The 2009-2010 Yearbook Dedication is presented to

Janice Kay

Janice Kay has had a huge impact on West Carteret since she came here in 2001. She had big shoes to fill when she took over the yearbook in 2007 and has done a wonderful job. Mrs. Kay grew up in Grove City, Pennsylvania, and went to college there. She majored in English and Secondary Education. When she was four, she met her husband in her sister's wedding. She was the flower girl, and he was the ringbearer. They started dating in 1995 and became happily married in 1999. Mrs. Kay has been teaching for 14 years and has two amazing children, Lexi 6, and Riley 4. She drinks coffee all day, she's been known to do splits and cartwheels, and she is a die-hard Pittsburgh Steelers' fan. The yearbook staff and WCHS thank her for her support, guidance, and for being the great teacher that she is. We love you, Mrs. Kay.

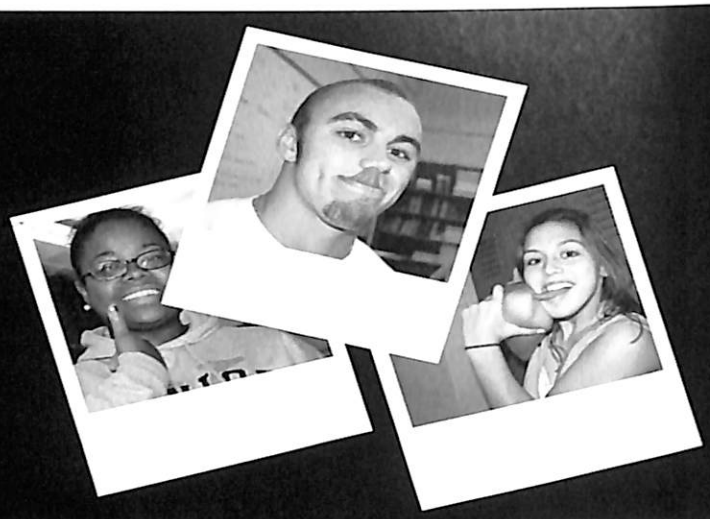

Find Yourself

Within these pages you will find yourself.
Amongst the unknown faces you'll appear.
But high school isn't just about making the grades, the team, or new friends;
it's also about finding yourself.
Breaking free from the chains of stereotypes and defining who you truly are.
Discovering individuality.
For some, this journey is just beginning and for others the segment is over.
For all in between, learn from the ones ahead to better guide those behind.
Let all four years be a learning experience; each year building upon the previous.
Learn to tell who's friend and who's foe,
For good friends will guide you in the right direction.
Learn to tell the honest from the deceiving,
For they will aide you in this journey.
Learn to find confidence when it seems none exists.
This will be a key to making it here and beyond.
Learn to find your perfect niche because here you will find yourself.

C- Come springtime are tryouts for the guard
I practice tossing rifle in my backyard
O- On weekends we wash lots of cars to make money
We want nicer costumes that don't look so funny
L- Last weeks of summer mean band camp is here
Outside all day long with Goober shouting in our ears
O- Once school starts with football games begin
We cheer with the band and hope the Patriots will win
R- Ready to perform at the halftime show
I'm anxious and hope I catch the tosses I throw
G- Going to competitions, I always feel scared
I practice the choreography and know I'm prepared
U- Until our turn comes we do make-up and hair
We sit together in a circle and sometimes say a prayer
A- As I step onto the field, I try to clear my mind
I focus on what I need to do and leave all else behind
R- Relieved as we finish, the audience cheers
This moment makes up for all our sweat and tears
D- Defeated or successful, it doesn't matter in the end
Because when the season is over, we've gained 30 new best friends.

The JV Football Team had a year of learning with mostly freshman on the team. They went 1-9 for the season but overcame many obstacles. A good number of the games were nail biters, coming down to the last couple of minutes. Having so many young players allowed them to mold as a team, which will help the varsity football team in the future.

They all worked together as a team, and everyone pulled their parts. They ended up losing, but in the end they came together like true patriots. This was the best year the team has had in four years.

future farmers of **america...**

West Carteret FFA has been evolving since we moved our charter from Newport High FFA in 1965. Today, the FFA is an organization which focuses on leadership, personal growth and career success through agricultural education. Members are engaged in a wide range of curriculum and FFA activities, leading to over 300 career opportunities in agriculture. The West Carteret FFA Chapter strives to involve students in great diversity of the organization through many different events and activities. From the first meeting of the year, our West Carteret FFA Kickoff, until the last hotdog cookout of the season, we seek to involve students in activities that take them out of their comfort zone and make them grow as leaders. The FFA worked with our booster club, the West Carteret FFA Alumni/Booster Club at our 5th Annual West Carteret Barbecue Cook-off and Farmers Day Celebration held at the Newport Flea Mall. We excelled in many Career Development Events included 23 teams that competed at the local, regional and state levels. We coordinated a pet supply drive to assist the Carteret County Humane Society, and a Chick-Fil-A Spirit Night in honor of our friend, Mr. David Lee, and our proceeds went to the American Cancer Society. At the national level our chapter once again was rated a gold 3-Star ranking which means that our chapter was recognized as one of the most outstanding in the nation. New officers were elected by the departing senior FFA officers which included Kelcey Howard, Hillary Poston, Bob Hansley, and Cameron Whitlow. The new slate of chapter FFA officers for 2010-2011 include Grayer Sherrill, Makayla Smith, Dylan Cox, Elizabeth Cooper, Amy Cordova, Bryan Sanders, Jordan Amburn, Katelynn Mercer, and KateLynn DeBord. All these accomplishments wouldn't have been possible without the dedication of our advisors, Mr. Matt Howell and Mr. Glenn Howell. We are sad to say goodbye to Mr. Tom Sawyer as he is retiring and leaving the team, but happy to welcome our newest agricultural teacher Will Baxley.

April,
I can't believe you're graduating from high school! We have been through so much together over the years, but you always seem to make it out with a smile. You have been my secret-keeper, my partner in crime.,my 2:00 AM call, my shoulder to cry on, my coffee on early school mornings, my ray of sunshine, my inspiration, and my source of constant laughter. You are the best sister anyone could ever ask for. You have grown into such a beautiful person inside and out. I can't wait to see the amazing things you'll accomplish in the years to come. Remember, no matter where life takes us, you will always be my baby sister and I will always be just a phone call away. I love you so much April Lynn!

You are the author of your own life.
It's up to you to dream it, imagine it, sketch it, shape it, build it, go after it, and make it happen.
And then color it in with bright shining shades of joy and deep, lasting shades of meaning that are yours and yours alone.
No one else can know the dream or the strengths you have within you that will help you make your dreams come true.
No one else needs to. Because they're yours.

Ian Cader

Dear Ian-
You have been blessed with good humor, common sense, a knack for making great friends, athleticism, street smarts, scholastic aptitude, respect for your elders and a very big heart. Use these gifts wisely in the world and you will go far. You are one great kid and it makes us very proud that you are so well prepared to leave home and do great things... just don't forget to call once in awhile!
We love you!
Mom and Dad

Sarah Geer

Our sweet Sarah is a Senior!
It's hard to believe that you will be graduating this year. It seems like yesterday when you were playing dress up, dancing and performing with your big sister, making forts under the dining room table, and making mudcakes on the shore. We are so proud of you Sarah!
Love,
Mom, Dad and Cameron

Laura Saleeby

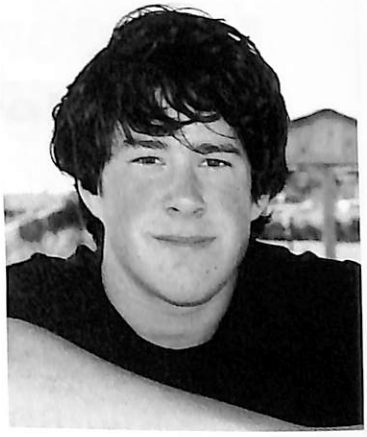

Laura, you are very special to us and we love you very much. We are proud of all of your accomplishments and hope you have a wonderful time at NC State.
Love,
Mama, Dad and Bobbie Ann

Well you finally made it. Seems like yesterday when we would sing "You are My Sunshine". Time goes by too fast. Keep focused on your dreams and follow them.We are so proud of you.
Love,
Dad, Mom, Misty, Alina & Ethan

Kyle McMilleon

Kyndall Winegar
