a special attitude or frame of mind especially when vigorous or animated

Our school lives revolve around books, stacks of college-ruled paper, pens and pencils of every imaginable shape and color, as well as the need to connect with each other. The spirit of the WCHS student body is the glue of that connection. We collectively live, breathe and defend our school name, and no one... yes, no one can defeat us-together.

JV Cheerleading

This year's JV girls worked hard all season. Try outs were in May 2007, and their practices began the following month. The squad practiced for the majority of the summer every week, twice a week. In the beginning, it was a struggle after losing Coach Michelle Ludwig, but after Coach Elizabeth Robb filled the position, the girls were back on track. Their outstanding dedication helped them cheer through West Carteret's JV Football and Basketball seasons.

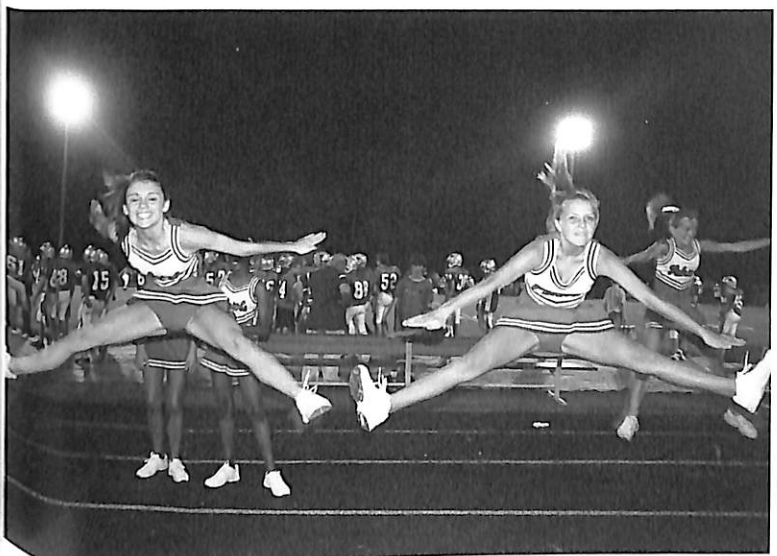

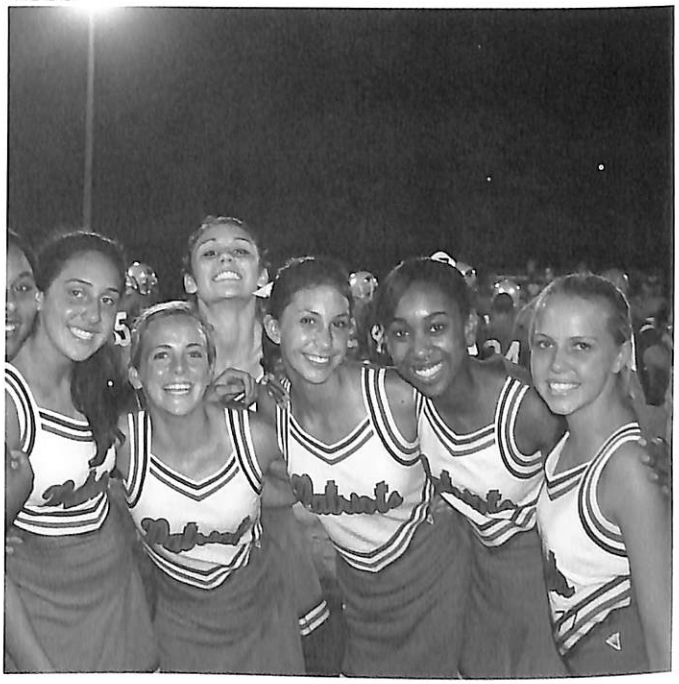

2007-2008 JV Cheerleaders: Olivia Bolton, Samantha Case, Sydni Collins, Amy Cordova, Jessica Florian, Taylor Hawkins, Kristina Kelly, Mary Elizabeth Lancaster, Marae Lindquist, Hope Gibbs-Maddox, Chelsea Markham, Madison Maxwell, Lourdes Perez-Montes, Sierra Moraven, Shannon Osborne, Sharon Payne, Monica Poletti, Samantha Rivenbark, Helen Robertson, Coach Elizabeth Robb

The girls show off their impressive toe touches.

Varsity Cheerleading

This was the year of beginnings. Ms Julie Salyards took the place of thirty-year coach, Becky Ackert. Although the girls lost three members over the course of the season, they seemed to pull it all together in the end. The varsity cheerleaders traveled to Little Washington, where they received fourth place in their conference competition.

Top row: Rachel Rowler, Sarah Collins, Mandy Sautner, Sara Anderson, Caleigh Cornell. Middle row: Kelly Lindquist, Ronilyn Osborne, Callie Harris, Marci Parish. Bottom row: Chelsea Perry, Megan Lee, Stephanie Scheller, Kristen Holcombe, Rachel Flippin, Shawna Thorn, and Brittany Willis.

Swimming

The '07-'08 swim team proved that hard work pays off. The boys' team finished off the season with 2nd place in the Conference and 4th overall in the Eastern 3A regional meet, which took place in Goldsboro. They also finished 13th out of 61 teams in the state. The girls' team is losing four seniors, but next year's team looks to be promising. Next year's captains will have big shoes to fill but will surely do a good job considering that they were elected by the team itself. Kara Belcher, Caitlyn Brandt, William Weinhold, and Andreas Boe will be the Captains for the '08-'09 season. Another big highlight of the year is the setting of a new West Carteret record. The boys' 200 freestyle relay team of Bobby Bittner, Jake Corman, Jordan Lewis, and Trey Davis, set the new record of 1:39.48 on January 10, 2008. They broke the record of 1:42.51 set just last season. All in all, it is easy to see that this year's team had a very successful season that will definitely be remembered.

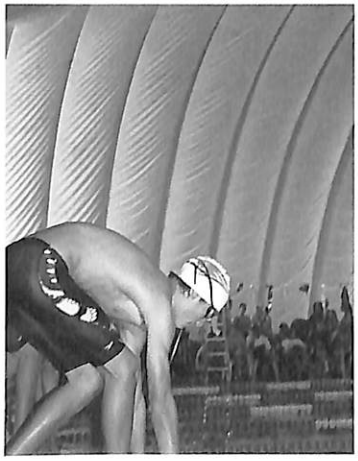

Girls: Caitlyn Brandt, Kristen Carpenter, Nikki Coburn, Meagan Decker, Mikaela Edge, Rachel Foley, Taylor Hawkins, Michelle Kasperski, Chelsea Ketterer, Lily Kline, Kelly Lindquist, Marae Lindquist, Kelly Mansfield, Morganne McIntyre, Bobbie Ann Saleeby, Mary Ann Varner, Connolly Walker, Elise Wilder

Varsity Boys' Basketball

The 2007-2008 Varsity Boys' Basketball team started out with a bang. The loud crowds and nail biting overtime wins kept the team's spirits high. As the season went on, the team continued to fight. During the 4th Annual Sports Center/70 West Marina Christmas Tournament, the Patriots finished strong with an overall second place trophy. Jared Belknap was awarded MVP, David Blackstock received the Coaches' Award, and Morrell Fox was voted Best-All-Around. Even though this year's six seniors will be greatly missed, there will be six underclassmen returning for the 2008-2009 fighting Patriots' season.

JV Boys' Basketball

The JV Boys' Basketball team, led by Coach Mark Mansfield, finished up with a good season. They finished 13-10 overall, and 5-9 in the conference. They fought hard and gave it their all every game of the season. The upcoming players will bring a strong front for the Varsity team next year.

JV Girls' Basketball

The JV Girls' Basketball team had an awesome season with six returning sophomores and six new freshmen. Winning the Ninth Annual Tip-off Tournament highlighted the team's undefeated season. During this tournament, Lindsey Barnes received the MVP award, while Stacey Wainwright and Brittany Taylor received the All-Tournament Team Award. Hard work and dedication led the girls to an undefeated season within the conference.

JV Girls' Soccer

This season, the JV Girls' Soccer team had a lot to learn. They had to learn and get used to a new "pressure-cover-balance"-based system. After a lot of hard work at practices and games, they mastered the system and ended up with an overall record of 8 wins, 4 losses, 2 ties, and a conference record of 5 wins, 1 loss, and 2 ties. All of their hard work paid off when they ended the season with a 2-1 win against the conference powerhouse, the New Bern Bears. The JV Girls are looking forward to a strong season next year as well.

JV Baseball

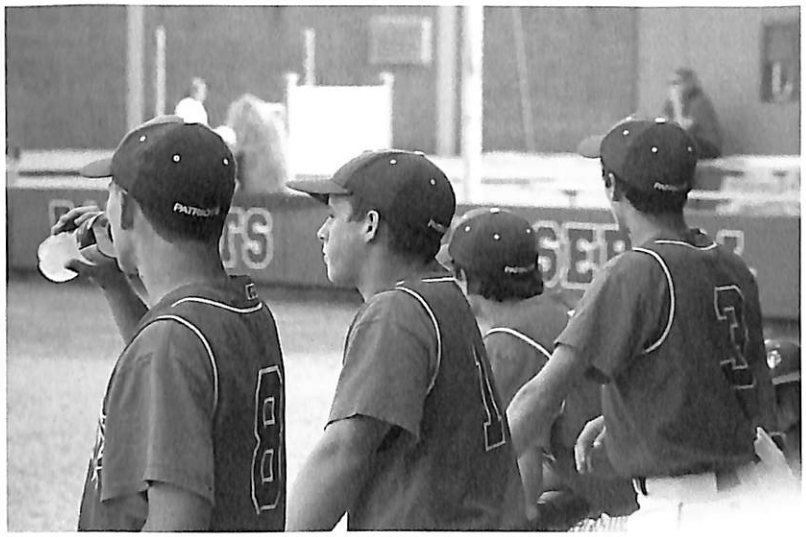

The JV baseball team ended a great season with a 12-7 record. The team showed much improvement during practices as well as the games. As some boys anticipate moving up to the Varsity team, others look forward to another rewarding JV year.

Boys' Track

With lots of newcomers and only a few returning teammates, the 2008 West Carteret Boys' Track Team worked hard at practices and meets to strengthen their team. Their quote this year was "Trample the weak and hurdle the injured," and their perseverance allowed them to do just that.

Isaias Arellanes, Justin Auleta, Garrett Austin, Joseph Bond, Matthew Dillingham, Gosch Ehlers, Ricardo Garcia, Luke Grady, Jonathan Hagan, Jeff Hancock, Riley Horne, Brenden Johann, Samuel Jones, Jeremy Joyce, Ivan Juarez, Tolson Kenney, Ben Kirkbride, Dillon Ladenburger, Brian Lamoureux, Bradford Lewis, David McCollum, Cody Murphy, Samuel Pisano, Michael Rose, Peter Stallsworth, Mark Starnes, Kyle Taylor, Samuel Tomlinson, Alex Williams, Nathaniel Williams, Hayden Willis, Christopher Wright, Aubrey Godette, Isaias Ventura

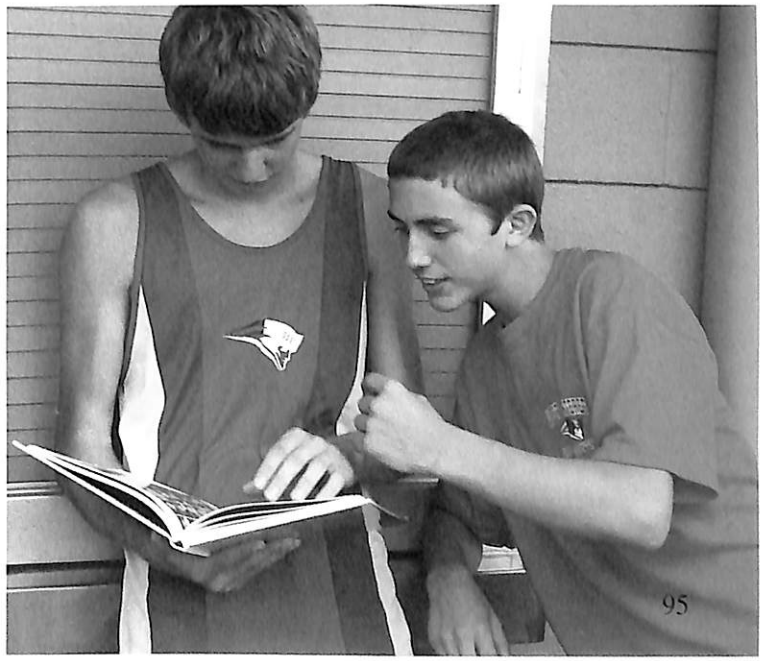

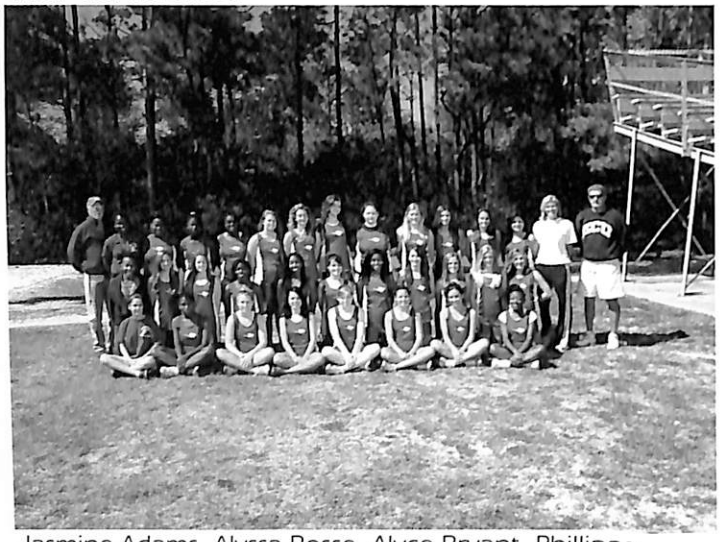

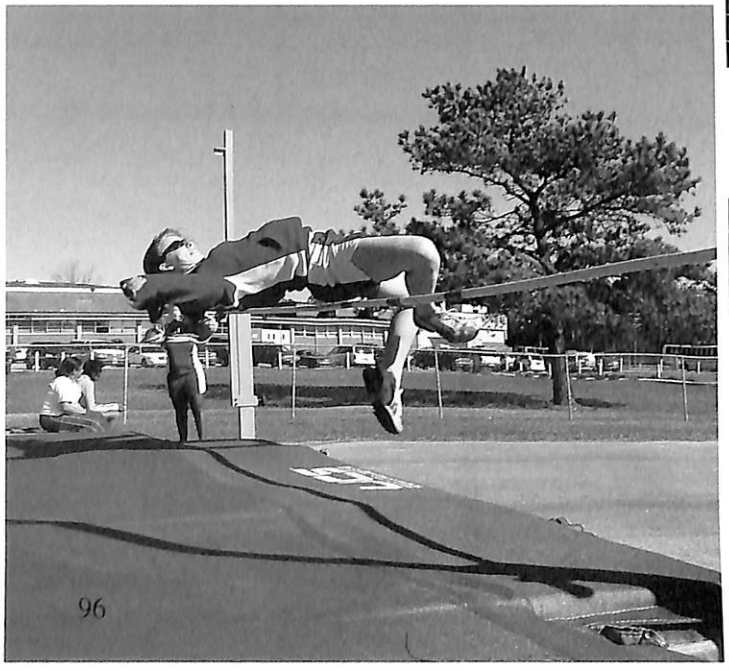

The team warms up before the meet.

Girls' Track

This year's girls' track team was most certainly a hard-working bunch of ladies. Between a new coach and a tight-knit team from last year, the season was definitely filled with girls challenging themselves and the competitors. With a few dedicated and talented seniors leading the team, they finished with amazing accomplishments in their conference.

Jasmine Adams, Alyssa Bosse, Alyce Bryant, Phillippa Campbell, Amanda Carey, Kristen Carpenter, Sam Case, Meg Case, Sarah Cummings, Angie Ellington, Ashley Embry, Faith Fear, Shadae Forbes, Aerial Fowle, Hope Gibbs, Rebecca Gitlen, Alex Goodwin, Ashley Hagan, Kristen Henderson, Sydia Hinds, Staci Hoell, Nichesa Jones, Danyell McNemar, Sierra Moraven, Jill Odom, Demetra Provatas, Helen Robertson, Laura Saleeby, Brie Talob, Alexis Talob, Ariel Theroith, Kelly Wakeman, Amber Watson, Shelena Wiley, Vickie Williams, Diamond Zephir

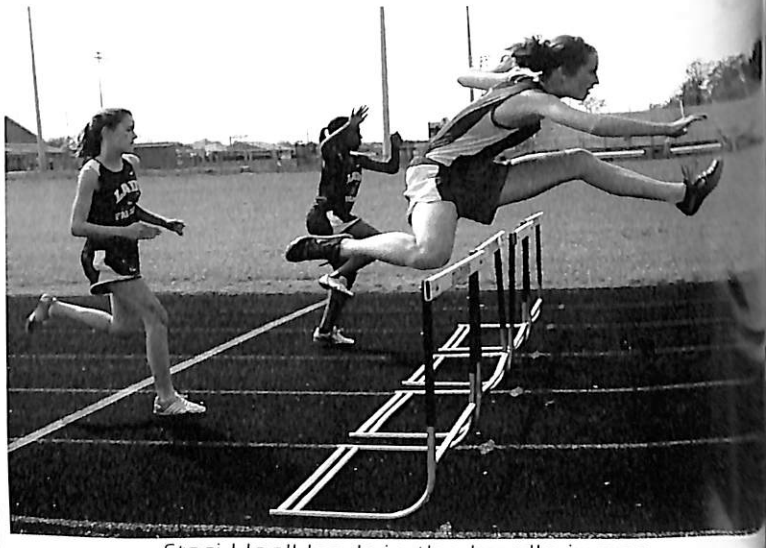

Staci Hoell leads in the hurdle jumps.

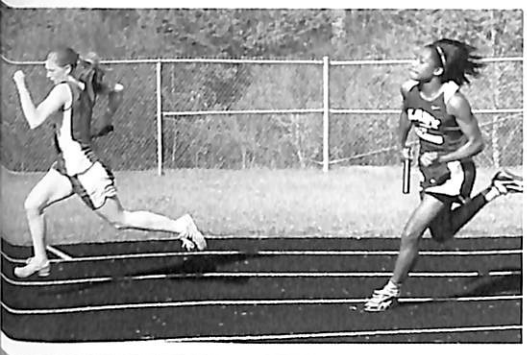

Varsity Softball

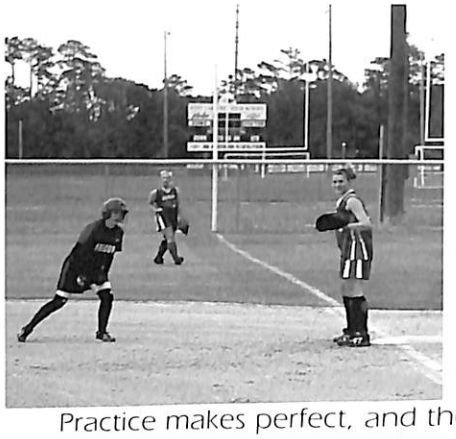

Being on a team brings many joys and struggles. This is true for the Lady Patriot Varsity Softball team. There were many trials throughout the season, but nothing was as important as their team work. The girls won games and even lost a few, but their hard work ethic and drive to play their best kept them persevering throughout the season. Every good team has obstacles. One major obstacle the girls overcame was the lack of players. At the beginning of the season, a good number of the girls became injured. The Lady Patriots showed their patriotic spirit by combining with some of the JV Softball girls and striving to complete the season.

Jordon Milliman, Darlene Coburn, Christina Brown, Lauren Wicks, Sonja Taylor, Lauriel LeBeau, Courtney Cobble, Hope Billings, Kristen Piner, Tia Caldwell, Katlyn Small, Stacy Wainwright.

Practice makes perfect, and the Lady Patriots show this in their games.

Lauren Wicks watches the game from the dug out.

"A true champion is someone who wants to make a difference, who never gives up, and who gives everything they have no matter what the circumstances are. A true champion works hard and never loses sight of their dreams."

- Dr. Dot Richardson

Another amazing pitch from the Lady Patriots.

Katlyn Small gets ready for the catch.

Boys' Tennis

The boys' tennis team had a successful season with a record of 10 wins and 8 losses. This year, the team had several outstanding players. Senior David Blackstock qualified for Regionals and was MVP. David Blackstock and Alfredo Gonzalez were the All-Conference players, and Andreas Boe received the Coach's Award. The tennis team placed 2nd in the Coastal 3A Conference. With five leaving seniors, the nine returning players must step up their game for next year to stand up to this season's record.

Top Row: Tres Crowe, David Blackstock, Andreas Boe, Shane Toms, Cameron Wainwright, Jackson Riley, Coach Thompson. Bottom Row: Tyler Marine, Caleb Hooper, Brian Norris, Trenton Blaine, Justin Felton, Alfredo Gonzalez, Addison Yarborough.

Boys' Golf

This year's boys' golf team consisted mostly of younger members, but was led by one senior, Daniel Decampo, and Coach Arnold. Coach Arnold had to step up to the tee when long-time golf coach, Coach McFerren, retired. This season was one filled with quite a bit of learning, practicing, and working to achieve high goals.

Believe in...

SUCCESS

noun
favorable or desired outcome often involving the attainment of wealth, favor, or eminence

We all may have our complaints about the authority in our lives, but in reality, we ought to spend more time being thankful for them. These people of authority are the people that devote their lives to teaching us to open as many doors to success as we possibly can. These people truly want the "favorable or desired outcome" for us.

Believe in the FUTURE

noun
time that is to come;
an expectation of advancement or progressive development

Our whole lives we've been forced to think about the future. We've been taught the decisions we make today have consquences in days to come. In the same way, we've been taught the realities of our future are possible only through hard work and dedication today. Trusting in our decisions is crucial in securing the most positive future possible for ourselves. For each of us, the "time that is to come" is still open to being everything and anything for each of us.

Believe in...

PERSEVERANCE

noun
an action or condition in which one persists in a certain state, enterprise, or undertaking in spite of counterinfluences, opposition, or discouragement

Perseverance for one last year is critical. The rewards far outweigh the trials. Going through rather than going around adds substance to the journey and meaning to the outcome. Seeing something until the end means being able to experience it at its fullest, and who wouldn't want to be able to say they experienced high school at its fullest?

Believe in...

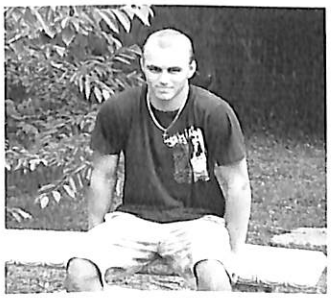

noun
something that is within the limits of ability, capacity, or realization

Everyone's heard the overused expression "the possibilities are endless." Most people haven't really thought about, or taken advantage of, the endless possibilities available to them. Our wildest goals, dreams, and ambitions are all endless possibilities. It's simply up to us to truly grab hold of those possibilities and to make them realities.

INNOCENCE

noun
harmless in effect or intention;
lack of worldly experience or sophistication

High school is one of the most exciting, nerve-racking, and beneficial trials that teenagers have to endure. The one thing on our side at this point in our lives is, in fact, our innocence. Embracing it and realizing it works for us and not against us is crucial. Let your "lack of worldly experience or sophistication" enable you to experience high school fully.

Louisamari Santiago

So much to say about Mari and not enough room.
You brightened my life and made it worth living
Since the moment I felt you in the womb

I feel this song was written especially for you, so from the Lyrics of Rascal Flats and the bottom of my heart, enjoy Baby Girl Mari.

I hope that the days come easy and the moments pass slow,
And each road leads you where you want to go,
And if you're faced with a choice, and you have to choose,
I hope you choose the one that means the most to you
And if one door opens to another door closed,
I hope you keep on walking till you find the window
If it's cold outside, show the world the warmth of your smile,
I hope you never look back, but you never forget
All the ones who love you, in the place you left,
I hope you always forgive, and you never regret
And you help somebody every chance you get,
I know you find God's grace, in every mistake,
And you always give more than you take
But more than anything, yes, more than anything,
My wish, for you, is that this life becomes all that you want it to,
Your dreams stay big, and your worries stay small,
You never need to carry more than you can hold,
And while you're out there getting where you're getting to,
I hope you know mom and dad love you, and want the same things too,
Yes, this is our wish for you
Thank you for being the best daughter a parent could ever have.
Que Dios te bendiga hija mia.
You are destined to do great things Beba.
Love always, Mom & Dad

Ashley Perri

I will offer this advice that has brought much success in Mommy's and my lives: never give up on your dreams, never cheat to get ahead, and always be honest in yourself and in dealing with others. We love you with all our hearts and souls and wish you the best in all your endeavors.
All our love,
Mommy and Daddy

On July 4, 1990, a very special baby girl arrived. With mischievous, sparkling hazel eyes, rosy cheeks you want to pinch, and an infectious laugh, she would soon become the "firecracker" of our family. Kerry, you have grown into a beautiful woman, and we wish you the very best in life–
YOU CAN DO IT!!
Love,

Jonathan & Jason Ross

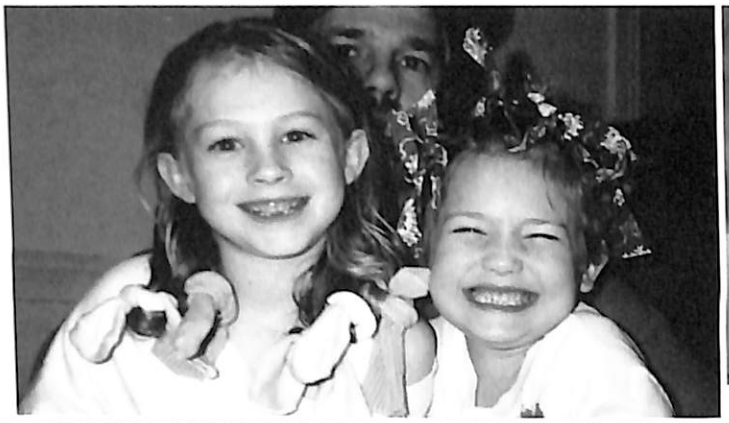

There were two to wash, and two to dry,
two to argue, two to cry.
One in the mud having a ball,
The other holding a crayon, another marked wall.
Some days it seemed endless, my patience grew thin.
Why was I chosen to be a mother of twins?
I just wanted them to be able to pop their own tart,
But now I dread the day that college will start.
I cried when I thought about them beginning to drive,
But I always knew this day would arrive.
What I will remember is the laughter and the fun,
And the blessing God gave me when he gave me twin sons.
'There's two to kiss, there's two to hug,
And best of all, there's two to love!
Love, Mom

Callie Harris

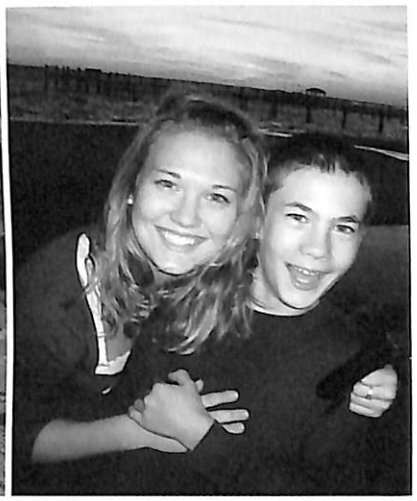

Callie-We are so proud of you. We wish you much success and happiness at Carolina and beyond.
Much love,
Mom & Dad

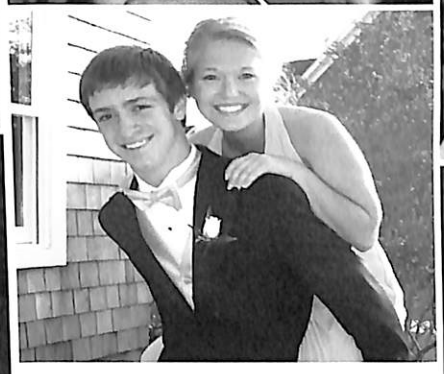

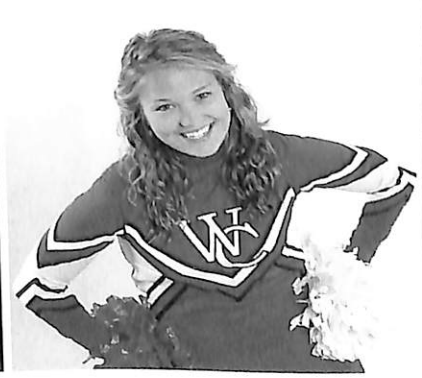

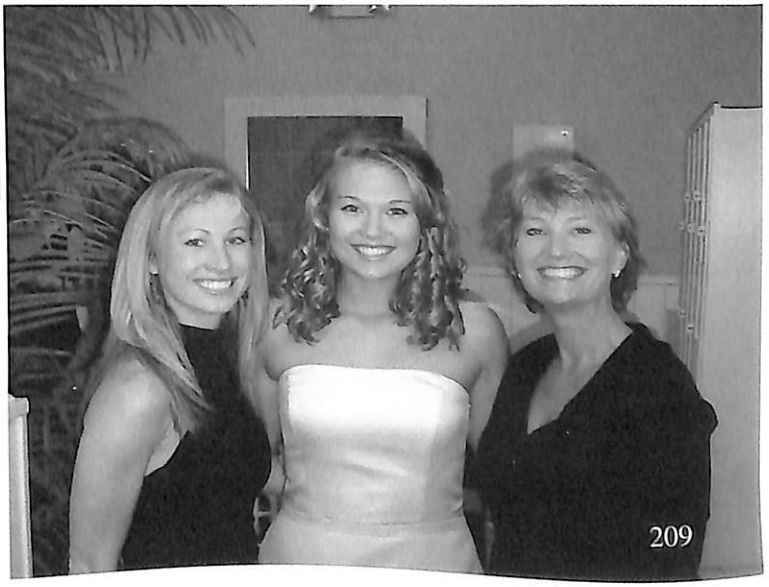

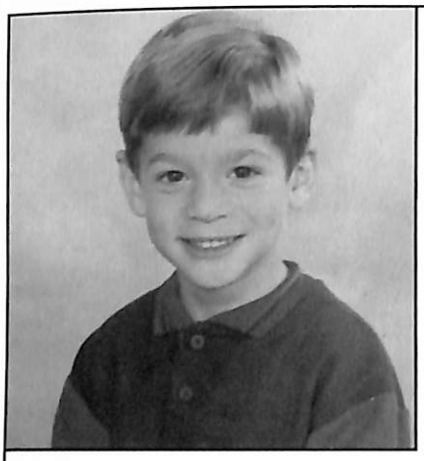

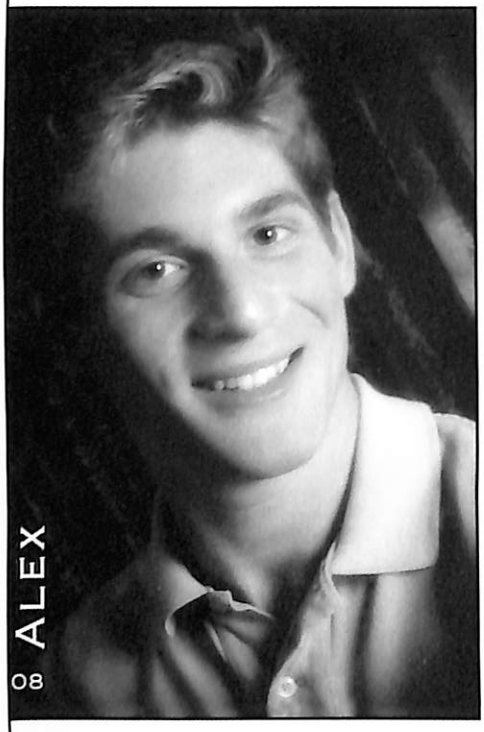

Alex Williams

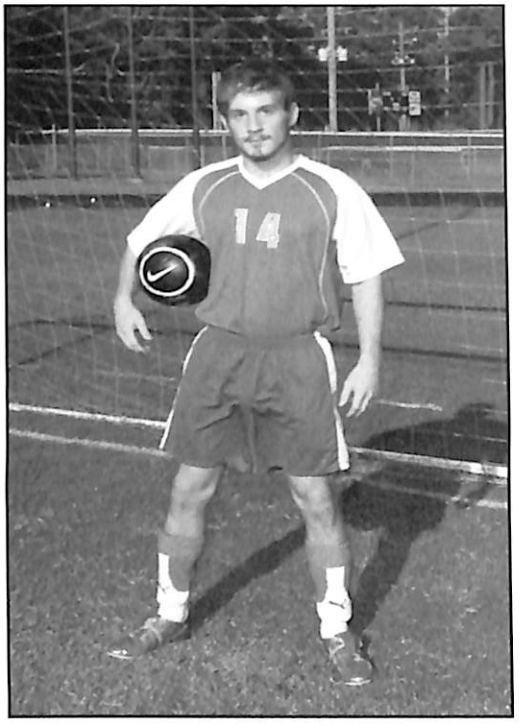

Alexander Kelsey Williams,
Just yesterday you were this cutie-pie, today you are a handsome guy. You have achieved many accomplishments from Little League, God and Country, Eagle Scout, Honor Roll, National Honor Society, Lettering in Track and Field, Soccer and Wrestling, Conference Champ in Pole Vaulting and State Qualifier in Wrestling, representing the county at Boys' State and serving as a Senator, attending Summer Ventures in Science and Math.

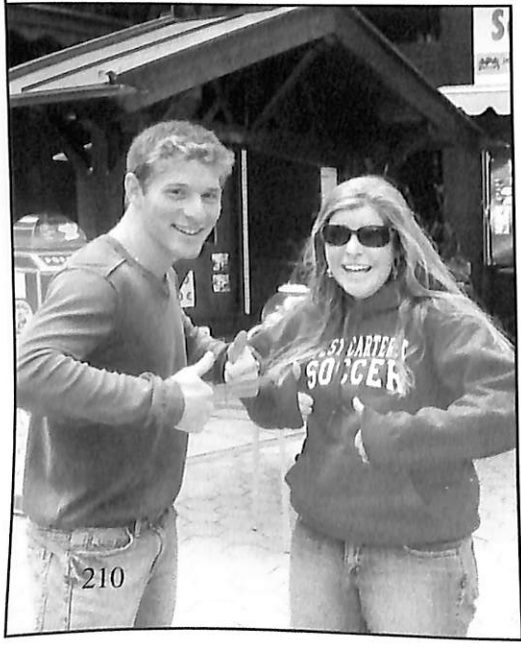

We are so very proud of you. What lies ahead are more goals and dreams that you can put into reality. Reach for a star, one has your name on it. Remember you can accomplish anything with hard work and desire. Keep joy and God in your life and be patient. All our love! Mom, Dad, Patrick, Kara and Opa

SARAH J,
The hardest thing I have ever done is to write this...because this just goes to show how much closer you are to going out and achieving your goals. We watched you cry, smile, laugh, and grow into a mature, beautiful young woman. The treasured memories your mom and dad have of you through your first 17 years are just a start of what is to come. We know by your determination that there are no goals or dreams that you cannot accomplish. We are so proud of you and want you to know we always will support and LOVE YOU.

Courtney Cheek

Courtney,
Where has all the time gone, yesterday you were Daddy's little girl. Just a hand full of love, the joy you brought in all your curiousness, enthusiasm and creativity. Dance, picnics in the boat, 4th of July's at Shack, T-ball and going hunting were the best of times. Your drive and determination has made you the person we are so proud of. You are just beginning your young life, and you have so much to be proud of and look forward to! Believe in yourself and live life to the fullest. Congratulations and we love you!!
Dad, Mrs. Marie, Grandma and Papa
