Administration

Mrs. Tomon

Mrs. Tomon is a great principal at BCMS. She is also a mother of three kids, Jennifer, Bobby, and Brian. She enjoys traveling with her family, attending athletic events, and getting to know all her students. Everybody Loves Raymond is her favorite TV show. Her favorite subject is math, which she taught before she became a principal. She attended Penn State and studied Elementary Education. Mrs. Tomon has many unique things about her. She is a wonderful principal at Broad Creek Middle School.

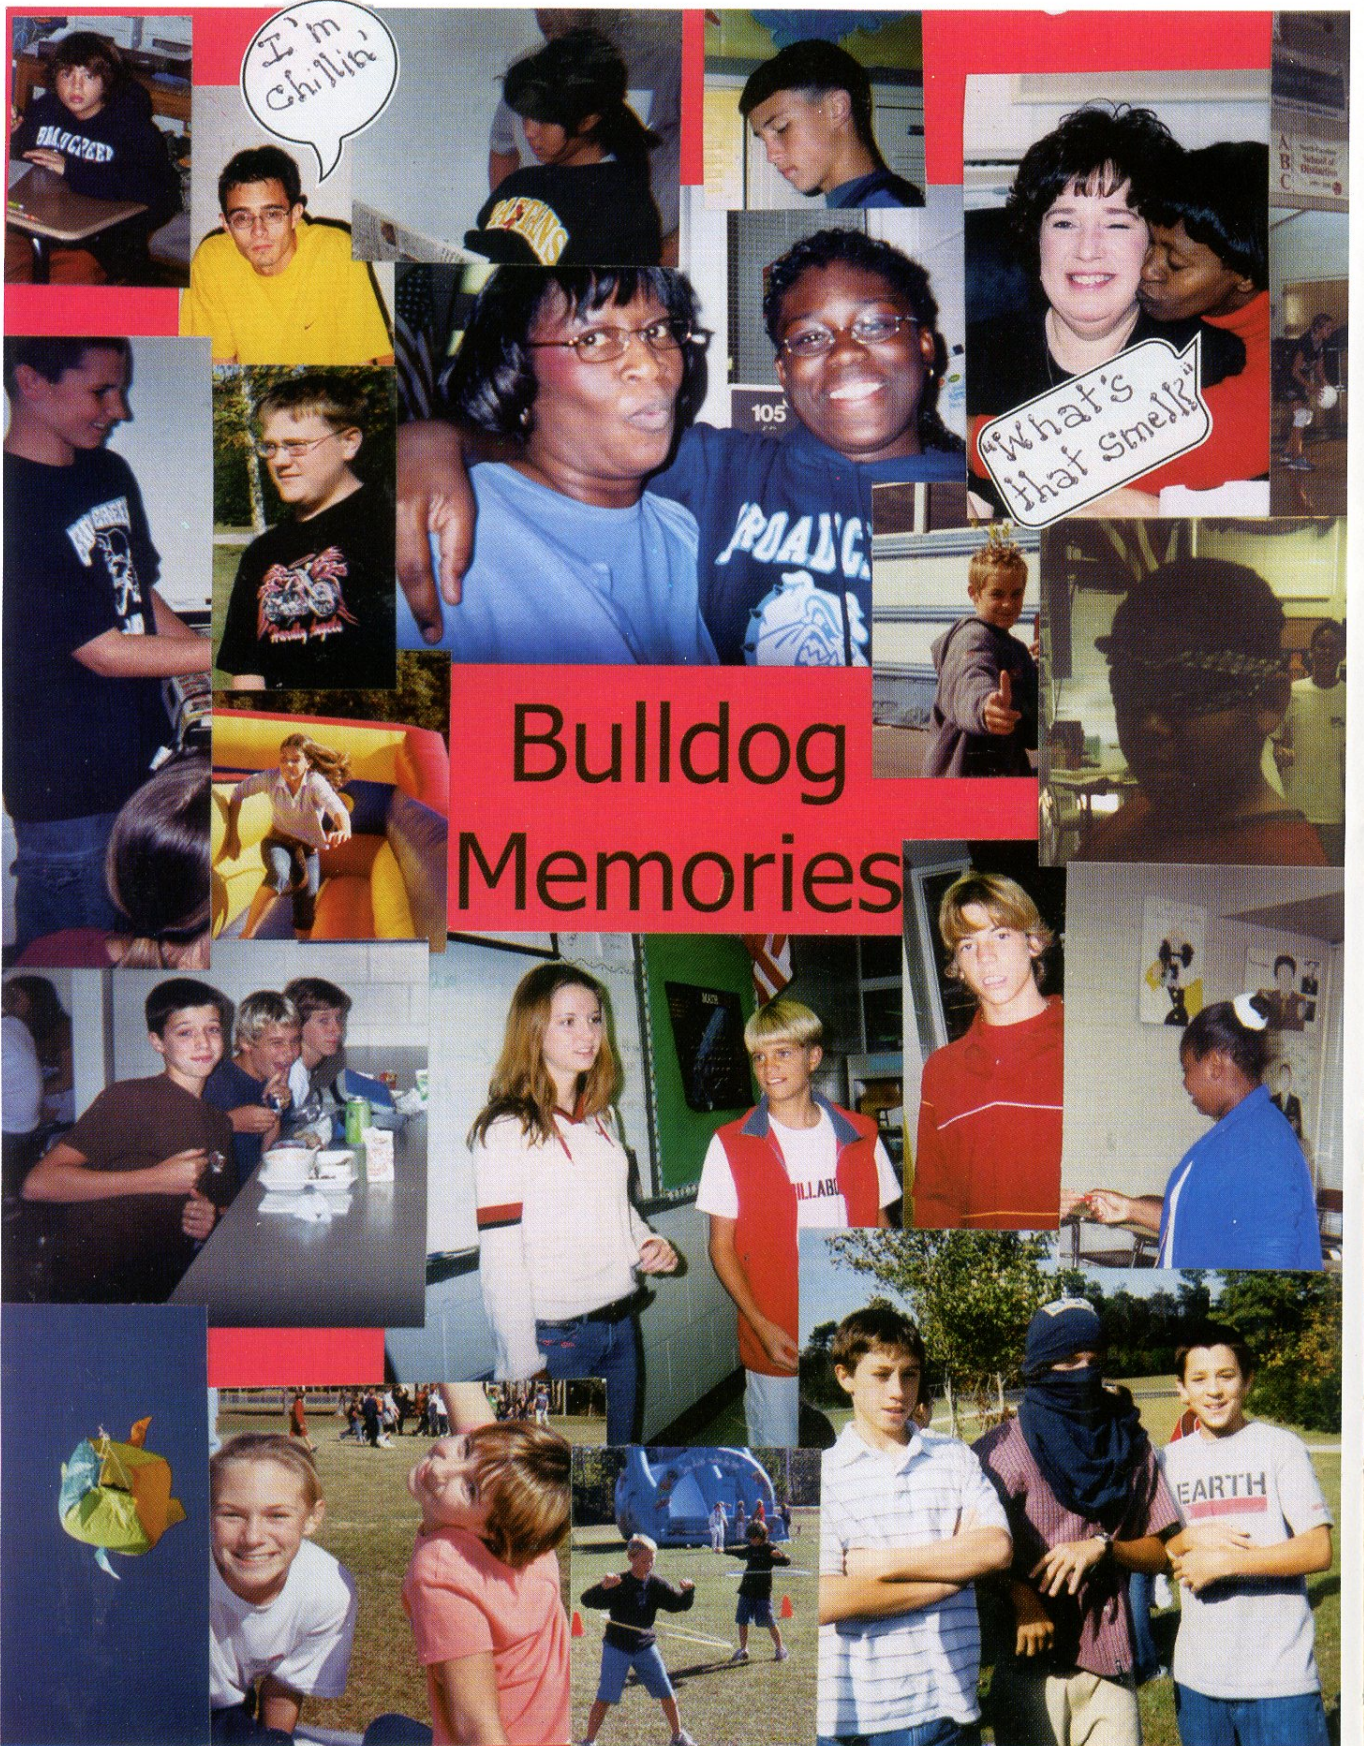

-Corrine Chase & Kay Yankosky

Mrs. Fritz

Mrs. Fritz, our assistant principal at BCMS, is a lover of many things. She loves to shop, go on cruises, travel, and swim. Her favorite subject in school is algebra and literature. She attended New Mexico State University and studied Elementary Education and Special Education. Mrs. Fritz wanted to be an assistant principal because she gets to make an effect on the whole school and loves working with the students and teachers. She is a mother of two sons, Josiah and Isaac. Mrs. Fritz is a one-of-a-kind person and we are very glad that she is our assistant principal at Broad Creek.

WHAT'S
going
ON?

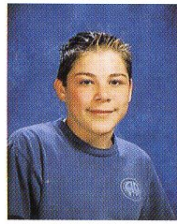

Finally... we say as the year is over,
We are in High School now!
We have grown up so much over the past 3 years,
Lets not forget the good times we have had and the bad,
But in the end it's all good.
We will soon get our license and be graduating from High School.
But we will always remember our Middle School years,
The friends and enemies that we have made,
And the tears and laughs we have had.
Lets just say goodbye to Middle and hello..
To a "new world!"

How About That Class of 2008?

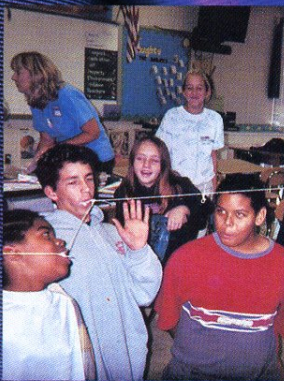

- * "A big thank you goes out to Ms. Burroughs' fall semester Technology students. You were AWESOME! Thank you for your effort and enthusiasm. Good luck in high school. (5th period -NEVER forget the Universal Pass)" - Ms. Burroughs
- * "The second week of school some random Barracuda tripped in the hallway and I cheered 'Way to go, Grace'. A few days ago she walks up to me all snotty and says, "By the way, my name is NOT Grace!" - Mr. Graham
- * "Kudos to all the outstanding 8th graders at BCMS! You are an unforgettable class and you have all been a pleasure to work with!" - Mrs. Fritz
- * "Way to go in regards to the State Computer Literacy Test! Most of you have already passed it and will not have it hanging over your heads in high school. I am proud of you for taking the test so seriously and for taking advantage of after-school help and extra "worksheets" in preparation for the test. Again, congratulations. Also, if I can help you in any way in high school, just contact me at BCMS." - Mrs. Kelly
- * "What I remember most about last year is playing checkers with James Payne. After tests on Friday we had a few minutes of free time. James and I would play checkers. I tried my best to win, but I lost more than won. James is a great checkers player!" - Mrs. Condie
- * "I would like to start by saying congratulations to BCMS' Class of 2004. I hope the Class of 2004 will take the opportunity to capitalize on all that high school has to offer. Remember to stay safe. I hope that all the athletes of Class 2004 continue to play their sports. There are only two sports - football and track! I could sit here all day naming people. However, I could not just name one or two. I think you all are very special. Thank you for the memories you have given me over the years. I wish you the best." Sergeant Panzarella
- * "The 8th grade girls' soccer players; Danielle, Monica, Cristina, Caitlin, Hali, Katelyn, Erin, Erin, and Lindsay had very little playing time as 7th graders, except for two girls. they stepped up this year and entered the playoffs against Morehead, who was undefeated, and took them to two overtimes with less than a minute to play before falling 2-1. The girls were the only ones who really believed they could do it. They played with all HEART!" - Mr. Schroeder
- * "Travis Morton is a star student always" - Mrs. Whealton
- * "Alex Mennemeyer is 6th grade Math Student Extraordinary!" - Mrs. Austin
- * "Jennifer and Jordah Pittman, why didn't you wear your hair different in 6th grade so that I could tell you apart?" - Mrs. Austin
- * "The class of 2008 is a great bunch of kid. What great students. They are pleasant to work with, have a great sense of humor and are eager to learn. These guys are a hardworking group, but set aside time to have fun. I'd be very interested to see them in 4 years to see how much they have grown. Best of luck in all your future endeavors." - Mr. Davis
- * "Being the Media Coordinator, I have been so fortunate to watch you grow and mature these last two years. You have helped out when needed with great spirit. You have touched my heart so many times. May your blessings be abundant." - Mrs. Simms
- * To my Technology Lab assistants: Casey Goepel, Courtney Grafton, Cortny Gravelin, Mandy Leake, Travis Morton, Erin Sadowski, Luke Searcy, Brandon Smith, and Harvey Weiss: thank you for all you have done for BCMS--especially for editing the web page, daily powerpoint presentation, and the quarterly newsletter. Your creative suggestions, positive attitudes, and smiling faces will be truly missed. It was my pleasure to work with each of you." - Ms. Coraro
- * "Crystal Williams was always prepared with colored pencils and pens for math. You're a great person. Best wishes in high school." - Mrs. Austin
- * "Molly Lewis, always kind and thoughtful." - Mrs. Austin
- * "Carrie Lucht is a dynamite personality and full of energy. Best wishes." - Mrs. Austin
- * "Elizabeth Mattson was always my afternoon helper." - Mrs. Austin
- * "Brittany Beck is a super person. I wish you the best in high school." - Mrs. Austin
- * "D.J. Montford had the biggest smile in 6th grade." - Mrs. Austin
- * "Marty Meadows is just a great guy." - Mrs. Austin
- * "The Class of 2008 has left a lasting impression on me. There are so many of you, as Tarpons, that really lifted my spirits and made coming to work each day more enjoyable. I will be keeping track of you and expect to hear wonderful things coming from the high school. The best of luck to each and everyone of you in the next chapter of your life." - Mrs. Baugus
