**Celia
Faye
Styron**

Ms. Styron graduated from Beaufort High School/East Carteret High School in 1966. She graduated from Appalachian State University in 1970 with a Bachelor Degree in Education. Ms. Styron began her teaching career in Greensboro City Schools, and taught there for thirteen years. In 1984 she returned to Carteret County and began teaching at Morehead Middle. Some of Ms. Styron's accomplishments include the National Honor Society, Dean's List and in 1979 was nominated for Teacher of the Year. For stress relief she loves dancing. Thank you Ms. Styron for caring enough to push us to be better students.
