We would like to dedicate our yearbook to Jack Willis who is retiring after dedicating his entire teaching career to MCMS. Mr. Willis graduated from Warren Wilson College in 1969. The following fall he began teaching at Morehead Central School. He remained with us when our name was changed and we moved to our present location becoming Morehead City Middle School. The concern of his students has always been foremost. He has worked tirelessly to help each student achieve his or her personal best. During his tenure here he has received many awards and recognitions. Below are just a few:

- Carteret County Chamber of Commerce Teacher of the Month 1987
- Educational Excellence Award 1989-90
- Educational Excellence Award 1990-91
- Teacher of the Month 1992
- The Edith Stahl Kraft Award 1997

A collage of student portraits and magazine cutouts surrounds the central text. The portraits are arranged in a border around the page, with some students holding up signs or magazine pages. The magazine cutouts feature various text elements, including the word "SERVICE", "PRINT", "PACKAGE", and "ON". The central text "AUTOGRAPHS" is written in a large, stylized, cursive font.
