The 2008-2009 Proclamation is proudly dedicated to

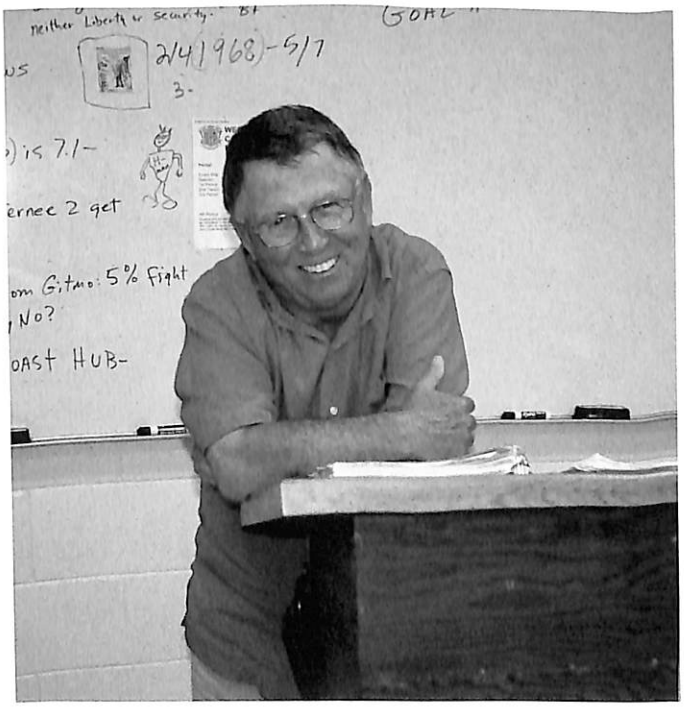

Jim Nolan

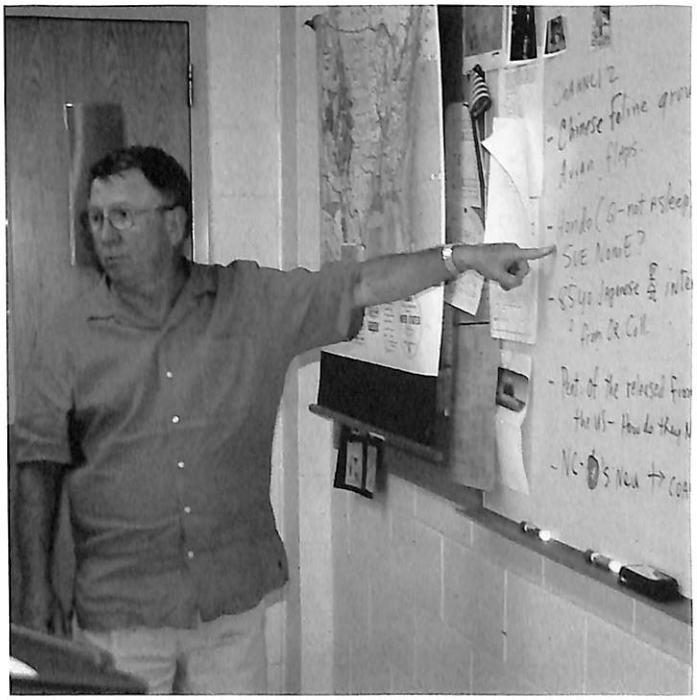

In just the past 10 years, Jim Nolan has started two clubs at West Carteret High School. He makes sure that students are environmentally and politically involved. Although he gives little homework, his students always get good test scores. One student said that he learned more in Mr. Nolan's class in two days than in a whole semester. Another called him "a young man trapped in an old man's body". A die-hard Democrat, he always speaks his mind. Congratulations, Mr. Nolan!

As we look back on the past four
years of our lives, we see the
pictures in our minds of our friends
and the good times we've had.
We see our first day of freshman
year, getting our licenses, prom,
summer breaks, and finally,
graduation day.
These years are unpredictable, yet
priceless and unrepeatable.
It's not about just getting by;
it's about living for today.
This is the time to live it up
and have fun.
This is the time to make memories
and friendships to last a lifetime.
As we are about to take on one of
the biggest turning points of our
lives, never forget the memories
that you have made.
No matter what you take from
these years, remember that
this is the
time of your life.

jv football

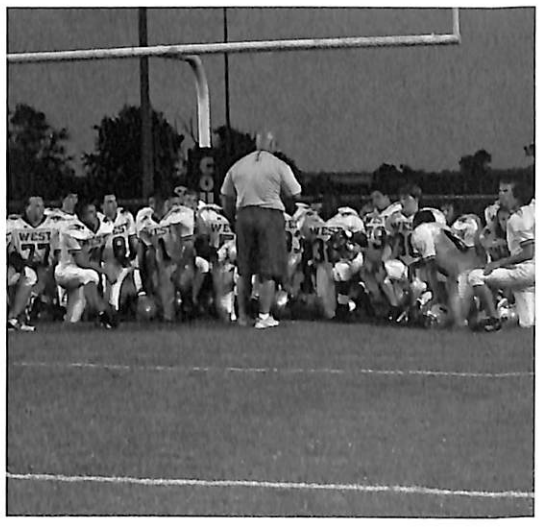

JV football has had a growing season. As the foundation of the West Carteret Football Program, they begin by strength traning in the weight room all summer and continue long after the season is over. Coach John Jones inspires them to develop the skills, attitudes and determination necessary for success as they prepare for the varsity level. The intensity of training and preparation they endure produces quality varsity players and contributes to the achievement of the entire football program.

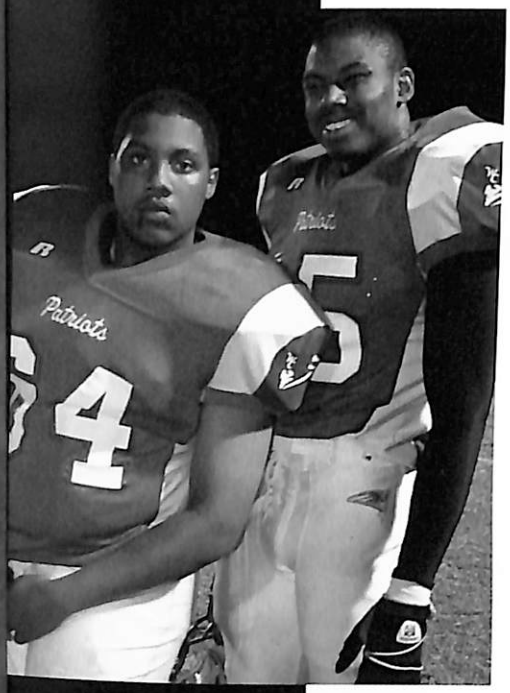

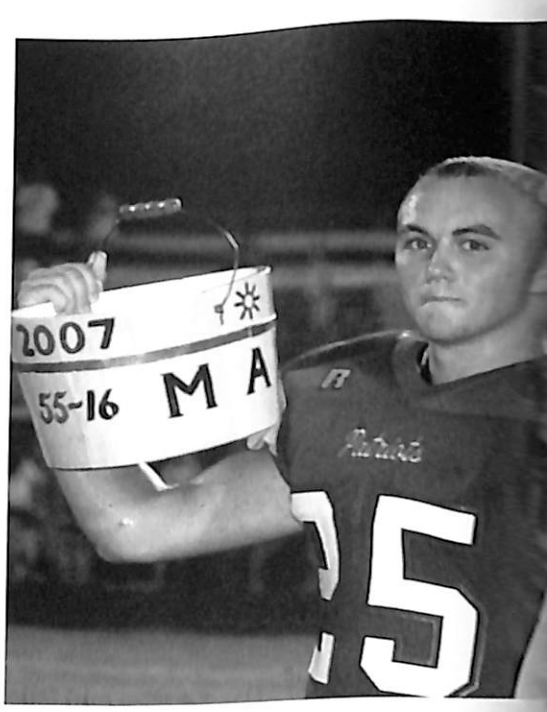

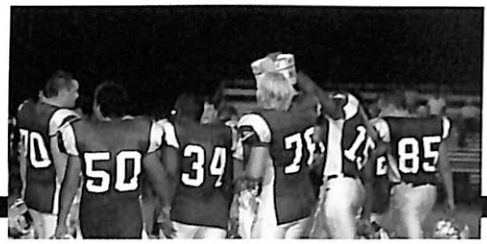

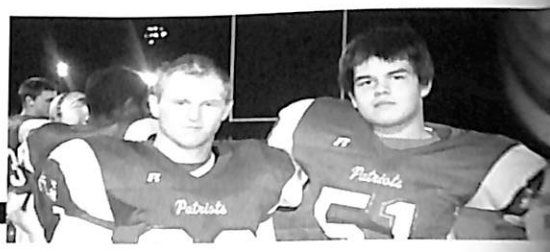

varsity football

This year was a huge improvement from last year's football season. The Patriots opened the season with a new attitude, beating their county rivals, East Carteret and Croatan. With determination, they went on to defeat DH Conley, giving them their first conference victory since joining the 3A/4A Conference in 2004. The team built confidence and restored respect for the varisty team to carry on next year.

The team believed they could go out and finish each game with a win, but it didn't always turn out that way. With a lot of close games, the record does not give the team the credit they deserve. Each player went out and played his best every night. Confidence should not be a problem next year as most of the team is returning to the field.

This season was very fun and successful. With five wins and five losses, the team managed to overcome the transfer of many players to the varsity team. The remaining players improved their skills and worked together to complete the season. After this year, the players are well-prepared to move on to the varsity level.

jv volleyball

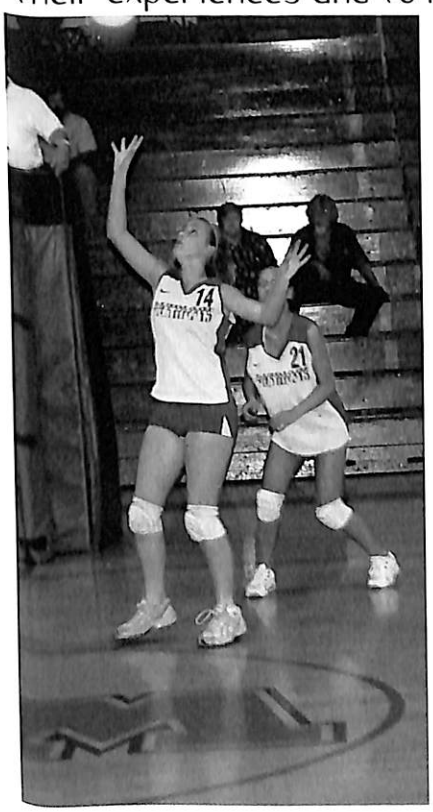

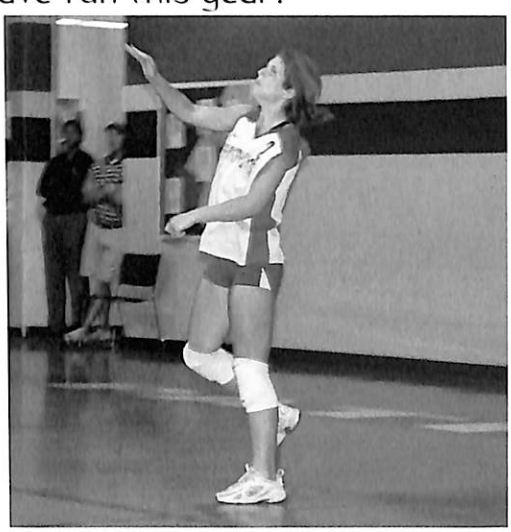

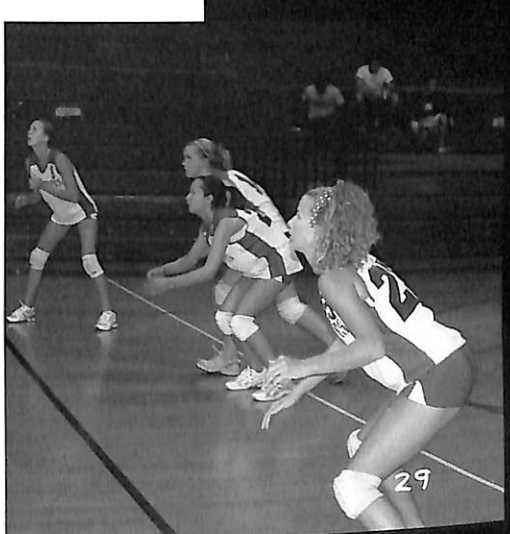

The Junior Varsity Volleyball team, coached by Matt Lara, had a difficult season. Although the season ended with a few wins, Coach Lara says the girls worked very hard. Sophmore Lindsey Barnes received the Coach's Award. Freshman Zayne Hamad received the Most Improved Award. Stacey Wainwright, another sophmore, received the Team Award. Throughout the season, the girls were challenged, but they all agreed that it was important to learn from their experiences and to have fun this year.

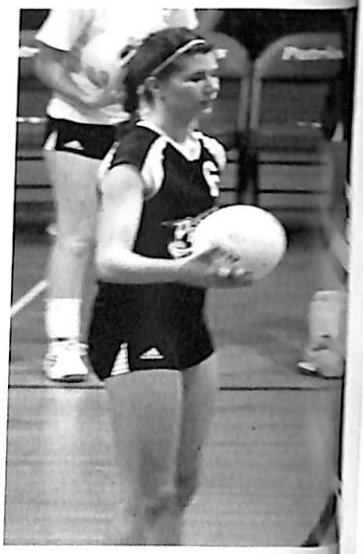

varsity volleyball

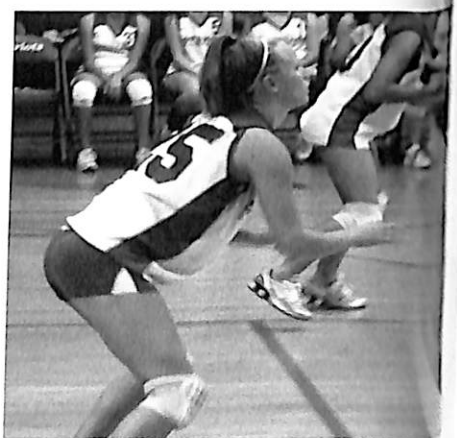

One word to describe this year's varsity volleyball season is "new". A new coach, a new defense, and a new way to think. With only four returning seniors, it was safe to say that this new year was going to be a bumpy one. However, everyone's commitment to the team and to volleyball kept us strong enough to tough it out. We had some wins and more losses, but that's the beauty of sports. Each game is a new chance to "dictate flow...", "kick some ace", and just have fun. :)

The JV boys' basketball team was a strong and very talented group. This was a hard-working team that wanted to win. With good leadership, the season ended with a record of 11-11. Each member of the team played his hardest in every game, and some games ended with a close call. The open gym sessions in the off season will help the players to stay strong and improve their skills for next year.

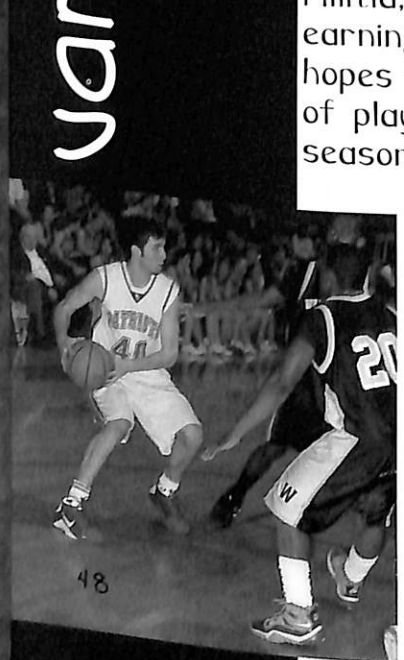

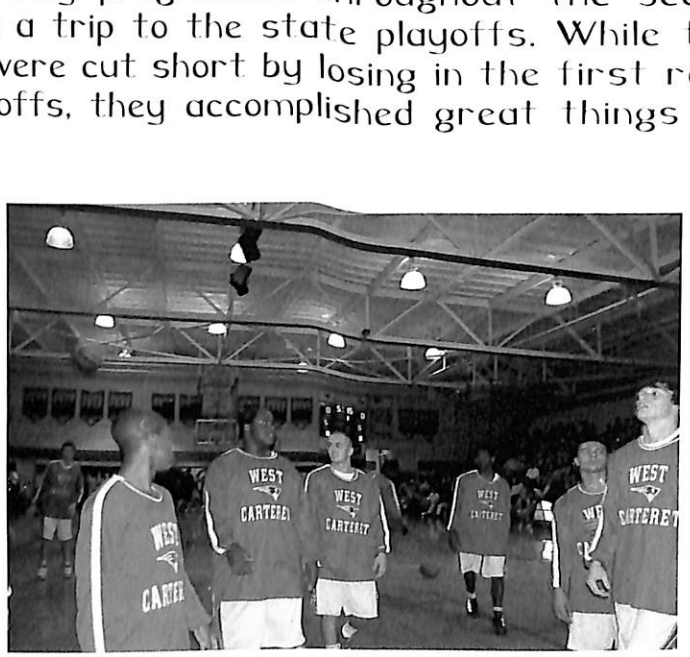

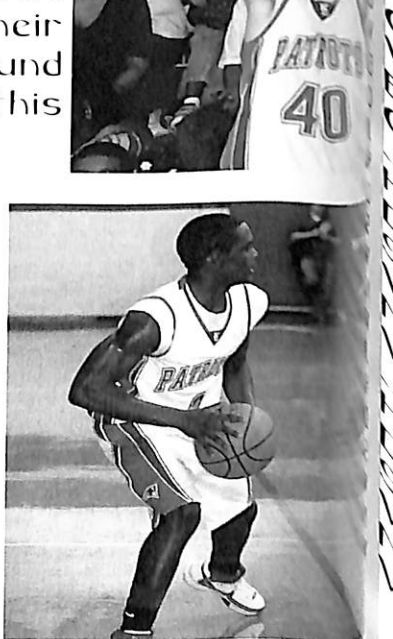

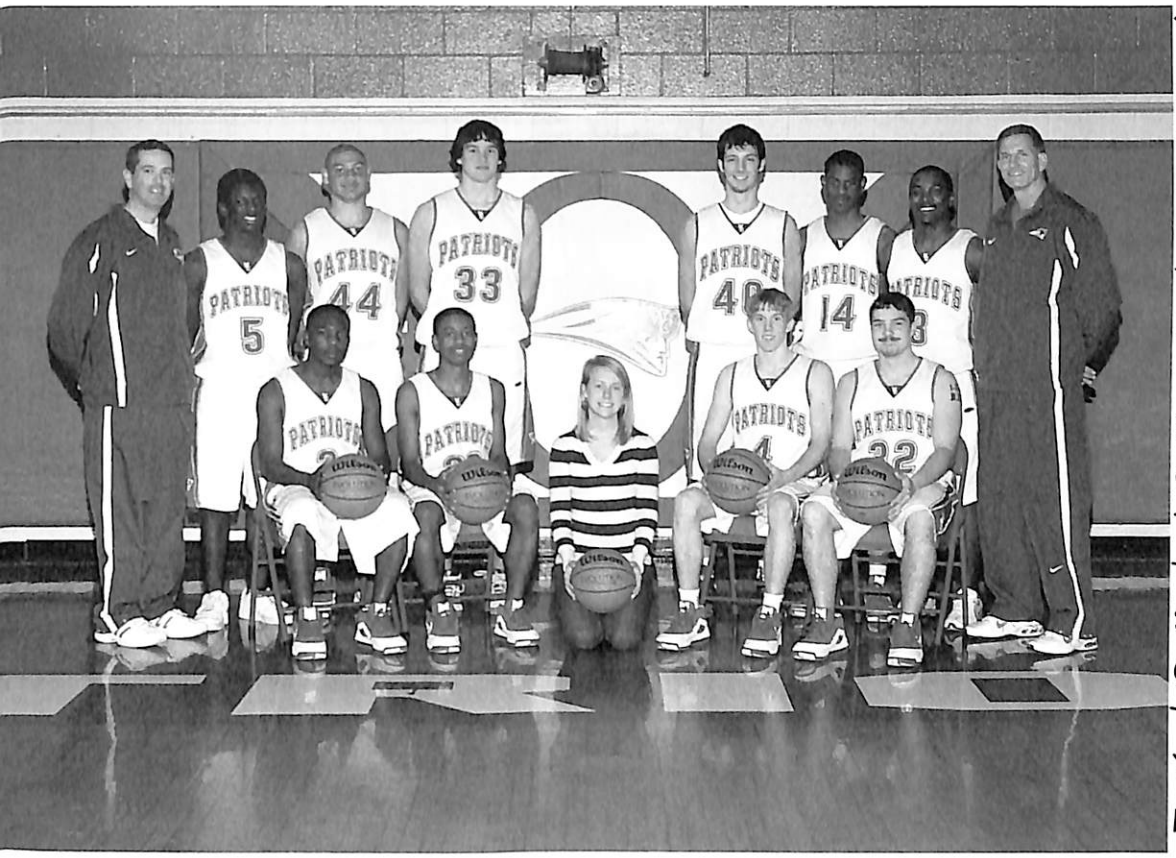

varsity boys' basketball

The boys started off the season by beating county rivals East Carteret and Croatan, earning the title of county champs once again. As conference play started, they had many obstacles to overcome. Although they ended the season with more losses than wins, most of the losses were within a few points and kept the fans on the edge of their seats. With the support of the Patriot Militia, they progressed throughout the season, earning a trip to the state playoffs. While their hopes were cut short by losing in the first round of playoffs, they accomplished great things this season.

boys' tennis

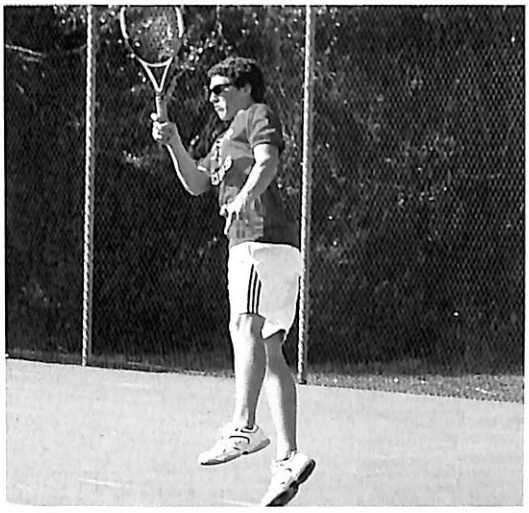

The men's tennis team had a successful year with a record of 7 wins and 8 losses. They finished 2nd in their conference, making it to the State Playoffs for the first time in several years. Ian Cader and Trenton Blaine qualified for Regionals, won their 1st round matches, and had a strong showing in the 2nd round. With nine returning players, the men's tennis team will have a solid foundation for another successful season.

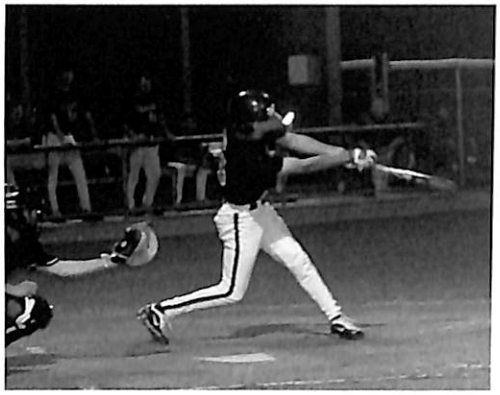

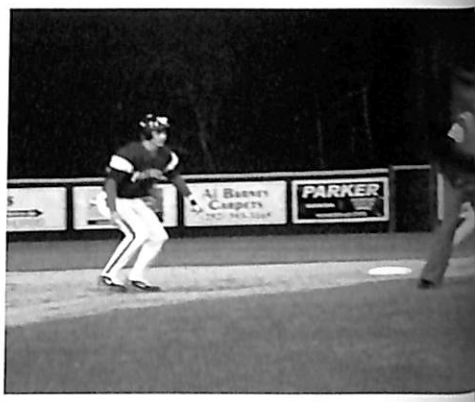

varsity baseball

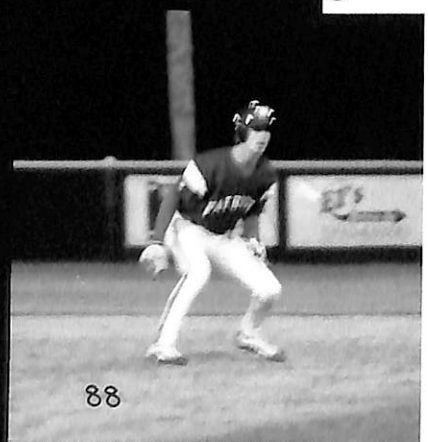

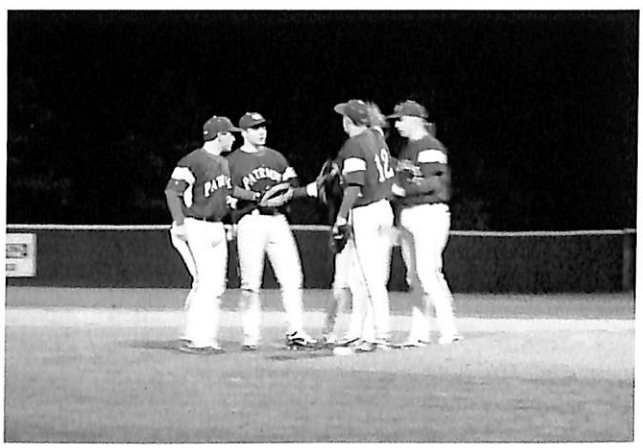

The varsity baseball team finished their season with an overall record of 14-8. They started the first half of the season with an even 6-6 record before they entered the Kinston Easter Tournament. They won the first two games of the tournament, sending them to the championship game against Green Central High School. They won the game with a 3-0 shutout. The Patriots finished third in their conference, advancing them to the state playoffs. For their first game, they traveled to Currituck, where they won. They then had to travel to play the fifth ranked team in the state, Eastern Wayne, losing 3 to 5. This very talented team is sure to carry on the winning tradition for years to come.

varsity softball

This has been the best season yet for the varsity girls' softball team. The Lady Patriots started off playing county rivals, East Carteret and Croatan. The girls beat Croatan for the first time in four years. As the season started to wind down, the Lady Patriots made it to the playoffs for the first time in West Carterert history. While the ladies had high hopes for the playoffs, they fell short in the first round. On the heels of this successful year, the coaches have great expectations for the returning players.

Our angel from birth when you opened your eyes
Now you are graduating- goodness time flies!
You grew from toddler to young girl then teen
Always busy and happy with no in between
We saw skinned knees and heartbreaks and every sports season
But we knew from the start you were here for a reason
You have the gift of compassion and unending trust
To love and help others- to you it's a must
We adore the heartwarming smile on your face
And are certain you will make this world a much better place
As your high school years now come to an end
Be certain a glorious adventure is about to begin
We are proud of the confident young woman you are
You have exceeded our hopes; not a little but by far
We love you our angel- we want you to know
It pains us to know we must now let you go
Go into your future towards much better things
You've earned it move forward, now just spread your wings

My Wish...

I hope the days come easy and the moments pass slow,
and each road leads you where you want to go,
and if you're faced with a choice,
and you have to choose,
I hope you choose the one that means the most to you.
And if one door opens to another door closed,
I hope you keep on walkin' 'til you find the window,
if it's cold outside,
show the world the warmth of your smile,
but more than anything, more than anything...

My wish, for you,
is that this life becomes all that you want it to,
your dreams stay big, your worries stay small,
You never need to carry more than you can hold,
and while you're out there getting where you're getting to,
I hope you know somebody loves you,
and wants the same things too,
Yeah, this, is my wish...

I hope you never look back, but you never forget,
all the ones who love you, in the place you left,
I hope you always forgive, and you never regret,
and you help somebody every chance you get,
Oh, you find God's grace, in every mistake,
and always give more than you take.

I hope you know somebody loves you
(~Rascal Flatts)

...Always! Dad, Lori, Sissy and Sam

"The Worm"

-When you were born we shed tears of joy, it made no difference girl or boy.

-In an instant it was so very clear, no little baby was ever so dear.

-From the first time I saw you, I thought, wow she has her dad's great "big nugget," but that's ok I just wanted to hug it.

-You were absolutely perfect, some of dad some of mom, who could ask for more ... you were the stuff of our dreams that was for sure.

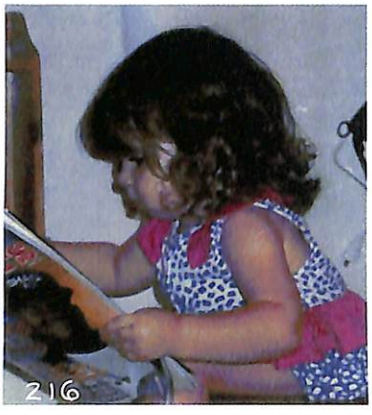

-We call you "the worm" to this very day, never still for a second, always wanting to play.

-All grown up now so smart, fun & sweet, everything wonderful, except not so neat.

-As you graduate one thing you should know, Prouder we could not be and hate to see you go!

Love, Mommy & Daddy
