Life in Full Subsequence

From placing at least one athlete in every varsity playoff to another year of incredible growth and test scores, the 2010-2011 school year has been one of epic proportions. As a school, we survived the May 21, 2011 "rapture", economic hardship, and the loss of some great teachers. While we can't change anything that has happened this year, we can look back at some very fond memories from our school and around the world...

Osama bin Laden is caught and killed.

The first total lunar eclipse to occur on the day of the Northern winter solstice and Southern summer solstice since 1638 takes place.

Mrs. Heller was named Principal of the Year for Carteret County.

We were named an Honor School of Excellence.

The Patriot Militia traveled with the football team to Wilson Hunt as they competed in the second round of playoffs!

Over one million dollars was given to seniors in scholarships.

Home of Carteret News Times Student Athlete of the Year for the first time in thirteen years.

A earthquake with a magnitude of 8.9 struck Northeast Japan.

Our beloved principal, Mrs. Heller, sends off her first round of seniors.

Seven teachers and four assistant teachers lost their jobs to budget cuts.

Biggest graduation class since Croatan High School opened in 1998.

WCHS was given a new air conditioning unit and new windows.

Students had a massive snowball fight on the football field during one of the many snow days we had this year.

Chilean miners are rescued after surviving 69 days underground.

Brought home the Wachovia Cup for the third consecutive year.

Hangover Part II was released.

Oprah Winfrey said farewell to her viewers after twenty-five years.

Life in Full Dedication

Mark Thompson

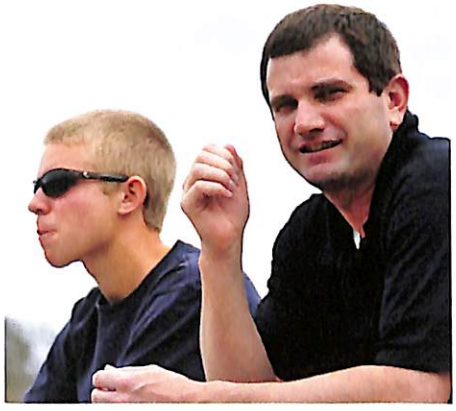

Mark Thompson is a name well known to the student body. Funny, happy, and always willing to help, "Thompson," as he is usually called, wears many hats. From County Athletic Director to the former Program Director at Camp Seagull, Mark never ceases to make his students happy. This former ECU and Walter Williams High School graduate can usually be found trading stocks, shooting hoops at the Sports Center, and of course teaching his students. This year he coached his tennis team to an undefeated regular season and a conference championship while also accommodating a Finnish foreign exchange student. Constantly in the paper as West Carteret's Student Athlete of the Week's favorite teacher, Thompson brings a unique identity to our school that we can't help but love. Congratulations on this dedication Mark Thompson; you deserve it!

David Lee

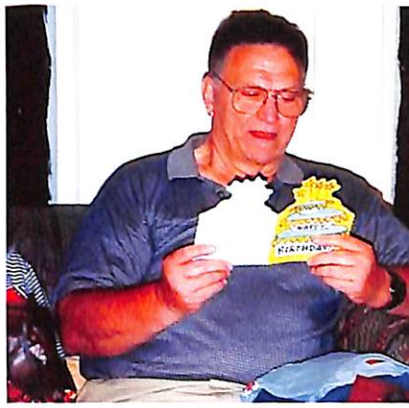

David Lee was one of a kind: an athlete, a leader, a gentleman, and a friend to all. His motto could have easily been "What can I do to help?" and while he was helping he was drilling into you, "You can if you think you can, but you have to work for it." He led by example. During his adult life, he helped hundreds of us while we worked for and with him, whether it be on the beach, in the business world, in school, or on the athletic field. He was constantly on the go from one project t another. He adhered to the "Lead, Follow or Step Aside philosophy. It was not wise to attempt to slow him down.H stressed the need for an education. Had a Masters in Biolog and Chemistry and one in Administration. In his teachin years, he taught PE, Science, Social Studies, Math an numerous other courses during his 50+ year tenure i education. He coached football, wrestling, basketball, trac and baseball and would have coached badminton if asked. H played football at Carolina for a year prior to transferring t and playing for ECU for three years. He played for the Sa Francisco 49rs for two years prior to a career-ending kne injury. He was famous for being able to bend a penny with hi bare hands. He was a VP at WCHS for 16 years. The list goe on, but it adds up to this: David was one of a kind. He was an is a legend to many of us. He touched a lot of lives in a ver positive way. He constantly pushed those around him to striv to be the best they could be. He left a huge mark on each an every one of us. He will indeed be misse

Life in New Beginnings

First Day of School and Commitment to Graduate

Commitment to Graduation is a program that is sponsored by Jostens. Freshmen gather in the gym to hear an inspirational speech about the importance of graduating from high school. Afterwards, members of the Class of 2014 sign a banner. Their signature shows their commitment to finish high school. This is a positive start to their four successful years at WCHS!

What does it mean to be an Honor School of Excellence? It means that 90% of our students scored proficient on the EOCs, made high growth and met all AYP goals! Wooh! Overall, it means that we have awesome students, faculty, and staff. To celebrate this amazing occasion, the Administration threw a wonderful parade/party for the students and staff. It was a great success, and fun was had by everyone! Even if some of the snow cones melted....

Life in Full Farming
Future Farmers of America

The FFA is a national organization that began in 1928 with a group of farm boys meeting in Kansas City, Missouri, to establish what we know today as a premier leadership delivery system with students studying agricultural education. FFA at West Carteret evolved this year. We welcomed a new agriculture teacher, Mr. Wil Baxley, coming to us from Robeson County. His enthusiasm, along with the experience of our other advisors, Mr. Glenn Howell and Mr. Matt Howell, has made this a year to remember. We started out the year with a bang in June when one of our very own members, Cory Wade, was elected as State FFA Vice President for the North Carolina FFA Association. We had the chance to be with Cory all throughout the summer at FFA and State Leadership Conference. Summer in FFA is awesome. We won the "Weekly Banner" at FFA camp with our skills and fine technique, and everyone would agree that we had a blast. And who will ever forget Mr. Howell getting pulled on the bus ride home? Grayer Sherrill was President, Makayla Smith was Vice President, Dylan Cox was Secretary, Elizabeth Cooper was Treasurer, Amy Cordova was Reporter, Bryan Sanders was Sentinel, Katelynn Mercer was Chaplain and KateLynn Debord was Historian. Grayer also served as a Southeast FFA Regional officer during the year, and Makayla replaced him in the spring when he retired. Our year was filled with some firsts. We held our first–ever WCHS FFA Fishing Tournament—what a success. We had our first-ever Kick-ball Tournament, and for the first time in our competitive history, are State Champions in FFA Horse Judging CDE. Talk about FUN - Myrtle Beach will never be the same. Mix that in with an awesome group that traveled to Indianapolis for National FFA Convention and MEGA conference in the spring, the best BBQ chicken dinner in history at our Christmas party, and you can say we have had some fun. Chapter meetings, CDE practices, proficiency awards and a lot more work went into this successful year. Henry Gregory is our Star Greenhand, and Doug Windham is our Star in Agribusiness. Grayer Sherrill received the Dekalb Agricultural Achievement Award and the Outstanding FFA Member of the Year Award. Amy Cordova received the Becky Willis FFA Memorial Scholarship, and Dylan Cox received the Roger Newby Memorial FFA Scholarship.

Colorguard

The WCHS Colorguard had a very successful season overall. They traveled to many places including Washington, DC and Raleigh, receiving many awards along the way. This year, along with the WCHS Marching Band, the Colorguard performed the show "A Bird's Eye View," which was a smashing hit in the judges' eyes. These sisters formed bonds of friendship and made memories that will stick with them until the end of time.

Life in Full Rhythm

Concert Band

WCHS bands had a great year, scoring all superior ratings at their Music Performance Assessments. They played their best and never became complacent, continually practicing harder to be first-rate. As always, the West Carteret Band Program made our school proud. Way to go, guys!

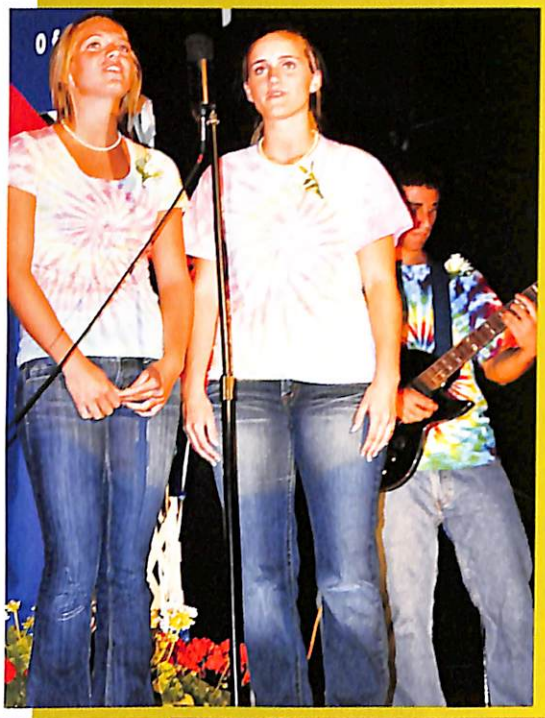

Life in Full Harmony

Singers and Small Ensemble

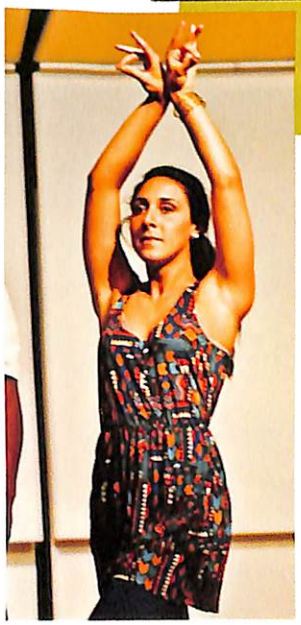

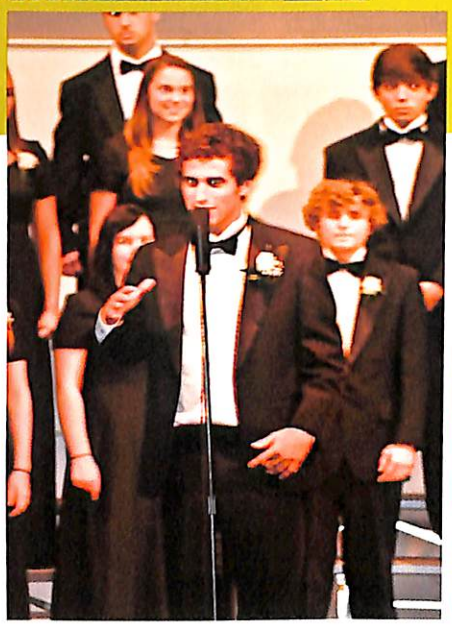

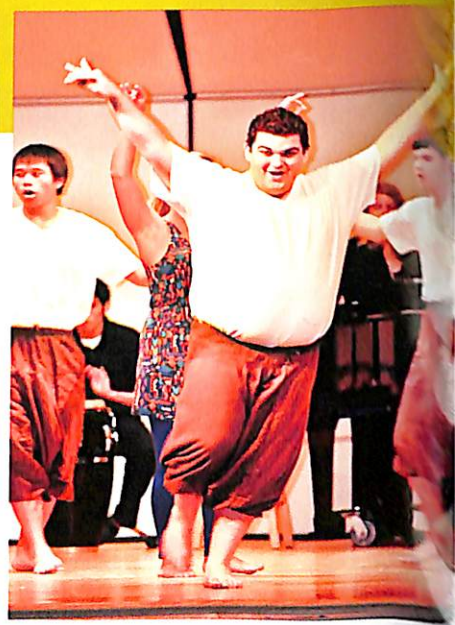

As always, Singers, the top tie of the Choral Department, delivered many breath-taking performances. From Carolgrams to Jai Ho, this group earned much respect in the music community. After 31 years of incredible service to West Carteret, choral director Susan Bailey is retiring. "I cannot even begin to imagine my high school career without Ms. Bailey. She gave all of us something to look forward to every day. Thanks for a great four years, Ms Bailey!" Joseph Bond-Singers President.

(January 6, 1993 - December 5, 2010)

Hannah was a beautiful artist with dreams of becoming a cosmetologist. Her free spirit and compassion for the arts left everyone with the sense that she would be painting us pictures in heaven and giving the other angels purple highlights. Below are just a few examples of this young girl's extraordinary talents. Hannah was an outstanding model for everyone and left a mark on all of our hearts! She will be greatly missed but we know she will *live forever young*!

Godspell

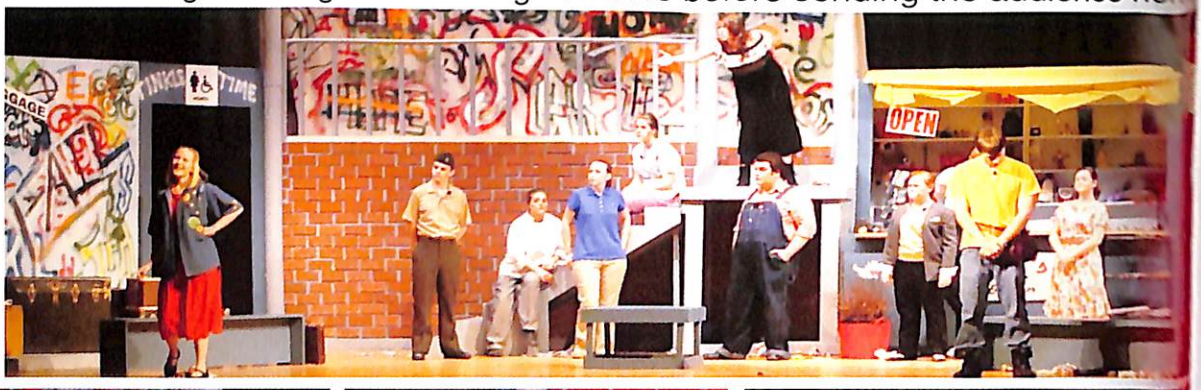

"Godspell" is one of the biggest off-Broadway successes of all time. The rock musical opens in a world of chaos and confusion as a group of travelers battle over diverse philosophies in "Tower of Babble." John the Baptist, played by Daniel Scott, emerges out of the darkness and leads the group to a train station. There they meet Jesus, played by Brandon McCubbin, who delivers the message of love, kindness, and hope. Together the cast brings the parables and teachings of St. Matthew joyfully to life through comedic antics, song and dance. The cast also persevered through a few rough patch with extreme composure. On April 16th, 2011 many areas, includ Carteret County, were hit with a terrible storm full of heavy rain and ma tornados. The cast of "Godspell" managed to perform half of the sh before losing all power. Although everyone was caught off guard, the c managed to sing a few closing numbers before sending the audience hom

12. You and I, we'll be young forever!

6. It's about time!

4. I hope you have a positive and productive day.

7. Cowards never begin, the weak quit along the way, and the strong survive.

8. Go out there and kick some FLIPPIN fanny!

5. Live as if you were to die tomorrow. Learn as if you were to live forever.

2. If it is to be, it is up to me

3. I wish that I could have this moment for life!

13. Who says we can't do it?

19. Walk on the side walk

1. Tomorrow is Saturday and Sunday comes afterwards. I don't want this weekend to end!

10. Every night hit your knees and be thankful you are as normal as you are.

17. And will you succeed? Yes indeed, yes indeed! Ninety-eight and three-quarters percent guaranteed.

11. Just can't live that negative way...make way for the positive day!

14. Susie Sunshine

18. People change so that you can learn to let go. Things go wrong so that you appreciate them when they're right.

15. Hope you have a great day and a great week.

16. Work Hard, Play Hard!

9. Can we pretend that airplanes in the night sky are like shooting stars? I could really use a wish right now!

ROSTER

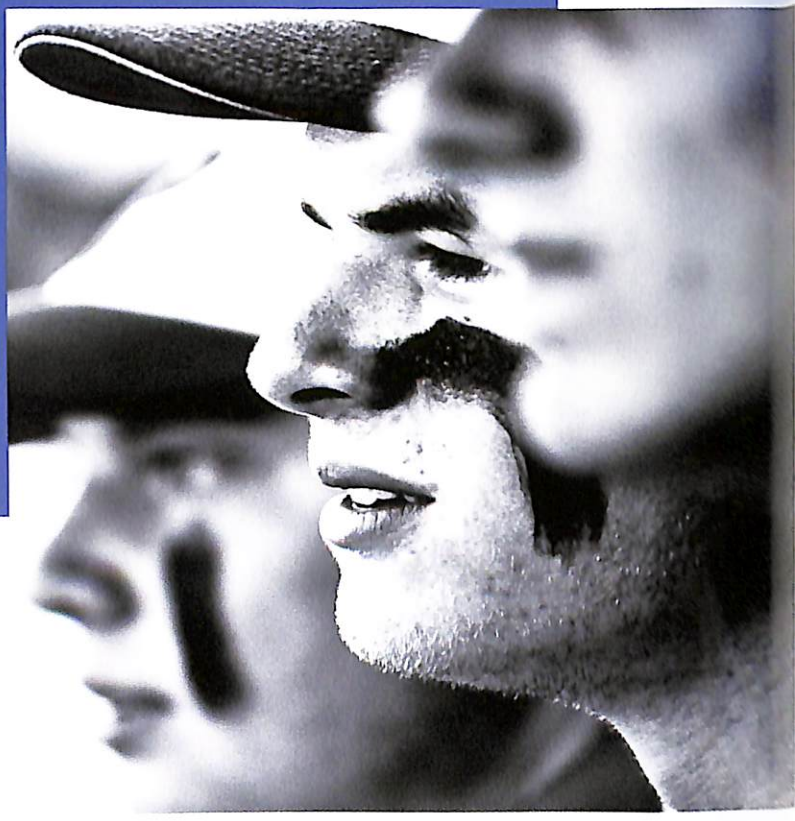

Sullivan Bryan, Jonathan Campbell, Jared Carr, Josh Chisenhall, Cody Dakin, Andy Harrell, John Harrell, Doug Henderson, Damon Hoggard, Chris Husted, Dalton Knight, Kristopher Lindner, Sonny Long, Parker Mills, Troy Scheller, Tony Williams

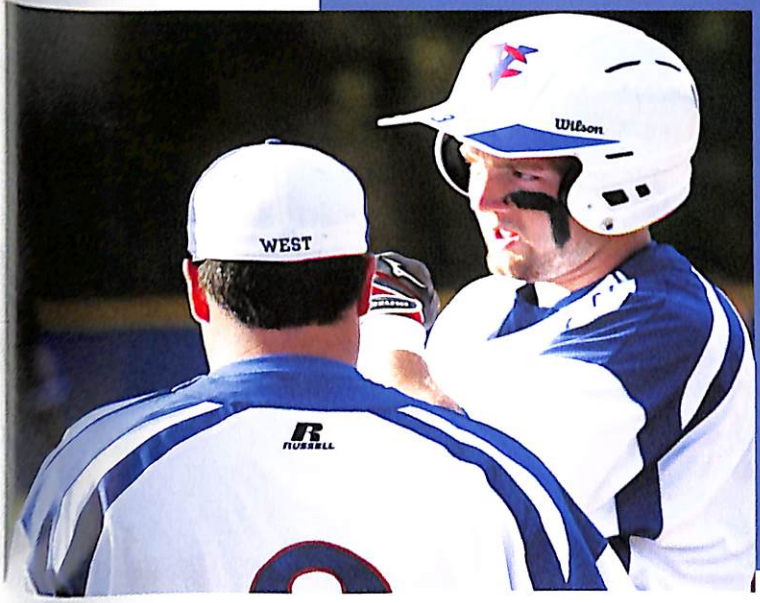

This year proved to be an exciting one for our Patriot baseball team, finishing third in the conference with a 10-4 record and a 16-7 overall record. Unfortunately, the team's playoff hopes were cut short with a first round loss to C.B. Aycock. This year our boys brought home four All-Conference honors. Selected to the prestigious team were: Sonny Long, Damon Hoggard, Jonathan Campbell, and Dalton Knight. With a solid JV team coming up next year, the Patriot baseball team is in good hands with quite a few seniors graduating. Way to go guys!

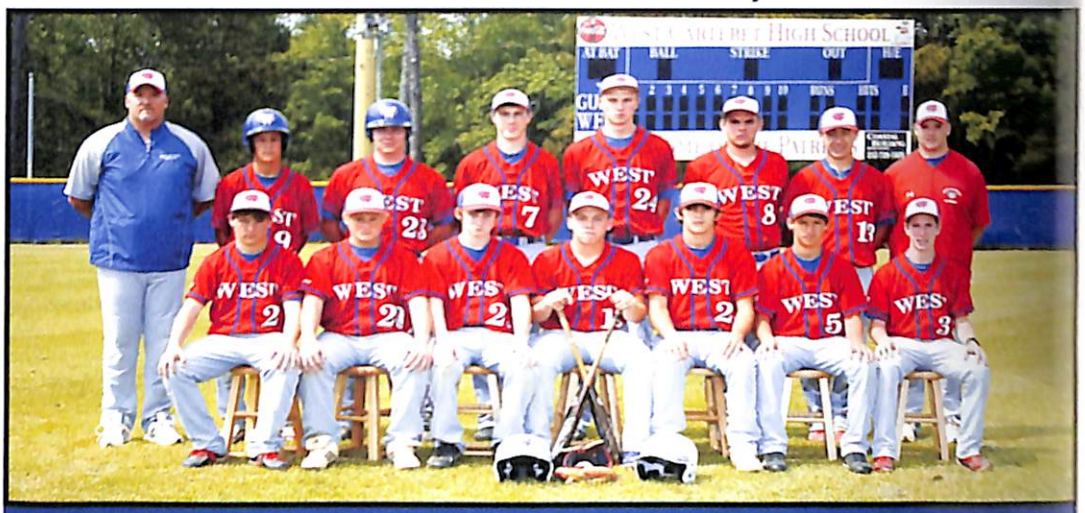

Life in the Dug Out

Junior Varsity Baseball

ROSTER Casey Burroughs, Trent Carpenter, Jared Cox, Cody Dakin, Patrick Fields, Hank Fluck, Brennen Guthrie, Dylan Long, Justin Mizelle, Austin Parker, Richard Randall, Phillip Slebaugh, Chris Vaughan, Alex Webb

A good varsity baseball team would not be anything without a solid JV team feeding into the program. Moving through the season 13-7 overall and 10-4 in the conference, our JV Boys Baseball Team gave us a great season and a lot of hope for the future. Way to go guys! We can't wait until next year! Thanks to Denise Townsend Photography for donating pictures.

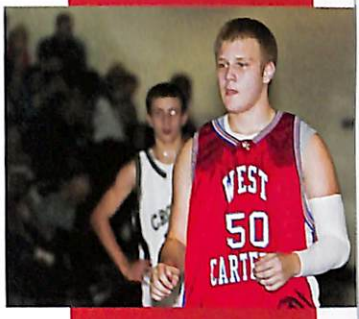

Life in Full Defense

Boys Junior Varsity Basketball

Coach Mark Mansfield and Assistant Coach Josh Carraway coached this year's men's JV Basketball Team. Captains Jared Carr and Collin Batista, lead scorers, took their team a long way. The Boys JV Team ended their season 11-9 and 9-5 in conference play. With this record, they tied for second. Batista held the highest amount of points scored in one game; he held this record with 20 points. The team came a long way and hopes to have an outstanding season again next year!

The Patriot Varsity Basketball Team had a very successful season. The Patriots were 8-6 in conference and even made it to playoffs. They advanced to the second round, which was the highlight of some of the seniors' year. Crippling Croatan in their house was enough to get the entire school on their feet, and we cannot wait to face them again next year. With four seniors graduating, it won't be easy to replace them but things are looking up moving towards the future. Way to go Patriots!

Girls Varsity Basketball

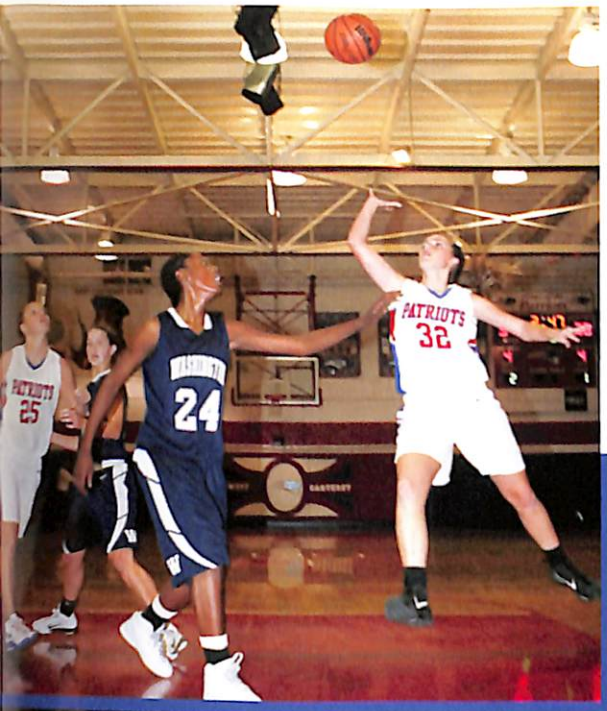

The 2010 Varsity Girls Basketball Team had an interesting year starting off with a new coach. This year was Coach Mazzetti's first year as the head coach of the Lady Patriots. Although the team started off alternating with wins and losses, by the end of the season there were a lot more W's. The girls made it to the state playoffs but weren't able to proceed due to playing a really tough team in the first round. Although the girls made fun of Mazzetti's "asphalt pants," they seemed to have a successful overall season with their new head coach. Congratulations!

This title was given to a West Carteret athlete for the first time in six years and the second time in thirteen. Megan's teammates, coach and family could not be more proud! Great Job Lady Patriot! Keep blazing the trail for the ladies after you!

The sky is full of Shining Stars
And each one holds inside of it a dream
Reach for the sky and grab as many Stars as you can
And may all your dreams come true.
You are a blessing and you made
Our dream come true the day
You were born.
We love you Madison

My baby girl you did it! I am so PROUD of you for not giving up. It seems like yesterday I just brought you home from the hospital and look at you now. I know its been a tough journey for the both of us, I never gave up on you and never will. You are my heart beat. It's been tough being the mom and dad, but because of you, you have made me who I am today, and I thank you! Wow what an adventure it's been being your mom.... Thank you for being who you are; you have grown up to be a beautiful young lady, and I wouldn't change one thing about you. I am proud to say you are my daughter.... I hope and pray ALL your dreams come true. My wish for you is that in your next journey life becomes all that you want it to, your dreams stay big, your worries stay small and you never need to carry more than you can hold, and while you're out there getting where you're getting to, I hope you know how much your family loves you....

I love you so much
Congratulations
We are so proud of you

William Fowler

William, you have brought your Mom, sister, me, and a worldwide legion of friends unspeakable joy during your young life. Your graduation is truly a commencement, the beginning of what we pray is a wonderful journey of discovery and accomplishment. Remember, to whom much is given, much is expected. Strive to live up to the gifts that the Lord has blessed you with, always consider those less fortunate than yourself, live in the moment, and love God. As you move on to college, your mom and I will miss the X-Box parties, sleepovers, late night chats, and above all, you, our only son.

Love Mom, Dad, and Sisi.

Eleven Words of Advice for the Class of 2011

When you lose, don't lose the lesson

Talk slowly but think quickly

Only you can control your future

Credit card does not mean unlimited money

Junk food will come back and bite you in the butt

Save the drama for your mama

Hard work pays off

Some one always has it worse

Set goals and reach higher

Surround yourself with things and people that make you happy

One person can change the world

Class of 2011,

As you venture into the real world, remember these words of advice. Keep in mind that there are over a million students that feel just as scared and overwhelmed as you. Remember that even if you don't think you are, you are prepared for the next chapter in your life. And anything is possible with hard work and determination. Good luck, Class of Eleven!

West Carteret,

From July 20th, 2010 to June 27th, 2011, the West Carteret High School yearbook staff has worked diligently. We aimed to put together a book that told the story of each and every student's experiences in the 2010-2011 school year. Putting this yearbook together was no easy task. Many people were involved in its making, and we could not have pulled it off without the cooperation of the student body, coaches, teachers, and administrators. Now on Monday, June 27th 2011, we are finally submitting the finished book. We hope you find it as enjoyable to look through as we found to put together. Good luck and congratulations to Zayn Hamad and Krystina Spencer for being the 2011-2012 yearbook editors.

Editors,
Joseph Bond & Sydni Collins

We couldn't have done this without Mrs. Kay's support, either! Thanks for all your help, Mama Kay!
