

Morehead City Middle School

Morehead City Middle School's
Principal
Dr. Sue Kreuser

"The primary goal of the MCMS staff is to provide THE BEST learning environment and middle school experience for every student, every day. This includes a challenging curriculum in a welcoming environment that feels safe, engaging and fun!

My personal hope is to see the message of Rachel's Challenge impacting our school every day. Kindness, compassion and acceptance are powerful themes that support the encouragement of making a positive difference within our school, community and world."

~Dr. Sue Kreuser

"Our MCMS students and teachers make each day count. Our student body and staff take pride in their work and do their best to connect as a school family. Each of us strive to be life long learners and help each other grow."

~Mrs. Jenny Bell

Morehead City Middle School's
Assistant Principal
