Fall is here and it marks the beginning of another school year. It's that time of year when all of the seniors realize that it's their last chance to live it up in high school.

We spend our days going in and out of classes and getting back into the swing of things. By night we show our Mariner pride by supporting our teams and giving our fall sports all we've got. The girl's volleyball team, boy's soccer, girl's tennis, cross country, and girl's golf team all had some serious game this season.

We also spent many Friday nights beneath the lights of Mariner Stadium helping the cheerleaders cheer on our Mariner football team. While the football players battled during the quarters, halftime, however, was ruled by our Marching Mariners. During one Friday night football game in October the 2009-2010 Homecoming King and Queen and the Homecoming Prince and Princess were crowned.

Fall 2009

Did you happen to miss out on some of this fall action? Want to see what it's all about? Well come on and let's "take a walk on the East side".

THE CAPTAINS

Girls Tennis

Intense Action on the Court!

Float like a butterfly, sting like a bee. That's what these girls must do in order to compete in the intense sport of tennis. They must have the grace and agility to float across the court, but still retain the strength and control to return the ball with speed and accuracy.

Girls Tennis Team

Top: Mallory lunges forward for a save.
Top Right: Zoe, Jessy, Meredith and
Kelsea take a breather.
Bottom: Krista dives for a return.

This Years Team (Left to Right): Coach Nick Theuner, Zoe Nateman, Stephanie Mccune, Tessa Brydon-Yelton, Kelsea Munyan, Meredith Willis, Chelsey Scott, Nina Berner, Mallory Breary, Jessy Smith, and Krista Beacham.

Girls Golf

Swing for the Green!

The girl's golf team is made up of devoted young women whose dedication on the green is awe-inspiring. Through hard work and practice they learned how to use their strength to hit the ball great distances but still have the gentle touch to putt effectively. Will one of these growing golfers develop into the next Michelle Wie or Annika Sorenstam? If they keep practicing and winning games, they just might end up in the pros, competing with the best of the best.

Mariah Godette

Senior Year: Mariah Godette was the only senior this for the 2009-2010 cheerleading team. The thing she likes most about cheerleading is stunting! She enjoys cheerleading because it gave her confidence in herself and brought her closer to new friends.

Mariner Boys Cross Country

So what is Cross Country and how long are the races?

Runners compete over rough terrain to finish the 3.1 mile course. The goal is to have your 5 best runners on the "A team" to compete for a medal. Each individual is scored based on the number rank at which they cross the finish line. Scores for each individual on a team is compiled to determine who has the best team. The team with the lowest score wins.

The runners were asked what they enjoyed most about the 2009-2010 season:

Ben Drury

Sophomore Ben Drury said that he enjoyed the exercise.

Dylan Lyerly

Dylan Lyerly, a junior vet of the Cross Country team, said that he mostly enjoyed listening to Coach Hill talk to random people that he didn't know.

"What matters is not necessarily the size of the dog in the fight - it's the size of the fight in the dog."

-Dwight D. Eisenhower

Michael Thagard

Junior Michael Thagard says his favorite part of Cross Country was the bus stops for food on the way home.

Jay Phillips

Two-year Cross Country participant Jay Phillips says that he enjoys meeting new people from different schools.

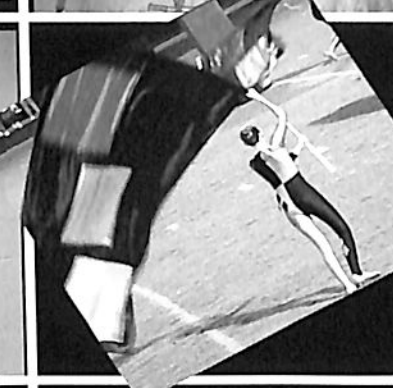

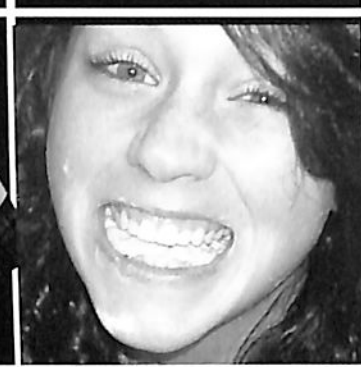

Will Stanley

Another two-year Cross Country member, sophomore Will Stanley enjoyed the bus stops for food after the 5K run.

Michael and Dylan stop to pose for a quick picture.

Ah, Winter 2009 is here. This is the time of the school year where students start wrapping up the first semester and start preparing for exams, and then it's on to new classes.

The days may be getting colder, but the East Carteret athletic department is only beginning to heat up! Basketball is going strong with everyone appreciating the indoor games. Despite the lack of a JV Girls team, the underclassmen went on the help the Varsity Girls team. JV and Varsity Boys fared quite well during their seasons.

Basketball didn't hog all the spotlight, however. Wrestling was getting into full swing with students excited for more sporting events. Band, Chorus, and Color/Winter guard were also practicing and preparing to wrap up their successful campaigns.

Winter 2009

The Winter section is also a great chance to check out the future leaders of our school, the Juniors and Sophomores!

Spring: A time when the snow has thawed and no more mornings of having to scrape ice off of our windshields. February 2010 brought one of the biggest snow storms in recent Carteret County history, but we are now beginning to enter the spring with warmer weather and trips to the Cape and Wade Shore just around the corner.

Though the school year is starting to come to a close, spring sports are just hitting their stride. With great seasons expected from all, the track team is running laps around the competition, baseball and softball fill the diamonds, and golf, soccer, and tennis also aim to excel.

On the academic side, students are preparing for final EOC's. The new enrichment program is underway to encourage and to improve students' test scores and to help them onto the next level. This is also the time for Juniors and Seniors to start preparing for the prom, and also Junior/Senior day.

Spring 2010

And for the Seniors, graduation, a new start, and a new future awaits. So join us as we take a final walk for the 2010 Seniors... on the East Side.

My Son, You are the light of my life and have been since the day you were born! You are the kind of son that every parent must dream about and I never pass up a chance to brag about you to anyone who will listen. I thank God for You every day and am truly honored and blessed to be your mother! You make an impression on all who know you. Honesty and sincerity shine in your eyes and you can brighten any day with your goodness, your smile and your sense of humor. These 18 years have gone by in a flash and you have grown from my beautiful little boy to a handsome, remarkable young man. I am so proud of You! You have become so strong and independent and you never fail to amaze me with your maturity and wisdom. Thank you for being such a wonderful son! Now, as you graduate from High School, it's going to be so hard to let you go! I am confident, though, that as you move on to a new phase of your life, your talents and ability will continue to bring you success and happiness. Always know how much "I Love and Cherish You!" Remember you are special - one of a kind. Be true to yourself, follow your dreams, but don't forget where home is - Your mother will always be there for you! Son, You are My Pride and My Joy! And wherever you go, whatever you do, no matter how old you are, You will always be "My Baby!"

Love Always, Mom

Little Bro, You're smart and talented and I am so proud of You!

Good Luck in College!

I know You'll do Great! Congratulations!

Love Always, Big Sis

There are no written words that can really express just how much we love you. We are so very proud of you and the person you have become. In what seems like such a short time, you have grown into a beautiful and talented young lady. Your smile always seems to brighten any room you enter. God truly blessed us when he gave us such a wonderful daughter.

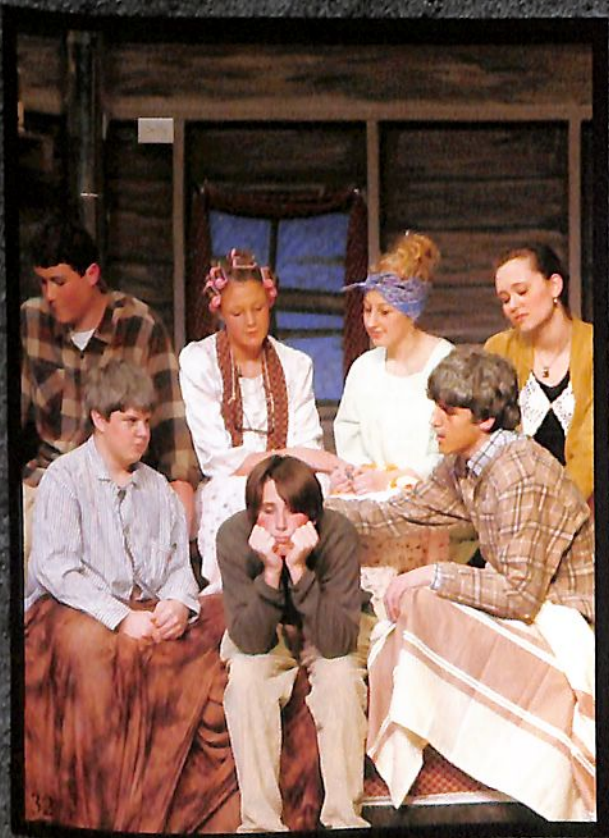

We are very excited for you as you enter your college years even though we will miss you greatly. As you enjoy new times and experiences, remember that we are always here for you if you need us. Follow your dreams and remember you deserve all that life has to offer and more!

We love you so much not only as our daughter and our sister but also as our friend. Congratulations on graduation and best wishes in all you do!

Love; Mama, Daddy, Savanna, & Courtney

If I Only Had the Words To Tell You how much I've Loved These Days since you came into My Life. I used to sing you a Lullabye, and now you're Sleeping with the Television On! You've had Pressure for The Longest Time to Get It Right the First Time, but I Go to Extremes To Make You Feel My Love. All My Life I have been so proud of you and This Is The Time to Tell Her (YOU) About It. Don't Ask Me Why, but Everybody Has a Dream of the very best for their baby. I hope that Somewhere Along the Line, When in Rome or only Half a Mile Away, you will know I love you Just the Way You Are.

I love you with all my heart "Hey Hey"...
Keep God first and your life will be great!

declares the LORD, "plans to prosper you

in all your ways acknowledge him,
and he will make your paths straight. (NIV)

renew their strength. They will soar on
wings like eagles; they will run and not grow

Tyndall Dudley

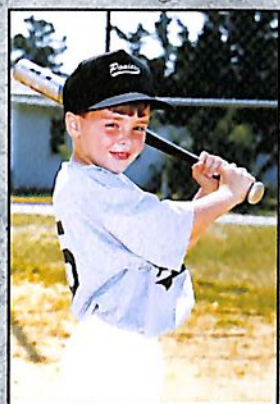

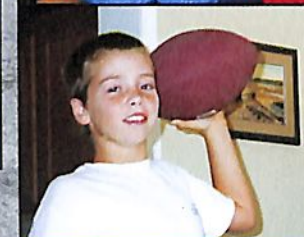

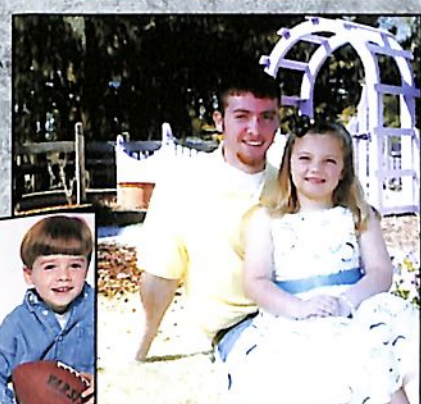

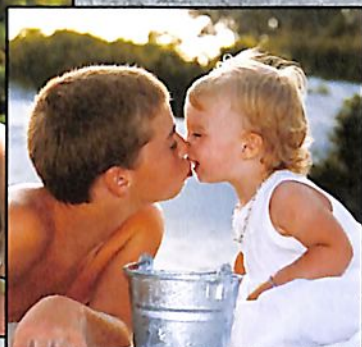

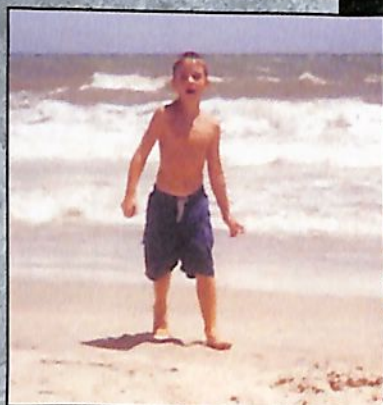

We have watched you grow and mature into a remarkable young man. We have taken pride in your achievements and applauded your successes. As you go through life, remember the people and events that have touched your life. Treasure the memories. Build a rich store of friends and live life to the fullest. Be happy. Greet each day as opportunity and always remember...

"Your parents' love goes with you, son, everywhere you know. Make sure you do not take it, where it should not go!!"

David Cahoon

Remember The Dash*

Gone but not forgotten...

I heard of a man who stood to speak at the funeral of a friend...he spoke about his lifetime from the beginning to the end...he spoke first about the day of his birth but spoke the following date with tears and he said what mattered most of all was the dash between those years...I can only imagine...

Kristian Long

From the Yearbook Staff:

Good Luck!

*A final "good luck" to all the seniors in the
Class of 2010!*

Don't forget to come back in early September of 2010 to pick up the yearbook's 8-page "Spring Supplement" insert. It is FREE to everyone who purchases a 2010 yearbook.

In it will be pictures from Graduation, Prom, Junior/Senior day, plus the junior marshals and a few spring sports that missed the final deadline.

*The years will pass more quickly than you
think... Good luck, Mariners.*
