White Oak Elementary

Growing Strong: Mind, Body, Character

The 2005-2006 school year brought challenges, cheers, and camaraderie as we came together as a school community to celebrate life and learning. White Oak was impacted by world events: a mirror of a larger existence. Families were impacted by the Middle East War as moms and dads deployed for duty. New students were welcomed into our WOES family, displaced in the aftermath of Hurricane Katrina. Field trips were temporarily suspended and carpoolers became bus riders in the wake of skyrocketing gas prices. All the while, WOES students took life in stride. They excelled in academics, displayed an array of talents in the arts, and exhibited strong character and positive attitudes.

2005-2006

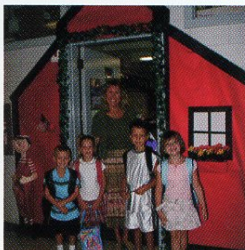

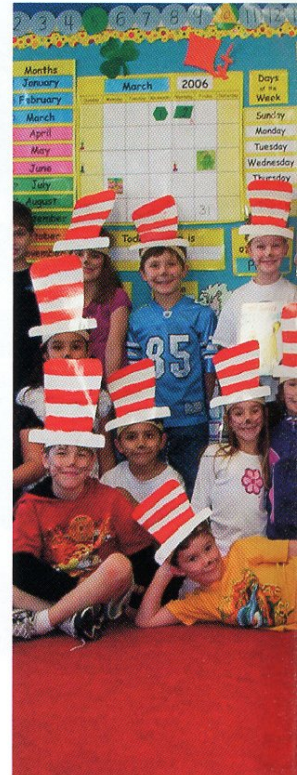

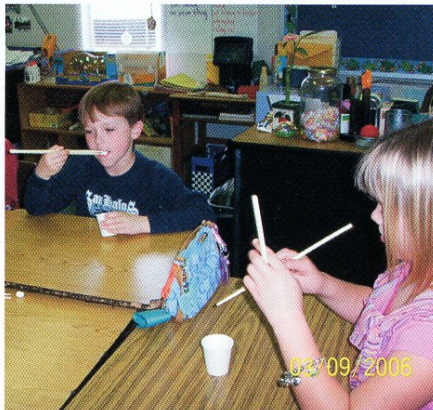

555 W.B. McLean Blvd.
Cape Carteret, NC 28584

In October, all fifth grade students (right) participated in the STARBASE program. The program is sponsored by the National Guard and integrates reading, math, and science. Students are engaged in activities during the week that provide hands-on experiences with machines, force and motion, and Newton's laws. The culminating event is a rocket launch when every student prepares and launches his own rocket!

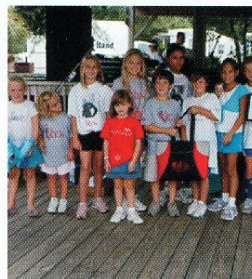

Mr. Lee and Mrs. Crowder didn't forget to get dressed that morning. First grade teachers and students enjoyed a relaxing day dressed in their pajamas and slippers on Teddy Bear Day!

Students in Mrs. Dunn's Second Grade class learned about world cultures. The students pictured (below, right) learned that using chopsticks to eat is not as easy as it looks!

Fifth Graders traveled to Camp Don Lee where they went through team-building exercises on a ropes course. (below)

SEPTEMBER
Students and teachers walked to raise money to "D' Feet" ALS.

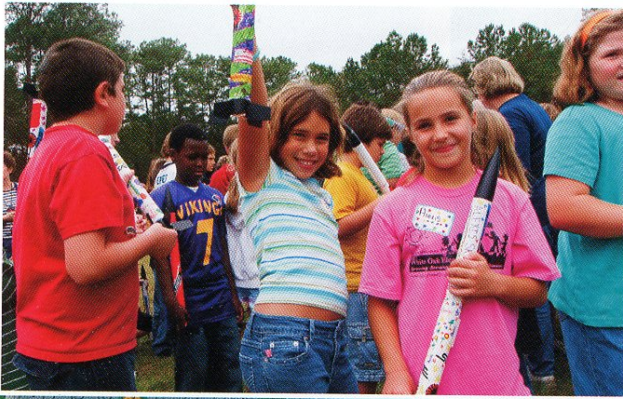

OCTOBER
Katelynn and Polly Watts take home a prize from Fall Festival's Cake Walk. Proceeds from the annual event fund PTO budgeted projects for the school.

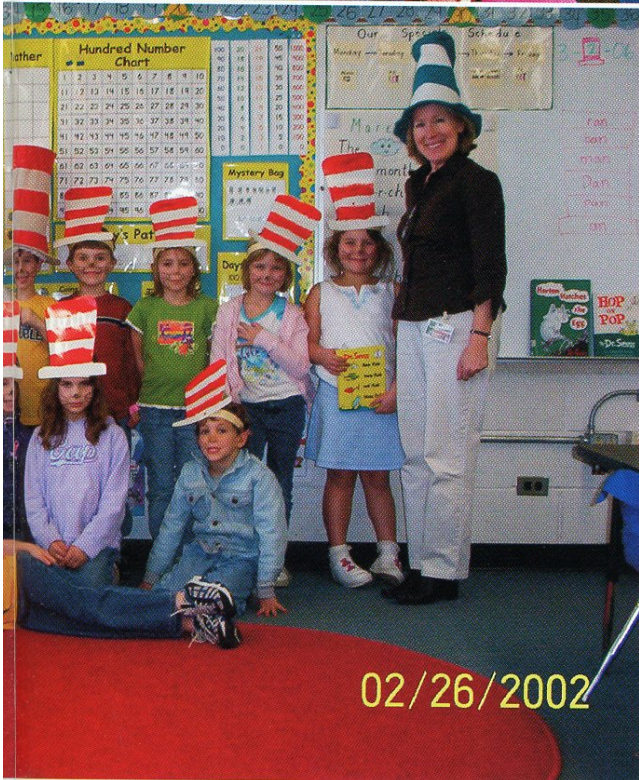

NOVEMBER
A+ Star Club Member Jacob Dooley prepares for the skating rink. This was the first nine weeks incentive award trip.

DECEMBER
Fifth graders Vicky Garner-McGraw and Logan Watson sing solo while the chorus looks on at the annual Festival of Trees performance.

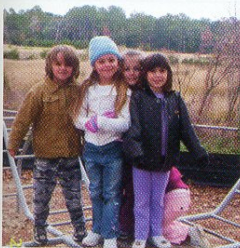

Read-In Day

Each year on March 2nd, White Oak Elementary (along with schools across America) celebrates Dr. Seuss' birthday; we call this our annual "Read-In." Members of our community are invited to participate by reading to the students. Many of the selections chosen were written by Dr. Seuss. The annual celebration traditionally consists of students and teachers alike dressing like the famous Cat In the Hat. Mrs. Howard's first grade classroom (at left) is just one of many who joined in the festivities.

What a great year!

MaryBeth Lanto
Guidance
Counselor

Although some responsibilities of the principalship may interfere with Mrs. Fowler's ability to be engaged and working with students, she will say that is the most important --and beloved-- part of her job.

MaryBeth Lanto's work is crucial to the overall school program. She counsels students, teaches classes, does test coordination, meets with parents, and offers a variety of outreach services to our school community.

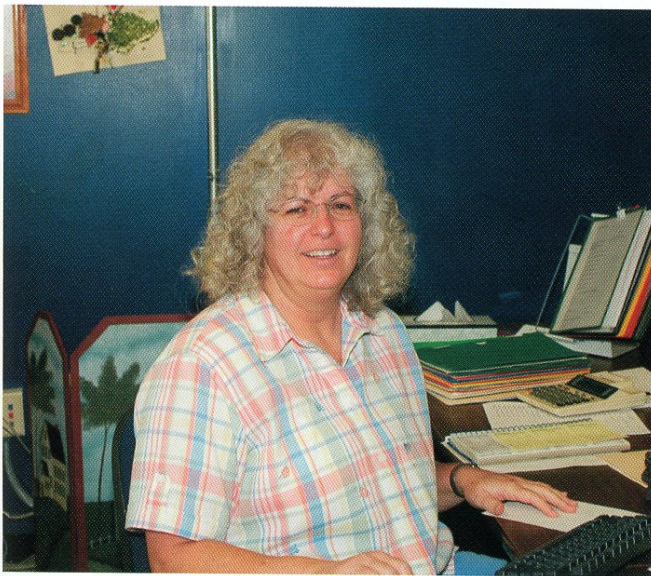

Focus on Children

From parent conferences to enrolling new students, from guidance lessons to leading student group discussions, from reimbursement checks to checking temperatures, from answering the telephone to answering the call to teach, White Oak Elementary School's Administrative Team combines care and regard for children with training in effective school operations.

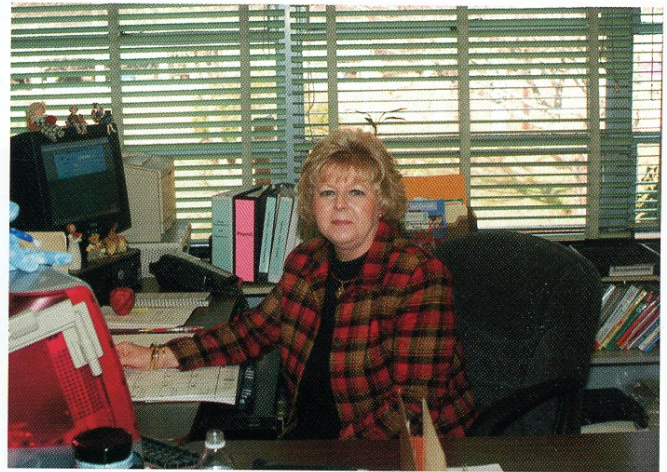

"No significant learning occurs without a significant relationship"

James Comer, MD

The goal is to provide excellent service to students, teachers and other school personnel as well as the parent and extended school community. These efforts are made with the belief that all students can learn and student learning is the chief priority for our school. Any decision made about the work of the school is driven by the learning needs of our students.

Charlene Barnes (above) is the expert in student information systems. Charlene handles all student data which includes grades, attendance, testing, demographics, bus routes, and class assignments. Her job is never done yet her warm smile and wonderful laugh is never-ending.

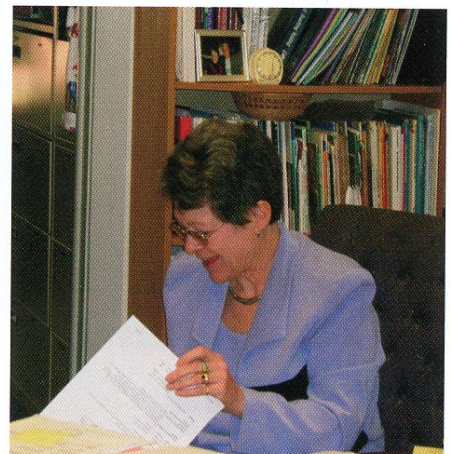

Donna Allen (above) handles all payroll, bookkeeping and executive secretarial duties for our school of 600+ students. She does it with grace and style. All of the adults here want to be like Donna when we grow up!

School Nurse Tricia Yarborough not only provides medical assistance, she also helps PE Teachers document student height, weight and body mass index as we chart progress with our healthy, active lifestyle program.

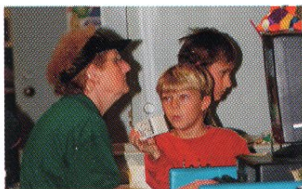

Mrs. Everett's (right) days are never duplicated, but whatever comes her way, she handles with confidence and professionalism. Her initial responsibilities are student discipline, bus transportation, the teacher mentoring program, and staff development.

Supper with Santa and shopping in the Workshop is always a big event attended by all ages. The evening's special guest is the "Jolly 'Ole Elf" himself.

Supportive Parents

White Oak Elementary School is very fortunate to have a supportive parent community. The Parent Advisory Council serves as an advisory board to Mrs. Fowler and advocates for the school in the community. This group spearheaded parent efforts to pass school bonds during the November elections to an overwhelming majority.

The Parent Teacher Organization's main focus is to raise money to benefit the school. These funds purchase school equipment and classroom curriculum materials. PTO also sponsors visiting artists to the school and honors teachers and school employees with special recognitions and an annual end-of-the-year luncheon. In many instances the money for these things is raised through family-oriented events such as Fall Festival, Supper with Santa, Family Skate Night, and Spring Fling.

PTO BOARD OF DIRECTORS

(L-R) Lynn Daly, president; Terri Ashby, vice-president; Stephanie Matas, secretary; Jen Deutsch, treasurer; and Marsha Atwood, vice-president.

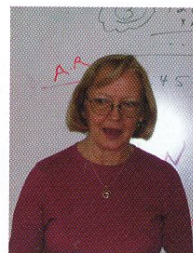

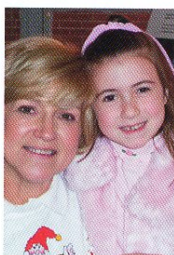

PARENT ADVISORY COUNCIL

From left to right: Cris Russell (secretary), Lynn Daly (PTO Rep), Eileen Lewandowski, Cindy Marshburn (chairman), JoAnn Garner-McGraw, Barrie Himes (Not pictured: Jill Mancini, Beth Stevens, Nancy Taylor)

A supportive community goes beyond our parents to those folks who provide a service to our school on a regular basis. This includes our dedicated substitute teachers who are on campus on a regular basis, some of whom are pictured at right.

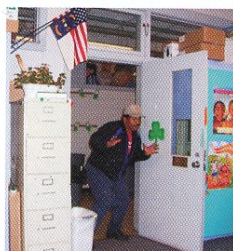

Substitute Teachers

Custodians

Willie Henderson
Day Porter/Head Custodian

Mr. Will has many jobs around campus, but his favorite is giving the teachers a hard time.

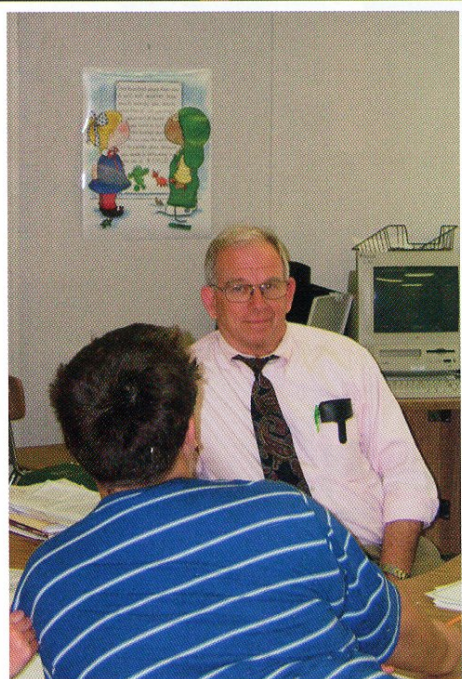

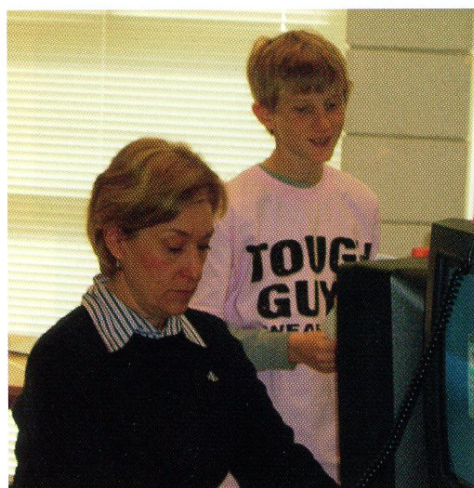

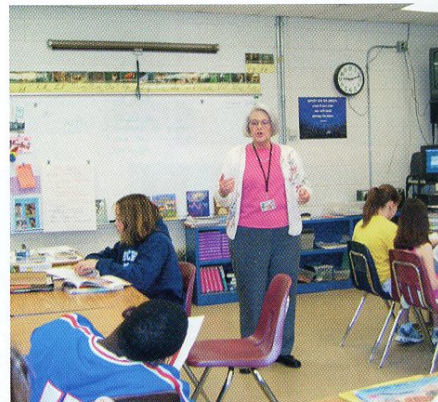

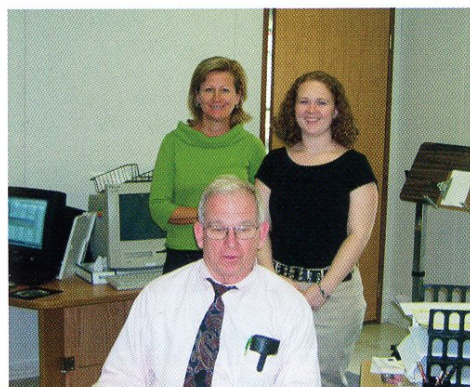

Rosanna Wilbanks

Rosanna works primarily on the K-1 hallway, but her smiles and laughter is heard around the school.

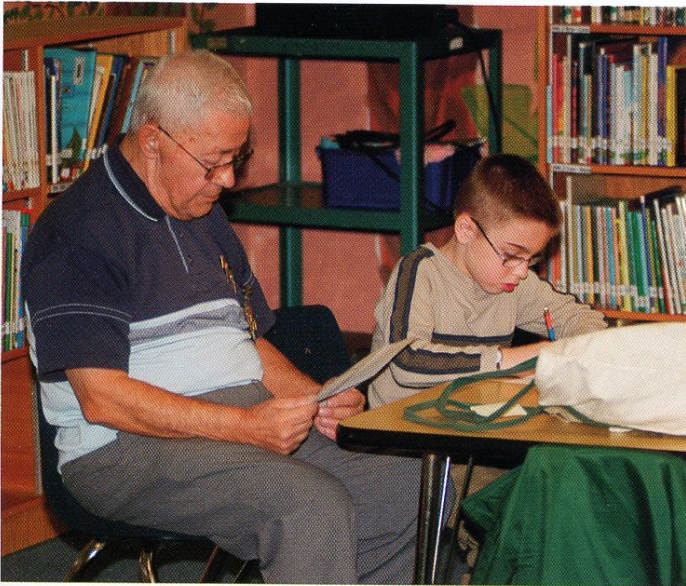

Reading Specialists and Special Education Teachers

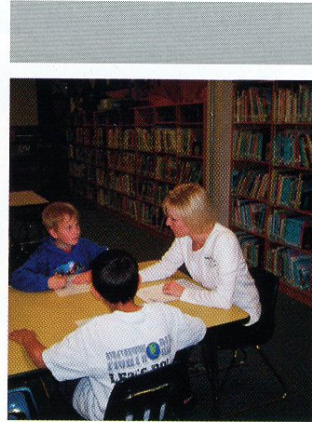

Nancy Duddy, Connie Smith, Teri Riley, Dan Roach, Anne Hume, Katie Meeker, and Diane Munns

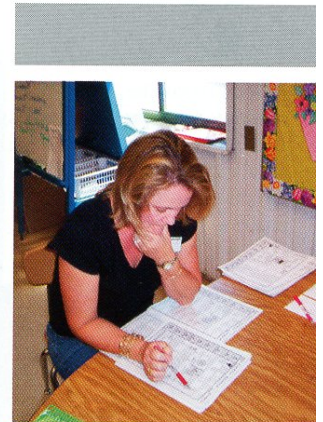

Volunteers make a BIG difference!

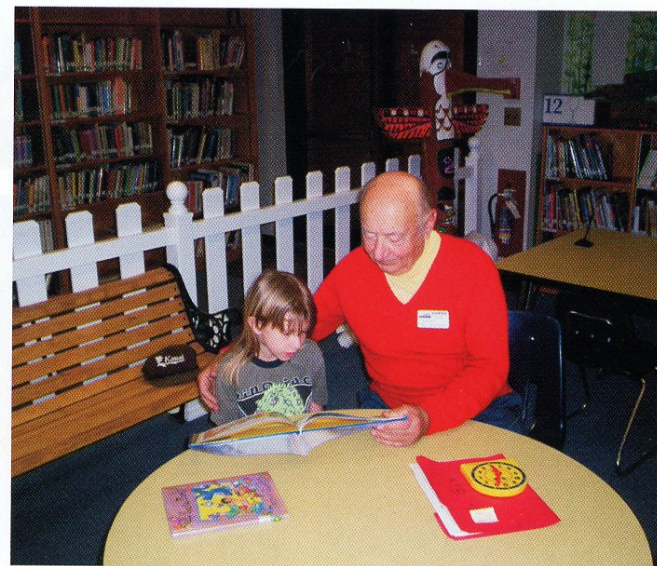

Mr. Paquette is a familiar face around White Oak. He is at the front door every morning to greet the students as they begin their day. He spends countless hours encouraging, teaching, and mentoring students across the grade levels.

Parents, like Tracy Chesnutt, volunteer to work one on one or with a small group of students. Their many hours are greatly appreciated by the staff at White Oak Elementary.

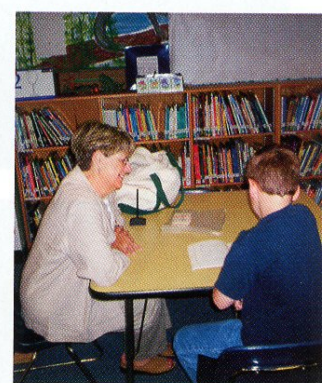

Mary Nickle volunteers her time each week to work with small groups of students, to help grade papers and gather materials used during instruction.

Beth Stevens is a volunteer who wears many hats from working with students, copying papers, to helping with yearbook ads.

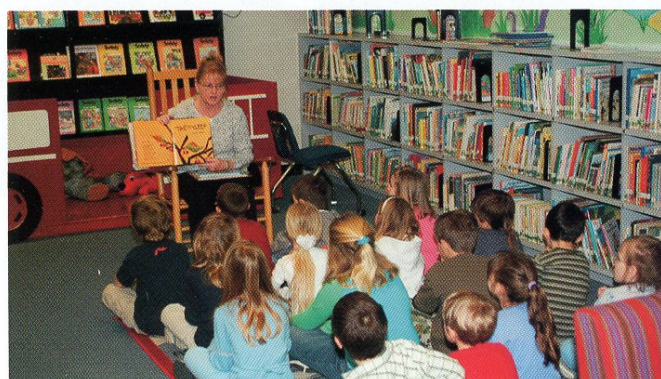

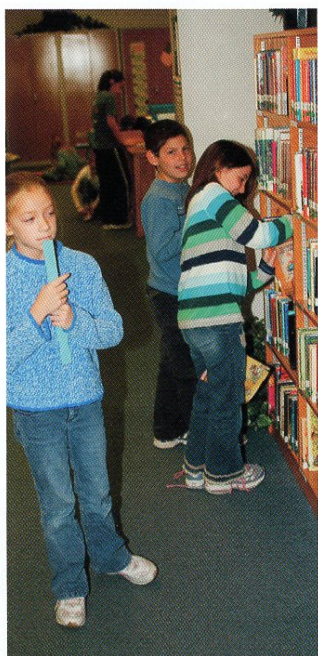

Mr. Bob (above) spends his volunteer time as a tutor. The students benefit from the special attention they receive.

Kathy Eatmon
After retiring last year, Mrs. Eatmon (above) decided she missed working with children. She volunteers many hours each week to ensure all students are successful.

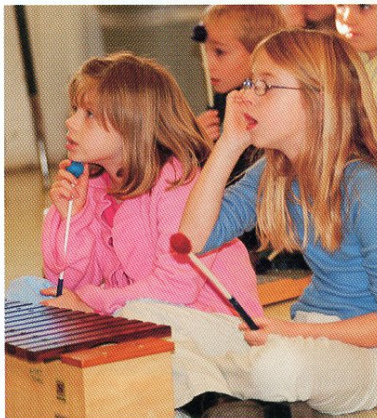

At White Oak the Arts are celebrated and promoted through curriculum integration in the regular classroom as well as direct instruction by arts professionals.

The media center offers a reading-rich environment where children hear stories, read books, magazines or newspapers, research projects, take AR tests, engage in tutoring sessions, or study quietly.

Visual Arts, Music, Physical Education, Media, & Technology

"It is the supreme art of the teacher to awaken joy in creative expression and knowledge."

-Albert Einstein

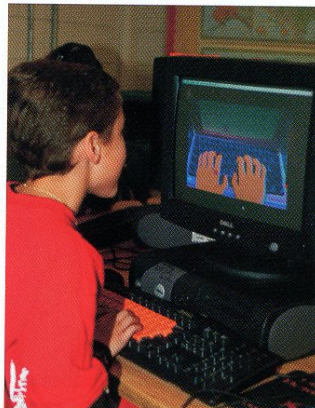

Work in the CCC Lab and MousePad offer opportunities for engagement in skills building and instruction in computer competencies.

The visual arts and music programs offer creative outlets to WOES students second-to-none. From hands-on visual arts projects to piano lessons and musical performances, White Oak Elementary students have a wonderful opportunity to expand their understanding of and love for the visual and performing arts.

An emphasis on healthy and active lifestyles is promoted by the PE Department and supported by the faculty and staff through modeling the importance of eating healthy and staying fit.

In loving memory of Vicky Guthrie

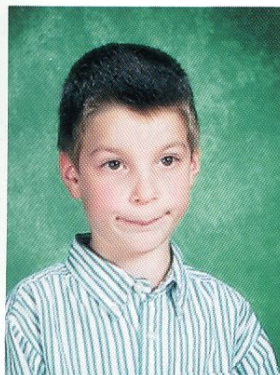

We, the friends of Vicky Guthrie, dedicate this page in her memory with our love. "Miss Vicky", White Oak's cafeteria manager from August 1975 to June 2002, took her place in our lives as a mother to all of our children. The first to arrive each day, she prepared food to nourish young bodies. With clear and consistent discipline, she ran a cafeteria that was safe and orderly. That example alone set her apart. White Oak's students knew better than to go 'in' through the 'out' door with Miss Vicky in charge!

But Vicky Guthrie took her job responsibilities so much further. She prepared not only food but words to encourage young hearts. There was always a smile, an instructive word of wisdom, or a pat on the back for each of White Oak's students. It was the same for those adults among us who knew her. She positioned herself in our lives, too, as a friend and co-worker. We were never happy or sad without a cheer or a smile from Vicky. We always left her cafeteria with more than we came to receive, and for that we are grateful.

Thank you, Miss Vicky!

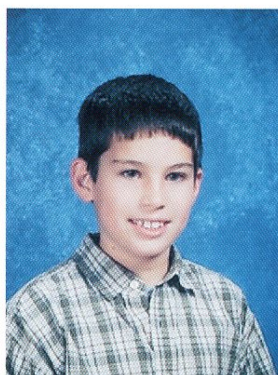

Words of love!
