# TEACHER OF THE YEAR

*"Much have I learned from my teachers,  
even more from my classmates;  
but most of all, from my students!"*  
— The Talmud

Ask any of her students and they will tell you how kind, understanding, and fun Mrs. Basden can be. Their eyes will light up as they begin to enumerate her good qualities. She relates to them and makes literature and writing enjoyable and interesting. These characteristics combined with the respect and admiration of her colleagues earned Mrs. Basden the honor of being named East Carteret's Teacher of the Year for 1996-1997.

Staci Davis Basden, a native of Harkers Island, attended East Carteret High School from 1986-1990. She was a highly motivated student and was involved in many activities. Mrs. Basden was a well-rounded student and participated in everything from band to Beta Club to softball. She received numerous awards for her accomplishments and was recognized as a favorite by her peers several years in a row. Graduating valedictorian of her class in 1990, Mrs. Basden continued her studies at UNC Chapel Hill as a NC Teaching Fellow. After 2 years, she transferred to UNC Wilmington and received a BA in English with a secondary certification to teach in 1994. In the fall of the same year she began teaching English at ECHS. Ever since, she

has been a respected and well-liked addition to the Mariner Family.

Mrs. Basden tries her best to live by her philosophy of a good teacher. For her a good teacher is someone who is concerned about every student and who is interested and involved in their lives. A teacher should strive to "reach" every student in his/her class by recognizing that each learns differently. He/she should be prepared to try many different methods until each student understands or learns the concept. A teacher is always a teacher and should conduct his/her life appropriately, thus teaching by example respect for self, others, and ultimately God. Just as the quote above states, Mrs. Basden firmly believes that she would not be the teacher she is today without the knowledge she has gained from her students. She wishes to thank her students both past and present for all that they have taught her. The staff, faculty, and students of East Carteret recognize your achievements as a teacher, coach, co-worker, and friend Mrs. Basden. We look forward to many more years of your dedicated service!

# 1997 'Dedication

This year the staff of the East Wind decided to do the dedication differently than those done in the past. Our community has suffered many loses during this school year. Many of those lost were either alumni, students, or just part of our school family. We the staff of the 1997 East Wind have decided to honor the families, friends, and peers of all the wonderful people deceased this school year, and to honor them. We want everyone to know how deeply all these tragedies have affected our school, families, and ourselves. Although they are gone they will be forever in our hearts and minds. We are proud to honor those lost, just as we were proud to call them our friends.

*"I tell you the truth," Jesus said to them, "no one who has left home or wife or brothers or parents or children for the sake of the kingdom of God will fail to receive many times as much in this age to come, eternal life."*  
(Luke 18:29-30)

The Harp of Sorrow

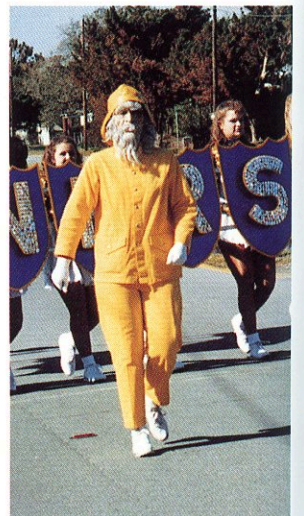

Sorrow has a harp of seven strings  
And plays on it unceasing all the day;  
The first string sings of love that is long dead,  
The second sings of lost hopes buried;  
The third of happiness forgot and fled.  
Or vigil kept in vain the fourth cord sings,  
And the fifth string of roses dropped away.  
The sixth string calls and is unanswered,  
The seventh with your name forever rings-  
I listen for it's singing all the day!  
Ethel Clifford (1800)

Sadly Hollow

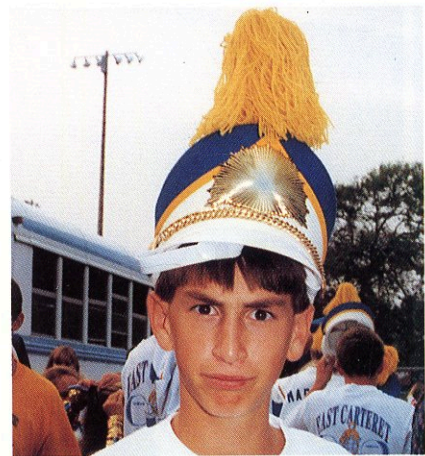

(Prayer of the Makah Indians)

Do not stand by my grave and weep.  
I am not there. I do not sleep.  
I am a thousand winds that blow.  
I am the diamond glint on snow.  
I am the sunlight on ripened grain.  
I am the gentle Autumn rain.  
When you awake in the morning hush,  
I am the swift uplifting rush.  
Of quiet birds in circling flight.  
I am the soft starshine at night.  
Do not stand by my grave and cry.  
I am not there . . . I did not die.

*The strength of the wave as it rolls to the shore  
Reminds us of Mariners who have gone before  
Of men and women who were strong and true  
Whose deeds and examples challenge us to follow through.*

A part of East Carteret

# *Lisa Nicole Coward*

*July 18, 1980-March 11, 1997*

*A beautiful girl with golden hair, with lots of love and joy to share.*

*A loving spirit and peaceful soul living life to find her goal.*

*Searching the clouds, chasing her dreams, I know that she found them, however  
it seems.*

*Clothed in white and her hair of gold, wrapped by love that can never be sold.*

*Our hearts are filled with pain and tears, but Lisa will never have any more  
fears.*

*Lisa will never feel sadness or pain, I know that our loss is her precious gain.*

*Lisa is sitting with Christ up above, sitting with angels surrounded with love.*

*I thank you, O Lord, for her immortal soul, I can now say goodbye to Lisa-  
Nicole.*

# *Kimberly Dawn Parkin*

*January 18, 1981 - December 26, 1996*

*Don't think of her as gone away — her journey's just begun,  
life holds so many facets — this earth is only one.  
Just think of her as resting from the sorrows and the tears  
in a place of warmth and comfort where there are no days and years.  
Think how she must be wishing that we could know today  
how nothing but our sadness can really pass away.  
And think of her as living in the hearts of those she touched ...  
for nothing loved is ever lost — and she was loved so much.*

# FACULTY

# ADMINISTRATION

*Mr. James H. Walker, Jr. Dr. Mary Jane McReynolds*

Students and faculty returned to a new principal this year at the change of semesters. Mr. Walker left East Carteret for his new position as Carteret County Athletic Director. Those who worked at East Carteret during his eight and a half year administration will always remember Mr. Walker for the many improvements he brought to the school. Transferring here from Atlantic Elementary School, Dr. McReynolds brings her experience and her own ideas for school improvement. Under her leadership, East Carteret will continue to grow and to prepare itself for the twenty-first century.

Quiz Bowl is an academic competition that puts "brain against brain." It is one of the few competitions in the high school that encompasses all areas of study. (science, math, music, drama, sports, literature, agriculture, ect.) Team practices are held weekly in preparation for monthly competitions. Local competitions are televised.

The Rifle Team is comprised of trap, rifle, archery, hunter skills (a compass course, written test, and game ID) and muzzle loading. To be on the Rifle Team requires a state hunter safety course and a score of at least an 80. The Rifle Team won the 1997 Regional Championship and became state champions in muzzle loading.

# W I N T E R G U A R D

Once again the 1997 Winterguard mesmerized audiences with graceful dance, rhythmic gymnastics, and a dazzling display of brilliantly colored flag and toss routines. Performing to Madonna's dramatic ballad "Oh Father," the team used balls, sabers, hoops, rifles, and an assortment of flags to portray the different emotions depicted in this powerful song. The Winterguard competed at East Wake H.S. (Raleigh), Northern Hash H.S. (Rocky Mount), West Carteret H.S., and the Atlantic Indoor Association Regional Championships (Virginia) during the course of their season. East Carteret salutes the artistic expression and the athletic coordination in which the Winterguard continues to excel. With the continued direction of Don "Goober" Johnson and much community support, the future of East Carteret's Winterguard shines brightly.

God sent to us not to long ago a precious little girl, the one to complete our family of four. We have so many hopes and dreams for you as you become an adult in this world. Always remember your Lord, who you are, where you come from, and what you want to accomplish in life. Cherish your memories of the past, but look forward with hope of a better future. Always strive to be something you yourself would be proud of.

## CONGRATULATIONS GRANDSON!

As you face each new today,  
may you find you'll always be  
prepared to meet its challenge,  
use its opportunity —

May you always have a dream  
to follow, wisdom's light to  
guide you . . .

May you know that others love  
you, and will always stand  
beside you.

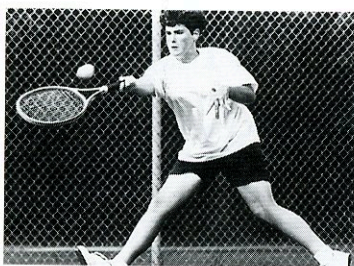

The  
Tassel  
was  
Worth  
the  
Hassle!

WE LOVE  
YOU!

Grannie &  
Papa Morris

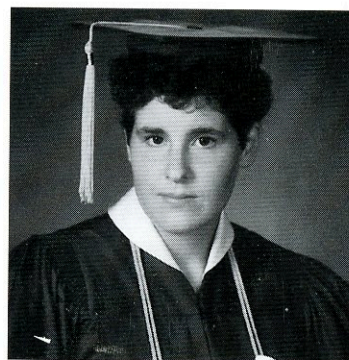

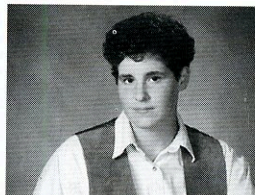

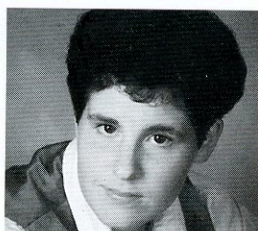

We said a prayer for you today  
and know God must have heard -  
We felt the answer in our hearts  
although He spoke no word  
We didn't ask for wealth or fame.

We knew you wouldn't  
mind.

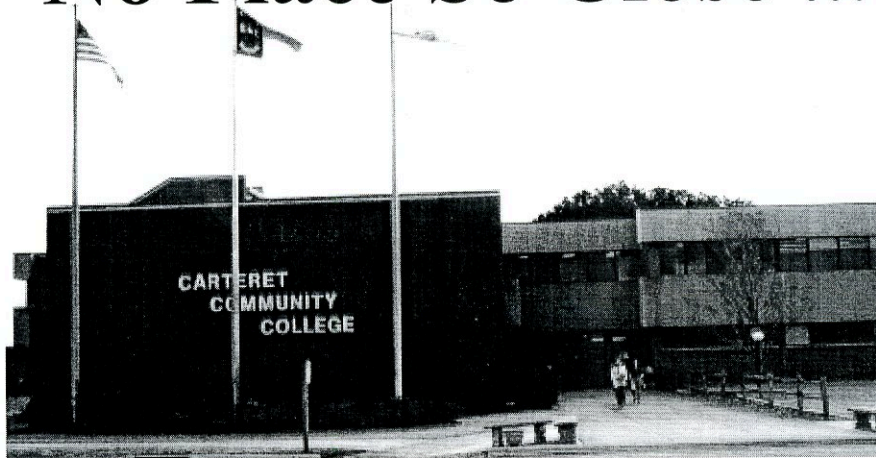

We asked Him to send treasures of a  
far more lasting kind. We asked that  
He'd be near you at the start of  
each new day. To grant you  
health and blessings and friends  
to share your way. We asked for  
happiness for you in all things  
great and small, but it was for  
His loving care we prayed  
the most of all.

LOVE,  
YOUR FAMILY

Blair,

It seems it was only a few short years ago  
You entered our world with dreams in tow.  
You have been such a gift to all you have known  
For your love and friendship have steadily grown.

Your bumps, bruises, and tumbles along the way  
Were Life's way of making the young man of today.  
Your footprints are firmly impressed in our hearts  
For your many gifts and talents will 'ner depart.

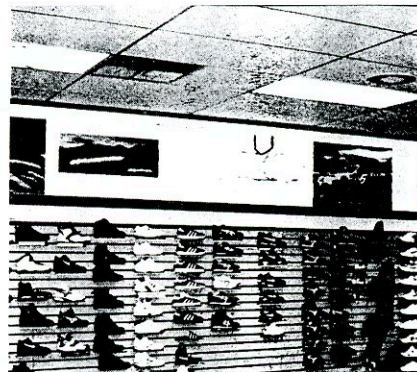

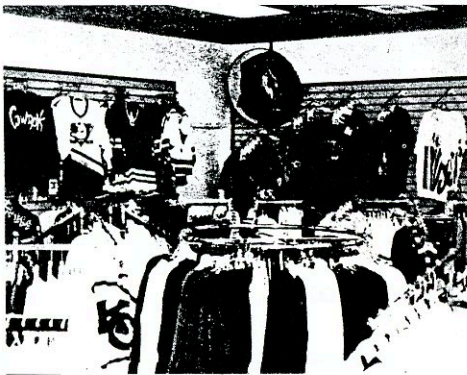

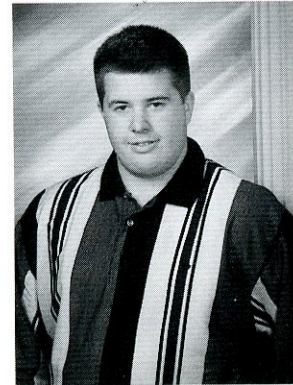

And now, the time has come when your wings  
must expand

To carry you soaring into new dreams and strange lands.  
We send you with all our love and God's constant light  
For we know that you have much to do during your flight.

Blair . . .  
Thanks for who you are and all that you will be.  
Great things are in your future that we are yet to see.  
Congratulations for your accomplishments so far  
And always recall the important things that define who you are!
