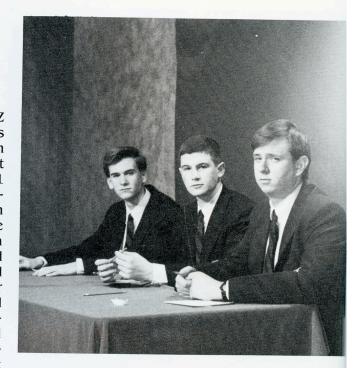

#### **Quiz Bowl**

West Carteret's QUIZ BOWL TEAM began its academic competition season in late August and completed its 35-11 record in Mid-May. Competing in the Dorman High School Challenge in Spartanburg, South Carolina, the squad fielded both Varsity and JV teams. Other major competitions included the Carteret-Craven-Pamlico Library Bowl (second place), the Tidelands Tournament at Pamlico High School (second place), the ECU Quiz Bowl, the Pak-A-Sak Challenge, and local matches of "It's Academic" against East Carteret High. West's team defeated East Carteret 9-1 this year. The Quiz Bowl's final match against East Carteret was played on May 18 with a score of 500 to 0.

#### NHS

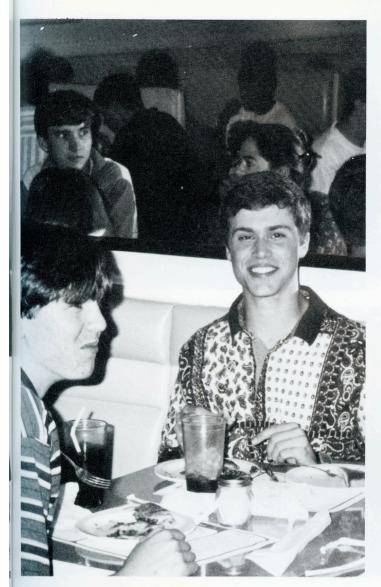

The National Honor Society is an organization for outstanding students. Students must maintain at least a 90 average and a 3.6 quality point average to be nominated. Students must show leadership skills, dependabilty, responsibility, and helpfulness in and out of the classroom. After a careful selection process, students are welcomed into the organization with the knowledge of its rules and regulations.

#### Science Club

The Science Club is club for students interested in science. The club has visited a veterinarian's office, the Imagination Station, Busch Gardens and the Jets Competition. Club advisors are Mrs. Collins and Mrs. Landers. Junior Jimmy Dyczewski was quoted to say, "I joined to get a better knowledge of science." Amy Oliver, a sophomore, said the reason she joined was "to be involved in science activities outside of school."

#### Math Club

WCHS Math Club, advised by Ms. Susan Arrington and Mrs. Judith Walter, is a favorite among its members. Club members learn more about math in the ``real'' world by using games such as "Polar Bears", creating mathematical projects, and playing with stock. The Math Club is a fun opportunity for students to further their education and be challenged to use their minds. When asked to make a comment, Ms. Arrington was quoted, "Be a rad radical!!!".

#### The Revere

The Revere is the school's literary magazine. Every year a small group of students collaborate in editing the various literary works submitted by the students and faculty. This year the staff included Russell Minatel, Jenny Hendricks, Nick Queen, Lila Smith, and Mary Slade. The Revere's activities include making posters to encourage contributions, and editing and typing people's works. It is a long process, but the staff was determined to produce a quality magazine deserving of the writers.

#### **Towne Crier**

This year, through a Tech Prep grant, the Graphics/Journalism class gained a printing press and five new computers. With this new technology the class is now able to print a tabloid-sized newspaper. The class, led by Ms. Kappel and Mr. Noe, learn how to write, make copy, design layouts, take pictures, and do desktop publishing. They print a paper each nine weeks, covering all events such as Spirit Week, blood drive, etc.

## **Rowing Club**

The rowing club is not an official club of WCHS. They are sponsored by the Beaufort Oars who supply the lessons, boats, and their times. To join the club, all one has to do is fill out an application, pay a fee, and know how to swim. The club rows twice a week in the fall and spring. Although, there are no other clubs to compete with, the club sometimes challenges East Carteret.

#### Chess Club

The Chess Club is for students who want to play or learn chess. Students learn to develop thought, memory, and tactical skills. All one has to do is show up to join and the club has no membership rules.

#### HOSA

HOSA is the abbreviation for Health Occupations Students of America. To be in HOSA one has to be taking a health occupations class, and if one takes the class one must join the club. Students join the club with an interest in health occupations for the chance to do something different, to be with friends, and because they like Ms. Dudley. For Christmas the club had a party

at a rest home and adopted a ''Christmas Angel''. They placed first in the homecoming parade for their float and sponsored a food drive. The club also went to regional and state competitions and leadership workshops. When asked what they've learned from the club, seniors Lori Collins and Becky Parker said, ''We know CPR, and we can help.''

#### **FFA**

This year the FFA meant two things as an acronym; Future Farmers of America and fun, friends, and adventure. However, now more than ever the FFA means success. For the 24th year in a row the WCHS FFA Chapter has swept through federation competition easily winning the Federation banner. A record number of teams and proficiencies will be competing at state competition. In general the FFA concentrates on three things:

 Brotherhood — the FFA is a family, there is always someone there to help or comfort the downtrodden  Success — To the FFA, success is not winning, but it is about doing what you want to with your best effort. Win or lose.

 Scholarship — The FFA gives out and receives more scholarships than any other club in the school. Every FFA member who was nominated for NHS, has been inducted. These are facts.

Basically the FFA is about life. We may be rednecks and farmers, but pause for a minute and try to figure out where you would get food and clothing if there were no farmers?

# Graduation

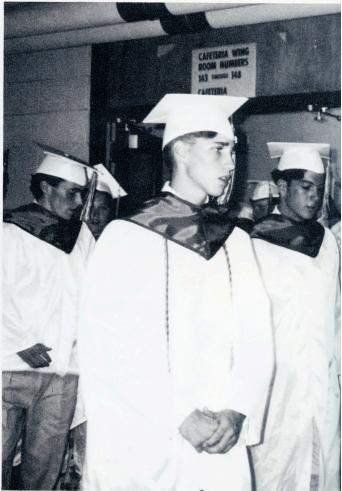

Two hundred and eighty-two seniors received diplomas in the gym on Friday, June 9, 1995. There were three valedictorians and no salutatorian. Valedictorians were Emily Page, Sonja Majstoravich, and Terry Mitchell. During the ceremonies Mr. Patrick presented the Thomas Holmes Carrow scholarship to Thomas Swain and Clint Salter. Rotary Best All Around honors went to Terry Mitchell. President Mary Catherine Rouse presented the school with a bird bath and money for benches for the courtyard. School board members Rodney Kemp, Kim Willis, Bob Montague and Superintendent, Dr. David Lenker recognized seniors for special achievement. Prior to turning tassels the class song, "You've Got a Friend" was sung by seniors. The class motto was "Only the educated are free." from "Discourses" by Epictetus.

Athalia (The Lord Is Mighty)

You came so small, and so beautiful, how could I not wanted this creation of two loving people. Each day I could almost see you growing before my eyes. Now you're nine, and so intelligent and still growing to become the beautiful lady that God created from the beginning.

Now I see that which I did not want. How beautiful you are from conception to now. O, God let her grow and mature to the beautiful young woman, that you wanted from conception.

Now you're a seventeen, and a Senior in high school what a blessing God has given me. You are the beautiful young lady that God created from the beginning.

- O, God forgive me for not wanting such a beautiful creation.
- I love you Athalia Nia Trammel (For The Lord Is Mighty and full of Promise)

Mom

We're happy to see you achieving your goals. Good luck at E.C.U. in January. You've become someone we're proud to call our son.

We Love You Mom & Dad Dearest Andrea,
You have worked so hard and you made it!
We are so proud of you!
Lots Of Love

#### To A Daughter I Treasure:

I keep as precious memories all the special things you've said and done. I treasure in my heart the happiness and pride you always bring to me. The world is yours to conquer. Good Luck Pepper.

I love you.

Mom

To Meredith,

From academics to athletics to the arts — you have always excelled and I am so proud of you! You possess the courage and the strength to be your OWN PERSON — never giving in to the pressure to just follow the crowd. These are the qualities that make you so special.

I know you will succeed in anything you do and I hope you know that I am behind you all the way . . .

Love, always,

Blondie

Lindsay,

Petals of memories, falling from the stem, fade and swirl in our thoughts of then and now. Seeds of future, planted deep, blossom soon for you, our love. Hold it preciously. Thrill in its aroma. Let it become all that it can be.

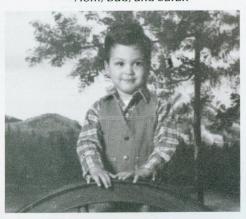

Love, Mom and Dad

To our Daughter on this most auspicious occasion. Love is `The genuine delight in the wellbeing of another'. The true gift of love is the ability to give it away. We love you, unconditionally and always. Congratulations,

Mom and Dad

Dear Freddy: Thanks for being you! Love, Mom, Dad, and Sarah

Freddy,

You have been a very special brother to me since I was born. Since we are older we never get in fights anymore. I look up to you not only as a brother but as a friend. You taught me how to play the guitar and encouraged me to keep playing it. You are a roll model for me, and I will miss you very much when you leave.

Donna,

When you were little you were our "Princess", now you've grown into a beautiful, caring, loving young lady. Your mother and I are very proud of you and the way you have handled all the adversity you have faced. Remember, let no person tell you that you can't. Let God lead you and all things are possible. We are looking forward to sharing all the tomorrows with you as a friend, not just our "little girl".

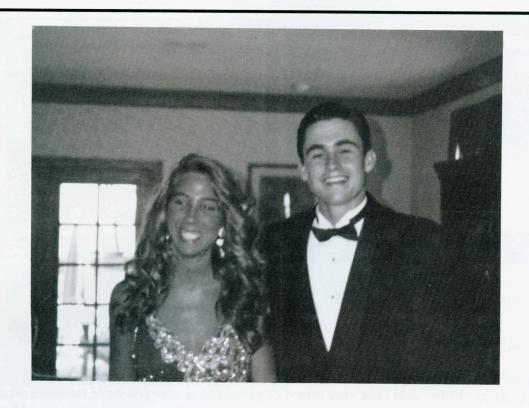

Miriam,

You are our "Special Angel". You have brought us so much joy and happiness. We are so proud to be your parents.

Whatever you do in life, we know you will be successful and a blessing to others.

God Bless! We love you dearly.

Mom and Dad

#### Sonja "Sonnie Dejonnie" Majstoravich

We remember that little girl.
following big sister, Martza.
always observing to see how it was done.
creating wall murals and unadvertised yard
sales.
performing magic shows with "disappearing" fish
flying across the stage.
cooking "Chicken Marsala" for thirteen people.

We watched that young lady bounce basketballs at Carolina, Duke, Campbell and Appalachian State. snorkle in Mexico and windsurf in Bogue Sound. buy shoes in Pittsburgh, Dallas and New York. accept honors for science, math, English and art. curl up with "Daisy" under the stars and teach her sister Sarah the art of turtle feeding.

You ask how we feel when we see our little birds leaving the nest.

Ah my friends, who can be sad watching the soaring of eagles . . .

We love you, Dad, Mama, Martza, and Sarah and Sweetie, "don't take any wooden nickels!"

Mardell,

Every new day is a step on the way to your star. Try to be faithful in those habits of prayer, work, study and physical exercise. May God be with you always.

Love You, Mary Miller Christie,

"Bad To The Bone"! We love you Christie!

Love, Dad and Doris

Tara,

We congratulate you and all your hard work and we love you! Love, Mom, Terry, and Paul

Jessica,

From your very first day, we both knew that you would be like no other. Little did we know then, just how wonderful that would be! Be true to your self and be proud of who you are. Our love is always with you!

Love, Mom and Dad

#### Congratulations, Stephanie Moore!
