School Song — Eli, Ballou, and Stith

The strength of a wave as it rolls to the shore,
Reminds us of mariners who have gone before.
Of men and women who were strong and true.
Whose deeds and examples.
Challenge us to follow through.

We’re Mariners, Mariners, and we’ll always be
A part of East Carteret, our strength is as the sea.
When our days grow short,
And our youth has ceased to be,
We can cling to what we’ve been and done
As long as there’s memories.

SENIOR DAY FUN

Senior Day was celebrated once more in the auditorium.

Many scholarships were given to deserving seniors.
The East Wind dedication was presented to Mr. Arnold Adams and Mr. Don Kappel.

The entertainment commenced when the ECHS version of "YMCA" was sung as the "Village People" proceeded to the stage. Mrs. Patti Lupton actually had some people convinced that the sheriff's department had sent her to keep the rowdy seniors under tow! There was plenty more performed for the seniors before they went outside for the traditional picnic and early release on a beautiful day.
BACCALAUREATE

Although there are no pictures to show it, this year’s Baccalaureate was a smooth, brief service to honor graduates. Josh Hastings gave the invocation. The Mariner Singers performed under the direction of Mrs. Jane Warren. Erik Lewis welcomed everyone and introduced the speaker, Rev. Donald Crooms, who spoke of having direction and goals in our lives. He reminded us to keep our dreams alive. Kendra Robinson read a poem before seniors recessed to the refreshments provided by mothers of some of the junior class.
THE FINAL DAY!

Valedictorian Jennifer Phillips delivers the farewell address.

Salutatorian Leslie Morton welcomes all to the ceremony.

Danielle Bridgers speaks about our dreams.

Angela Fulcher makes her moving speech.

Kelly Yates with the invocation.
Graduation ran as smoothly and swiftly as any we have seen in years. Mrs. Stephenson, with the help of Mrs. Waters and many others, did a fine job in guiding the seniors. Each senior received a yellow rose along with their diploma. Even the speaker system worked!

The Alma Mater is lead by seniors.

The senior class gives ECHS a ship's wheel.

Julie Wheatly leads the Pledge of Allegiance.

Danielle Nelson receives an Academic scholarship.

Penni Fulcher and Paula Gillikin (not shown) also receive an Academic scholarship.

Arnold Adams with his last graduation performance.
The junior class did a wonderful job on prom. The junior class wishes to thank Mrs. Clayton, Mrs. Hancock, Mrs. Ausband, Mrs. Thomas, Mrs. Styron, Mr. and Mrs. Kappel, Mrs. Best, Mrs. Hardesty, Mrs. Daughtry, Mrs. Ivester, Mr. and Mrs. Merrill, Mrs. Austin, Mr. Piner, and all the other junior parents who helped the juniors make this year’s prom one of the most beautiful East has ever had.
FANTASY

MEMORIES

Tonight a curtain closes,
And we take a final bow,
to the four years which are fast
ending now. Let time slow this
evening for just an hour or two
as we recall the memories that
seem, right now, too few.
Gathered all together we will
not say "goodbye", for it is our
thoughts of you that will never
die.

Mr. Adams, we the staff of the 1996 East Wind, co-dedicate this yearbook to you in honor of your many years, deeds, and accomplishments at East Carteret High School. You have created a wonderful band program at this school. As you retire you must know that you will be greatly missed and remembered always as the man that made the “Marching Mariners” a famous band that has marched all over the United States, from New York to California. We will always be grateful to you for letting East Carteret share in your talent and turning our band program into one of the greatest in the country.

Arnold Adams was born in Rocky Mount, N.C., in 1944. He went to Wesleyan College in Rocky Mount and earned a Bachelors degree in music in 1967. Mr. Adams acquired a job at East Carteret after college and has been here ever since. Not only has he worked with and built up the East Carteret band program, he also started the programs in the Down East schools.

Mr. Adams has built the band program from almost nothing to a large band of 141. He has taken the band to Macy’s Thanksgiving Parade in New York twice, in 1987 and 1995, and to California’s Pasadena Tournament of Roses Parade in 1990. Just one would have been a huge honor, but three is an enormous accomplishment. The band went to the Florida Citrus Festival and was named Grand Champions of a competition in Mullins, S.C. They have performed in not only local parades in N.C., but also the Raleigh Christmas parade and a performance at Appalachian State University in Boone.

When he first started, 29 years ago, he had to struggle to get students to join the band. Now almost one-fourth of East Carteret’s student body belongs to the band or guard. Without his dedication, dreams, and goals the band would still be marching down the street with 50 students, but thanks to him almost 150 blue, white, and gold uniforms proudly march under his direction. He will always be a part of many of his students’ lives, past or present, who will never forget who gave them a chance of a lifetime, not only to march in Macy’s or the Tournament of Roses parades, but to march under the leadership of an outstanding band director, Arnold Adams.

Allison Hardesty
Mr. Kappel, the staff of the 1996 East Wind co-dedicate this yearbook to you because we realize what a wonderful teacher you are. You are a teacher that everyone respects. You are also an admirable, dedicated person. You have contributed a lot to our school and we want you to realize the effect you have on us.

Donald Kappel was born on Dec. 6, 1947. He went to high school at North Olmsted in Ohio. He played football and baseball there. Mr. Kappel graduated, then attending Bowling Green State University. As a young man Mr. Kappel became an Eagle Scout and was awarded the Order of the Arrow. While in college he was a member of the Army ROTC, and was the top sophomore cadet.

Mr. Kappel and Elizabeth Geller were married after college. He taught for five years at Elyria High School. Shortly after their daughter Carrie was born, they moved to Smyrna, NC. Later they had another daughter, Becky, and now they have two granddaughters and two step grandchildren. He taught for one year at West Carteret. In 1981 East Carteret gained one of the greatest and most influential teachers it has. Mr. Kappel has been with us for about fifteen years.

While at East, Mr. Kappel has been very involved. He has coached softball, football, and track. He is the famous announcer at all the home basketball games and for many years helped with football dinners. He is involved with Project Graduation, prom, and anything else you need him to help with. He has an unbelievable knowledge of history. His classes are interesting and full of information and fun.

This year Mr. Kappel was awarded the Teacher of the Year for the Carteret County School System. He was also recently awarded the Star Teacher award for being the most influential teacher in the life of a student. Mr. Kappel deserves many more awards for being the type of caring person he is.

In addition to being an excellent teacher, Mr. Kappel grows some amazing vegetables in his garden in Gloucester. Mr. Kappel, we hope you keep growing and teaching for as long as possible!

REPRESENTATIVES
"Dance is an expression in rhythmic movement of an intensified sense of life, arising from an inner perception that stimulates both mind and body.

Dance is also a timeless and universal language. When you make a pattern of movement, in rhythm, space, or the ground, it becomes a form of dance.

Dance is not only an individual or group experience, but also cultural."

Great set, Leah!

You go girl!!
Good try, Niki.

The most rewarding thing this year about coaching the girls volleyball teams was when the seniors won the conference co-championship, for coach Chadwick. Those girls were the players he has been coaching for the four years he has been volleyball coach. For the Eastern Planes co-championship they were nine and one. And for the home and away games, they were eleven and six.

The full-time "one hundred percenters" were Jayne Glancy and Sara Nelson. Hilary Smith was found to be most improved; and the best sophomore conference player was Niki Weatherby. This has been a very good year for the players as well as the bystanders.

The 1996 Yearbook Staff worked diligently this year to make the 95-96 yearbook the best ever. They worked really hard on selling ads in order to cover the remaining cost of producing the yearbook. There were many hours spent taking photos, drawing layouts, and writing copy. For each page in the yearbook there are at least a dozen important aspects that must be done correctly, checked and double checked before sending to the printer.
