# A BRIGHT BULLDOG FUTURE

What makes being a student at BCMS great?

*These are the yearbook cover submissions for the 2012-2013 school year.*

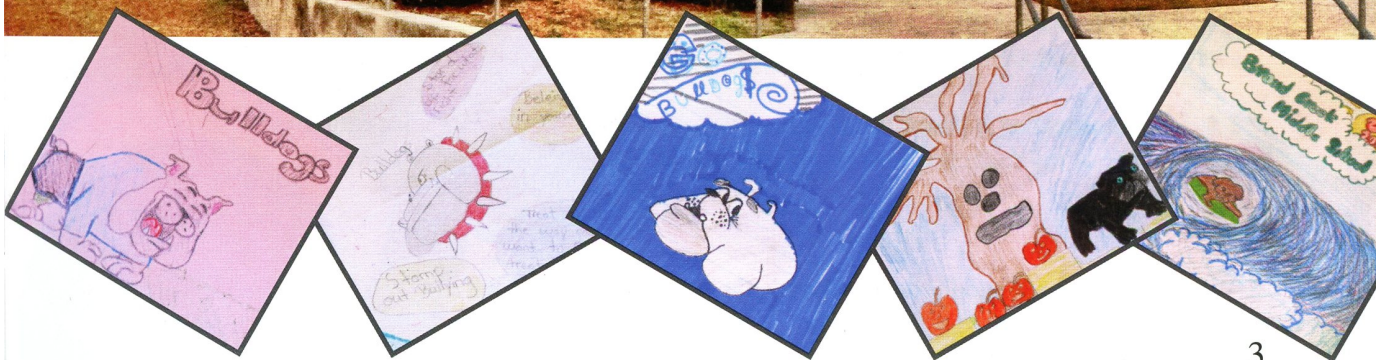

There are better **teachers**, **classes**, and **after school activities**. The teachers here make the **class fun**, they have a good **sense of humor** and they make things easy to **understand**. BCMS classes are **technology oriented**. There are a lot of **extra curricular activities** such as **Math Counts**, **National Junior Honor Society**, **Girls on Track**, and much more. A lot of things can be hard in middle school but BCMS Bulldogs stick together and manage to make it through.

Through all of the **trials** and **triumphs**, a Bulldog will walk towards the path of a **brighter future**. A path which leads to every student's "pot of gold": a **quality education** and great memories for years to come.

**Dr. Tomon**

**Principal**

“At 211 degrees, water is hot. At 212 degrees, it boils. And with boiling water, comes steam. And with steam, you can power a train. **One extra degree makes all the difference.** You have gone that one extra degree to make Broad Creek the best place to teach and learn. **Congratulations on being named a School to Watch.**”

**Mrs. Vines**

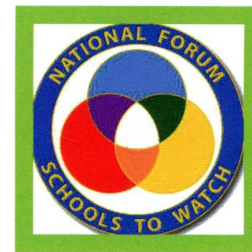

**Assistant Principal**

“My goal is to **make a positive difference** in the life of each child that I work with **everyday.** I too, share the quotes from the following persons:

‘I think that **education is power.** I think that being able to communicate with people is power. One of my main goals on this planet is to encourage people to empower themselves.’

- Oprah Winfrey

‘We are what we repeatedly do. **Excellence, therefore, is not an act but a habit.**’-Aristotle
