Broad Creek Middle School, home of the Bulldogs, where students can become part of a school community, rich in athletics, technology, arts, and academics. Throughout the 2014-2015 school year we remember our FISH Philosophy: "Choose Your Attitude (positive, of course!), Make Someone's Day, Be There (in that moment rather than worry about the future or fretting about the past) and Play (make each fun!)". BCMS is place where perseverance and positivity are celebrated traits, for both students and staff, on the pursuit of a better future. *"In the confrontation between the stream and the rock, the stream always wins - not through strength but through persistence."* - Unknown

Advice for Students

Dr. Tomon

“ Choose Your Attitude. There is always a choice about the way you do your work, even though there is not a choice about the work itself. Attitudes are contagious, are yours worth catching? ”

Mrs. Vines

“ You are capable of more than you know. Choose a goal that seems right for you and strive to be the best, however hard the path. Aim high. Behave honorably, prepare to be alone at times, and to endure failure. Persist! The world needs all you can give. - E.O. Wilson ”

In Anne Frank's Diary, on Saturday 15 July 1944, remembering her Daddy's words about raising children, Anne writes "Parents can only give good advice or put them on the right paths, but the final forming of a person's character lies in their own hands." We as your parents, pray that you will always have dreams and set goals to reach those dreams; that you will be thankful for what you have; that you will hope for the best and prepare for the worst; that you will never forget to tell people how much you love them and that you will always include God. We are very proud of you and love you very much.

Proud just isn't a big enough word to describe what we feel when we think of your many accomplishments! Your academic excellence and dedication to the arts is commendable; however, it is your character by which we are most amazed.

You are unique for a person of your age in that you value honesty, loyalty, and integrity - characteristics found in those that are capable of making a difference in this world. The sky is most definitely the limit my dear, and we can't wait to watch you soar...

With much love,
Jonathan, Mommy, Eden, & Ireland

"Mrs. Vines is the most amazing assistant principal that I've ever worked with, she is supportive, caring, considerate. Best wishes." - Mrs. Maynard
