

A collage of movie-related items on a black background with orange stars. At the top left is a film strip with a brown and white wavy pattern. Below it is a clapperboard with a black and white striped top. The clapperboard has two black boxes: the left one says 'TAKE Smiles' and the right one says 'ROLL Memories'. At the bottom left is a large yellow film reel with brown sprocket holes. White popcorn pieces are scattered around the clapperboard and reel. The word 'SHOWTIME' is written in a glowing white font in the upper right. The year '2006' is in a white box at the bottom right. At the very bottom, the school name and year are written in a white font.
